Preface

The House Select Committee to Investigate Covert Arms Transactions with Iran and the Senate Select Committee on Secret Military Assistance to Iran and the Nicaraguan Opposition, under authority contained in the resolutions establishing them (H. Res. 12 and S. Res. 23, respectively), deposed approximately 290 individuals over the course of their 10-month joint investigation.

The use of depositions enabled the Select Committees to take sworn responses to specific interrogatories, and thereby to obtain information under oath for the written record and develop lines of inquiry for the public hearings.

Select Committees Members and staff counsel, including House minority counsel, determined who would be deposed, then sought subpoenas from the Chairmen of the Select Committees, when appropriate, to compel the individuals to appear in nonpublic sessions for questioning under oath. Many deponents received separate subpoenas ordering them to produce certain written documents.

Members and staff traveled throughout the United States and abroad to meet with deponents. All depositions were stenographically reported or tape-recorded and later transcribed and duly authenticated. Deponents had the right to review their statements after transcription and to suggest factual and technical corrections to the Select Committees.

At the depositions, deponents could assert their fifth amendment privilege to avoid self-incrimination by refusing to answer specific questions. They were also entitled to legal representation. Most Federal Government deponents were represented by lawyers from their agency; the majority of private individuals retained their own counsel.

The Select Committees, after obtaining the requisite court orders, granted limited or "use" immunity to about 20 deponents. Such immunity means that, while a deposed individual could no longer invoke the fifth amendment to avoid answering a question, his or her compelled responses—or leads or collateral evidence based on those responses—could not be used in any subsequent criminal prosecution of that individual, except a prosecution for perjury, giving a false statement, or otherwise failing to comply with the court order.

An executive branch Declassification Committee, located in the White House, assisted the Committee by reviewing each page of deposition transcript and some exhibits and identifying classified matter relating to national security. Some depositions were not reviewed or could not be declassified for security reasons.

In addition, members of the House Select Committee staff corrected obvious typographical errors by hand and deleted personal and proprietary information not considered germane to the investigation.

In these *Depositions* volumes, some of the deposition transcripts are followed by exhibits. The exhibits—documentary evidence—were developed by Select Committees' staff in the course of the Select Committees' investigation or were provided by the deponent in response to a subpoena. In some cases, where the number of exhibits was very large, the House Select Committee staff chose for inclusion in the *Depositions* volumes selected documents. All of the original

exhibits are stored with the rest of the Select Committees' documents with the National Archives and Records Administration and are available for public inspection subject to the respective rules of the House and Senate.

The 27 volumes of the *Depositions* appendix, totalling more than 30,000 pages, consist of photocopies of declassified, hand-corrected typewritten transcripts and declassified exhibits. Deponents appear in alphabetical order.

Whereupon,

RICHARD R. MILLER

was called for examination by counsel for the committee, and having been first duly sworn by the notary public, was examined and testified as follows:

EXAMINATION

BY MR. KAPLAN:

Q Could you please state your full name for the record?

A Richard Roderick Miller.

Q Are you testifying here today, Mr. Miller, pursuant to grants of immunity by the Senate and the House select committees that compel your testimony?

A I am.

MR. KAPLAN: And I'm going to mark as Exhibit 1 to this deposition a copy of an order issued by the United States District Court for the District of Columbia ordering Mr. Miller to testify at proceedings by the Senate select committee, and also providing that no testimony or other information compelled under this order may be used against Mr. Miller. And that's a paraphrase of the order.

Counsel for the House select committee appearing here today has assured Mr. Miller's counsel that the House

will be forwarding a copy of the immunity and compulsion

1 order that the House select committee has received in
2 connection with Mr. Miller's testimony here today.

3 I ask the reporter to mark that as Miller Deposition
4 Exhibit No. 1

5 [Miller Exhibit No. 1 was
6 marked for identification.]

7 BY MR. KAPLAN:

8 Q Mr. Miller, did you meet with Colonel North on
9 November 20th, 1986?

10 A Yes.

11 Q And at whose request was that meeting set up?

12 A Mine.

13 Q And why did you request a meeting with Colonel
14 North?

15 A We had been in discussion for some time about the
16 need to develop a public affairs and congressional effort on
17 behalf of the Nicaraguan resistance, the unified Nicaraguan
18 opposition.

19 Q Were you also concerned that a contra supply
20 network that you participated in, which we'll get into later
21 during your testimony, was unraveling to some extent, or
22 might unravel?

23 A I wouldn't characterize it that way. There were
24 events taking place in the United States that I thought made
25 it possible that both he and I would be drawn into a legal

UNCLASSIFIED

UNCLASSIFIED

1 situation.

2 Q And are the events to which you're referring, the
3 disclosure of the arms sales to Iran with questions directed
4 at you about provision of assistance to the resistance in
5 Nicaragua?

6 A Again, I wouldn't characterize it that way. It was
7 more a case of a closer scrutiny of Colonel North's activities
8 and the dredging up by the media of previous newspaper
9 accounts of his assistance through private individuals to the
10 resistance movement.

11 Q Where did that meeting take place?

12 A In his office in the Old Executive Office Building
13 and also in the corridor.

14 Q Was there anyone in his office when you arrived at
15 the OEOB?

16 A As I recall, I waited for some time, which was
17 customary in those meetings -- probably 30 minutes or so.
18 And he finally came out of his door and shut it behind him in
19 such a way that I was not able to see who was in the office.
20 And it was clear he was doing it so that I wouldn't know who
21 was in the office.

22 Q And did you ask him who was in the office?

23 A I did not.

24 Q And did he tell you who was in the office?

A No.

UNCLASSIFIED

pb7

7

1 Q And then I take it you proceeded to have a conver-
2 sation with Colonel North in the corridor outside his office?

3 A He said, let me walk you to the elevator. And we
4 talked briefly about the establishment of the UNO public
5 affairs and congressional effort. And I then raised the
6 question of potential future legal ramifications for myself
7 and my firm, and then ultimately for him.

8 Q Did you express to him that you were concerned
9 about revelations that had appeared in the press relating to
10 closer scrutiny of his activities?

11 A Yes, but my ~~primary departure~~ point in the conver-
12 sation was about the lawsuit that had taken place in Miami
13 brought by the ~~Christians~~ ^{CHRISTIC INSTITUTE (RRM)} against several people who had by
14 that point been named as people supporting the Nicaraguan
15 movement. And my concern was that as the scrutiny of his
16 activities broadened, eventually several other people would
17 probably be drawn into it. It had not ~~been~~ dismissed by a
18 federal judge, and therefore, anybody involved should be
19 ready to defend themselves in federal court.

20 Q And you considered yourself somewhat involved?

21 A I did.

22 Q And what was the substance of the discussion you
23 had with Colonel North about potential need for you for a
24 legal defense?

A Well, I told him that I was and the people involved

1 through my activities, I expected it would cost a considerable
2 amount of money, and he asked how much. And I said, I would
3 expect it to be at least a quarter of a million dollars, and
4 that doesn't even take you into account. And his response to
5 that was, don't worry about me.

6 No, he then asked how much was in the account, and
7 I said about \$200,000. But I said, that doesn't even take
8 care of you. And he said, don't worry about me, you keep it
9 for legal costs.

10 Q And when Colonel North asked you how much was in
11 the account, was it your understanding that the account he
12 was referring to were maintained by Cayman Islands' corpora-
13 tions under your control?

14 A Yes.

15 Q And were those accounts maintained in Cayman
16 Islands' financial institutions?

17 A The one he would have been specifically referring
18 to would have been the Intel Co-Operation account at Barclay's
19 Bank, although he at that time did not know it was Barclay's
20 Bank.

21 Q But he did know that it was the Intel Co-Operation
22 account?

23 A Yes.

24 Q Was there anything more to that evening?

25 A That was about the end of it. I think I left. It

1 wasn't very long.

2 Q You went down the elevator?

3 A Yes.

4 Q Did anyone else either participate, or to your
5 knowledge overhear your conversation in the corridor?

6 A Not that I'm aware of.

7 Q Did Colonel North stay on the floor on which his
8 office was when you went down the elevator?

9 A I really don't recall.

10 Q But he didn't go out with you?

11 A No.

12 Q Did you then meet with Colonel North on the next
13 day, November 21, 1986?

14 A I did.

15 Q And who initiated that meeting?

16 A Colonel North called me, which was unusual, for a
17 meeting and said that--his question to me, as I recall now
18 was, did we finish what you needed to talk about yesterday.
19 And I said, no. And he said, then why don't you come over.
20 And I think it took several attempts to get there, and that
21 again wasn't unusual. Things on his schedule changed rapidly.

22 Q When you ^{say} several attempts to get there, you're
23 referring to changed times in the agreed upon meeting?

24 A Correct.

25 Q Do you recall what time of day Colonel North called

10

1 you to set up this meeting?

2 A I don't. I recall that when I got there it was
3 dark and it was rainy. So I would put it some time in the
4 late evening.

5 Q The meeting took place in the late evening. And
6 what I was asking is whether you had any recollection as to
7 the time of day of Colonel North's initial phone call to you
8 to set up the meeting?

9 A As I sit here, not specifically, no.

10 Q What about generally? Was it morning, afternoon,
11 before lunch, after lunch?

12 A I don't have a specific recollection of when.

13 Q How many phone calls would you say intervened
14 between the initial phone call and the meeting taking place?

15 A It seems to me it got postponed twice. There were
16 two instances involving some change in time. It may have
17 been changed and then changed back. I'm not sure. But I
18 remember twice there was some change in the schedule.

19 Q And the meeting then occurred some time in the late
20 afternoon or early evening?

21 A Well, it was late. I was able to park on G Street.
22 It was dark and it was raining. So I would it probably some
23 time after 5:00.

24 Q And where did the meeting actually take place?

25 A I went to his office. Again, I waited briefly.

UNCLASSIFIED

pb11

11

1 And he came out and we exchanged greetings. I don't recall
 2 what we specifically said, but he was in effect already
 3 packing up. He was packing his briefcase and putting on his
 4 coat. And he said, why don't you give me a ride and I told
 5 him I would do that.

6 So we talked on the way to the car. But I suspect
 7 only as far as the door, because it was pouring down rain, as
 8 I recall. And we probably then didn't restart our conversa-
 9 tion until we got in the car.

10 Q Did he say where he wanted you to give him a ride
 11 to?

12 A He said he wanted a ride--I don't remember specifi-
 13 cally, but it was a general area, like Dupont Circle or
 14 something like that. I recall where I dropped him off.

15 Q Did you then proceed to drive him towards Dupont
 16 Circle?

17 A I did.

18 Q And can you tell us about the substance of the
 19 conversation that you had with Colonel North?

20 A I was trying to tell him that I felt that the
 21 effort--I had previously told him I thought the effort would
 22 be a minimum of \$2.5 million, and potentially as high as \$5
 23 million if it was done correctly.

24 Q Now what effort are you referring to?

25 A Public relations and public affairs and congress-

1 sional activities on behalf of UNO. And that I felt that it
 2 had to be paid for with money that came from outside the
 3 United States. That it should not be money raised by American
 4 citizens, it should come from foreign donors.

5 And that was the substance of what I was telling
 6 him this time, that for someone to raise that money would
 7 make them a foreign agent. I didn't think that was a
 8 comfortable position for people, and I thought it unlikely
 9 they could raise that amount of money for that kind of
 10 effort, and couldn't somebody be contacting the likes of the
 11 Sultan of Brunei or [REDACTED] or people of that
 12 caliber of financial capacity.

13 Q What was his response to that query of yours?

14 A As I recall, the exchange that happened just as he
 15 exited my car--it was a very short ride. There was almost no
 16 one on the road. He said that--I said to him, can't somebody,
 17 can't Shultz or somebody contact [REDACTED] and ask them to
 18 put up this money? And his response was, I gave one to
 19 Shultz already and he fucked it up.

20 Q And did you understand what he was referring to by
 21 that comment?

22 A No.

23 Q Did you ask him what he was referring to?

24 A No.

Q At some other point in the car ride, did North

1 indicate to you that the Attorney General had suggested that
2 he get legal advice.?

3 A As I recall sometime in that period, either the day
4 before that day he had told me that the Attorney General--but
5 I don't recall--that the Attorney General had suggested that
6 he get legal counsel.

7 Q And did he say why the Attorney General suggested
8 he get legal counsel?

9 A No.

10 Q Did he mention to you when the Attorney General
11 suggested to him that he get legal counsel?

12 A No.

13 Q Did you have an impression as to when the Attorney
14 General might have suggested to him that he obtain legal
15 counsel?

16 A No, not really.

17 Q Did he describe to you anything more about the
18 substance of his conversation with the Attorney General?

19 A No.

20 Q Did you ask him why the Attorney General suggested
21 that he get legal counsel?

22 A No. It wasn't that long a conversation.

23 Q Do you recall when Colonel North related to you
24 that the Attorney General suggested that he obtain legal
25 counsel?

UNCLASSIFIED

pb14

UNCLASSIFIED

14

1 A Again, it's the same answer as before. I'm not--
2 it's one of those two days.

3 Q And by those two days you're referring to Thursday,
4 November 20th, 198⁶~~A~~ or Friday the 21st?

5 A Thursday or Friday, right.

6 Q And so it would have been either in the corridor, I
7 take it, on Thursday, November 20th, or in the car on Friday,
8 November 21st?

9 A I would think so, yes.

10 Q You recall that he related the Attorney General's
11 suggestion to you in a face-to-face conversation as opposed
12 to over the phone?

13 A Yes.

14 Q Did Colonel North say anything else to you about
15 Secretary of State Shultz as he was departing the car on
16 Friday, November 21?

17 A Yes, his last words right after he made the
18 statement about the Secretary not succeeding was, he said, if
19 Shultz knew that the Ayatollah was bankrolling this whole
20 thing he'd had a heart attack, or a coronary--I've forgotten
21 which. With that, he got up and left my car.

22 Q Did you understand what reference he was making at
23 the time?

24 A No.

25 Q And I take it you didn't have an opportunity to ask

UNCLASSIFIED

pb15

15

UNCLASSIFIED

1 him?

2 A No, I got to think about it all weekend.

3 Q And did you ask him at any time subsequently to
4 what he was referring?

5 A Didn't have to.

6 Q Where was it that you dropped Colonel North off?

7 A It was an office building on the north--I'm sorry,
8 the southeast side of Dupont Circle. And I think the address
9 is 1800 Massachusetts.10 Q Let the record reflect there are four buildings on
11 the corner of 18th and Massachusetts. One of them is the
12 ~~S~~Algrave Club; one of them is the National Trust for Historic
13 Preservation; one of them is, again another older building,
14 the Yeater Clinic; and one of them is a new office building,
15 eight stories high, that is 1800 Massachusetts Avenue,
16 sometimes known as the National Rural Electrical Cooperative
17 Association building.18 And I take it that your recollection is that you
19 dropped him off at the new office building, which is 1800
20 Massachusetts Avenue?

21 A Correct.

22 MR. KAPLAN: I have no further questions on those
23 two areas. To accommodate Ms. Naughton who's here on behalf
24 of the House select committee, we've covered those two areas
25 first, a little out of order, and I am going to have

UNCLASSIFIED

pb16

16

1 questions going to some background issues and then one other
2 area that we'd like to put on the record today.

3 So I will break my questioning here and turn it
4 over to Ms. Naughton as to whether she has any further
5 questions on the events occurring on November 20th and
6 November 21st.

7 MS. NAUGHTON: Thank you very much.

8 EXAMINATION

9 BY MS. NAUGHTON:

10 Q Mr. Miller, you mentioned this November 20th
11 meeting with Oliver North, sort of in the corridor of the
12 OEOB. Do you recall what time of day this was?

13 A I'm not sure, but I think it was the afternoon.

14 Q When you mentioned the legal problems that may be
15 involved with the lawsuit and so forth and he said don't
16 worry about me. Did he tell you why you shouldn't worry
17 about him?

18 A No.

19 Q Was that his last comment that you can recall?

20 A Yes.

21 Q Did he ever indicate to you that he foresaw that he
22 had legal problems?

23 A No, he didn't indicate it but I think it was clear
24 to both of us at that point that he probably did have some
25 legal problems.

UNCLASSIFIED

pb17

UNCLASSIFIED

17

1 Q Did you ever discuss with him what those were
2 specifically?

3 A Well, in specific terms the only thing we discussed
4 was the lawsuit in Miami.

5 Q Did Mr. North ever tell you that he had consulted
6 with any attorney?

7 A He told me--I've heard him use that phrase once, I
8 think, that he had consulted with an attorney, prior to that
9 Friday evening. But I can't tell you where specifically or
10 when specifically.

11 Q But the consultation was sometime within that time?
12 In other words, we're not talking about two years before then?

13 A I would say it was within six months of that period
14 at least.

15 Q Now when you saw him on November 21st outside of
16 his office or as he was leaving his office, can you recall
17 what your conversation was in the hallway?

18 A We had already begun talking about the need to have
19 a public affairs and congressional liaison operation, and the
20 need for it to be staffed and the level of cost associated
21 with it. It was my primary reason for seeing him on Thursday,
22 and this was a subsequent discussion about the same thing.

23 Q When he mentioned that--Oliver North had said that
24 the Attorney General suggested he get legal counsel, do you
25 recall how that subject came up?

UNCLASSIFIED

pb18

18

UNCLASSIFIED

1 A It was an offhand comment by him, and I don't think
2 it fit in real well with whatever the conversation was,
3 because I don't recall a conversation about the subject. It
4 seems to me it was an offhand comment he made.

5 Q Can you visualize where you were when he made that
6 comment?

7 A I can't specifically for you.

8 Q Did it arise in the context of your activities
9 involved in supporting the freedom fighters in Nicaragua?

10 A Again, I don't have a specific memory trigger on
11 the conversation. I don't--I remember it as an offhanded
12 comment. I don't remember it as part of a continuing
13 conversation.

14 Q Had he discussed the Attorney General with you
15 before?

16 A No.

17 Q This was his first reference to the Attorney
18 General?

19 A That I remember, yes.

20 MS. NAUGHTON: Thank you. I have no further
21 questions.

22 EXAMINATION

23 BY MR. KAPLAN:

24 Q One further question on this topic. Did North tell
25 you why he was going to 1800 Massachusetts Avenue?

UNCLASSIFIED

nb19

19

UNCLASSIFIED

1 A No.

2 Q And you didn't ask him?

3 A No.

4 Q Now we'll switch gears, and I'm going to go into
5 some background information. Are you currently employed, Mr.
6 Miller?

7 A I am.

8 Q And where are you employed?

9 A I'm a senior partner at International Business
10 Communications.

11 Q And for how long have you been employed there?

12 A Four years almost.

13 Q Did you work for a period of time in 1979, 1980 as
14 a director of broadcast services in the Reagan for President
15 campaign?

16 A I did.

17 Q And after the 1980 election, did you work for the
18 Reagan transition team?

19 A I did.

20 Q And sometime shortly thereafter, did you take a
21 position as special assistant to the director of public
22 affairs at the Department of Transportation?

23 A Yes.

24 Q And for how long were you employed in that position?

A Two months.

UNCLASSIFIED

UNCLASSIFIED

1 Q From thereafter, which I take it was around
2 February 1981 until February of 1983, did you serve as chief
3 of news and public affairs for the Agency for International
4 Development?

5 A Chief of news and media relations for one year, and
6 then the director of public affairs for another.

7 Q So I kind of got the two combined. Then did you
8 start International Business Communications as a sole
9 proprietorship in early 1984?

10 A Yes.

11 Q And did IBC become a partnership comprised of
12 Miller Communications and Gomez International in 1986?

13 A Correct.

14 Q And did you incorporate Miller Communications in
15 early 1986?

16 A Yes.

17 Q And was Gomez International, to your knowledge,
18 also incorporated in early 1986?

19 A Yes.

20 Q And again, to your knowledge, is Frank Gomez the
21 principal in Gomez International?

22 A Yes.

23 Q Was a purpose of incorporating Miller Communications
24 and Gomez International to restructure an ongoing business
25 relationship you had with Frank Gomez and to form the

UNCLASSIFIED

UNCLASSIFIED

1 partnership of International Business Communications?

2 A That was one of the reasons, yes.

3 Q Has IBC--and I'm referring to International
4 Business Communications by that shorthand--since its inception
5 generally engaged in media relations, strategic planning for
6 public affairs, political analysis, and executive branch
7 liaison? Is that a fair characterization of IBC's business?

8 A That is a fair characterization of most of IBC's
9 business.

10 Q Would you like to add to that?

11 A We've done some consulting on international trade
12 and development as well.

13 Q And in or about the spring of 1985, did IBC take on
14 as a client American Conservative Trust, which was a political
15 action committee that had been established by Carl R.
16 Channell?

17 A Yes. Did you say May?

18 Q Spring of 1985. Is that accurate?

19 A Yes.

20 Q And at some time shortly thereafter, did National
21 Endowment for the Preservation of Liberty, another Channell
22 organization, also become a client of IBC's?

23 A They were virtually one and the same for our
24 purposes.

25 Q So they became clients at about the same time in

UNCLASSIFIED

nb22

22

UNCLASSIFIED

1 the spring of 1985?

2 A Yes, in the spring of 1985.

3 [Witness and counsel conferring.]

1 A I think for your record, it would be important to
2 point out that we worked for several of the Channell organiza-
3 tions and it was Mr. Channell's responsibility to decide how
4 the work product was applied to his organization. So NEPL,
5 National Endowment for the Preservation of Liberty, came
6 along later than ACT, the American Conservative Trust.

7 Then there were subsequent organizations, who we
8 also provided work product to.

9 Q Let's just establish for the record that when we
10 refer to IBC, we're referring to International Business
11 Communications and when we refer to NEPL or N-E-P-L, we're
12 referring to the National Endowment for the Preservation of
13 Liberty.

14 A Yes.

15 Q Was Daniel Conrad an executive director of NEPL at
16 the time that NEPL became a client of yours?

17 A Yes.

18 Q At or about the same period of time, was IBC
19 performing a variety of public relation functions for the
20 Nicaraguan Development Council?

21 A Yes.

22 Q How long had IBC been engaged in those public

UNCLASSIFIED

UNCLASSIFIED

1 relations activities?

2 A A little less than a year.

3 Q At or about that same period of time, and I am
4 talking about the spring of 1985, were you also dealing with
5 Lieutenant Colonel North on matters relating to the Nicaraguan
6 situation?

7 A We were dealing with Colonel North on matters
8 relating to the Nicaraguan situation and other Central
9 American issues.

10 Q In or around early April 1985 did you, Frank Gomez,
11 Carl Channell and Dan Conrad meet over dinner in Washington,
12 D.C. with John Ramsey of Wichita Falls, Texas?

13 A Yes.

14 Q Was the purpose of that dinner to solicit Mr.
15 Ramsey to provide monetary support to Adolfo Calero and the
16 Nicaraguan Development Council?

17 A Yes.

18 Q At the dinner, were certain military needs of the
19 resistance discussed, including small arms, ammunition, and
20 red eye missiles?

21 A I wouldn't use your characterization of needs. The
22 types of weapons they were using, how they were supplying
23 themselves, what use they were making of them, all those
24 things were discussed.

Q To the best of your knowledge, did Mr. Ramsey

UNCLASSIFIED

pb24

UNCLASSIFIED

24

1 subsequently make a contribution to the Nicaraguan Development
2 Council?

3 A Yes.

4 Q Do you recall how much that contribution was?

5 A It seems to me -- my memory is not clear on this,
6 but I think it was \$20,000.

7 Q Was it your understanding that that contribution
8 was made, at least in part, as a result of the dinner that we
9 just discussed, in early April, 1985?

10 A Yes.

11 Q In early June, 1985 or maybe it was late May, did
12 you receive a call from Colonel North regarding a sum of
13 money needed by the Nicaraguan resistance?

14 A I believe it was the very beginning of June.

15 Q Did North indicate to you that the resistance
16 needed \$50,000?

17 A As I recall, he was looking immediately for
18 \$30,000.

19 Q Did he say something like \$30,000 would be neat or
20 something to that effect?

21 A I'm aware of what you're referring to, but that's a
22 subsequent conversation. But \$30,000 was the figure he was
23 searching for.

24 Q Did he give you the number of an account into which
25 any money solicited for the need should be deposited?

UNCLASSIFIED

pb25

25

UNCLASSIFIED

1 A Yes.

2 Q Did North indicate to you for what specific purpose
3 the money was needed?

4 A Just that it was general assistance to resistance
5 offices.

6 Q Did you ask for the specific purpose, beyond that?

7 A I don't recall asking for it.

8 Q You referring to a subsequent telephone conversation
9 a moment ago. When did that conversation take place?

10 A At a later point, he asked me to transfer money
11 under my control to an account which was the same account.
12 In that instance, he gave me those instructions that you just
13 talked about.

14 MR. KAPLAN: I'm going to ask the reporter to mark,
15 as Deposition Exhibit Number 2, a copy of handwritten notes
16 that have been provided to us by your counsel in response to
17 a subpoena issued by our committee.

18 [Miller Exhibit Number 2
19 was marked for identification.]

20 BY MR. KAPLAN:

21 Q I'd ask you to take a look at those notes. Were
22 those notes prepared by you?

23 A Yes.

24 Q Is that your handwriting?

A Yes.

UNCLASSIFIED

UNCLASSIFIED

1 Q Were those notes prepared during or as a result of
2 a phone conversation that you had with Colonel North?

3 A I can't recall whether this specific note was a
4 result of the phone conversation or a meeting, but I wrote it
5 down from information he gave me.

6 Q Would this have referred to -- would these notes
7 have been taken in the context of either a phone conversation
8 or meetings sometime in early June, 1985?

9 A Yes.

10 Q Did you call --

11 A I'm sorry, I have to strike that. If this is from
12 the period I believe it is, it's probably July. But it's the
13 same information that I made use of in June.

14 Q In early June. So the notes might have been
15 prepared as a result of a meeting or from a conversation in
16 early July, but the information contained in the notes is
17 pretty much, if not precisely the same information that
18 Colonel North relayed to you in early June?

19 A Correct.

20 Q Let's stay with early June. Pursuant to Colonel
21 North's request in early June, did you then call John Ramsey
22 to ask him to contribute toward the need expressed by Colonel
23 North?

24 A I believe I called Mr. Channell first and he gave me
25 Mr. Ramsey's phone number and had me call Mr. Ramsey directly.

UNCLASSIFIED

pb27

UNCLASSIFIED

27

1 Q And you did then call Mr. Ramsey?

2 A Yes.

3 Q Did you give to Mr. Ramsey the account information
4 given to you by Colonel North?

5 A I did.

6 Q Did you later learn that Mr. Ramsey had deposited
7 \$10,000 directly into the same account, about which you had
8 given him information?

9 A Yes.

10 Q That was the information about the account that you
11 had received from Colonel North?

12 A Correct.

13 Q Did you prepare and send a mailgram over North's
14 name thanking Ramsey for his contribution?

15 A I did.

16 Q Did North authorize the mailgram to be sent?

17 A Yes.

18 MR. KAPLAN: Can I ask the reporter to mark as
19 Exhibit 3 a copy of a mailgram again which has been provided
20 by your counsel pursuant to subpoena by the Senate Select
21 Committee.

[Miller Exhibit Number 3

24 BY MR. KAPLAN:

25 Q Is this the mailgram to which I just referred and

UNCLASSIFIED

pb28

28

UNCLASSIFIED

1 to which you just referred in your testimony?

2 A Yes.

3 Q Just for the record, the mailgram reads "Thank you
4 for the help on such short notice" over the name of Colonel
5 North and the mailgram is sent to Mr. John Ramsey in Wichita
6 Falls, Texas. Is that correct?

7 A Correct.

8 Q Do you recall whether you gave, to Colonel North, a
9 copy of this mailgram?

10 A I believe I did.

11 Q On or about July 9, 1985, did you participate at a
12 meeting at the Hay-Adams Hotel with Mr. Channell, Mr. Conrad
13 and Colonel North?

14 A Yes.

15 Q Was the purpose of that meeting that Mr. Channell
16 wanted to ensure that money that had been contributed by NEPL
17 contributors for the benefit of the Nicaraguan resistance
18 was, in fact, being used for that purpose?

19 A He wanted to be sure that it was being sent to the
20 correct place.

21 Q At that meeting, did Mr. Channell ask Colonel North
22 where contributions for the resistance should be directed in
23 the future?

24 A Yes.

25 Q What did Colonel North respond?

UNCLASSIFIED

pb29

29

UNCLASSIFIED

1 A His response was to send them to IBC?

2 Q Had you formed, by that time, a Cayman Islands

3 corporation known as I.C., Inc.?

4 A I had.

5 Q Was I.C., Inc. formed for reasons unrelated to NEPL

6 or IBC's efforts on behalf of the Nicaraguan resistance?

7 A Yes.

8 Q Was Colonel North aware of the existence of I.C.,

9 Inc. before the July 9 dinner or meeting to which we just

10 referred?

11 A Yes.

12 Q Was the name of I.C., Inc. changed in early May,

13 1986, to Intel Co-Operation, Inc.?

14 A Yes.

15 Q Pursuant to Colonel North's suggestion at the July

16 9 meeting or dinner, did NEPL begin to make payments for the

17 Nicaraguan resistance to IBC?

18 A Yes.

19 Q Did NEPL continue to make such payments at various

20 times though the fall of 1986 to IBC and to Intel Co-Opera-

21 tion?

22 A Yes.

23 Q Did you make various disbursements over time of

24 those NEPL payments to IBC, I.C., Inc., and Intel Co-Opera-

25 tion?

UNCLASSIFIED

UNCLASSIFIED

1 A Yes.

2 Q And by those NEPL payments, we're both referring to
3 payments made by NEPL to IBC or Intel Co-Operation to support
4 or provide assistance to the Nicaraguan resistance, is that
5 correct?

6 A Yes.

7 Q In almost all cases, were those disbursements made
8 pursuant to a direction you received from Colonel North?

9 A Yes.

10 Q Were those disbursements made to recipients or bank
11 accounts identified by Colonel North?

12 A Yes.

13 Q At the time that those disbursements were made, is
14 it fair to say that you did not ask and generally were not
15 told the purpose of the particular disbursements?

16 A Could you repeat your question?

17 Q Yes, I'm sorry. At the time that the disbursements
18 were made, that is the disbursements that were directed by
19 and to recipients or bank accounts identified by Colonel
20 North, is it fair to say that you did not ask and Colonel
21 North never told you what the purpose was of those disburse-
22 ments?

23 A It's not a fair characterization. It varied from
24 time to time. It is true that in most of the large disburse-
25 ments, I did not know the identify of the recipients.

3 MR. DUDLEY: Could we go off the record for a

5 [Discussion off the record.]

6 BY MR. KAPLAN:

7 Q Mr. Miller, just to clarify the record, it might be
8 helpful if you did tell us what you knew about the recipients
9 of money from IBC or Intel Co-Operation that was directed by
10 Colonel North?

11 A It varied by recipient. The largest portion of the
12 monies received by Lake Resources, we had raised for specific
13 activities, such as resupply operations. But how it was
14 specifically sent, I can't tell you. ^{P (RRM)}

15 In the case of the some of the other large recipi-
16 ents, such as Alpha Services, and Mr. Calero's organizations,
17 my impression -- the information that I got from Colonel
18 North about the money transferred was very small, next to
19 nothing, just account information.

20 In the case of the UNO and ~~FOUO~~ ^{FDN (RRM)} UNO organizations, I
21 had a very good handle on the money that was being -- the
22 need for the money because it was money I was approached for,
23 and then there was a variety of other recipients who were
24 directed by -- I was directed by Colonel North to send money
25 to, the use of which I had no idea, and they included people

1 like the Latin American Strategic Studies Institute, the
2 Terrorism and Subnational Conflict Institute.

3 I generally knew who these people were, but I
4 didn't have any idea of how they were spending the money.

5 Q Were approximately \$1.7 million of IBC and I.C.,
6 Inc. disbursements directed by Colonel North to a Swiss bank
7 account held by Lake Resources?

8 A Yes.

9 Q At some point in the late fall or early winter of
10 1985, did Mr. Channell ask you to have North prepare and
11 provide a list of big ticket items needed by the Contras?

12 A He asked me to get from Colonel North some descrip-
13 tion of big ticket items that he could approach contributors
14 with.

15 Q And was there a bottom line dollar aim that these
16 big ticket items should add up to?

17 A Initially, as I recall, it was about \$1.2 million.

18 Q Did you understand that the list was to be used by
19 Channell to solicit contributions for that resistance?

20 A Yes.

21 Q Did you relay the request to Colonel North?

22 A Yes.

23 Q Did Colonel North then orally provide such a list
24 to you?

25 A He provided orally information on several items

1 that I then incorporated into a list.

2 Q Did you enter that list onto your computer at the
3 time?

4 A I did.

5 Q Do you recall that the list provided by Colonel
6 North orally included heavy lifting of cargo by aircraft?

7 A Yes.

8 Q Did the list from Colonel North also include the
9 training and outfitting of an urban tactics unit?

10 A Yes.

11 Q Did the list also include the resupply of the
12 resistance unit known as the Larry McDonald Brigade?

13 A I believe so.

14 Q Do you believe that the list provided orally by
15 Colonel North also included missiles of some kind?

16 A I believe that's true, but I don't have a copy of
17 the list anymore, so I can't point to it specifically, but I
18 did discuss specifically with Colonel North shoulder launched
19 surface to air missiles.

20 Q Did you print a copy of that list from your
21 computer?

22 A Yes.

23 Q Did you provide that list to Channell?

24 A Yes.

Q Did you then delete the list from your computer?

UNCLASSIFIED

UNCLASSIFIED

1 A Yes.

2 Q I take it you don't have a copy of that list today?

3 A I didn't retain a copy then.

4 Q Sometime in early November, 1985, did you par-
5 ticipate in a solicitation of funds from Mrs. Barbara
6 Newington?

7 A I participated in a solicitation of Barbara
8 Newington, yes.

9 Q In preparation for the solicitation, did you
10 prepare a file folder which contained a picture of a Soviet
11 HIND helicopter on one side and a picture of a shoulder held
12 surface to air missile on the other side?

13 A Yes.

14 Q Did you meet with Mrs. Newington, Mr. Channell and
15 Colonel North in a suite at the Hay-Adams Hotel?

16 A Yes.

17 Q Do you recall the date of that meeting?

18 A I've been subsequently told that it was the --

19 Q November 7?

20 A 7, but I'm not quite certain about it, to be honest.

21 Q You recall it was in the early November time period?

22 A No, I don't specifically recall the date, but I
23 recall the meeting.

24 Q At the meeting, did Colonel North describe to Mrs.
25 Newington the threat posed to the Nicaraguan resistance by

1 HIND helicopters?

2 A Yes.

3 Q Did North refer to the file folder that had been
4 prepared by you?

5 A Briefly.

6 Q Did North describe the capability of the shoulder
7 held surface to air missile that was in the file folder to
8 counteract the HIND helicopter?

9 A He did refer to surface to air missiles but only
10 generally. I don't think he specifically referred to the one
11 in the folder.

12 Q When you said before that Colonel North referred
13 briefly to the file folder that you had prepared, how did he
14 refer to it?

15 A I don't remember the specific conversation, but he
16 was describing to Mrs. Newington how the HIND helicopters had
17 changed the battlefield tactics of the resistance forces,
18 breaking them into smaller units, not allowing them to have
19 large collections of soldiers. I also had a copy of a New
20 York Times piece on the HIND helicopter, and as I remember he
21 used that far more prominently than he used the folder.

22 Q Did Mrs. Newington ask Colonel North if he knew
23 where to obtain surface to air missiles?

24 A As I recall, her specific question was, and you
25 know where to get these? And he said yes, we know.

UNCLASSIFIED

1 Q And did Colonel North quote any prices to Mrs.
2 Newington?

3 A I don't recall.

4 Q Did Mr. Channell then ask Mrs. Newington if she
5 would help by contributing money to the resistance?

6 A Are you asking me if that was -- are you asking in
7 proper time? Because I'm not sure whether Colonel North was
8 still in the room at the time.

9 Q I was going to ask you was Colonel North in the
10 room when Channell asked for a contribution?

11 A Colonel North, I don't think, was in the room when
12 Channell asked her for a specific contribution.

13 Q Do you know whether or not his absence from the
14 room at the time of Channell's request was prearranged?

15 A I don't think specifically, but it was his practice
16 not to be in the presence of the donor when they were asked
17 for money.

18 Q Just so we clarify the record, did Channell ask Mrs.
19 Newington if she would contribute money for the Contras?

20 A Yes.

21 Q And did Mrs. Newington indicate whether she would
22 contribute?

23 A Yes.

24 Q What did she indicate?

25 A As I recall, I'm not sure whether I knew it

UNCLASSIFIED

pb37

1 specifically that night or subsequently, but it was
2 \$1,200,000.

3 Q And are you aware that Mrs. Newington later made
4 stock contributions to NEPL of approximately \$1 million?

5 A Yes.

6 Q And are you aware that those contributions were
7 made sometime within the next four to six weeks?

8 A Yes.

9 Q Were those contributions subsequently passed to IBC
10 and then to I.C., Inc. for purposes of providing assistance
11 to the resistance movement?

12 A They were passed to IBC and then they were passed
13 on for the resistance. Without the report in front of me, I
14 can't tell you whether all of it went through I.C., Inc. or
15 whether some of it may have gone directly to State Resources.
16 [REDACTED] When we say that [REDACTED] were
17 passed, we understand that the contributions were turned from
18 stock into cash prior to having been passed to IBC?

19 A I believe that's correct, by NEPL.

20 Q Was there a time after NEPL began making payments
21 to IBC and I.C., Inc. for the resistance movement, that you
22 discussed with Colonel North your desire and the desire of
23 Frank Gomez to receive compensation both for the services you
24 were performing and the professional risk involved in the
25 funneling of funds to the resistance?

UNCLASSIFIED

pb38

38

UNCLASSIFIED

1 A Yes.

2 Q When did you have that discussion with Colonel
3 North?

4 A Sometime in late '85 or very early in '86.

5 Q Did you tell Colonel North that you and Mr. Gomez
6 wanted to receive 10 percent of the NEPL payments that were
7 flowing through IBC or its related entities?

8 A That's correct.

9 Q And did Colonel North agree that you and Mr. Gomez
10 could deduct 10 percent of those payments as compensation?

11 A Yes.

12 Q And in approving that compensation, did Colonel
13 North indicate that he believed that 10 percent was reason-
14 able?

15 A Yes.

16 Q Did he say that 10 percent was reasonable because
17 most of the other people in the business of providing
18 assistance to the Contras were taking 20 to 30 percent, or
19 something to that effect?

20 A That's almost exactly what he said.

21 Q Did you ultimately arrange to take 10 percent of
22 the contributions that flowed through IBC and/or its related
23 entities?

24 A Yes.

25 Q Did you pay that amount to the corporation that you

1 established in the Cayman Islands called World Affairs
2 Counselors, Inc.?

3 A Yes.

4 Q Did they ^g money that went into World Affairs
5 Counselors, Inc., that is the 10 percent, ultimately find its
6 way to Miller Communications and Gomez International?

7 A Yes.

8 Q Did you ever tell Channell or Conrad that you were
9 taking the 10 percent cut from the contributions that were
10 flowing through?

11 A I didn't tell Mr. Channell until December or
12 January of this past year.

13 MR. KAPLAN: I have no further questions under our
14 arrangement with your counsel to call you in on such short
15 notice, ~~to take your testimony under oath on these two~~
16 issues. ~~I express our reservation to call you back at~~

18 on a broader range of issues. I just want to state that for

20 It is the short notice to you and also the fact
21 that we know that you've been involved in heavy preparation
22 and grand jury testimony recently, which led us to limit our

5 EXAMINATION

6 BY MR. BUCK:

7 Q Did you know Mr. North to exaggerate stories at
8 all? Did you find him to embellish tales?

9 A I've never seen any indication that he had done
10 that. I've seen newspaper accounts of it, but I've never had
11 any personal experience with him doing that.

12 Q Did you know that Mrs. Newington's home was
13 searched for bugs, for electronic eavesdropping devices, at
14 one time?

15 A Yes.

16 Q Did you feel that was necessary?

17 A It was necessary to her, so we accomplished it.

18 MR. BUCK: I have no further questions.

9 Whereupon,

10 RICHARD R. MILLER

11 was recalled as a witness and, having previously been duly
12 sworn, was examined and testified as follows:

13 EXAMINATION BY COUNSEL FOR THE HOUSE SELECT COMMITTEE

14 BY MR. BUCK:

15 Q Mr. Miller, are you a partner in International
16 Business Communications, or IBC?

17 A Yes.

18 Q Is IBC a political and media consulting firm?

19 A Among other things, yes.

20 Q Since graduating from the University of Maryland in
21 1976, have you been employed in the field of broadcast
22 services and public affairs?

23 A Yes.

24 Q Would you say your area of expertise is public
25 affairs or fund-raising?

UNCLASSIFIED

UNCLASSIFIED

46

1 A I would say it's public affairs and business and
2 trade promotion.

3 Q Before April 1985, how many fund-raising jobs had
4 you held?

5 A None.

6 Q Is it fair to say that your greatest exposure to
7 fund-raising a result of having Mr. Channell's corporations
8 as clients?

9 A Greatest, yes, but not only.

10 Q What other exposures have you had?

11 A I was exposed to it during the Reagan campaign and
12 I've had a contract with a couple of direct marketing firms.

13 Q Do you know if Colonel North was a fund-raiser by
14 profession in 1985?

15 A No.

16 Q Did Frank Gomez have fund-raising experience before
17 April 1985?

18 A Not that I'm aware of.

19 Q Did you know of Mr. Channell's fund-raising
20 experience when you met him in early 1985, or did you learn
21 of it soon thereafter?

22 A I learned about his experience in the spring of
23 1985.

24 Q Did you learn about Mr. Conrad's experience also
25 during that time?

UNCLASSIFIED

UNCLASSIFIED

47

1 A Yes.

2 Q Did you know that Mr. Channell and Mr. Conrad had
3 extensive experience raising funds for tax-exempt corpora-
4 tions?

5 A Yes.

6 Q Did you believe Mr. Channell and Mr. Conrad would
7 determine the legality of their fund-raising techniques?

8 A Yes.

9 Q Did you rely on Colonel North to determine the
10 legality of the expenditures of Lake Resources?

11 A Yes.

12 Q Did Mr. Channell discuss weapons needs of the
13 Nicaraguan resistance with potential contributors?

14 A Yes.

15 Q Are you aware of Mr. Channell contacting Colonel
16 North to tell Colonel North the specific weapons which
17 particular contributors donated money for?

18 A I don't have any direct knowledge of that.

19 Q Is Colonel North the type of person, in your
20 opinion, to buy weapons which Mr. Channell told him he should
21 buy? Can you answer that?

22 A Yes, easily. No.

23 Q Okay. Is it your opinion that Mr. Channell
24 discussed the weapons needs of the Nicaraguan resistance with
25 potential contributors as a fund-raising technique?

UNCLASSIFIED

UNCLASSIFIED

48

1 A Yes, it's possible.

2 Q Were you aware that the National Endowment for the
3 Preservation of Liberty, or NEPL, was a 501(c)(3) tax-exempt
4 corporation?

5 A Yes.

6 Q When did you become aware of this?

7 A Probably June.

8 Q Of?

9 A 1985.

10 Q Did you know that tax-exempt corporations can only
11 spend their money for limited purposes?

12 A I was generally aware of that at the time.

13 Q What is your understanding of those limited
14 purposes?

15 A Now, it's pretty good, but back then it was that it
16 simply could not be used for--my only concern was that it not
17 be used for things that would violate the Neutrality Act of
18 the United States or the Export Act, Export Control Act.

19 Q Did you ever tell Mr. Channell to use NEPL, as
20 opposed to any of his other corporations, for the purpose of
21 raising money for the Nicaraguan resistance?

22 A No.

23 Q Did you ever discuss with Mr. Channell the ap-
24 propriate Channell organization to receive money raised for
25 the resistance?

UNCLASSIFIED

UNCLASSIFIED

49

1 A No.

2 Q Are you aware of Colonel North ever advising Mr.
3 Channell which of Mr. Channell's organizations should receive
4 money which was raised for the Nicaraguan resistance?

5 A I'm not aware of any such conversation.

6 Q Would Colonel North's advice on this matter be
7 inconsistent with the division of responsibilities, as you
8 saw those?

9 A Yes.

10 Q To your knowledge, was Colonel North involved in
11 the day-to-day operation of any tax-exempt corporation?

12 A No.

13 Q Was Colonel North present when you or anybody you
14 know solicited money for the Nicaraguan resistance?

15 A In--let me think. Once he was present, but not in
16 immediate proximity. On another occasion, I still don't have
17 a clear recollection, but I believe he left the room before
18 the actual solicitation took place.

19 Q Was it Colonel North's practice to excuse himself
20 when potential contributors were being solicited for money on
21 behalf of the Nicaraguan resistance?

22 A Yes, and initially he refused to even be present
23 during solicitations.

24 Q Do you have any knowledge that Colonel North knew
25 what organizations Mr. Channell or his employees were

UNCLASSIFIED

UNCLASSIFIED

50

1 soliciting money for?

2 A : I don't think he had a specific knowledge of which
3 organizations, but he knew Mr. Channell was president of
4 NEPL, National Endowment for the Preservation of Liberty.

5 Q Did he also know that Mr. Channell was president of
6 the American Conservative Trust?

7 A Yes.

8 Q Sentinel?

9 A Probably.

10 Q In other words, Mr. Channell had a great number of
11 corporations that he could have been raising money for, and
12 what I'm asking is did Colonel North know which of those
13 corporations he was raising money for?

14 A Besides the fact that I think you're extending the
15 universe on this, I can't--I know he knew about NEPL and I
16 know he knew about ACT. The others, I can't tell you because
17 we produced commercials that had ACT on them initially which
18 he had seen, and National Endowment for the Preservation of
19 Liberty was prevalent on the literature that he saw at the
20 time of summer of '85 and into '86.

21 Q My question is whether Colonel North knew that Mr.
22 Channell was raising money for a tax-exempt corporation.

23 A I can't speak for him in that regard.

24 Q Do you know specifically--.

25 A We have to revisit that question.

UNCLASSIFIED

UNCLASSIFIED

51

1 Q Okay, let's.

2 A His office, particularly--I think it was Bob Earl^{dr}
3 requested a list of tax-exempt organizations who were on the
4 Administration side of the issue and one of them, as I
5 recall, was the American Conservative Trust. I don't think
6 one of them was the National Endowment for the Preservation
7 of Liberty.

8 Q Who did he request the list from?

9 A From me. He asked me to put it together, so he
10 would have known that the American Conservative Trust was a
11 501(c), whatever it was, (6) or (4), because it would have
12 been on the list, and you have that document somewhere.

13 Q Okay. You're aware that Colonel North knew that
14 Mr. Channell was raising money for the Nicaraguan resistance?

15 A Yes.

16 Q And you're also aware that Colonel North knew that
17 Mr. Channell had a few organizations, a few corporations?

18 A Yes.

19 Q Are you aware of whether Colonel North knew which
20 organizations Mr. Channell was using to solicit money for the
21 Nicaraguan resistance?

22 A I don't recall a specific conversation between
23 North and myself on which Channell entity was raising money.

24 Q Do you specifically know if any of the money which
25 was received by International Business Communications, IC,

UNCLASSIFIED

52

1 Inc., or Intel Cooperation, or which was distributed to other
2 accounts from those corporations was used to buy weapons?

3 A I don't know. I think the vast majority of it was
4 not, and I think I can prove that to some certainty.

5 Q But my question has to do with the time frame
6 within which the money was being raised. At that time, did
7 you know of any of that money being used to buy weapons?

8 A At that time, we had specifically raised \$1 million
9 for weapons.

10 Q Thank you, and did you spend that money on weapons?
11 Did you personally spend that money on weapons?

12 A No.

13 Q So, to your knowledge, the money was spent--if it
14 was spent on weapons, it was spent on weapons by someone else?

15 A Correct.

16 Q And the money was out of your control when it was
17 spent on weapons?

18 A Correct.

19 Q So you have no personal knowledge whether money was
20 ever spent on weapons, or do you have any personal knowledge?

21 A No.

22 Q Let me ask you more specifically, do you have any
23 knowledge of whether contributions to NEPL were used to
24 purchase military and other types of non-humanitarian aid for
25 the Contras?

UNCLASSIFIED

UNCLASSIFIED

53

1 A I am generally aware that money raised by NEPL was
2 used in the air resupply operation, which would have been a
3 military undertaking, but aside from that I don't have any--

4 Q Could you define military undertaking for me?

5 A There was initially an effort to deliver the 27
6 million in humanitarian assistance to fighters deep inside
7 Nicaragua, and then eventually it was a full resupply
8 operation.

9 Q Delivering lethal and non-lethal aid?

10 A Correct.

11 Q Okay. I want to distinguish between a delivery of
12 military aid and necessarily military.

13 A And the answer is no.

14 Q Okay, if you buy that distinction, if you agree
15 with that?

16 A I not only agree to it; it was exactly what was the
17 state of mind at the time. It was the way we viewed it.

18 Q That an air resupply was not a military operation?

19 A Was not military aid; it was not lethal aid. It
20 was an allowable expense.

21 Q Of?

22 A Of anybody in the United States to make. It wasn't
23 in violation of the Neutrality Act and was not in violation
24 of the Arms Export Act.

25 Q Could you tell me how you developed that knowledge

UNCLASSIFIED

UNCLASSIFIED

54

1 or opinion?

2 A My general discussion with Colonel North, discussion
3 with attorneys, and discussion with my partner, who was a 20-
4 year Foreign Service officer.

5 Q Did Colonel North ever show you a legal opinion
6 from a Washington, D.C., law firm which discussed that issue?

7 A No.

8 Q Are you aware of whether Colonel North may have had
9 an opinion on that subject, a legal opinion?

10 A Generally, but I have no specific knowledge of who
11 the law firm was or what the specifics of the opinion was,
12 but he had referenced it one time.

13 Q Okay. Do you know of any contributions to NEPL
14 which were solicited and were ultimately used to purchase
15 military and other types of non-humanitarian aid for the
16 Contras?

17 A Your question hinges on "ultimately used," aside
18 from the air resupply effort.

19 Q Was it the intention of everybody involved to
20 purchase particular weapons with particular contributions at
21 the time that the money was being raised?

22 A Again, in the one instance in which we were
23 specific about weapons, it was a specific contributor,
24 specific amount for a specific weapon.

25 Q And what contribution was that?

1 A That was Mrs. Newington. It was roughly \$1 million
2 and it was for 50 shoulder-launched, heat-seeking, ground-to-
3 air missiles.

4 Q Are you aware of whether that money was used to
5 purchase missiles?

6 A No. In fact, that's the one instance in which I
7 asked Colonel North--I had seen in the paper and on tele-
8 vision--I read everything on the subject, and did back then
9 as well, and I didn't see any evidence of an increase in the
10 number of missiles on the ground and the Hind helicopters
11 were continuing to be a pretty deadly counterforce.

12 And I asked him why there was not more evidence of
13 missiles and his response was they didn't need the missiles--
14 they needed the radios more than they needed missiles. They
15 needed these more than they needed missiles, and he brought
16 out a brochure which was of some kind of radio, an encrypted
17 radio of some kind.

18 Q Did you meet Mr. Channell at a meeting for the
19 Nicaraguan refugee dinner in early 1985?

20 A Yes.

21 Q Was this the first time you met Mr. Channell?

22 A Yes.

23 Q Did you meet Dan Conrad around the same date?

24 A No.

Q When did you meet Mr. Conrad?

ORIGINAL REPORTED

UNCLASSIFIED

56

1 A I think the first time I met Conrad was when he
2 came with Channell to my office.

3 Q Which was?

4 A April.

5 Q Of 1985?

6 A Right.

7 Q Soon after the Nicaraguan refugee dinner, did you
8 receive a call from John Roberts in which he told you that
9 Mr. Channell wanted to help the President on Nicaragua?

10 A Yes.

11 Q Was it your impression that Mr. Channell wanted to
12 do a media campaign to encourage public support for a future
13 Congressional vote on Contra aid?

14 A Yes.

15 Q Did John Roberts indicate to you that Mr. Channell
16 expected you to assist Mr. Channell with fund-raising?

17 MR. PRECUP: Excuse me. I think you misspoke. You
18 used Channell twice in that sentence. Would you just repeat
19 the question?

20 MR. BUCK: Sure.

21 BY MR. BUCK:

22 Q Did John Roberts indicate to you that Mr. Channell
23 expected you to assist Mr. Channell with fund-raising?

24 A No.

25 Q What involvement did you have in assisting Colonel

1 North or anyone else on the national security staff with
2 Central American issues before you received the telephone
3 call from John Roberts?

4 A As part of our State Department contract, we had
5 provided escort services for defectors from the Nicaraguan
6 government, members of the Nicaraguan opposition, internal
7 opposition, the senior political figures in other Central
8 American countries, and in doing that we had come into
9 contact with Colonel North.

10 We had also, under instructions from Jonathan
11 Miller, worked briefly out of North's office on securing
12 media appearances and non-media meetings for Adolfo Calero,
13 Arturo Cruz, and Alfonso Rubello when they came to Washington
14 following their San Jose declaration.

15 So we knew Colonel North and he knew of our
16 activities prior to our relationship with Channell.

17 Q What did John Roberts tell you concerning Mr.
18 Channell when he called you the first time?

19 A That he used to be one of the NCPAC people, fairly
20 high up--I've forgotten how he exactly characterized him--
21 and that he wanted to do something political to help the
22 President, and he gave me the name of the organization and
23 told me that it was a federal PAC kind of like NCPAC, but
24 only--the difference was that Channell only took on issues
25 that were supportive of the President and was not publicly

1 critical of the President, even though he may have differed
2 with him privately.

3 So his objective was to give the President political
4 action support affirmatively on foreign policy issues with
5 which he agreed with the President, and that was the summation
6 of what Mr. Roberts told me.

7 Q Were there other groups or entities that were
8 supporting the White House on Central American policy in
9 similar ways that you were during this time frame?

10 A That I was?

11 Q Well, that IBC was.

12 A Not that I'm aware of.

13 Q Okay.

14 A Not in the way IBC did, no; not as a contractor,
15 no. There were private groups, non-profit types, but not
16 corporations.

17 Q So there were private groups that were assisting
18 the White House in Central American policy?

19 A Several--many would be a better term.

20 Q Were you involved in any fund-raising efforts with
21 Colonel North or the NSC staff before you received the call
22 from John Roberts?

23 A No.

24 Q Would it surprise you to know that John Roberts
25 allegedly referred to your organization as the White House

UNCLASSIFIED

59

1 outside the White House on the Central American issue?

2 A Yes, it would surprise me.

3 Q Would that be an accurate statement?

4 A No.

5 Q Have you known John Roberts since August 1980?

6 A Yes.

7 Q Would you characterize your relationship as good
8 friends?

9 A Yes.

10 Q Is your relationship with John Roberts over the
11 past seven years such that he may have tried to exaggerate
12 your importance in the Central American area to convince Mr.
13 Channell to use your services?

14 A I doubt it.

15 Q Okay. How many times did you hear Colonel North's
16 briefing on the Nicaraguan resistance in Central America?

17 A Twenty times, probably.

18 Q Was it a standard briefing or were there radical
19 changes in the information given out?

20 A It was standard.

21 Q Did you participate in helping Colonel North
22 develop that briefing program?

23 A I know that in the first instance of my seeing it,
24 some of the pictures he used were pictures Frank Gomez took
25 at the camps in Honduras, which was a pleasant surprise for

2025 RELEASE UNDER E.O. 14176

1 us, and then much later in '86 following a Channell critique,
2 I suggested to Colonel North that the briefing needed to be
3 updated and he asked me to put together some recommendations,
4 which I did.

5 Q Who did Frank Gomez take the pictures for?

6 A He was in--well, for himself, but he was in the
7 camps as a result of our State Department contract.

8 Q So he then gave those pictures to the State
9 Department?

10 A He gave them to a lot of people. He just made
11 multiple sets and provided them to people.

12 Q Okay. Would it surprise you to hear that Colonel
13 North gave the same standard briefing to 110 different groups
14 during an 18-month period?

15 A No, not at all.

16 Q In the spring of 1985, did Mr. Channell ask you on
17 two separate occasions why he could not do more to help the
18 Contras?

19 A Yes.

20 Q Did it appear to you that Mr. Channell had access
21 to a group of potential contributors and was seeking foreign
22 policy issues so that he could solicit funds and retain a
23 percentage of the donation?

24 A I wouldn't characterize it that way. He was very
25 much interested in addressing the key foreign policy issues

61

1 of the Reagan Administration and he had settled on Nicaragua,
2 terrorism, and the SDI program, and like any non²profit, he
3 keeps an administrative overhead. It's a part of his
4 operation; it's characteristic of a non²profit.

5 Q My question is whether Mr. Channell was attracted
6 to the issues and then went out and sought contributors or
7 did he have contributors and look for an issue with which to
8 seek donations?

9 A Oh, I think it was clear to me after the meeting in
10 the winter at the time of the Nicaraguan refugee fund dinner
11 that he had a large number of very wealthy contributors who
12 had a great deal of confidence in him, and that it was a
13 matter of him best choosing the issue to which they would
14 then apply their resources.

15 Q Did Colonel North ask you to discourage Mr.
16 Channell's efforts during this time because Colonel North
17 could not envision Mr. Channell in that role?

18 A In fact, I asked him at least twice and was
19 declined twice for Mr. Channell to raise money directly for
20 the resistance.

21 Q And you passed this information along to Mr.
22 Channell?

23 A Well, yes, but I think I did it pretty diplomatical-
24 ly and I'm not sure I directly referenced Colonel North, but
25 I discouraged him from doing it.

3 A Yes.

4 Q Did Mr. Channell and Adolfo Calero discuss the
5 purchase of a particular type of airplane around this time
6 period?

7 A Yes.

8 Q Did Mr. Channell inform you of his conversations
9 with Adolfo Calero?

10 A Yes.

11 Q Did you inform Colonel North about the conversations
12 between Mr. Channell and Adolfo Calero?

13 A Yes.

14 Q Was Colonel North upset because the plane being
15 discussed had no ability to perform the functions for which
16 it was intended?

17 A Yes.

18 Q Did Colonel North give you a pamphlet describing a
19 maul airplane?
20

20 A Yes.

21 Q Did you give this pamphlet to Mr. Channell?

22 A I don't recall giving him the pamphlet, but I
23 recall giving him the specifications of the aircraft.

24 Q To your knowledge, is this Colonel North's first
25 involvement in fund-raising activities by Mr. Channell's

5 MR. BUCK: Sure.

7 MR. BUCK: Go back on the record.

8 BY MR. BUCK:

9 Q Mr. Miller, do you know of any specific cases in
10 which Colonel North was present when solicitations were made
11 for contributions for the Nicaraguan resistance?

12 A He was present when solicitations were made. I'm
13 not entirely clear whether he left before the actual dollar
14 amount was discussed with the contributor.

15 Q Was it his general practice to leave before
16 solicitations were made?

17 A Yes.

18 Q Was Colonel North aware of Mr. Channell using NEPL
19 to solicit money for the Nicaraguan resistance?

20 A Again, specifically, I don't think--I don't recall
21 a specific conversation between myself and Colonel North that
22 would have indicated that he was specifically aware, but I
23 think generally he was aware that NEPL was the entity
24 Channell was using for fund-raising.

3 Q Early April 1985

4 A Yes.

5 Q Was the purpose of the dinner to solicit funds from
6 Mr. Ramsey to support Adolfo Calero and the Nicaraguan
7 Development Council?

8 A That's correct.

9 Q Did you inform Colonel North that you would be
10 meeting Mr. Ramsey to solicit funds for Mr. Calero?

11 A I don't remember whether I told him or not.

12 Q Do you have knowledge whether Colonel North knew
13 that Mr. Ramsey would be soliciting funds for Mr. Calero?

14 A I don't remember specifically.

15 Q Did you brief Mr. Ramsey ^{on} the type of weapons
16 that the resistance were using and how the resistance was
17 supplying themselves?

18 A In general terms, yes.

19 Q Who raised the subject of weapons at the Ramsey
20 meeting?

21 A Gee, I don't recall specifically who did.

22 Q Do you recall how the subject was raised?

23 A I remember that Ramsey was interested in a shotgun
24 drive and we told him that was not legal.

65

1 THE WITNESS: Legal. It was not legal, and I think
2 we then got into a discussion of the types of arms they were

4 BY MR. BUCK:

5 Q So you believe Mr. Ramsey raised the subject first?

6 A That's my recollection, but, of course, we have the
7 transcript and we can look at that. You have it here.

8 Q Did you introduce Colonel North to Mr. Channell at
9 a briefing on June 27th, 1985?

10 A I believe so, yes.

11 Q Was it your understanding that that was the first
12 time they met?

13 A Yes.

14 Q Is it fair to say that weapons were being discussed
15 in conjunction with raising money for the Nicaraguan resis-
16 tance before you introduced Colonel North to Mr. Channell?

17 A I'm sorry. Could you ask the question again?

18 Q Is it fair to say that weapons were being discussed
19 in conjunction with raising money for the Nicaraguan resis-
20 tance before you introduced Colonel North to Mr. Channell?

21 A Discussed by whom?

22 Q Discussed by yourself and Mr. Channell with Mr.
23 Ramsey.

24 A Again, in general terms, yes.

25 Q Previously in your deposition, you discussed a

UNCLASSIFIED

66

1 \$10,000 contribution by John Ramsey in June of 1985?

2 A Well, there was a contribution. I think it's about
3 \$10,000.

4 Q Okay.

5 A It may have been 20, but I'm not clear on the
6 ultimate amount.

7 Q I believe you also testified that in early June
8 1985 you received a call from Colonel North. Did he say the
9 resistance needed \$30,000?

10 A Yes.

11 Q Did Colonel North say the resistance needed this
12 money because they were ill-fed, ill-equipped, ill-clothed or
13 lacked medicine?

14 A I don't recall the specific need other than
15 recalling that it was not for weapons. I think it was either
16 for political affairs or humanitarian assistance, but it was
17 a desperate need, nonetheless, whatever it was.

18 Q To your knowledge, did Mr. Ramsey's money ever pass
19 through a tax-exempt corporation?

20 A No.

21 Q During your conversations with Colonel North around
22 this time period, did you ever discuss the legality of
23 Colonel North requesting that you raise money for the
24 resistance?

25 A No--well, I don't specifically recall a conversation

67

1 about it.

2 Q On or about July 9th, 1985, did you participate in
3 a meeting at the Hay Adams Hotel with Mr. Channell, Mr.
4 Conrad and Colonel North?

5 A Yes.

6 Q Was there a general understanding between the four
7 participants in the July 9th, 1985 meeting that the money to
8 be raised by Channell would be used for humanitarian assis-
9 tance?

10 A I think the only supposition at that time was that
11 it would be used for the support of the resistance. General-
12 ly, during that period we were raising money for humanitarian
13 purposes. That was the focus of everybody, not just Channell,
14 involved in trying to secure funds for the resistance.

15 Q Do you know if Colonel North was aware of the
16 dinner in April in which weapons were being discussed?

17 A Again, I don't specifically remember a conversation
18 discussing it with him.

19 Q Did Mr. Channell request the July 9th, 1985 meeting
20 at the Hay Adams to ensure that money his organizations were
21 raising was going to the correct place?

22 A Yes.

23 Q Did Mr. Channell express a concern at that meeting
24 that the money he raised for a particular purpose be spent on
25 that purpose?

UNCLASSIFIED

UNCLASSIFIED

68

1 A He raised the general purpose of the meeting, which
2 was to assure that it was going to the benefit of the
3 resistance.

4 Q Okay, but was he more specific than that?

5 A Not to my recollection.

6 Q Did anyone at this meeting discuss the organizations
7 Mr. Channell used to raise these funds?

8 A I don't recall a specific conversation on that. It
9 may have taken place, but I don't recall it.

10 Q Did Mr. Channell ever seek control over the use of
11 money after he transferred the money to your organizations?

12 A No.

13 Q Did you ever seek control over the use of money
14 after you transferred the money to Lake Resources or after
15 you transferred money anywhere else?

16 A No.

17 Q Did you form IC, Inc. so you could have a Cayman
18 Islands bank account?

19 A Yes.

20 Q Did IC, Inc. have two Cayman Islands bank accounts,
21 an interest-bearing account and a holding account?

22 A Ultimately, yes.

23 Q Was the main purpose of IC, Inc. to keep money out
24 of the U.S. so it would not have to be taxed?

25 A NO.

9 out of the U.S. so it would not have to be taxed?

10 A No.

11 Q Okay. Did you pay an annual fee to a company to
12 oversee the management of IC, Inc.?

13 A Yes.

14 Q Were you the sole shareholder of IC, Inc.?

15 A No.

16 Q Who else was a shareholder in IC, Inc.?

17 A Francis D. Gomez and three fellow directors who are
18 the managing directors in the Cayman Islands which have a
19 nominal number of shares.

20 Q Did you request the management company to change
21 the name of IC, Inc. to Intel Cooperation in May of 1986?

22 A I requested them to change it to International
23 Cooperation and they got as close as they could, and under
24 the agreements that you have with these people they can make
25 those kinds of decisions and they thought Intel was close

2 International.

3 Q Was the purpose of the name change so that you
4 could amend the company's charter to more accurately reflect
5 the specific purposes for which you formed the company?

6 A The name was changed at the same time I amended the
7 charter, and the reason for amending the charter was to make
8 the company--the reason for amending the charter is that the
9 Cayman Island charters are so broad, they're not specific
10 enough that somebody reading them would know what a corpora-
11 tion does, and I wanted people to be very clear about what
12 the corporation did as its primary function and therefore I
13 amended the charter.

14 Q Who are the shareholders of Intel Cooperation?

15 A Myself, Francis D. Gomez, and I'm sorry I can't
16 remember who the other three are, but they are nominal
17 shareholders who make up the directors, managing directors in
18 the Cayman--.

19 Q The same shareholders that were shareholders of IC,
20 Inc.?

21 A Correct. It was just a name change. It did not
22 change the corporate structure.

23 Q Before you formed IC, Inc., did you consult Colonel
24 North?

A Yes.

8 or charter amendments of Intel Cooperation?

9 A No.

10 Q Is it fair to say that Colonel North did not
11 exercise any operational control over IC, Inc. or Intel
12 Cooperation?

13 A Operational control, no, but he did direct the
14 expenditures from the accounts.

15 Q Okay, but he asked you to direct the expenditures,
16 is that correct?

17 A He directed me to direct the expenditures.

12 MR. PRECUP: Wait a minute. I have to object to
13 that question. It's just putting the witness at great
14 disadvantage. He testified for two hours before and the
15 general question, do any of these answers change anything he
16 had to say before, depends upon reading the transcript.

17 MR. MC GOUGH: Has he had a chance to read the

19 MR. PRECUP: He has read the transcript, indeed he

4 was there not, on the National Endowment for the Preservation
5 of Liberty?

6 A At the White House briefings given by Colonel
7 North? I don't recall any.

8 Q Were there packets of information put together that
9 were distributed at dinners or meetings after the briefings?

10 A Yes.

11 Q To your knowledge, did Colonel North ever attend
12 any of those dinners or meetings?

13 A I know he attended one at the Hay Adams. I think
14 he attended one at the Hay Adams.

15 Q To your knowledge or to your recollection, did
16 Colonel North ever see any of the material or descriptive
17 material on the National Endowment for the Preservation of
18 Liberty?

19 A Probably, yes.

20 Q There were occasions, were there not, Mr. Miller,
21 where Colonel North assisted you and Mr. Channell in obtaining
22 White House support for Mr. Channell's fund-raising efforts,
23 and by that I mean either thank you letters from the President
24 to contributors or use of White House facilities or even
25 meetings between Mr. Channell's contributors and the Presi-

1 dent? Is that fair to say?

2 There were times when Colonel North assisted you
3 and Mr. Channell in those efforts in obtaining that support
4 from the White House?

5 A Could you take them one at a time?

6 Q Sure.

7 A I mean, you've thrown out a whole bunch of ques-
8 tions.

9 Q Okay, I know I've thrown out a whole bunch. Let's
10 take the Presidential drop-by at the January 1986 meeting.
11 To your knowledge, did Colonel North assist you and Mr.
12 Channell in obtaining a Presidential drop-by for the January
13 1986 briefing?

14 A The answer to your question is no, specifically.
15 In general terms, as I understand the way the briefing was
16 arranged, it was arranged by the Office of Public Liaison,
17 who I went to in order initially to set up the briefing.

18 We requested that the national security briefing be
19 given by Colonel North and that in whatever the flow of paper
20 was at the White House that was agreed to. So we requested
21 specifically when I went to see Linda Chavez that Colonel
22 North would be the national security person giving the
23 briefing.

24 Q And in order to obtain Colonel North's support or
25 his attendance at the briefing, there were--I think you said

UNCLASSIFIED

UNCLASSIFIED

79

1 there was paper flow at the White House. Is that fair to say?
 2 that there were memos to be written and approvals to be given?

3 A I'm making an assumption that that's the case.

4 Q Do you ever recall drafting memoranda that described
 5 the National Endowment for the Preservation of Liberty or any
 6 of its contributors for submission to the White House?

7 A I've forgotten the exact date, but in the instance
 8 of Barbara Newington, we--myself, I drafted or provided some
 9 material for the drafting of a memorandum which I believe
 10 originated in the State Department in the Office of Public
 11 Liaison to Robert McFarland suggesting that Mrs. Newington be
 12 given an appointment with the President.

13 Q And in that memorandum do you recall whether you
 14 made any mention of or described the National Endowment for
 15 the Preservation of Liberty?

16 A I believe I did, yes, because some of the programs
 17 she had contributed to were National Endowment public
 18 education programs.

19 Q Do you recall whether in these memoranda you
 20 referred to the National Endowment for the Preservation of
 21 Liberty as a non-profit organization?

22 A I don't specifically recall, but you have a copy of
 23 the memorandum.

24 Q Other than Mrs. Newington's case, can you recall
 25 drafting for the White House's consideration any memoranda

UNCLASSIFIED

UNCLASSIFIED

80

1 about the National Endowment for the Preservation of Liberty?

2 A I don't recall drafting any memoranda. I think we
3 offered potential talking points for a couple of the brief-
4 ings. I don't think they were used, though.

5 Q Those talking points, would they have referred
6 specifically to NEPL or would they have been more generally
7 on the Nicaraguan situation?

8 A I think they would have been on NEPL.

9 Q And would they have included the fact that NEPL was
10 a non-profit organization?

11 A Again, I'm not specifically sure, but, again, you
12 have copies of them. I don't recall specifically.

13 Q Colonel North had direct contact with Mr. Channell
14 and Mr. Conrad at times when you were not present, is that
15 correct?

16 A Correct.

17 Q And there came a time, did there not, when Mr.
18 Conrad began to bypass IBC in contacting Colonel North for
19 assistance or information?

20 A I believe that's true. I know it was at least
21 being attempted at one point and I had a specific conversation
22 with Fawn Hall about it, and my general feeling was that that
23 had begun to take place, yes.

24 Q You mentioned that Colonel North rebuffed two
25 attempts on behalf of Mr. Channell to raise direct support

UNCLASSIFIED

UNCLASSIFIED

81

1 for the Nicaraguan cause, is that right?

2 A Correct.

3 Q Do you recall what you told Colonel North about Mr.
4 Channell and/or his organizations at the time you made those
5 proposals to him?

6 A Not specifically, no.

7 Q Do you recall whether you told him that they were
8 non-profit organizations?

9 A Again, I don't specifically recall the conversation.

10 MR. MC GOUGH: Let's have this marked as Exhibit 7.

11 [Whereupon, the document was
12 marked as Miller Deposition
13 Exhibit No. 7 for identifica-
14 tion.]

15 BY MR. MC GOUGH:

16 Q Mr. Miller, take a look at Exhibit 7, if you will.

17 For the record, this is copied directly out of the
18 Tower Commission Report, a page in the Tower Commission
19 Report.

20 Have you ever seen a chart like this before?

21 A Yes.

22 Q Where?

23 A In Colonel North's office.

24 Q And can you put any kind of time frame on it?

25 A The only thing I can recall is that it was his old

UNCLASSIFIED

UNCLASSIFIED

82

1 office, not the one that he was in at the time he was fired.

2 Q All right, and can you just briefly tell us how
3 this came to your attention?

4 A I went to see Colonel North because I had heard
5 that there was going to be a public affairs effort in order
6 to support the Afghan resistance and I was interested in
7 finding out ~~who~~^{As} I went to try and get some business in that
8 regard.

9 And I talked to him about that and his response
10 was, okay, well, let me show you how a covert operation is
11 set up, and he asked Bob Earl, as I recall, to get some kind
12 of a piece of paper and Earl came back in with this, only it
13 was on a yellow pad.

14 And North put it down in front of me and said, let
15 me show you how a covert operation is set up. And with that,
16 as I recall, the secure line went off in his office and he
17 had to take a phone call and I got to stare at this thing for
18 a few minutes and then I had to leave.

19 Q Now, to the best of your recollection, was the
20 chart that you saw identical to or only similar to what we've
21 marked as Exhibit 7?

22 A Similar to.

23 Q And in what respects, if you can recall, was it
24 different?

A I don't remember the number of boxes, and I

UNCLASSIFIED

UNCLASSIFIED

83

1 specifically don't remember this clutter over on the southeas-
 2 tern quadrant.

3 Q All right. Now, let's go from the southeastern
 4 quadrant to the northwestern quadrant and, in particular,
 5 three entries there, NEPL, ACT and IBC, under the heading
 6 "U.S."

7 Do you recall which, if any, of those boxes was on
 8 the chart that you saw?

9 A I think they were both on.

10 Q I think I named three, NEPL, ACT and IBC.

11 A I think all--.

12 Q All three?

13 A I think I remember all three being there.

14 Q You said that the name of IC, Inc. was changed to
 15 Intel Cooperation, and that was done to bring it--and at the
 16 same time the charter was changed to be more descriptive
 17 about what the company was doing?

18 A Correct.

19 Q What was added to or modified in the charter at the
 20 time the name was changed?

21 A I can try and do it from memory. I think you have
 22 a copy of the charter. It was to make the number one charter
 23 item the distribution of benevolent contributions to politi-
 24 cal, benevolent and humanitarian--I'm not sure the word

25 "humanitarian" was used--organizations.

UNCLASSIFIED

UNCLASSIFIED

84

1 Q Did the charter make any reference to military
2 organizations?

3 A Not that I specifically recall, no.

4 Q Just as you recall, political, benevolent and
5 educational organizations, as you call it?

6 A That probably is accurate, but again I'm doing it
7 from memory. I don't recall it specifically, but I remember
8 political entities was one of the words that was used.

9 Q And which of those entities would have been Lake
10 Resources? What kind of entity was Lake Resources?

11 A At the time, I would have considered--at the time I
12 did that charter change, I would have considered that to have
13 been an organization in support of the resistance, part of
14 the resistance.

15 Q I understand that, but which of the descriptive
16 terms in the

17 are you going to have to object to that.

18 It's kind of an unfair question, Tom. If you would show him
19 the charter page, if you have it with you--we don't have it
20 with us--then we could relate the nature of the organization,
21 perhaps, to one of the specific mentioned.

22 We're trying to do that from memory and it is legal
23 language. Mr. Miller is not a lawyer. It is a bit unfair to
24 him, I think.

UNCLASSIFIED

UNCLASSIFIED

85

1 Q Mr. Miller, did you suggest the language to be
2 included in the charter change?

3 A Yes.

4 Q And you did that, you said, I believe, to bring the
5 charter more into line with what Intel Cooperation was being
6 used for, is that right?

7 A Correct.

8 Q And one of the things Intel Cooperation was doing
9 was passing along sums of money to Lake Resources, is that
10 correct?

11 A Correct.

12 Q And Lake Resources, I think you've described as an
13 account--at that time, you believed it was an account somehow
14 associated with what you've called the resistance, is that
15 correct?

16
17 Q And did you change the charter to bring within
18 its ambit an organization associated with the resistance?

19 A I would have considered the resistance a political
20 entity.

21 MR. MC GOUGH: I think that's all I have.

22 MR. FRYMAN: I have no questions at this time. As
23 I indicated before we began, I expect that this deposition
24 will continue at another date and I will have further
25 questions at that time.

Whereupon,

RICHARD RODERICK MILLER

assumed the witness stand and, having previously been duly sworn, was further examined and further testified as follows:

EXAMINATION BY COUNSEL FOR

SENATE SELECT COMMITTEE

BY MR. KAPLAN:

Q Good morning, Mr. Miller.

A Good morning.

Q As you know, my name is James Kaplan, and I'm Associate Counsel with the Senate Select Committee. This deposition is a continuation of prior depositions which were taken pursuant to immunity orders of both the House and Senate Committees, which I believe are marked as Exhibit 1-- that is the Senate Immunity Order--and Exhibit 4--that is the House Immunity Order, respectively.

I simply remind you that you're still under oath.

Again, just for the record, could you state your full name.

A Richard Roderick Miller.

Q And your Social Security number?

A

Partially Declassified/Released on JAN 12, 1988
under provisions of E.O. 12356
by D. Sirko, National Security Council

Q And what is your date of birth?

A 12-22-52.

UNCLASSIFIED

art92

UNCLASSIFIED

92

1 Q Now we've gone over your professional background, I
2 believe in the prior depositions, except for a short period
3 of time. Was there a time in your career in which you formed
4 a public relations firm named Rand Corporation?

5 A RAM. R-A-M.

6 Q It's R-A-M?

7 A Right.

8 Q And when was that?

9 A Actually, it was not a corporation, it was a sole
10 proprietorship, and it was 1981.

11 Q Was that at a time when you'd been furloughed from
12 campaign activities on behalf of the Reagan campaign?

13 A That's a good choice of words. I thought of it
14 before. That's exactly what had happened.

15 MR. DUDLEY: Off the record a minute.

16 MR. KAPLAN: Sure.

17 [Brief discussion off the record.]

18 MR. KAPLAN: On the record.

19 BY MR. KAPLAN:

20 Q Off the record, in a short discussion with your
21 counsel, was your recollection refreshed such that you recall
22 that RAM Corporation, the public relations firm that you
23 formed, was actually formed in 1980?

24 A That's correct.

25 Q And was your recollection refreshed by the fact

UNCLASSIFIED

art93

UNCLASSIFIED

93

1 that you recalled that that corporation was formed at a time
 2 when you had been furloughed, temporarily, from campaign
 3 activities on behalf of the presidential campaign for Ronald
 4 Reagan?

5 A Correct.

6 Q Could you describe your educational background for
 7 us.

8 A My bachelor's degree is in government and politics
 9 from the University of Maryland. My associate degree is in
 10 general studies from Brandywine University. I also attended
 11 Northeastern University, between the two of those, in Boston,
 12 and one year prior to that at Catawba--prior to Brandywine,
 13 at Catawba College in Wilmington--or Salisbury, North
 14 Carolina.

15 Q You've testified, previously, that IBC, or Interna-
 16 tional Business Communications became a partnership in 1986,
 17 between Miller Communications and Gomez International. Is
 18 that correct?

19 A Correct.

20 Q Was there a written partnership agreement?

21 A No. There was not.

22 Q Was there a joint venture with any entity at that
 23 time?

24 A In July of 1986 there was a joint-venture agreement
 25 signed between International Business Communications and

UNCLASSIFIED

art94

UNCLASSIFIED

94

1 David C. Fischer and Associates.

2 Q Has there ever been a written partnership agreement
3 between Miller Communications and Gomez International?

4 A No.

5 Q How does the distribution of partnership proceeds
6 work, as between Miller Communications and Gomez International?
7 al?

8 A It is a 50/50 net split.

9 Q What is the joint-venture arrangement between IBC
10 and David C. Fischer and Associates?

11 A It was to be a 50/50 gross split on clients that we
12 both worked on. Shared clients.

13 Q Prior to July 1986, what was the structure of
14 International Business Communications?

15 A Prior to July of '86?

16 Q Right.

17 A Well, in January of 1985--I'm sorry--January of
18 1986, we began operating as a partnership. We didn't form--
19 we formed the corporations in January, I believe.

20 Q Okay.

21 A So we were operating in '86 as a partnership.

22 Q As a partnership. Let's take the period, then,
23 prior to January 1986. What was the structure of IBC?

24 A It was a sole proprietorship.

25 Q And were you the sole proprietor?

UNCLASSIFIED

UNCLASSIFIED

art95

1 A Correct.

2 Q What was your relationship with Frank Gomez prior to
3 the formation of the partnership in January of '86?

4 A On a legal, on a legal basis, Frank was a sub-
5 contractor. In reality, we were working towards what was the
6 ultimate structure, which was a partnership.

7 Q And had Mr. Gomez been a subcontractor of IBC since
8 some time in 1984?

9 A Again, he was on it for legal and tax purposes, was
10 listed as a subcontractor, but again, we were working towards
11 a partnership arrangement. And in fact in '85 actually had a
12 split of profits, in 1985.

13 Q Okay. Prior to the joint-venture arrangement that
14 was executed as between IBC and David C. Fischer and As-
15 sociates in July 1986, what was the relationship between IBC
16 and David Fischer, if any?

17 A David Fischer was a subcontractor at the end of
18 1985 through the beginning of 1986.

19 Q Could you explain, for the record, what you mean
20 when you categorize someone as a subcontractor of IBC.

21 A A subcontractor, as I understand it, is somebody
22 who's not an employee, and is not a participant in the firm
23 in the way of ownership.

24 Q Were these people--that is, Mr. Gomez and Mr.
25 Fischer--acting on some sort of a consulting arrangement with

UNCLASSIFIED

art96

UNCLASSIFIED

96

1 IBC?

2 A Well, again, in regards to Frank Gomez in 1985, ~~in~~
3 Frank was, for all intents and purposes, a partner, and we
4 accomplished the change in the structure in January of '86.
5 As to Fischer and Marty Artiano, they were both consultants
6 to IBC. Senior consultants.

7 Q I'd like to turn your attention to IC, Inc. for a
8 while. When was IC, Inc. formed?

9 A April 1985.

10 Q And was IC, Inc. formed at Colonel North's request?

11 A Yes.

12 Q It was. And without going into all of the ac-
13 tivities involving the fake Saudi prince, who we'll get into
14 in much more detail later, can you tell us how that request
15 came about.

16 A I was approached on the telephone by a gentleman by
17 the name of Kevin Kattke, who told me that he had been
18 referred by Colonel North, and that he had a very wealthy
19 client who wanted to make a contribution to the Nicaraguan
20 resistance, and asked if I would meet him.

21 I called Colonel North and told him of the phone
22 call, and he told me that he had sent the phone call to me,
23 and that I should go ahead and meet with him, which I did,
24 and this person held himself out to be a member of the royal
25 Saudi family.

UNCLASSIFIED

art97

UNCLASSIFIED

97

1 And he offered \$14 million in aid, which was a
2 rough match of what the President had asked Congress for, to
3 the Nicaraguan resistance, and signed, in a subsequent
4 meeting, a promise letter for proceeds from this oil transac-
5 tion. And I discussed it with Colonel North, and I told him
6 that I thought it would be ridiculous to bring 14 or \$15
7 million into the United States, have the IRS promptly attach
8 7.5 million of it, and then have Adolfo Calero wondering
9 where the other 7.5 was. And since it was money coming from
10 Saudi Arabia and going to Calero, there was no reason for it
11 to come into the United States. And I suggested that the
12 transaction be handled offshore, and he agreed, and I--either
13 before or after--I'm not now sure of that conversation--
14 discussed it with some friends who did foreign banking, and
15 the best location seemed to be the Cayman Islands.

16 Q Who discussed that with friends?

17 A I did.

18 Q That was you?

19 A I did.

20 Q All right. Now just a moment ago, you said that it
21 was at Colonel North's request that you opened this Cayman
22 Islands account, yet, in your testimony, you suggested that
23 you had called Colonel North to tell him that you had come to
24 a conclusion that it would be better to establish this
25 offshore accounts, and I'm just trying to--

UNCLASSIFIED

art98

98

UNCLASSIFIED

1 A Actually, that conversation was not on the tele-
2 phone, it was in a meeting, and--

3 Q But nonetheless, what I'm trying to clarify for the
4 record is whose idea was it to form an offshore account to
5 take these funds that the Saudi prince was intending to give
6 to the contras?

7 A Well, I can't tell you exactly whose idea it was
8 that it be an offshore account. I can tell you that my
9 purpose in meeting with North was to seek his permission to
10 do it in the fashion that I've just described it to you.

11 Q Did you watch Colonel North's public testimony
12 before the Committees?

13 A I have no idea what--I haven't watched his tes-
14 timony, or John Poindexter's.

15 Q Are you aware that Colonel North testified that the
16 offshore account was established at his request?

17 A No. I'm not.

18 [Brief discussion off the record.]

19 MR. KAPLAN: Back on the record.

20 BY MR. KAPLAN:

21 Q Would it be inaccurate to say that the offshore
22 account was established at Colonel North's request?

23 A I don't think so. I think that's consistent with
24 what I've just said. I mean, I was an agent working on his
25 behalf. I went to ask his permission to handle it the way it

UNCLASSIFIED

art99

UNCLASSIFIED

99

1 was being handled, and the individual was sent to me at his
2 direction, so--

3 Q How did you reach the conclusion that you were an
4 agent working on his behalf?

5 A I'm not sure I really even understand the question.

6 Q Well, you mentioned in your previous answer, that
7 you considered yourself, with respect to the dealings with
8 the Saudi prince, to be an agent working on behalf of Colonel
9 North.

10 A Well, if you're attributing something to the word
11 "agent", then maybe I'll just choose another term. I was
12 working on his behalf.

13 Q Okay. And how did you arrive at the conclusion
14 that you were working on behalf of Colonel North?

15 A Well, he had sent the individual to me. I had been
16 involved in other activities with Colonel North, and it was
17 obvious that I was being asked to handle this matter.

18 Q And was it obvious to you that you were being asked
19 to handle this matter on his behalf?

20 A Yes.

21 Q What did he say to you, that led you to that
22 belief? Or what circumstances gave rise to that belief? If
23 you recall.

24 A First and foremost was having the individual sent
25 to me to begin with, since there were other avenues available

UNCLASSIFIED

art100

UNCLASSIFIED

100

1 to him.

2 Q What other activities had you conducted on behalf
3 of Colonel North, prior to the referral of the Saudi prince?

4 A We'd had meetings about policy in Central America.
5 We'd had meetings about the Nicaraguan resistance. I had
6 been in a couple of meetings with he and Adolfo Calero, and I
7 had done things such as getting the resistance leaders to
8 Washington for their meeting with the President. That type
9 of thing.

10 Q And these are activities that you considered to be
11 conducting on his behalf?

12 A Yes.

13 Q Who were the incorporators of IC, Inc.?

14 A Well, the two principal shareholders--and I'll
15 profess a slight amount of ignorance about the Cay^{man}~~man~~
16 structure--but the two principal shareholders are Francis D.
17 Gomez and Richard R. Miller. There are three nominal
18 shareholders for the purpose of--there's another legal term--
19 but they are in effect the voting members of the board of
20 directors, and they have control over the corporate structure
21 and the bank accounts.

22 Q How was Mr. Gomez chosen to be one of the principal
23 shareholders?

24 A You have to have two, and I trusted Frank, implicit-
25 ly.

UNCLASSIFIED

art101

1 Q You chose Mr. Gomez?

2 A That's right.

3 MR. KAPLAN: I'll ask the reporter to mark as

5 to open accounts and how to incorporate a company in the
6 Cayman Islands.

7 [The document referred to was marked for
8 identification as Miller Deposition

10 BY MR. KAPLAN:

11 Q Now Mr. Miller, this document, Exhibit 8, was one
12 of the documents that were produced to us by your counsel,
13 pursuant to a subpoena issued by the Committee, and I'm going
14 to ask you, do you recognize this document?

15 A Yes.

16 Q And what do you recognize it as?

17 A It's the elements of a telephone conversation that
18 Frank Gomez had with somebody at the Barclays Bank.

19 Q Okay. Did you instruct Mr. Gomez to call the
20 Barclays Bank to obtain this information?

21 A I don't recall whether I instructed him, or he took
22 it on his own to do, but I had selected the Barclays Bank
23 after the conversations with other people.

24 Q Do you recall which people you had conversations
25 with in deciding to choose the Barclays Bank?

UNCLASSIFIED

UNCLASSIFIED

art102

102

1 A Well, I remember the conversation with the in-
 2 dividual that led me to choose the Barclays Bank. Other
 3 people had recommended other locations, but I'd a conversation
 4 with Rodney Cunningham who was, at the time, the publisher of
 5 the Rome Daily American, and the owner of two TV and radio
 6 stations in Rome. And so he did a lot of banking overseas,
 7 and he had recommended Barclays Bank because it was an
 8 English bank, and that was the reason it was chosen.

9 Q Why did you seek Mr. Cunningham's advice?

10 A Because I was aware of the fact that he did banking
 11 outside the United States. I didn't know that many people
 12 who did, and he was a good source of information.

13 Q How did you know Mr. Cunningham?

14 A I knew Mr. Cunningham from the campaign.

15 Q What was his position in the campaign?

16 A He was chairman of Citizens Abroad for Reagan, and
 17 communications director of Republicans Abroad.

18 Q I think you've referred to him before as a political
 19 friend of yours?

20 A Yes.

21 Q Did you seek any legal advice in setting up, or
 22 establishing the corporation in the Cayman Islands?

23 A Well, the principal vehicle for setting up the
 24 corporation was a law firm.

25 Q You testified earlier that one of the reasons why

UNCLASSIFIED

art103

UNCLASSIFIED

103

1 you chose the Cayman Islands, or decided to set up an
2 offshore account was so that the money, the \$14 million,
3 wouldn't come into the United States and be taxed at half.
4 How did you know that the tax laws would apply to money
5 coming into the United States under this arrangement?

6 A I would say it's probably, at best, practiced--
7 amateur legal advice. I mean, I made the assumption that the
8 Internal Revenue Service would move, immediately, to attach
9 some portion of that money. I may have been incorrect, but I
10 made that assumption.

11 I also, for just logical reasons, don't see any
12 reason to bring Saudi money into the United States in order to
13 transport it to somebody [REDACTED] It
14 doesn't make any sense.

15 Q Was it your understanding that if the money was
16 transferred from Saudi Arabia to the Cayman Islands, and then
17 to the contras, that the money would avoid taxation? I'll
18 leave it at that.

19 MR. DUDLEY: I have a problem with the word "avoid"
20 in the question, Mr. Kaplan, because it seems to me that--if
21 you'll amend the question to say "would not be subject to
22 taxation."

23 MR. KAPLAN: Sure. I'll take that amendment.

24 THE WITNESS: That's precisely the reason for doing
25 it in the Cayman Islands.

BY MR. KAPLAN:

3

Q And how did you arrive at that understanding?

4

A I'm not sure I understand.

5

Q Did you consult a lawyer to reach that conclusion?

6

A After I went to the Cayman Islands, I consulted

7

with an attorney in Washington who told me that if it was set

8

up the way the Cayman people were saying it was, that it

9

wouldn't be my responsibility to report it on a tax form.

10

Q Okay. Do you recall who the lawyer was that you

11

spoke to?

12

A His name is Richard Snowden. Dean Snowden, on New

13

Hampshire Avenue. It was free legal advice, and he did it as

14

a friend, and I'm sure he probably rues the day he did it.

15

Q Okay. I appreciate that. What was the function of

16

IC, Inc. before September 1985? Did it do anything?

17

A No.

18

Q Were bank accounts established in the name of IC,

19

Inc.?

20

A There was bank accounts established. I'm sure

21

there was one by that time. I don't know whether--I'm sure

22

there was only one at that time.

23

Q And were the accounts established at the Barclays

24

Bank?

25

A Yes.

UNCLASSIFIED

art105

UNCLASSIFIED

105

1 Q Okay. So that the information that's contained in
2 Exhibit 8 is information that was followed?

3 A Yes.

4 Q Okay.

5 A It was recommended by the bank, and that's exactly
6 what transpired.

7 Q Did there come a time when you changed the name,
8 and the charter of IC, Inc.?

9 A Yes.

10 Q Do you recall when that was?

11 A Well, it was 1986, but I don't recall the exact
12 date. I believe it was around April.

13 Q What was the purpose in the name change?

14 A Well, IC, Inc. had only been chosen out of less than
15 inspirational thought at my conference table when this this
16 supposed Saudi prince was sitting there, and was asking for
17 the name of an organization. One had not been formed yet,
18 and I simply expected that there would not be an IC, Inc.,
19 and if there were an IC, Inc., that we'd be able to use a
20 combination of names, sufficient enough to allow us to use an
21 "a/k/a IC, Inc.."

22 So the corporation charter request was for IC,
23 Inc., and it turns out there was no IC, Inc., so that was
24 successful. But as we began to do more work for Colonel
25 North in distributing contributions from other sources, I

UNCLASSIFIED

art106

UNCLASSIFIED

106

1 felt that the organization's name and its charter should
2 reflect what it was doing more accurately, and so I changed
3 both of them.

4 Q Okay. And when you say that you wanted to change
5 the name and the charter to reflect more accurate what IC,
6 Inc. was doing, how did you think that a name change was
7 going to reflect more accurately what IC, Inc. was doing?

8 A Well, both--the name, just IC, Inc., would have no
9 significance to anybody, and the charter was the general
10 Cayman Islands' charter, which is nothing but a litany of all
11 business practices known to man, and it's a business charter.

12 And so what I did was, I changed the charter,
13 amended the charter, which seemed to be unusual for Cayhaven's
14 practices and for Cayman practices, to talk about it in terms
15 of distributing to political and benevolent organizations,
16 proceeds from like organizations.

17 And I chose the name "International Cooperation"
18 because it is, I thought a little closer to what type of work
19 it was doing, and the only problem is that with the structure
20 the way it is in the Cayman Islands with these nominal
21 directors, they can make decisions, and there was an Interna-
22 tional Corporation that the Cayman Island people thought that
23 that "International Cooperation" was too close.

24 And so our nominal directors arbitrarily decided
25 that Intel was close enough. And so Intel Cooperation became

UNCLASSIFIED

art107

UNCLASSIFIED

107

1 the name because Intel is a European convention for "interna-
2 tional." It doesn't mean that here, but it is an interna-
3 tional convention.

4 Q Did IC, Inc. stand for anything? The initials,
5 I.C.?

6 A No.

7 Q Was there any purpose as to how they were chosen?

8 A No.

9 Q Did you choose the name International Cooperation?

10 A Yes.

11 Q Did you consult with anyone in choosing that name?

12 A I think I informed Colonel North that I was doing
13 it.

14 Q Well, what did Colonel North say when you informed
15 him that you were changing the name of IC, Inc.?

16 A Well, I don't recall exactly what he said then, but
17 I recall what he said when he saw Intel Cooperation.

18 Q What was that?

19 A He said, "What the hell did you call it that for?
20 It sounds like intelligence." And I said well--and then I
21 recounted to him exactly the story that I'm recounting to you.

22 Q Did North show some concern that the new name might
23 reflect "intelligence?"

24 A Well, I think I just recounted the entire exchange
25 to you, so--

UNCLASSIFIED

UNCLASSIFIED

art108

108

1 Q Okay. Was North aware of the charter amendment
2 before it was made?

3 A I don't recall whether I told him about it before I
4 made it.

5 Q Did he become aware of the charter amendment at
6 some point after it was made?

7 A I don't know whether I told him. I don't remember
8 telling him. It's possible I told him and have forgotten,
9 but I don't remember whether I told him about the charter
10 change.

11 Q Was it your understanding at the time that the
12 charter was changed, that disbursements being made from IC,
13 Inc. were all being made to--and I'll use your words--
14 political and benevolent organizations?

15 A Yes.

16 Q And you didn't have any other understanding to the
17 contrary?

18 A I would only say that I had some impression that
19 Lake Resources was an entity for their behalf, but never any
20 understanding of who they were, or what precisely it was they
21 were.

22 Q An entity for whose behalf?

23 A For the resistance, for the Nicaraguan resistance.

24 Q And did you know what the funds at that time--what
25 funds that were going to Calero were being used for?

UNCLASSIFIED

UNCLASSIFIED

art109

109

1 A Well, for Calero, general support, humanitarian--
2 food, medicine, salaries, that type of activity.

3 Q And that was your understanding at the time?

4 A Yes.

5 Q And did you believe that Lake Resources was a
6 political or benevolent organization in April 1986?

7 A Well, again, I thought it was some entity that was
8 used for the benefit of the resistance, so when I use the
9 word "political", I mean, were political. The Federal
10 Government is political. It's a political entity. It's an
11 organization. The resistance is an organization. It has
12 many different elements to it.

13 Q Was the name change, or charter amendment of IC,
14 Inc. in any way intended to provide more secrecy to the
15 funneling of funds that was going on?

16 A No. Actually, I think it was the direct opposite.
17 My purpose, again, was to amend the charter to more accurately
18 reflect the business that the entity was doing, that IC, Inc.
19 was doing. It didn't change, one way or the other, the
20 secrecy associated with that. In fact, ultimately, what I
21 wanted to have happen was to have funds go directly to Intel,
22 rather than coming through IBC.

23 Q But you had understood that the formation of IC,
24 Inc., and the existence of this contra-funding network was
25 part of a covert operation, had you not?

UNCLASSIFIED

art110

UNCLASSIFIED

110

1 A Well, I want to answer your question in two parts.
 2 We formed IC, Inc. to handle a specific transaction which did
 3 not happen, but it was formed specifically to handle that
 4 transaction. In a subsequent period of time, when we started
 5 to raise money from private sources, it became the appropriate
 6 vehicle, again, to transfer money to these political entities.

7 Q You testified at one of the earlier sessions of
 8 your deposition, that some time in 1985, in I believe Colonel
 9 North's office, he sat down with you and Robert Earl, drew
 10 out a little chart which has probably since become famous, and
 11 in drawing out that chart with little boxes, and filling in
 12 NEPL and IBC, and IC, Inc., and whatnot, he said something to
 13 you to the effect of, "This is the way a real covert operation
 14 should work."

15 THE WITNESS: Wait a minute. You have 200 percent
 16 overstated.

17 MR. DUDLEY: You're really inaccurate there.

18 THE WITNESS: Let me tell you exactly what happened.

19 MR. KAPLAN: Well, why don't we get it accurate,
 20 and while you're telling me what's accurate, I'm going to
 21 pull out the earlier testimony.

22 THE WITNESS: Okay. I went to see Colonel North
 23 and had a conversation with him--I believe it was about
 24 [REDACTED] but there was some word in the diplomatic
 25 community that there was going to be some kind of a public-

UNCLASSIFIED

art111

UNCLASSIFIED

111

1 relations effort for one of the other resistance movements,
2 and I think it was [REDACTED]

3 And I went to him to talk about it, to find out who
4 I'd get in touch with because we wanted some IBC work in the
5 area. And--

6 MR. LEON: : Do you have a time-frame for this, Rich?

7 THE WITNESS: All I remember is it was his old
8 office. That's the only thing I can recall. It was his old
9 office. So it was some time before he moved into his new
10 office. And I told him what I wanted to do and he said,
11 "Okay. Let me show you how a covert operation is set up."

12 And he called Bob Earl into the room and told him
13 to bring some piece of paper. And when it came in, it was on
14 a yellow pad like a lined legal pad, but it didn't have all
15 the boxes that the one in the Tower Commission report has.

16 It wasn't quite that complicated. And he said,
17 "Let me show you how a covert operation is set up." I'm not
18 sure whether Earl was still in the room at that point, but I
19 was on the couch, and he set it down on the coffee table.

20 He no sooner got those words out of his mouth than
21 his secure telephone went off. He had to take a phone call on
22 the secure line, it proceeded for a few minutes, and then he
23 said "You'll have to leave," and I left, and I have never had
24 the chart fully explained to me.

But I remember seeing ACT, and I remember seeing

UNCLASSIFIED

art112

UNCLASSIFIED

112

1 NEPL, and I remember seeing IC, Inc. I don't think I ever
2 noticed INSI. I think I probably would have remembered that.

3 But I remember it was not as complicated as the one
4 I've seen in the Tower Commission report.

5 BY MR. KAPLAN:

6 Q And when you say the one you've seen in the Tower
7 Commission report, just for the record, that chart was marked
8 as Exhibit 7 at your deposition session on July 3rd.

9 Was IBC on the chart that Colonel North drew out?

10 A I believe IBC was on the chart, to tell you the
11 truth.

12 Q All right. And in terms of setting a date as to
13 when that chart was drawn, does it refresh your recollection
14 as to timing, that IC, Inc. appeared on that chart?

15 A Well, it's a good point. I would assume that it was
16 some time after April 1985.

17 Q Okay.

18 MR. DUDLEY: I have a problem with the way that
19 you're using the phrase "drawn out." I mean, I think the
20 problem Rich is having with it is, I don't want the implica-
21 tion to be made that the chart was drawn in his presence, or
22 that he had anything to do with the drawing of the chart, and
23 by answering questions, that you used the phrase "drawn out."
24 I don't think you're intending to make that conclusion, right?

THE WITNESS: No. I was shown the piece of paper

UNCLASSIFIED

UNCLASSIFIED

art113

113

1 that already had drawing on it, and, ultimately, left without
2 having it fully explained to me.

4 BY MR. KAPLAN:

5 Q Nonetheless, was it your understanding that the
6 NEPL, IBC, IC, Inc. conduit relationship was a secret
7 relationship, or a part of some kind of a secret operation?

8 A Well, I don't agree with your characterization of
9 "secret", but let me tell you why.

10 Q Why don't you explain.

11 A And I think I understand what your question is,
12 now. Two of the things that we--the first and foremost thing,
13 in terms of NEPL, and the resistance, was that we wanted some
14 insulation between the two of them. We didn't want to have
15 the resistance bugging Spitz Channell for money, and we
16 didn't want Spitz Channell conversant with the way the money
17 was ultimately distributed.

18 And when I say "we", I say myself and Colonel North
19 as well. And that was just good practice not to have that
20 happen. Spitz had participated once before in an event that
21 benefited the Nicaraguan exile community, and had subsequently
22 been--had unsolicited requests for money.

23 Secondly, we were both aware that there was a great
24 deal of interest in our activities by the Nicaraguans and the
25 Cubans, and we took precautions all the time, not to be in

UNCLASSIFIED

art114

UNCLASSIFIED

114

1 open-telephone conversations, not to have organizations be
2 readily available for public view. So that was quite
3 certainly part of why we set things up the way we set them up.

4 Q Weren't you also concerned about exposure of your
5 activities in the American press?

6 A Of course.

7 Q And weren't you concerned about the exposure of
8 your activities to the Congress?

9 A No.

10 Q Not at all?

11 A I wasn't. I should say that.

12 Q To your knowledge, was Colonel North concerned about
13 the exposure of his involvement with your activities to the
14 Congress?

15 A I wouldn't want to characterize what he was feeling
16 at the time. The point I'd make to you is that every transac-
17 tion we undertook was done either through bank draft by a
18 member of the Federal Deposit System, the Federal Reserve
19 System. It was done by Federal wires.

20

21

22

23

24

25

So, from the
proper authorities, we never--I never thought I was hiding
anything.

UNCLASSIFIED

1 Q The name change in 1986, were you concerned, or was
2 there any concern expressed by anybody, that by changing the
3 name and amending the charter in 1986, that would give rise
4 to more exposure to the activities of IC, Inc.?

5 A No.

6 Q Okay. But your testimony here today is that the
7 charter was not amended and the name was not changed for the
8 purpose of providing either in whole, or in part, greater
9 secrecy to the operation?

10 A I don't think it increased it or decreased it,
11 either way.

12 Q I'm asking for what the purpose was, either in
13 whole or in part.

14 A Well, ultimately, what we--

15 MR. DUDLEY: Is your question still limited? Was
16 the purpose in whole or in part to provide additional
17 secrecy? Is that what you're asking?

18 MR. KAPLAN: That's correct.

19 MR. DUDLEY: Okay. Why don't you answer that
20 question.

21 THE WITNESS: I don't recall it being one of the
22 purposes for why. I recall, most certainly, the primary
23 purpose, which was to have it reflect more clearly what the
24 organization was doing.

25 MR. KAPLAN: All right. I understand that.

UNCLASSIFIED

art116

2

BY MR. KAPLAN:

3

4

5

Q Was one of the purposes either, in your mind, or to your knowledge, in someone else's mind, to provide greater secrecy to the operation?

6

7

8

9

10

11

A Sitting here now, I don't recall greater secrecy being one of the reasons why I changed the charter. If I might answer your question even more directly, the charter change was more explicit about the type of function of the organization than was the original charter. So, actually, I think it has the opposite effect.

12

13

14

15

16

17

18

19

20

21

22

23

24

25

I think the charter change had the opposite effect.

Q It's your testimony here today, then, that that charter change, that is, describing the IC, Inc. activities as involving grants to political and benevolent organizations, even given the knowledge that you now know, and that you now have, was more accurate in April or May of 1986 to describe the functions of that organization?

A Sure. More accurate than the previous charter. Absolutely.

Q And given what you know today, is it your testimony that a charter change to describe IC, Inc.'s activities as being (1) to provide grants to political and benevolent organizations, was more accurate in light of the funding that was being made to Lake Resources, and Calero's accounts?

UNCLASSIFIED

art117

UNCLASSIFIED

117

1 A Yes.

2 MR. DUDLEY: I'm going to object to the form and
3 tone of these questions, and point out to you that one of the
4 problems with it is "more accurate than what?" The prior
5 charter contained no reference to those activities, so any
6 reference would technically be more accurate.

7 Are you suggesting there is an inaccuracy, and if
8 you want to suggest that, why don't you ask him, directly?

9 MR. KAPLAN: Well, I'd like an answer to my previous
10 question.

11 [The pending question was read by the reporter.]

12 MR. DUDLEY: I don't think the question is answer-
13 able in that form. More accurate than what?

14 MR. KAPLAN: More accurate than the previous
15 charter.

16 THE WITNESS: Yes, I think it was more accurate
17 than the previous charter.

18 BY MR. KAPLAN:

19 Q In light of what you know today, is it your
20 testimony that the charter amendment is an accurate descrip-
21 tion of the activities that were being conducted through IC,
22 Inc. at that time?

23 A Yes. You've also used my memory of the charter
24 change as the sole parameters of the charter change. If you
25 have it here, I suggest you look at it, and it's slightly

UNCLASSIFIED

art118

118

UNCLASSIFIED

1 broader than that.

2 Q Your memory of the charter change is fine with me.
3 It's what you testified to under oath here today. So your
4 testimony is, as you sit here today--your understanding is
5 that it is accurate to say that the activities of IC, Inc.
6 were to provide funding to political and benevolent organiza-
7 tions?

8 MR. DUDLEY: Again, Mr. Kaplan, I don't know how
9 many times you want to ask the question. You're obviously
10 not getting the answer you want.

11 I don't know how many times he's got to sit here
12 and answer it, but--

13 MR. KAPLAN: I haven't gotten an answer to that
14 question, counsel, and I'm going to pursue it until I get an
15 answer to that question.

16 MR. DUDLEY: I'm going to finish my statement on
17 the record.

18 MR. KAPLAN: I've rephrased the question as you've
19 requested that I rephrase it. Now that it's been rephrased,
20 I'd like an answer to it. That's not difficult.

21 MR. DUDLEY: I would like to point out that the one
22 item that you have landed on is only one of several purposes
23 listed in the charter, and if your question is--as it can
24 only be--was that one of the activities that was being
25 carried out, because it is one of the activities that is

UNCLASSIFIED

art119

119

1 described, then I'll be happy to have him answer.

2 MR. KAPLAN: That wasn't my question. Again, I
3 rephrased the question as you requested.

4 MR. DUDLEY: No, you didn't. Not that question.

5 MR. KAPLAN: Which is, is his testimony today that
6 the charter amendment is an accurate reflection of the
7 activities that IC, Inc. was conducting at the time, in light
8 of his knowledge today. It's not a hard question.

9 MR. DUDLEY: That was not--

10 MR. KAPLAN: It's not a difficult question to
11 understand, and I would like an answer to it, please, Mr.
12 Miller.

13 THE WITNESS: What was the question, again?

14 MR. DUDLEY: I want to get it straight because it
15 is a confusing and loaded question.

16 MR. KAPLAN: In light of your knowledge today, is
17 it your testimony that the activities that were being
18 conducted by IC, Inc. were accurately reflected by that
19 charter amendment that was made back in April or May of 1986?

20 THE WITNESS: Yes.

21 BY MR. KAPLAN:

22 Q And was funding, in light of the knowledge that you
23 have today, to Lake Resources, and to Calero, considered by
24 you to be funding to political or benevolent organizations?

A Yes.

UNCLASSIFIED

art120

UNCLASSIFIED

120

1 Q And do you have any understanding today, as to
2 whether Lake Resources, or Mr. Calero, or persons administer-
3 ing the money coming from those accounts, used those funds for
4 anything other than political and benevolent purposes?

5 A You've misread the charter change. It says it is
6 to give money to political and benevolent organizations.

7 Q And is it your understanding that Lake Resources is
8 a political or benevolent organization?

9 A Well, my understanding today is--

10 Q That's what I'm asking for.

11 A --predicated on the hearings, and I'm quite aware
12 that Mr. Hakim and Mr. Secord operated an organization for
13 the benefit of the Nicaraguan resistance, and I accept their
14 characterization.

15 Q And I mean, are you testifying that it's your
16 understanding, in light of the knowledge that you have today,
17 that Lake Resources is a political or benevolent organization?

18 MR. DUDLEY: That's not what he said.

19 THE WITNESS: I'll repeat exactly what I said, and
20 that is, it is my understanding, based on the testimony which
21 I was able to watch, that Mr. Hakim and Mr. Secord, and their
22 associates, operated an organization for the benefit of the
23 Nicaraguan resistance.

24 BY MR. KAPLAN:

25 Q And I'm asking you, and I've asked it eight times,

UNCLASSIFIED

art121

121

1 and I have yet to get an answer--okay--

2 MR. DUDLEY: Why don't you tell him what you mean
3 by a "political and benevolent organization."

4 MR. KAPLAN: It is Mr. Miller's charter amendment
5 to which he testified earlier, and I assume he has an
6 understanding of it. Now if he's going to answer the
7 question in the affirmative, then I'm going to ask him what
8 he means by "political or benevolent organization."

9 MR. DUDLEY: Well, I consider--

10 MR. KAPLAN: Do you understand Lake Resources to be
11 a political or benevolent organization?

12 THE WITNESS: Now, no.

13 BY MR. KAPLAN:

14 Q Okay. And do you understand that the activities,
15 then, that IC, Inc. was conducting, in funding Lake Resources--
16 --and I'm limiting it to that--was an activity of providing
17 grants to a political or benevolent organization?

18 A No.

19 Q Okay. That was easy. I think we could have done
20 that about 15 minutes ago.

21 MR. DUDLEY: I don't think we need gratuitous
22 comments. Why don't you ask questions, Mr. Kaplan.

23 MR. KAPLAN: Thank you, counsel.

24 BY MR. KAPLAN:

25 Q Is it your testimony here today, that one of the

1 purposes of the name change, or a charter amendment to IC,
 2 Inc., was not in whole, or in part, by you, or to your
 3 knowledge, by anyone else, an effort to better cover the
 4 activities of IC, Inc.?

5 MR. DUDLEY: That's about the twelfth time it's
 6 been asked. Answer it once again, and this is the last time
 7 he's going to answer it.

8 THE WITNESS: I don't recall that being one of the
 9 purposes for changing the name.

10 MR. KAPLAN: Okay. Thank you.

11 I ask the reporter to mark as Exhibit 9 a handwrit-
 12 ten document, that also was produced by your counsel in
 13 response to the Committee's subpoenas, and ask you if you can
 14 identify that document.

15 [The document referred to was marked for
 16 identification as Miller Deposition
 17 Exhibit No. 9.]

18 THE WITNESS: Yes. It was a draft for a Telex to
 19 go to David Piesing who was the administrator for our account
 20 at Cayhaven Corporate Services in the Grand Cayman Islands.

21 MR. KAPLAN: Okay.

22 BY MR. KAPLAN:

23 Q Is that your handwriting?

24 A Yes.

25 Q Did you prepare this draft yourself?

UNCLASSIFIED

art123

UNCLASSIFIED

123

1 A Yes.

2 Q Was it reviewed by anyone, do you recall?

3 A No.

4 Q And I take it that this draft confirms that you
5 intended to rename the corporation International Cooperation,
6 Inc., if you'll look on page two of the draft, toward the
7 middle of the page?

8 A Yes.

9 Q Okay. Was Mr. Gomez consulted?

10 A I'm sure I informed him of this.

11 Q Would he have had any input into the draft?

12 A I don't think so.

13 Q Do you recall whether Colonel North was consulted
14 before the draft was put into Telex form?

15 A No.

16 Q And would he have had any input into the preparation
17 of the draft?

18 A No. This never happened, by the way.

19 MR. DUDLEY: By that you mean the draft wasn't sent?

20 THE WITNESS: No, the draft was sent but the
21 actions described here did not happen.

22 MR. KAPLAN: Okay.

23 BY MR. KAPLAN:

24 Q I think it would be useful to clarify the record,
25 if you could explain a little further what you mean when you

UNCLASSIFIED

art124

124

1 say that what's described in that draft, that is, Exhibit 9,
2 never happened.

3 A The counsel on the other end of this Telex, the
4 Walker & Company--I'm sorry, this did happen. This is a
5 subsequent Telex to our initial--there's another Telex which
6 asks that we change the corporate structure of IC, Inc.
7 significantly, and place on it, in it, corporate officers,
8 and they refused to do that, and this was a compromise to
9 their position.

10 So that what happened was, we ended up with IC,
11 Inc. and a charter change, and we ended up also with World
12 Affairs Council.

13 Q Do you recall when you informed Colonel North of
14 that name change of Intel Cooperation, Inc.?

15 A I'm pretty certain it was after the fact.

16 Q And I take it, then, that would be the same with
17 respect to the charter amendment?

18 A I believe, also, that was after the fact.

19 Q Do you recall telling Colonel North about the
20 charter amendment, or the substance of the charter amendment?

21 A I don't have a specific recollection of a conversa-
22 tion. I do remember the exchange I told you about earlier,
23 about the name change, but I don't recall having--I don't
24 have any specific recollection of a conversation about the
25 charter change.

UNCLASSIFIED

art125

125

1 Q Okay. Let's move of^f this. When did you meet
2 Colonel North, initially?

3 A Well, actually, your previous depositions refresh
4 my memory. Some time in 1984, and I've seen a September date
5 in his appointment book, so some time in the fall, I would
6 guess.

7 Q Do you recall the context in which you first met
8 Colonel North?

9 A No, but I have a very faint recollection that it
10 had more to do with [REDACTED] than anything else.

11 Q And why do you believe it had to do with [REDACTED]
12 [REDACTED]

13 A It was at a period of time when our work for the
14 State Department was centered primarily on [REDACTED] and
15 the problems that [REDACTED] was facing.

16 Q Do you recall who referred you to Colonel North, or
17 who introduced you to him?

18 A I don't have a specific recollection.

19 Q Do you have any recollection?

20 A I have an assumption, and the assumption would be
21 that it would have been Jonathan Miller or Ambassador Reich,
22 one of the people at the State Department.

23 Q Why do you assume that it would have been either
24 Jonathan Miller or Reich? On what do you base that assump-
25 tion? I'm not trying to--

UNCLASSIFIED

art126

UNCLASSIFIED

126

1 A they would have been the only people of enough
2 stature to have had contact with him, that would have drawn
3 us into contact with him.

4 Q Do you recall any of the substance of that first,
5 or those initial meetings about [REDACTED]

6 A No; no. In fact the only two things I can recall
7 are a luncheon in our offices with Ambassador Reich, Jonathan
8 Miller, Oliver North, Frank Gomez and myself, and instances
9 where we went to Colonel North's office to assist with the
10 Washington visit of the Nicaraguan resistance leaders. Those
11 are the only two that I have clear recollections from that
12 period of time.

13 Q Do you recall your first dealings with Colonel
14 North that related to Nicaraguan, specifically?

15 A I don't specifically recall, no. I wouldn't know
16 which one to say was the first. I mean, I don't have a
17 specific recollection.

18 Q When would your first Nicaraguan-related contacts
19 with Colonel North have occurred? Approximately.

20 A Probably the winter of 1984-85.

21 Q And you testified earlier, I believe, that you had
22 done some work in coordinating or setting up a Nicaraguan
23 Refugee Fund dinner. Did you have dealings with Colonel
24 North in connection with your work setting up that dinner?

25 A We did not have a role setting up the dinner. We

art127

UNCLASSIFIED

127

1 were observers at the dinner, on behalf of Adolfo Calero and
2 the Nicaraguan Development Council.

3 Q Did your role as observers start prior to the
4 dinner? I realize the dinner was postponed a couple of times.

5 A Yes. In fact I attended a meeting--I believe it
6 was in January--at the offices of Miner & Fraser, which was
7 supposed to be an organization meeting of all the different
8 groups participating, and one of the people there was Spitz
9 Channell.

10 And we reported our impression to the State
11 Department and to Colonel North.

12 Q Any other dealings with North in connection with
13 that dinner?

14 A I don't right this minute recall any others. I
15 mean, I saw him at the dinner. He was aware of the general
16 arrangements, but I don't have anything specific in memory
17 about it.

18 Q Do you recall any other dealings with Channell in
19 connection with your observation role for that dinner?

20 A No. I approached him at the meeting and introduced
21 myself and gave him my card, and he sort of took it very
22 lightly, and I got the feeling, when I left the room, I'd
23 never hear from him again.

24 Q Well, was North commonly referred to around IBC by
25 a code name?

UNCLASSIFIED

art128

UNCLASSIFIED

128

- 1 A Not--well, yes.
- 2 Q And what was that name?
- 3 A When we had telephone conversations, or when we
- 4 were committing something to writing, we simply wrote the
- 5 word "Green."
- 6 Q When was the name coined?
- 7 A Some time in the summer, late summer or fall of
- 8 1985.
- 9 Q And do you recall who coined it?
- 10 A Actually, Frank Gomez coined it.
- 11 Q And why was the name Green used to refer to North?
- 12 A It was originally Frank's concern for holding open
- 13 telephone conversations, which the Channell people were--as
- 14 most civilians are--were wont to do, and rather than using
- 15 North's name over an open telephone line, Frank suggested
- 16 that they use the name "Mr. Green Jeans" and that referred to
- 17 his fatigues, and they shortened it to Green, and it became a
- 18 convention to use Green.
- 19 Q Have you ever seen North in fatigues?
- 20 A No.
- 21 Q Had Gomez ever seen North in fatigues?
- 22 A No.
- 23 Q Did he have any reason why he would choose a name
- 24 that referred to North's fatigues?

25 A Well, he's a 20-year Foreign Service officer, and

UNCLASSIFIED

art129

UNCLASSIFIED

129

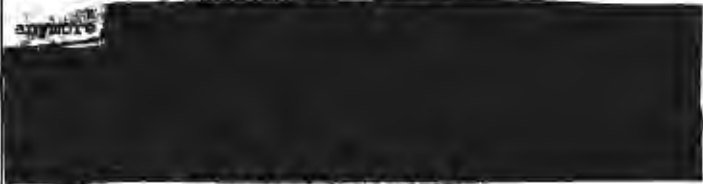

1 he tells me that that's done, and that when you choose a name
2 such as that, you do it for something that will commit it to
3 memory, something that's akin to the individual.

4 Q You said just a moment ago that Channell and his
5 associates would use North's name over phone lines as
6 civilians were wont to do, and I take it you considered
7 yourself and your ISC associates as civilians as well?

8 A Sure.

20 A I've had four security clearances, and in one
21 instance a "Q" clearance which I don't think they use
22 anymore.

5 Q The security clearances that you've had previously,
6 were they in connection with positions you held within
7 Government?

8 A That's correct.

9 Q And those were the positions at the State Department
10 and AID that you testified about previously?

11 A And at the General Services Administration.

12 Q Have you ever held a security clearance outside of
13 the Government?

14 A We had a security clearance as a contractor on our
15 last State Department contract.

16 Q And do you recall at what level that clearance was?

17 A I believe it was Secret.

18 Q Who asked that that clearance be provided?

19 A The State Department.

20 Q And any particular individual at the State Depart-
21 ment?

22 A Well, I always was under the impression, prior to
23 reading the report from the State Department, that Jonathan
24 Miller was the individual that asked for it.

25 Q Has that clearance now expired?

UNCLASSIFIED

art131

UNCLASSIFIED

131

- 1 A For all intents and purposes, yes.
- 2 Q And has the contract pursuant to which you were
- 3 cleared expired?
- 4 A Yes.
- 5 Q And when did that expiration occur?
- 6 A September 30 of 1986.
- 7 Q When did you meet--
- 8 A May I add something?
- 9 Q Sure.
- 10 A Frank Gomez was in the Foreign Service for 20
- 11 years, and has had his assistant blown up in the room right
- 12 next to him. So that anybody that serves in foreign posts
- 13 like that has a great sensitivity to the problem of open
- 14 telephone lines, and anybody that's conversant with Washington
- 15 knows that open telephone lines here are monitored by the
- 16 Soviet complex in Cuba. There's no mystery about that.
- 17 So I'm sure when each of you took your oath and got
- 18 your security clearances, you were briefed by security
- 19 officers about that kind of activity. So, if we're dealing
- 20 in sensitive matters, it's only intelligent for us to do it
- 21 in a way that secured us enough, that it makes it difficult
- 22 for the Soviets to keep track of it.
- 23 And I suspect they'd be interested in any kind of
- 24 assistance to the Nicaraguan resistance, political or
- 25 otherwise.

1 Q At IBC, do you and Frank Gomez maintain separate
2 offices?

3 A Yes.

4 Q Is that because of your knowledge of the history of
5 what's happened to some of his assistants in the past?

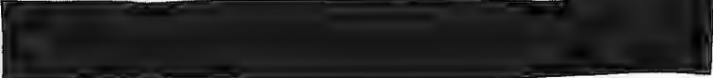

6 MR. DUDLEY: Let the record show that everybody
7 laughed.

8 MR. KAPLAN: Let the record show that I very much
9 appreciate the laughter.

10 MR. LEON: I thought that was a strategic question,
11 John.

12 BY MR. KAPLAN:

14 
15
16 A Yes, and can we go off the record for a minute.

17 MR. KAPLAN: Sure.

19 MR. KAPLAN: Back on the record.

20 MR. KAPLAN: In an off-the-record discussion which
21 just occurred among counsel and Mr. Miller, in the absence of
22 the reporter who is not cleared, we all arrived at a consensus
23 conclusion, that certain information that Mr. Miller may have
24 to convey to the Committees might well be of a classified
25 nature.

1 If the Committees decide to pursue the line of
2 questioning, which would give rise to testimony relating to
3 that information, we will do it at a later date and ap-

5 will have secured a cleared reporter for the taking of that
6 deposition, or that testimony, and that testimony will be
7 handled pursuant to the normal security procedures of

9 since their inception.

10 Does anyone have anything to add or subtract from
11 that statement?

12 [No response.]

13 MR. KAPLAN: All right.

14 BY MR. KAPLAN:

15 Q When did you first meet John Roberts?

16 A In the month of August 1980.

17 Q And do you recall the context in which you met him?

18 A Yeah. John was in charge of the editorial responses
19 for the Reagan-Bush campaign, and I was in charge of the
20 radio news service.

21 Q What was the substance of your relationship at that
22 time?

23 A Friends and co-workers.

24 Q Okay. And did you continue as friends with John

25 Roberts subsequent to the campaign?

UNCLASSIFIED

art134

UNCLASSIFIED

134

1 A Yes.

2 Q How would you describe the friendship?

3 A We were very good friends. We had very similar
4 political beliefs, and enjoyed a good friendship.

5 Q Did you have further professional dealings with Mr.
6 Roberts after the campaign? That is, the 1980 campaign.

7 Q I had some contact with him when he was in the
8 political office. At the time I was in AID, and subsequent to
9 my leaving AID, I kept in contact with the political office,
10 and he was stationed in the political office.

11 Q What do you mean, when you refer to the "political
12 office?"

13 A There is an office of the Assistant to the President
14 for Political Affairs in the Office of the President.

15 Q Okay. So his office was in the White House?

16 A That's correct.

17 Q Do you recall what Mr. Roberts' position was in
18 early 1985?

19 A At some point in mid-1985 he had the title of
20 Deputy, I believe. If not, he was an assistant to the
21 director.

22 Q All right. And again, to clarify the record,
23 assistant to the director of what?

24 A Well, director of the Political Office, who also
25 carries the title of Assistant to the President for Political

UNCLASSIFIED

art135

1 affairs.

2 Q Okay. When did you first meet Spitz Channell?

3 A I met Spitz at that meeting I recalled in January,
4 and then the next time I met Spitz Channell was in April of
5 1985. And I got a call from John Roberts who told me that he
6 had had two fellows come see him who wanted to help the
7 President on the Nicaraguan aid vote, and would I like to see
8 them and I said sure, I considered it a professional referral.
9 And I met with Mr. Channell and Mr. Conrad, along with Frank
10 Gomez, who provided them stacks of information which they
11 used to produce some series of television commercials.

12 And shortly thereafter, they retained IBC for
13 consulting.

14 Q When was it that you received the call from Roberts
15 alerting you to the fact that Channell and Conrad would be
16 calling on you?

17 A I don't recall the date, specifically, but it was in
18 April of '85.

19 Q And did you meet with Conrad and Channell some time
20 shortly thereafter?

21 A I think it was this same day or--

22 Q That same day?

23 A Or within a very short period of time. If it
24 wasn't the same day, it was the next day.

Q So they probably called you the same day that

UNCLASSIFIED

art136

UNCLASSIFIED

136

- 1 Roberts called you to alert you to the phone call--
- 2 A Actually, I think they were still with Roberts when
- 3 Roberts called.
- 4 Q Okay. The Committees have been told that Roberts
- 5 referred to IBC as something like the "White House outside of
- 6 the White House," or a front for the White House on Nicaragua.
- 7 A They're two very different things. I mean--
- 8 Q Were a front for the State Department on Nicaragua.
- 9 Can you respond to those characterizations?
- 10 A I don't think I want to. I mean, I never made
- 11 them. I don't accept the characterization.
- 12 Q Are you aware of any reasons why Roberts would have
- 13 characterized IBC, if in fact he did, as the "White House
- 14 outside of the White House" with respect to Nicaragua?
- 15 A I have no idea why he'd do that.
- 16 Q Okay. And the same question with respect to the
- 17 phrase a "front for the White House with respect to Nica-
- 18 ragua?"
- 19 A Well, I think it's an affront of a characterization.
- 20 I don't agree with it.
- 21 Q But are you aware of any reasons why Roberts would
- 22 have characterized IBC that way?
- 23 A No. The only thing I would say is, I think we were
- 24 generally recognized in Washington at the time as experts on
- 25 Central American policy for the Administration, and this town

UNCLASSIFIED

art137

UNCLASSIFIED

137

1 is a very small town. People generally knew that we were
2 working with the Nicaraguan resistance also. So I don't
3 think that there's anything mysterious about that. I would
4 think somebody who was politically active, Democrat or
5 Republican, would have known of our interest and our expertise
6 in the area. We had been working with the Gulf and Caribbean
7 Foundation. We had been working with State Department.

8 We had been working with the resistance.

9 Q And that might explain, also, the phrase "front for
10 the State Department", or, "as good as the State Department"
11 with respect to Nicaragua.

12 A In the hope of not going around in an exchange
13 again, I really don't want to characterize it--you know--it's
14 his phrase. If he said it, I don't consider ourselves a
15 front for anybody.

16 Q Okay. What was your initial business relationship
17 with Channell and Conrad?

18 A Our initial business relationship started in May,
19 and Mr. Channell, Mr. Conrad, Frank Gomez and myself, had a
20 dinner at which we were offered a retainer of \$15,000 a month
21 which we accepted, and our relationship was initially with
22 the American Conservative Trust.

23 Q What was the nature of the work that you were going
24 to perform for the American Conservative Trust?

A As I recall, initially, our responsibility was to

UNCLASSIFIED

UNCLASSIFIED

138

1 educate Mr. Channell and his employees on the finer details
2 of U.S. foreign policy in Central American, and the activities
3 of the Nicaraguan government, and other democratic governments
4 in Nicaragua--or in Central America, rather. And to provide
5 informational materials to them which could be turned into
6 public-education efforts on their part.

7 Q And did you understand what the purpose of this
8 education process was to be, in so far as American Conserva-
9 tive Trust was concerned?

10 A Yes. They intended to produce campaign materials
11 to influence Congress, and American public opinion on the
12 issue of Nicaragua, in support of the President's position.

13 Q When you say "campaign materials", are you referring
14 to political campaign materials?

15 A Yes. ACT was a federal PAC.

16 Q And you said the fees were \$15,000 a month. How
17 long did this fee arrangement hold?

18 A Not very long. Inside of probably--well, let me
19 see. By September, we were involved in other projects,
20 particularly those for the National Endowment for the
21 Preservation of Liberty, which were huge undertakings, and
22 our fees rose in proportion to those undertakings.

23 Q When did the National Endowment for the Preserva-
24 tion of Liberty, which we can refer to by the acronym NEPL,
25 become the principal Channell entity with which IBC dealt?

UNCLASSIFIED

art139

UNCLASSIFIED

139

1 A I'd say in July of 1985.

2 Q Of 1985?

3 A Yes.

4 Q Was there a written agreement between IBC and the
5 American Conservative Trust evidencing this fee arrangement?

6 A The initial fee arrangement, no. Subsequently, we
7 had budgets for proposed programs, and I think it was August,
8 I attempted to put it down on paper as for the understandings
9 between Channell and I, but I'm not sure it was captured
10 there, either. It was a very fluid arrangement.

11 Q How are the fees determined?

12 A They were budgeted by me, depending on the work I
13 thought was required at IBC to accomplish what Channell was
14 asking be accomplished.

15 Q We're now talking about the fees beyond the \$15,000
16 initial retainer?

17 A Even the \$15,000.

18 Q Okay. In doing your budgeting, was there a time
19 basis for your fee allocation?

20 A You mean time and billing?

21 Q Yes.

22 A No.

23 Q Okay.

24 A We only one time, we gave to Dan Conrad a time-
25 and-billing analysis for a single month, which indicated

UNCLASSIFIED

art140

140

UNCLASSIFIED

1 their fees would have been \$72,000 based on our hourly fees.

2 Q What were your hourly fees at that time?

3 A Partners were--I don't know. I think the chart I
4 gave them was \$125 an hour for partners, senior staff was 75,
5 and I think junior staff was forty. You can see how many
6 hours you're talking about at that kind of level. I mean, it
7 doesn't take a lot of mathematics to see it was a ridiculous
8 workload.

9 Q Is it fair to say that the basis for your fees,
10 then, was on a transactional basis? Work done?

11 A Precisely, and I would budget it, I would tell
12 Channell what I thought it would cost to do it, and then we
13 would perform it for that cost.

14 Q Did you provide regular invoices to American
15 Conservative Trust or to NEPL?

16 A Not until 1986 did we really start that as a
17 practice, and that was at Dan Conrad's requirement.

18 Q All right. At the time--

19 A There were some. I think there was one in '85, but
20 most of them were in 1986.

21 Q Did NEPL usually pay for work performed, or did
22 they pay in advance for certain projects?

23 A They had to pay in advance for certain projects
24 because they were so large that we couldn't afford to--the
25 outlays to start them, without money from NEPL.

UNCLASSIFIED

art141

UNCLASSIFIED

141

1 Q In addition to the fees, did NEPL also reimburse
2 expenses, or did the fees include an allocation for expenses?

3 A In the program area, it required them to pay
4 expenses. For the general retainer, it did not require
5 expenses. But for program items, we did require expenses.

6 Q At the time that you first met Channell, did he know
7 North?

8 A No. I should amend that. I think there was some
9 kind of a briefing that was associated with the Nicaraguan
10 Refugee Dinner, that I think maybe North gave the briefing.
11 You know, his slide show to that group. But I'm not positive
12 about that.

13 Q How did Channell eventually meet North, if--I mean,
14 beyond that group briefing?

15 A At a briefing that I set up.

16 Q And you're referring, now, to the June 27 briefing?

17 A I believe that was the first one, yes.

18 MR. KAPLAN: This is a good time for a break.

19 [Brief recess.]

20 BY MR. KAPLAN:

21 Q Mr. Miller, you testified earlier about a dinner in
22 early April of 1985 attended by yourself, Mr. Gomez,
23 Mr. Channell, Mr. Conrad, and Mr. John Ramsey from Wichita
24 Falls, Texas. Do you recall who arranged that dinner?

A Mr. Channell.

UNCLASSIFIED

j1b142

142

UNCLASSIFIED

1 Q Did Channell tell you anything about Mr. Ramsey
2 prior to the dinner?

3 A That he was one of his big contributors, that--the
4 other thing I remember specifically is that John doesn't
5 believe in refugees. He feels that everybody should stand
6 and fight for their own country. So those are the two things
7 I remember as him saying.

8 Q Did Channell tell you anything more about Mr.
9 Ramsey in terms of his personality or demeanor?

10 A Just that he was a patriotic individual.

11 Q Did he describe Ramsey to you as a tough cookie or
12 something to that effect?

13 A I don't remember that specifically, but it was
14 clear that he was--with the refugee business, it was clear
15 that he was a pretty tough cookie.

16 Q Did you know that the discussion of--that took
17 place after dinner was taped?

18 A I may have known it at the time. I had forgotten
19 entirely about it until I was shown a transcript of it in
20 May. But after I was shown a transcript, I recalled that we
21 had seen a transcript of it and sent it to Mr. Conrad and
22 told him we didn't think it was proper for it to exist or for
23 it to have been done. So I get from that some sense that
24 maybe we were surprised that it had been done.

25 Q So is it your testimony that at the time of the

UNCLASSIFIED

jlb143

1 dinner itself you weren't aware that that conversation was
2 being recorded?

3 A I honestly can't give you a definitive answer on
4 whether I was aware at the time that it was being recorded.
5 But I was subsequently aware that it had been recorded.

6 Q Do you recall the dinner?

7 A I recall it--I recalled it in general terms, and
8 now after reading the transcript, I recall it specifically.

9 Q And do you recall whether there was a tape recorder
10 on the table during the dinner?

11 A Again, I don't have a specific recollection of
12 knowing at the time that it was being recorded.

13 Q You testified a moment ago that you had an oppor-
14 tunity to review the transcript at some point in time prior
15 to having reviewed the transcript in connection with your
16 testimony before these committees. Do you recall having
17 reviewed the transcript in 1985 some time, for instance?

18 A Yes.

19 Q Can you describe briefly the circumstances of your
20 having reviewed that transcript?

21 A I have a very small recollection, and that was that
22 Frank first reviewed it for spelling and proper--Frank
23 Gomez--reviewed it for spelling and proper use of names and so
24 forth that had been transcribed by somebody who didn't know
25 what a Sandinista was or so forth. And then as I recall,

UNCLASSIFIED

UNCLASSIFIED

jlb144

144

1 when it got to me, I raised a question about why it had--why
2 it even existed and why it had been done. And then it was
3 sent back to Dan Conrad. Or maybe we--no, it must have been
4 sent back to Dan.

5 Q With whom did you raise a question about the
6 propriety of the recording?

7 A Frank and I together--a conversation between the
8 two of us.

9 Q Did you ever express your concerns about the
10 recording to either Channell or Conrad?

11 A I'm sure we did.

12 Q Do you recall what their response was?

13 A An unschooled reaction to our concern--that they
14 didn't see what the problem was.

15 Q Did you send the transcript back to Channell or
16 Conrad with some marks on it?

17 A I don't recall doing that, but I subsequently saw
18 transcript that had Frank's corrections on it--of names and
19 spellings and so forth.

20 Q And that refreshed your recollection that you in
21 fact probably did send back a transcript with some correc-
22 tions--additions or deletions--on it.

23 A Right. Actually, I don't think there were any
24 deletions. I think it was all corrections.

MR. KAPLAN: Okay. I'm going to ask the reporter

UNCLASSIFIED

145

UNCLASSIFIED

1 to mark as Exhibit 10 a composite exhibit which is comprised
 2 of a letter that we received from your counsel, Nussbaum,
 3 Owen & Webster signed by Ron Precup dated June 16, 1987 which
 4 encloses the transcript of that conversation as--strike
 5 that--what it encloses is a list indicating to the best of the
 6 indicator's recollection who spoke which paragraphs indicated
 7 in the transcript of the conversation that occurred at that
 8 dinner.

9 [The document referred to was
 10 marked for identification as
 11 Miller Deposition Exhibit No.
 12 10.]

13 MR. MILLER: I don't want to be argumentative, but
 14 what I did was at your request I took the transcript, and as
 15 best I could I tried to identify the person. I will express
 16 to you the same sense of tentativeness about that now that I
 17 did before. I did the best I could to make a determination of
 18 the speaker.

19 BY MR. KAPLAN:

20 Q That was going to be my first question. Is the
 21 list that was put together and attached to Mr. Precup's
 22 letter--is that all from your recollection?

23 A Yes.

24 Q Did you--or to your knowledge, without disclosing
 25 any privileged communications, anyone else--review the

UNCLASSIFIED

jlb146

UNCLASSIFIED

1 transcript in order to create this list?

2 A No.

3 Q If we can just run through the list that's attached
4 to the letter. The top left-hand column of the first page
5 says "page", and then underneath that the number 35311--does
6 that refer to pagination that is on the attached transcript
7 itself?

8 A Yes.

9 Q Is the pagination that it refers to listed on the
10 bottom right-hand corner of that transcript itself?

11 A Yes.

12 Q And then the subsequent pages just relate to pages
13 of the transcript--also the bottom right-hand corner numbers.

14 A Yes.

15 Q I ask that because there's also a date-stamp number
16 in the top right-hand corner, and I wanted to make sure that
17 the two didn't get confused.

18 A Okay.

19 Q Now, on the right-hand column--going back to the
20 list provided by your counsel--it says "speaker" and then it
21 has initials underneath in that column. Who does "RM" refer
22 to?

23 A Myself.

24 Q Who does "JR" refer to?

25 A John Ramsey.

UNCLASSIFIED

jlb147

UNCLASSIFIED

147

1 Q Who does "FG" refer to?

2 A Frank Gomez.

3 Q Who does "CRC" refer to?

4 A Channell.

5 Q If you'll turn to page four of the list provided by

6 your counsel, you'll see about five up from the bottom in

7 that "speaker" column the initials "DC".

8 A That's Dan Conrad.

9 Q And then if you'll turn to page seven of that list

10 provided by your counsel. In the same column--the "speaker"

11 column--you'll see the initials "RRM". Who does that refer

12 to?

13 A Me.

14 Q So I take it then you referred to both with the

15 initials "RM" at the beginning of the list provided, and it

16 looks as if it's uniformly "RRM" toward the end of the list.

17 A Correct.

18 Q Did there come a time in April of 1985 when you

19 assisted Mr. Channell in obtaining a letter from Mr. Calero

20 which authorized the Channell organizations to fundraise on

21 behalf of FDN?

22 A Yes.

23 MR. KAPLAN: I would ask the reporter to mark as

24 Exhibit 11 the document which purports to be a letter from

25 Mr. Calero to Mr. Channell dated April 10, 1985.

[The document referred to was

BY MR. KAPLAN:

Q I ask you if you have seen that letter before.

A Yes.

Q Is this the letter? This letter was produced by
your counsel in response to the committees' subpoenas. Is
this the letter that you assisted Mr. Channell in obtaining
from Mr. Calero?

A Yes.

Q Do recall what the nature of your assistance was in
obtaining this letter?

A I spoke to Mr. Calero about it and asked him to
provide a letter. Initially a copy of the letter was given
to me by Mr. Matamoros, and it was not adequate. And so I
asked for another letter, and Mr. Matamoros or Mr. Calero--
I've forgotten which--asked me for some copy items which I'd
like to have included in it, and I provided them to them.
And the letter was reproduced and sent to me.

Q Do you recall what was inadequate in the first
draft that was produced by Mr. Matamoros?

A The first draft was a very short contract for
professional services as opposed to an appeal for help. And

UNCLASSIFIED

UNCLASSIFIED

j1b149

149

1 that was inappropriate for Mr. Channell's understanding or my
2 understanding. And I think it even offered a percentage, if
3 I recall correctly. And it was clear from the content of the
4 letter that it had been misunderstood. So we asked for
5 something a little more direct and more consistent with what
6 Mr. Channell wanted to do.

7 Q Did Channell request you to seek this letter for
8 him?

9 A Yes.

10 Q Was it your understanding that Channell wanted a
11 letter like this to use in fundraising activities?

12 A Yes.

13 Q Was there any understanding, to your knowledge, as
14 to the fees or compensation that Mr. Channell would derive
15 from fundraising on behalf of the FDN?

16 A Yes. That's precisely the reason why the letter
17 was redone. He was not looking for any compensation from the
18 FDN for fundraising purposes. All he wanted was a letter
19 asking him to help. And that's basically what this is. It's
20 written a little more flowery than just please help. But
21 that's exactly what he wanted--an appeal letter from Mr.
22 Calero to him at his organization.

23 Q Was it your understanding at the time that Channell
24 didn't intend to make any money off of fundraising for the
25 contras?

UNCLASSIFIED

jlb150

UNCLASSIFIED

150

1 A That's correct.

2 Q What was understanding as to why Channell wanted to
3 engage in fundraising for the contras?

4 A He was politically committed to supporting the
5 president. He was politically and personally committed to
6 seeking to help the democratic resistance in Nicaragua.

7 Q On what do you base that understanding? Or on what
8 did you base that understanding at the time?

9 A On my conversations and the direction his program
10 had taken.

11 Q Was it your understanding that Channell and his
12 organizations would deduct expenses incurred from monies that
13 were contributed for the contras?

14 A I can't tell you exactly when I became aware of
15 that. Initially no, other than normal operating overhead.
16 But some time in late '85--maybe late summer, early fall of
17 1985 he told me that they would be deducting--I believe it
18 was 20 percent--from the donations for assistance.

19 Q Did you have a response to that?

20 A I think I informed Colonel North about it. And I
21 may have even taken it upon myself to say that's fine
22 initially. Because anything was greater than zero.

23 Q Did North approve of Channell taking this 20
24 percent, as you recall?

25 A I don't think I sought his approval. I just simply

UNCLASSIFIED

jlb151

UNCLASSIFIED

151

1 told him that Channell was retaining 20 percent within his
2 organization of the contributions.

3 Q Are you clear about the 20 percent figure?

4 A Yes.

5 Q At least that's the figure you recall Channell
6 having told you they were going to be taking from the
7 contributions.

8 A Correct.

9 Q When did that conversation take place, as best as
10 you can recall?

11 A The only mental trigger I have is a contribution by
12 Barbara Newington, which I think was in the amount of
13 \$400,000. So whenever the first one of those was. I think
14 it was December. But the initial Ramsey contribution went
15 directly to the Nicaraguan Development Council. The second
16 Ramsey contribution went directly to [REDACTED]
17 [REDACTED]

18 Q What was the motivation, if you know, for beginning
19 to direct contributions into NEPL, as opposed to Channell
20 soliciting contributions from individuals and having them
21 directed directly to contra organizations?

22 A I have to answer it in different parts. From the
23 perspective of Colonel North and myself, the first and
24 foremost concern was an insulation between the donor and the
25 recipient.

UNCLASSIFIED

jlb152

UNCLASSIFIED

152

1 From Channell's perspective, the insulation was
 2 important because he didn't want to receive a deluge of
 3 unsolicited requests for funds. And also from Channell's
 4 perspective, he did not want his donors in a position of
 5 being in direct contact with the Nicaraguan resistance
 6 because again they would be then deluged by a series of
 7 requests. That seems standard operation in fundraising.

8 Q And he preferred that they be deluged with a series
 9 of requests from him as opposed to some other organization?

10 A Well, without accepting the characterization, as I
 11 understand it from my observations of Mr. Channell and his
 12 fundraising activities, people who give those sums of money
 13 only like to do it for very specific programs or very
 14 specific items. And if you begin to go to them all the time
 15 with little nickel-and-dime needs, they quickly turn to
 16 someone else. They like direct, coherently presented
 17 objectives which they can fund.

18 That's part of the reason for that insulation and I
 19 suspect part of the reason for Mr. Channell's success.

20 Q Do you believe that between April or May of 1985
 21 and the conversation you had with Channell in which he told
 22 you he was going to begin to take 20 percent from donations
 23 that Channell in fact was passing along all the money that he
 24 was receiving as contributions for the cause of the contras?

25 A Either passing it along or using it for public

UNCLASSIFIED

UNCLASSIFIED

jlb153

153

1 education efforts, yes, since some of the people gave to both
2 things.

3 Q This is not intended to sound quite as facetious as
4 I think it's going to sound. Did you think that Channell and
5 Conrad were conducting all the activities which they were
6 conducting raising funds for the contras under the NEPL
7 umbrella out of the goodness of their heart for six or seven
8 months?

9 A I thought their first priority was assisting the
10 Nicaraguan resistance and that assistance took for them--
11 because we had conversations about it--it took for them two
12 forms. The first was direct assistance. And the second was
13 the programs maintained by their organization which was
14 designed to increase public support for the resistance and, in
15 the case of their political organizations, political support
16 for the resistance here on Capitol Hill.

17 So I felt always that their objectives were to help
18 the resistance. And I think--in full candor, I think they
19 spent their money that way.

20 Q But you don't have any basis for that.

21 A I have not seen anything to indicate otherwise.

22 Q To your knowledge, was one of the reasons for
23 inserting NEPL between the donor and the ultimate recipient
24 to provide the donor with a tax deduction for the contribu-
25 tion?

UNCLASSIFIED

UNCLASSIFIED

jlb154

154

1 A In terms of the public education effort, that was
2 quite certainly the reason for it. Can we go off the record
3 for one second?

4 MR. KAPLAN: Could the reporter please read the last
5 question?

6 MR. MILLER: I think you're recording over the top
7 of another answer, aren't you? No? I'm sorry.

8 So in terms of the political efforts and the public
9 education efforts, it was quite certainly one of the reasons
10 it was done.

11 In terms of resistance assistance, I'm not fully sure
12 what Mr. Channell's motivation was. But I did not consider
13 it at the time as one of the reasons for doing it.

14 BY MR. KAPLAN:

15 Q Is there a reason why NEPL was inserted between the
16 donors and the ultimate recipients in addition to IBC and IC,
17 Inc., to your knowledge?

18 A Well, as I previously stated, Mr. Channell wanted
19 that insulation for his donors. His donors wanted the
20 insulation, and he was the one doing the fundraising, so it
21 was appropriate to agree to that.

22 Q Did you ever discuss with Mr. Channell or--maybe
23 more appropriately--did Mr. Channell ever discuss with you
24 that one of the reasons why to insert NEPL into the network
25 was because it would be more enticing to potential con-

UNCLASSIFIED

jlb155

UNCLASSIFIED

155

1 tributors or prospective donors to be able to offer a tax
2 deduction to them?

3 A Actually, the opposite is true. Mr. Channell told
4 me one time--and it stuck in my memory quite explicitly--that
5 people who gave these very large sums of money were uninter-
6 ested in the tax ramifications of it, that they did it for
7 reasons of personal conviction. He used to call them
8 warriors, and they--his statement to me was that tax-
9 deductible status has nothing to do with the way these people
10 make their decisions. And I derived from that the notion
11 that it was unimportant to these people.

12 Q Did you believe him?

13 A Oh, I think it's borne itself out to be true. I
14 think all these people gave because of their personal
15 convictions and patriotism and not because of tax-deductible
16 status.

17 Q Would you feel otherwise if you were told that most
18 all of these people who gave to NEPL during the relevant time
19 period indeed took tax deductions for their contributions?

20 A No, in that you're saying all the people who gave
21 to NEPL. And the point is I don't think anybody has ever
22 challenged the tax-deductible nature of the public education
23 effort. I don't think the Internal Revenue Service has
24 challenged it. So the public education effort, which was
25 actually larger than the assistance effort, was well within

UNCLASSIFIED

jlb156

156

UNCLASSIFIED

1 the confines of the regulations governing NEPL.

2 So when you say "all", no, I don't. I wouldn't be
3 taken aback by that at all.

4 Q What if you were told that several of the persons
5 who gave money for direct contra assistance, according to
6 your prior testimony and according to testimony of others
7 heard by the committees, took tax deductions for those
8 contributions?

9 MR. DUDLEY: Is the question would that change his
10 view as to whether they really cared about tax deductions?

11 MR. KAPLAN: I don't see what that's got to do with
12 it.

13 MR. MILLER: Well, may I answer the question,
14 because you characterized it incorrectly. He said "care".
15 What Channell said to me was their primary motivation was not
16 the tax deductibility. It was having a personal commitment
17 to a philosophical position or to something that they had a
18 personal--I've forgotten the word I used--but anyway, that's
19 different than whether they ultimately availed themselves of
20 the tax-deductible status.

21 I think if they thought they could, they'd be fools
22 not to. And they're all very wealthy people, and they didn't
23 get wealthy being foolish. So I think probably they probably
24 decided to take a tax deduction if they thought one was
25 warranted.

UNCLASSIFIED

UNCLASSIFIED

jlb157

157

1 MR. KAPLAN: I won't accept your characterization.
2 I know that there are some of mine that you probably won't
3 accept.

4 On May 6th of this year, did you plead guilty to an
5 information charging you with one count of defrauding the
6 United States under 18 United States Code Section 371?

7 MR. DUDLEY: As his lawyer, I will object to that
8 characterization. It was not a count of defrauding the
9 United States government. It was a count of conspiracy to
10 defraud.

11 MR. KAPLAN: That's correct. And that is what 18
12 United States Code Section 371 provides. And I apologize for
13 the mis-statement.

14 MR. MILLER: That's correct.

15 MR. KAPLAN: And was it your understanding in that
16 plea of guilty that the use of NEPL's tax exempt status was
17 wrong or was unlawful in connection with the direct contra
18 assistance effort?

19 MR. MILLER: As I understand it--

20 MR. DUDLEY: Let me finish the question, and then
21 let me talk before you start answering.

22 Have you finished the question?

23 MR. KAPLAN: Yes.

24 MR. DUDLEY: I object to the point of the question
25 on the grounds I think that you're asking him for some rather

UNCLASSIFIED

UNCLASSIFIED

jlb158

158

1 tricky legal conclusions here. And I have a problem with the
2 breadth of it, because it may well be that not all the
3 contributions for direct assistance would have been in any
4 way, shape, or form wrong. And I don't want him to answer a
5 question that's in a very sensitive area like that without
6 perhaps some minor distinctions being observed.

7 MR. KAPLAN: I accept that, and I withdraw the
8 question.

9 I'm not trying to lead you into a trouble area.
10 You just gave some testimony, some of which was maybe even a
11 bit non-responsive about the view of the use of NEPL's tax
12 exempt status with respect to the fundraising efforts for
13 direct contra assistance and certain direct contra assistance,
14 which we'll get into a little later today.

15 And my concern is that as I listened to that testimony,
16 it didn't strike me as being entirely consistent with the
17 plea of guilty to the information to which we've just
18 referred. And I wouldn't want to have the reflect an
19 inconsistency with what's a matter of public record, because
20 we are, after all, committees who are creating a record that
21 we want to have consistent with what's known to the public
22 and part of a judicial record filed in Federal District Court
23 in Washington, D.C.

24 If that inconsistency that I perceive can either be
25 cleared for our record, then I'd like that clarification.

jlb159

159

1 MR. MILLER: Well, I can't attempt to--

2 MR. DUDLEY: Let's go off the record a minute.

3 Q Is it your understanding, Mr. Miller, that NEPL's
4 tax exempt status was never misused in the solicitation of
5 contributions for direct contra assistance?

6 A No, that is not true. It is my understanding that
7 it was misused.

8 Q And briefly, could you explain in what respects you
9 believe that NEPL's tax exempt status was misused in that
10 connection?

11 MR. DUDLEY: I have a problem with this line of
12 inquiry, and I guess I may as well put the problem on the
13 record because I don't understand what relevance his under-
14 standing as a layman of the legal issue with respect to the
15 misuse of NEPL's tax exempt status. I don't understand the
16 relevance of that to any line of inquiry that the Committee
17 has.

18 He can tell you about what in fact was done and
19 what he knew at the time it was done. It seems to me those
20 are perfectly relevant inquiries. His understanding of the
21 legal concepts as we sit here doesn't seem to me to be
22 relevant and quite frankly may entrench upon areas that I am
23 not sure he is competent to testify to.

24 MR. KAPLAN: I didn't intend to entrench on any
25 areas in which he was competent to testify, and I am certainly

UNCLASSIFIED

nm160

UNCLASSIFIED

160

1 not asking Mr. Miller to draw any legal conclusions. I
2 simply was seeking a response to the question following on
3 the prior answer of Mr. Miller's as to in what respects he
4 believed the tax exempt status of NEPL was ever misused or
5 was misused in connection with direct contra assistance fund-
6 raising efforts.

7 That certainly is an area that is within the focus
8 of both the Committee's mandates. And to the extent that it
9 is going to impinge on any attorney/client communications, I
10 have no interest in the answer. I am asking for his under-
11 standing. It really is a follow-up to an answer that he gave
12 to a previous question.

13 Let's go off the record for a minute.

14 MR. LEON: Off the record.

15 (Off the record.)

16 MR. KAPLAN: I am going to ask for an answer to my
17 pending question.

18 MR. DUDLEY: I am not quite sure what is on the
19 record and what isn't, but I will want my objection noted
20 that it calls for legal conclusions that he is not competent
21 to make.

22 THE WITNESS: As I understand it, Mr. Channell
23 offered to contributors the capacity to deduct the contribu-
24 tion for assistance to the Nicaraguan resistance, which he
25 knew not to be deductible, and I was a participant in that

1 conspiracy.

2 BY MR. KAPLAN:

3 Q And did you have contemporaneous knowledge at the
4 time that these deductions were offered that Mr. Channell was
5 offering deductions that were not appropriate at the time?

6 A Not that I can specifically point to.

7 [Witness and attorney consult.]

8 A If I can amend my previous answer --

9 Q Sure.

10 A -- instead of the word "assistance", I think it
11 should be "for the purchase of arms".

12 Q And do you recall when you came to the understanding
13 that this use or misuse -- this use of NEPL's tax exempt
14 status was indeed a misuse of that tax-exempt status?

15 A I can't. It was a growing understanding, culminat-
16 ing May 6, 1987.

17 Q Okay.

18 Did there come a time when NEPL began to give money
19 to IBC or to IC, Inc. that was intended to be provided for
20 assistance to the contras?

21 A Yes.

22 Q When did that occur?

23 A It began receiving contributions from Mr. Channell
24 in, I believe, July of 1985.

25 Q And did those contributions come from Mr. Channell

UNCLASSIFIED

1 as the result of the conversation that took place at a dinner
2 on July 9?

3 A I don't think that is the right date, but it was in
4 July that there was a dinner -- there was a meeting, not a
5 dinner, in the Hay Adams where Colonel North directed Mr.
6 Channell to send the contributions to IBC.

7 Q You have testified previously as to the date of
8 that meeting, I believe. We can amend that testimony to
9 insert a different date, if that will be useful.

10 Do you recall a date other than July 9th?

11 A I don't recall July 9.

12 Q Okay.

13 A I don't recall another date specific.

14 Q Okay.

15 A The independent counsel is using, I believe, the
16 15th, is it?

17 MR. DUDLEY: I think July 9th.

18 THE WITNESS: Oh, July 9th; okay.

19 MR. DUDLEY: I think his problem wasn't so much
20 with the date as with the characterization of it as a dinner.

21 MR. KAPLAN: Okay.

22 BY MR. KAPLAN:

23 Q Well, at this meeting were Channell, Conrad, North
24 and yourself in attendance?

25 A Yes.

UNCLASSIFIED

1 Q And at the meeting to which you testified on June
2 23rd here with us. Is that correct?

3 A Yes.

4 Q Do you recall with any better specificity the date
5 of the first payment from NEPL to IBC that was related to
6 direct contra assistance?

7 A I don't recall specifically what --

8 Q Some time in July of 1985?

9 A It seems to me that it was in July of 1985.

10 Q Do you recall the amount on that contribution?

11 A As I sit here, no, but I am sure it is in my
12 records.

13 Q Okay.

14 Did you continue to receive payments for direct
15 contra assistance from NEPL through November of 1986?

16 A Yes.

17 Q Okay.

18 And when I say did you continue to receive, I am
19 referring to either IBC or IC, Inc.

20 A Yes.

21 MR. DUDLEY: What was the date and the question?
22 I'm sorry.

23 MR. KAPLAN: November 19th.

24 BY MR. KAPLAN: How did you segregate the payments
25 from NEPL that were intended for direct contra assistance

1 from those payments from NEPL which you attributed to fees
2 owed for services performed by IBC?

3 A You have the cart before the horse.

4 Q Yes.

5 A Since our primary responsibilities were for
6 managing the public education and lobbying efforts, it was
7 easy therefore to take those things that were in addition to
8 those required charges, and they were easily identified. If
9 you look at them the way you have, then you would be confused.
10 But if we are in day-to-day operation and we are receiving
11 fees for television documentaries, for retainer fees and for
12 things of that nature, then when we get an additional amount,
13 it is either announced to us or is something which is in
14 great excess of anything we need, it is clear that it is
15 assistance money.

16 [Witness and attorney consult.]

17 BY MR. KAPLAN:

18 Q Based on your conference with counsel, do you wish
19 to add anything to your previous answer?

20 A No.

21 Q Okay.

22 Do you recall the approximate amount of NEPL
23 payments to IBC, that is total payments, from July 1985 to
24 November 1986?

25 A It's in excess of \$5 million.

UNCLASSIFIED

nm165

UNCLASSIFIED

165

1 Q Okay.

2 And do you recall what the total amount was that
3 was designated for direct contra assistance?

4 A I have recently finished the computations on it,
5 and it is \$3.44 million.

6 Q Okay.

7 And when you say you recently finished computations,
8 what records have you used in order to do your computations?

9 A The same ones you have, the invoices and receipts,
10 bank records.

11 Q Okay.

12 Who determined the timing and amount of payments
13 from NEPL to IBC for contra assistance?

14 A Mr. Channell.

15 Q Now the difference between the \$5 million total
16 payments you received from NEPL between July 1985 and
17 November 1986 and the payments that your computations show
18 were used for direct contra assistance is about \$1.56 million
19 or maybe a little more, I take it just from your testimony
20 this morning.

21 Was that remaining amount considered to be payment
22 by NEPL to IBC for fees for services and any disbursements
23 expended in the performance of those services?

24 A Yes.

25 Q What services exactly gave rise to the, let's call

1 it to round it out, \$1.6 million of fees during that 15 or
2 16-month period?

3 MR. DUDLEY: Fees and expenses.

4 BY MR. KAPLAN:

5 Q Fees and expenses.

6 A I mean, you have asked for an encyclopedia. In the
7 general category, media relations, lobbying activities,
8 legislative analysis, administration policy analysis, program
9 items such as writing of text, creation of documents, and
10 research into policy and implications of legislation on
11 policy.

12 We operated a speakers' bureau. We produced
13 several films, television documentaries. We maintained film
14 crews in the border region [REDACTED]
15 and in some cases they went into Nicaragua. We maintained
16 film crews in Nicaragua and Managua.

17 We produced text for ads. We produced news release
18 materials, statements. We produced graphics. We produced
19 slides. We produced brochures. We produced books. We
20 produced briefing books. We set up meetings between NEPL
21 people, Administration officials, Congressional officials,
22 media people, state and local officials, industry officials,
23 private citizens' groups.

24 We provided the Washington coordination for the UNO
25 leadership's Washington activities in 1986. We provided

1 long-term strategic planning documents. We provided scenario
 2 analyses of activities by the resistance forces. We provided
 3 liaison with the resistance forces and NEPL officials. We
 4 provided briefings for NEPL contributors. We provided -- I
 5 don't know how long you want the list to get. That's as much
 6 as I can remember right now.

7 We handled -- in the area of Central America, we
 8 handled the Central American Freedom Program and its original
 9 -- its originator which had a working title of the Sacher
 10 program and the Central American Diplomacy Program. We
 11 handled the strategic defense initiative program for the
 12 Endowment and for Sentinel. We handled constitutional
 13 minutes program for the National Endowment. We handled a
 14 South African Program for the Endowment. We handled a
 15 terrorism program for the endowment.

16 We assisted in setting up one of the political
 17 action committees, and other duties as a side.

18 Q Did you ever read Jerry Lucas' memory book?

19 A No.

20 Q Very good recitation of the services that you
 21 provided going back a couple of years ago.

22 MR. DUDLEY: Jerry Lucas, as I understand it, can
 23 do the Cincinnati phone book.

24 BY MR. KAPLAN:

25 Q Were there invoices supporting the fees and

UNCLASSIFIED

1 expenses' portion of the NEPL payment?

2 A For many of the fees and services, yes, we did have
3 invoices.

4 Q Do you know approximately for how many of the fees
5 and services' portion was supported by invoices?

6 A I never totalled that up, so I couldn't answer.

7 Q Okay.

8 When did you start issuing invoices to NEPL for
9 your fees and services?

10 A I think we started in December of 1985. It was an
11 attempt to kind of get a handle on things because they had
12 been so frantic and so all-consuming in their activities that
13 we were -- I was trying to get a handle on it, and so was Dan
14 Conrad.

15 Q How much of the \$1.6 million --
16 (Brief discussion off the record.)

17 BY MR. KAPLAN:

18 Q I think I had started into a question. How much of
19 the \$1.6 million was attributable to fees, and how much was
20 attributable to expenses, to the best of your recollection?

21 A I really have not sat down and done a division on
22 it.

23 Q We discussed a little earlier the basis for your
24 fees, and I take it that with respect to this \$1.6 million,
25 that basis that you described earlier this morning would

UNCLASSIFIED

nm169

UNCLASSIFIED

169

1 apply. Is that correct?

2 A Yes.

3 Q So that a number of the projects for which you
4 performed services were charged to NEPL on the basis of your
5 estimation of what appropriate fees for the project should be.

6 A Correct.

7 Q Okay.

8 Do you have any breakdown as to what percentage of
9 your fees related to work performed for NEPL having to do
10 with the contras or with Nicaragua?

11 A No, I have never done it that way.

12 Q All right.

13 A I have attempted to quantify the total during the
14 period and have given Mr. Channell a report that had a total
15 figure for both, which was I think about \$1.4 million. I
16 think that's right.

17 Q What would that \$1.4 million be?

18 A They are really all fees to IBC and all expenditures
19 by IBC on NEPL's behalf for the programs.

20 Q For all programs?

21 A For all programs.

22 Q Okay.

23 And can you approximate for us approximately how
24 much of that \$1.4 or \$1.6 million, as we have been talking
25 this morning, related to NEPL projects in connection with

UNCLASSIFIED

UNCLASSIFIED

nm170

170

1 Central America or Nicaragua?

2 A I have never done the math on it, so I really -- I
3 mean, at this point I think it would be almost impossible for
4 me to do it. I would say it is at least half. That's about
5 as arbitrary as I can be. I would say it is at least half.

6 Q Okay.

7 A It was their largest program.

8 Q Okay.

9 During the period, how much of IBC's total income
10 was attributable to NEPL? And I am still talking about the
11 period from July of 1985 through November of 1986.

12 A You want to know how much of IBC's income is
13 attributable to NEPL in the period between --

14 Q July 1985 and November 1986.

15 A I have never quantified it, but I would say it's at
16 least a third.

17 Q If I told you that on the basis of records we have
18 received from IBC and its financial institutions and from
19 NEPL and their financial institutions that IBC's total income
20 attributable to NEPL was 84 percent over that time period,
21 would that surprise you?

22 A You would have to be including the money that went
23 to the assistance.

24 Q That's right.

25 A Then that is an erroneous figure.

UNCLASSIFIED

nm171

UNCLASSIFIED

171

1 MR. DUDLEY: That's got nothing to do with nothing.

2 THE WITNESS: But we can do the math right now, if
3 you want to. I am not being facetious. You take 84 percent
4 of \$5 million and take away \$3.44 million, and that is what
5 your percentage is. It would be considerably less than 80
6 percent.

7 BY MR. KAPLAN:

8 Q Okay. So basically, as I understand it, NEPL's
9 total income during that period was somewhere in the neighbor-
10 hood of about \$6 million.

11 MR. DUDLEY: You mean IBC's.

12 BY MR. KAPLAN:

13 Q I'm sorry. I stand corrected. IBC's total income
14 during that relevant period was -- including the direct
15 contra assistance payments was somewhere very close to \$6
16 million.

17 MR. DUDLEY: The problem I have with that is your
18 characterization of the direct contra assistance programs as
19 income to IBC, a position that we do not accept.

20 MR. KAPLAN: Okay.

21 BY MR. KAPLAN:

22 Q Then is it fair to say that under the way you
23 calculate income that IBC's total income during the relevant
24 time period was about \$2.5 million, that is from July 1985
25 through November 1986?

UNCLASSIFIED

nm172

UNCLASSIFIED

172

1 A Where are you coming up with the \$0.6 million, that
2 is my problem? I don't have my records in front of me, so I
3 can't tell you what our total 1985/1986 income was.

4 MR. OLIVER: He subtracted 3.44 from 5 million.
5 That's where it comes from.

6 THE WITNESS: Yes, but it's apples and oranges.
7 You take the \$5 million and subtract 3.44. Then what came to
8 IBC from NEPL was 1.6.

9 BY MR. KAPLAN:

10 Q And I believe that the records that have been
11 submitted to the Committees by the various entities that I
12 described a moment ago showed that IBC during that time
13 period had additional income of approximately \$1 million.

14 A Over and above the NEPL income.

15 Q Right; that is right.

16 MR. DUDLEY: Now if that concords with your
17 recollection, tell him so. If you have no recollection --

18 THE WITNESS: I don't have a recollection of a
19 specific figure. I have never looked at it in those terms,
20 and I would want to before I accepted any characterization.

21 BY MR. KAPLAN:

22 Q Have your computations shown what IBC's total
23 income was for 1985 and 1986?

24 A I have never done a total IBC income computation

- 14 A You can't use that as an English language transla-

- 17 simply passing it on at the behest of the client.

3 that's under consideration at the moment between counsel and

5 time.

6 BY MR. KAPLAN:

7 Q At the time that the payments were made by NEPL to
8 IBC for contra assistance, how did you treat them? That is,
9 how did IBC treat those payments for tax purposes and/or for
10 internal accounting purposes?

11 A Again I think I have to give you the same answer,
12 from an accounting and a tax standpoint.

13 Q So they were treated as client reimbursable
14 expenses?

15 MR. DUDLEY: Off the record.

18 MR. DUDLEY: The issue of the tax and accounting
19 treatment of payments received by IBC for assistance -- from
20 NEPL for assistance to the Nicaraguan resistance. It is a
21 matter that is in a state of flux. The payments were
22 initially characterized in 1985 on the books of the corpora-

24 It is not clear how they will be characterized

5 MR. KAPLAN: I appreciate that statement.

6 One more question on the subject before we get off
7 it entirely.

8 BY MR. KAPLAN:

9 Q Did Mr. Channell or Mr. Conrad ever tell you how
10 these payments should be treated on IBC's books?

11 A No.

12 Q I lied. One more question.

13 Did Colonel North ever advise you as to how these
14 payments should be treated on IBC's books?

15 A No.

16 Q What did IBC do with the contra assistance payments
17 that were received from NEPL?

18 A We put them in the general IBC account, and we
19 disbursed them as directed by Colonel North.

20 Q How did you know what payments were to be attributed
21 for contra assistance?

22 A Normally Mr. Channell announced them upon their
23 arrival. In other words, he would bring a check and say this
24 is assistance money.

In the cases when we had to pick it up or it was

UNCLASSIFIED

hws176

176

1 sent over, again he would do the same thing.

2 Q Who determined the timing and amount of those
3 payments?

4 A Mr. Channell.

5 Q Channell did. All right.

6 Did North ever have any input to your knowledge as
7 to the timing and amount of the contra assistance payments?

8 A No.

9 Q That is your knowledge?

10 A The answer is still no.

11 Q Is it possible that North spoke with Channell or
12 Conrad as to the timing and amount of those payments without
13 you knowing?

14 A It's hypothetical. I guess it's possible, but I
15 have no way of knowing whether that ever took place.

16 Q Okay.

17 A There was one instance in which Colonel North asked
18 for a specific amount of money prior to Mr. Channell raising
19 money through NEPL.

20 Q Would you describe that instance?

21 A It happened in 1985 in I believe June. And Colonel
22 North called me and said we need \$30,000 desperately to the
23 people involved in the southern front. And could I find
24 somebody to give \$30,000?

He didn't designate anybody for me to talk to. I

1 called Mr. Channell immediately and asked him if he could
 2 make a contribution or would one of his people make a
 3 contribution? And he put me almost immediately in touch by
 4 telephone with John Ramsey. And I explained the situation to
 5 John Ramsey, and John Ramsey wired a contribution [REDACTED]
 6 [REDACTED]

7 And subsequently I spoke to Mr. Channell. He
 8 suggested a thank you letter to Mr. Ramsey. I contacted
 9 Colonel North, and he said why don't you send a telegram my
 10 name, and I did that.

11 Q This is the same solicitation that you testified
 12 about back on June 23rd?

13 A Yes. So that would have been the only time where
 14 he determined the amount for us to raise.

15 That's the only instance that's responsive to your
 16 question.

17 MR. KAPLAN: While we're on it, I am going to ask
 18 the reporter to mark as Memo 12, Exhibit 12, a copy of a

 20 you whether you can identify that document?

 3 Mr. Channell's name and address beneath that, are they notes
 4 of a conversation, the conversations with North that you just
 5 referred to about sending telegrams to those people?

6 A This is a list of items which I needed to ac-
 7 complish, and the double-check means that I accomplished
 8 them. So that would indicate that North okayed a telegram to
 9 Ramsey and to Carl Russell Channell.

10 Q The telegram to Ramsey has been marked as a

13 MR. KAPLAN: I'm going to ask the reporter as

2 on the page refers to which reads, "I believe North consider

4 A Spitz wanted a letter of appreciation from Ronald
5 Reagan for his ad campaign.

6 Q And was that letter issued to Mr. Channell to your
7 knowledge?

8 A I believe so.

9 Q Okay. Down on No. 3, where it says "can see slide
10 show," do you recall what that note refers to?

11 A I'm sure it's Colonel North's slide show, but it
12 doesn't have anybody else's reference to it, so I'm not sure
13 what the meaning of it is.

14 Q Would this have been a slide show on Nicaragua?

15 A That's Colonel North's slide show.

16 Q Was it the same slide presentation that he made at
17 the June 27 briefing?

18 A Yes.

19 Q And that he made on several other occasions?

20 A Yes.

21 Q Was that slide show largely comprised of slides
22 that had been provided to Colonel North by you or other
23 associates at IBC, or Mr. Channell or other associates at
24 NEPL?

25 A No. There were some pictures in it that were taken

UNCLASSIFIED

hws180

180

1 by Frank Gomez [REDACTED] which Colonel North had integrated
2 into a slide show. But all the rest were official declas-
3 sified photographs.

4 Q Going back to where we were before we got side-
5 tracked on that Ramsey solicitation, what did IBC eventually
6 do with the direct contra assistance payments after segregat-
7 ing them for contra assistance?

8 A We spent them according to Colonel North's direc-
9 tion.

10 Q Did IBC, prior to spending them for the most part,
11 send them along to IC, Inc.?

12 A Well, actually, I think the initial transfers went
13 to Lake Resources. There were transfers to [REDACTED]
14 There was the money spent on the al-Masoudi misadventure.
15 And ultimately the objective was to move all the transactions
16 into a situation where it was money to IBC which was passed
17 immediately to IC, Inc.

18 And the final objective was to have money passed
19 directly from those who wanted to make contributions to IC,
20 Inc. And we did accomplish that in '86.

21 Q In '86. Do you recall when in '86 you instructed
22 NEPL to begin sending payments directly to IC, Inc.?

23 A I'm not sure of the specific date, but I think it
24 started somewhere around September.

25 Q Could it have been August of 1986?

UNCLASSIFIED

UNCLASSIFIED

hws181

181

1 A Could have been the end of August.

2 Q At whose direction were these payments first passed
3 to IC, Inc., were then sent directly to IC, Inc.?

4 Did you tell Channell in August or September of '86
5 to send the contra assistance payments directly to IC, Inc.?

6 A Yes.

7 Q And did you make the determination that the prior
8 contra assistance payments to IBC would be passed to IC,
9 Inc., or was that a determination made by someone else?

10 A Well, Colonel North directed that they be sent to
11 IC, Inc. The original transactions which were disbursed
12 directly out of IBC were done so for expediency, not for dual
13 purposes, but simply because there wasn't time to get it to
14 IC, Inc., and then transfer it from IC, Inc.

15 Q Did North ever give you a reason why he wanted the
16 monies transferred from IBC to IC, Inc. before ultimate
17 distribution?

18 A Well, we had several discussions about it, and some
19 which I discussed earlier with you.

20 The need for some insulation, and ultimately to
21 provide some secrecy to the transactions.

22 Q That was something that Colonel North expressed to
23 you?

24 A Sure. We were both very conscious of it.

25 Q Then who made the -- opened that determination to

UNCLASSIFIED

hws182

182

UNCLASSIFIED

1 instruct NEPL to begin sending payment directly to IC, Inc.
2 in August or September of 1986?

3 A I did.

4 Q You did, all right.

5 Did you discuss that decision with Colonel North?

6 A I don't recall whether I specifically discussed it
7 with him.

8 Q What prompted that decision?

9 A We were no longer involved in Mr. Channell's
10 general programs. And the organization that we had then
11 finished the charter change on in the Grand Caymans was
12 sufficient to handle the transactions without them having to
13 go through IBC. There was no reason any more for them to go
14 through IBC.

15 Q Did you ever tell Channell that IC, Inc. was an
16 offshore company?

17 A I'm sure I did.

18 Q Actually in August or September of 1986, the
19 company would have been called Intel Cooperation, Inc. by
20 that time?

21 A The first checks may have actually been to IC, Inc.
22 But eventually they actually made their NEPL checks out to
23 Intel Cooperation.

24 Q All right. Do you recall when you might have told
25 Channel that IC, Inc., or Intel Cooperation was an offshore

1 company?

2 A I'm sure the same time I told him to make the
3 checks out to that entity.

4 Q So that would have been sometime in the late summer
5 or early fall of 1986?

6 A Yes.

7 Q Do you recall, Mr. Miller, whether, before that
8 time, you ever told Channell that there was another step
9 beyond IBC in the direct contra assistance funding network
10 that NEPL and IBC were engaged in?

11 A I don't remember specifically telling him, but I
12 may have.

13 Q So your best recollection is that it wasn't until
14 August or September of 1986 that Mr. Channell had an under-
15 standing that you and Mr. Gomez maintained the offshore
16 company were direct contra assistance payments, eventually
17 ended up before ultimate distribution?

18 A Well, I can't agree with your question because
19 you've assumed that he knew it was Mr. Gomez and myself. I'm
20 not sure he did know that.

21 Q What's your understanding of what he knew?

22 A He knew that there was an offshore organization
23 that was responsible for distributing these contributions.

24 Q To your recollection, the first time that he became
25 aware of that offshore company was in August or September of

UNCLASSIFIED

hws184

1 1986?

2 A Yes.

3 Q When, to your knowledge, did Mr. Channell first
4 become aware that you or Mr. Gomez were associated with that
5 offshore company?

6 A Probably not until this February, when I issued a
7 report to him.

8 Q When, to your knowledge, did Mr. Channell or any of
9 his associates first become aware that Colonel North had some
10 informal association with this offshore company?

11 A I don't know what you mean by informal association
12 with the offshore company? I'm not sure he had one.

13 Q Let me rephrase the question.

14 When, to your knowledge, did Mr. Channell or Mr.
15 Conrad first become aware that Colonel North was directing
16 the disbursements from IC, Inc. or Intel Cooperation?

17 A Not until February of 1987. That's totally right.

18 MR. DUDLEY: I know, but I just want to point
19 something out.

20 The question and answer are I think potentially
21 misleading, because I think if you asked him when did they
22 become aware that Colonel North had a role in directing the
23 expenditure of the funds that they were contributing, the
24 answer would be different.

25 MR. KAPLAN: I will ask that question since I think

2 BY MR. KAPLAN:

3 Q When, to your knowledge, did Channell or Conrad
4 first become aware that North was directing the ultimate
5 distribution of contra assistance funds that were paid by
6 NEPL to IBC or to IC, Inc.?

7 A I can't give you a specific date, but I would say
8 that throughout the fall and into the winter of '85, '86,
9 they became increasingly aware of his role. And by spring of
10 1986 were, I think, aware that he was coordinating this
11 activity.

12 Q Did you ever tell him that he was coordinating this
13 activity?

14 A I don't think I ever specifically told him he was
15 coordinating.

16 Q When you all left the table back in July of '85
17 from the meeting in which North suggested to Channell that he
18 begin sending contra assistance payments to IBC, what is your
19 impression of what Channell's and Conrad's understanding was
20 at that time?

21 A That they were seeking Colonel North's advice and
22 consent and direction as to who should receive the funds.
23 And they got it, they got it, and the answer was to IBC.

24 Q I take it you understood that when North directed
25 the funds to go back to IBC that North would be involved in

2 distribution of the funds?

3 A Of course.

4 Q Did Mr. Gomez have that same understanding to your
5 knowledge?

6 A No. He wasn't at the meeting.

7 Q But did Mr. Gomez come to that understanding at
8 some later point in time?

9 A Yes.

10 Q When did Gomez come to that understanding?

11 A Actually we had that understanding prior to that
12 meeting because that was the import of the al-Masoudi
13 business in April.

14 Q We're going to get to the al-Masoudi business but
15 probably not till tomorrow.

16 MR. KAPLAN: I think this is a good time for a

AFTERNOON SESSION

BY MR. KAPLAN:

Q Now, Mr. Miller, you testified this morning that approximately \$3.44 million of money was given to IBC or to IC, Inc. by NEPL for the purposes of direct contra assistance. Who directed the distribution of those funds beyond IBC and IC, Inc.?

MR. DUDLEY: I don't want to quibble with you. I don't think he testified to that. I think those numbers were yours, and he said he didn't have his data in front of him and didn't dispute the numbers.

THE WITNESS: 3.44 is my number.

MR. DUDLEY: Okay. Then I am wrong.

THE WITNESS: 3.44 was distributed -- was given by NEPL by IBC to be given to the resistance.

BY MR. KAPLAN:

Q Okay.

And I take it some of that was also given to IC, Inc. as well?

A Yes.

Q Who directed the disbursement of that money beyond IBC or IC, Inc, as the case may be?

A Colonel North.

Q And who determined the timing and amount of those disbursements?

UNCLASSIFIED

UNCLASSIFIED

nm188

188

1 A Colonel North.

2 Q Okay.

3 And how were those disbursements accomplished?

4 A Normally by wire transfer. And I sent instructions
5 to either my bank here or the bank in the Cayman Islands, or
6 rather I sent instructions to the managing directors who then
7 sent instructions to the bank.

8 Q How did Colonel North know that IBC or IC, Inc. had
9 some contra assistance money on hand to be disbursed?

10 A I would have informed him when we received it, and
11 we had for 1985 a running balance sheet, and in 1986 we also
12 had a running balance sheet.

13 MR. KAPLAN: I will ask the reporter to mark as
14 Deposition Exhibit Number 14 a copy, a composite exhibit,
15 which consists of what purports to be -- the specifics are
16 not important for purposes of my questioning -- what purports
17 to be a telex, I believe, from IC, Inc. to Mr. David Piesing,
18 and that telex is dated June 13, 1986, and then attached to
19 it for purposes of Exhibit 14 is what purports to be a letter
20 identical to the telex, both signed by you and Mr. Gomez.

21 (Whereupon, Deposition Exhibit
22 Number 14 was marked for
23 identification.)

24 BY MR. KAPLAN:

25 Q Do you recognize that telex and letter?

2 Q All I wanted to ask about these, is this letter and
3 telex representative of the telexes and letters that you
4 would send to the Cayman Islands pursuant to Colonel North's
5 instructions for distribution of money from the IC, Inc.
6 accounts?

7 A Yes.

8 Q Would Colonel North typically give you the name of
9 the recipient of the funds?

10 A On some occasions he gave me the name. At this
11 point, I know pretty much all of them, but at the time he
12 gave me the actual account and the information associated
13 with it that was necessary for me to make the transfer.

14 Q Okay.

15 Was that true in all instances that he would give
16 you either the name of the recipient or both the name of the
17 recipient and the account number?

18 A Yes.

19 Q I am going to run through a list of recipients that
20 you compiled on the basis of information provided by a
21 variety of entities, including IBC, and ask you to just tell
22 me what you know about the nature of the organization and how
23 much money they received through the NEPL, IBC and IC, Inc.
24 channelling of funds.

25 A I am not always going to be able to recall the

2 Q Okay. In any event, I can give you figures, and
3 you tell me whether that seems right.

4 Was there a Carlos Ulvert?

5 A Yes.

6 Q And was that a recipient to whom money was directed
7 by Colonel North?

8 A Yes. That transfer that you are describing is part
9 of the \$100,000 budget for the establishment of the Washington
10 Office of the Unified Nicaraguan Opposition, and Mr. Ulvert
11 was Executive Director.

12 Q And did Colonel North give you the account informa-
13 tion for the transfer of funds?

14 A No. He told me to work that out with Robert Kegan
15 at the State Department, and Mr. Kegan put me in touch with
16 Mr. Ulvert and at subsequent meetings Mr. Ulvert gave me the
17 account information.

18 Q Okay. Was Mr. Kegan involved in any other transfers
19 of funds from the NEPL, IBC, IC, Inc. network?

20 A Not that I am aware of.

21 Q Had you known Mr. Kegan before Colonel North
22 referred you to him?

23 A Yes.

24 Q Did you know him from the time that you had spent

2 Q We have got on our records a \$10,000 payment to Mr.
3 Ulvert directly. You mentioned that that was part of a
4 larger \$100,000 payment. Where did the other \$90,000 come
5 from or to whom was it paid?

6 MR. DUDLEY: The \$100,000 budget is what he said.

7 THE WITNESS: The actual dollar amount paid was
8 \$100,244.10. I think that is correct. There was \$10,000 to
9 the account of Mr. Ulvert. There was \$11,000 to an account
10 in Miami. There was --

11 BY MR. KAPLAN:

12 Q Wasn't that account in the name of Denise Ponce?

13 A There is more than one account in Miami, but off
14 the top of my head I think that is the one.

15 Q Okay.

16 A There was \$15,000 to a gentlemen by the name of
17 Katyal who was the landlord and the owner of the building.

18 Q Here in Washington?

19 A Here in Washington.

20 There was \$55,750 paid to a bank here in Washington,
21 which represented the balance at the time. In addition, we
22 paid out of IBC accounts \$1,500 to Wynmark Corporation, who
23 were the real estate agents who secured the property for us,
24 and the balance of the rent of \$4,500 was paid to Katyal. In
25 addition, we rented the furniture for about \$2,544.10. I

1 think that is where that comes from. And we secured the
2 telephones deposit, which we got back.

3 I don't think I left anything out. I think that
4 basically is about \$100,000.

5 Q The \$55,700 payment, was that made to a bank on
6 behalf of an entity or an organization called Latin American
7 Finance?

8 A I'm not sure that is the name of the entity. I
9 think that is the bank's designation for its Latin American
10 section.

11 Q I see.

12 A So whatever the bank was -- it seems to me it was
13 First American Bank or something.

14 Q But the payment itself would have gone to something
15 called Latin American Finance?

16 A Correct.

17 Q And were all those payments directed by Colonel
18 North?

19 A The \$100,000 was directed by Colonel North and he
20 instructed me to undertake the activity, and I kept him
21 informed of the expenditures.

22 Q Okay.

23 A And I got the final approval for the final expendi-
24 ture of \$55,700; I got his approval because that would have
25 wiped out the account.

1 Q Our records show that Mr. Calero and accounts

4 A That's correct.

5 Q Is that in keeping with your records or close to it?

6 A Yes.

7 I think his total figure is \$1,230,000.

8 Q Were those disbursements also directed by Colonel
9 North?

10 A Yes.

11 Q Were they directed to accounts identified to you by
12 number by Colonel North?

13 A Yes.

14 Q The computation we have done shows approximately
15 \$31,000 were distributed to [REDACTED] Is that reasonably
16 consistent with your recollection?

17 A No, actually it is \$41,000. There was a \$10,000
18 wire transfer from the National Bank of Washington communica-
19 tions account for a total of, I believe, \$41,000.

20 Q Right. And 31 would have come from IC, Inc.?

21 A Correct.

22 Q Were both of those transfers directed by Colonel
23 North?

24 A Yes.

25 Q And were they directed to accounts by number by

1 Colonel North?

2 A Yes.

3 Q Friends of America we show received approximately

4 \$125,000.

5 A That's correct.

6 Q What can you tell us about Friends of America?

7 A Friends of the Americas is a humanitarian organiza-

8 tion operated by Woody and Diane Jenkins from Louisiana. It

9 provides medical care and feeding facilities for Miskito

10 Indians and Nicaraguan refugees [REDACTED]

11 [REDACTED]

12 Q How did you arrive at that understanding as to what

13 Friends of the Americas was?

14 A I have known about Friends for four years.

15 Q Did Colonel North direct the funds from IC, Inc. to

16 Friends of America?

17 A Yes.

18 Q And did he provide you with bank account information

19 allowing you to direct those funds?

20 A Yes.

21 Q Okay.

22 Gulf and Caribbean Foundation received from IC,

23 Inc. \$21,182.

24 A Correct.

25 Q And that is former Congressman Kuykendall's

2 A That's correct.

3 Q And did Colonel North direct the funds to be sent
4 to Gulf and Caribbean Foundation?

5 A Well, in an indirect way.

6 Q All right. Can you tell us what you mean by that?

7 A I was contacted by Colonel North and asked to find
8 an organization who would be willing to serve as the guarantor
9 of surgical procedures. In fact, I think he characterized it
10 as reconstructive surgery. And I agreed to do so. I called
11 Dan Ruykendall and asked him if the Gulf and Caribbean
12 Foundation would be willing to be the guarantor for the
13 surgery through a group of Miami doctors. He checked with
14 his Board and came back and said that they would be willing
15 to do that. And we agreed that he would give me the name and
16 address. I gave the name and address to Fawn Hall, and the
17 hospital or doctors' organization sent the bills to Gulf and
18 Caribbean when they arrived. And they arrived on two
19 different occasions.

20 We sent checks from IC, Inc. to the Gulf and
21 Caribbean Foundation so that they could pay the bills. And I
22 believe that they charged a 1 or 2 percent overhead to take
23 care of the accounting and the check writing.

2 A That's correct.

3 Q Did Colonel North direct that disbursement as well?

4 A Yes.

5 Q And was the disbursement made to an account

6 identified by number by Colonel North?

7 A Yes.

8 Q Can you tell us what you know, if anything, about
9 the Institute for Terrorism and Sub-National Conflict?

10 A It's a foundation in Washington run by Neal
11 Livingston, and at the time of the transfer Rob Owen was
12 employed by them. And their principal focus is on sub-
13 terrorism and sub-national conflicts, and Nicaragua is a sub-
14 national conflict.

15 Q Did you come to any understanding as to how those
16 funds were used?

17 A The only understanding that I have is that in some
18 way it related to Rob Owen's being there. What the specifics
19 were I wasn't told.

20 Q Okay.

21 Our records show that approximately \$1.3 million
22 was sent to Lake Resources from the IC, Inc. account and
23 apparently \$430,000 was sent to Lake Resources from IBC
24 directly.

25 A That's correct.

1 Q Were those disbursements, because there were
2 several, directed by Colonel North?

3 A Yes.

4 Q And were they directed to accounts that were
5 identified to you by number by Colonel North?

6 A Yes.

7 Q Did you contemporaneously with those disbursements
8 have any understanding as to what the purpose, what the
9 function of Lake Resources was?

10 A Well, my original understanding was that it was an
11 organization for the benefit of the Nicaraguan resistance. I
12 never heard of Mr. Hakim until his name surfaced in regards
13 to this inquiry, and the only thing I had seen about General
14 Secord was the news report about him buying an airplane
15 somewhere down south, in the southern part of the United
16 States.

17 And in regards to what we were raising money for,
18 we had some idea each time we spoke to contributors about the
19 specific items that we were raising money for. So we had
20 some understanding that the money transferred there was to
21 pay for those specific items.

22 Q And you are talking about specific lethal items.

23 A Both lethal and non-lethal.

24 Q Okay.

But I take it that you came to an understanding

UNCLASSIFIED

rum198

198

UNCLASSIFIED

1 that when there were solicitations intended for the purchase
2 of lethal supplies that took place, that the money that was
3 contributed in response to those solicitations usually ended
4 up in Lake Resources ultimately.

5 A I don't think I ever made the connection between
6 those two things.

7 Q Okay.

8 Latin American Strategic Studies Institute received
9 some \$50,000. Is that correct?

10 A It sounds right.

11 Q And did it also receive \$25,000 directly from IBC?

12 A It did. That was part of the Central American
13 Freedom Program.

14 Q So a total of \$75,000 and all went to Latin
15 American Strategic Studies Institute?

16 A Correct.

17 Q Were those disbursements directed by Colonel North
18 as well?

19 A Yes.

20 Q All \$75,000 worth?

21 A Yes.

22 The \$25,000 was for a briefing book on Nicaragua,
23 and Colonel North asked that it be funded and Adolfo Calero
24 asked that it be funded. And we funded it out of the
25 resistance money.

2 account identified by number by Colonel North?

3 A Correct.

4 Q What's your understanding as to the nature of the
5 activities conducted by the Latin American Strategic Studies
6 Institute with those funds?

7 A My understanding is that it was used for public
8 education and I have a letter from them, but I can't recall
9 what the specifics of it are, but public education.

10 Q How did you reach that understanding?

11 A I asked for a letter in response to a need to know
12 what they spent the money on.

13 Q Was Father Dowling an acquaintance of yours?

14 A Yes. I knew Father Dowling for about the same
15 period of time that I knew Spitz Channell.

16 Q Did you know that Father Dowling was one of the
17 principals in the Latin American Strategic Studies Institute?

18 A I did.

22 Q A couple more questions about the \$55,700 that went

3 MR. LEON: Would you say that name again?

4 THE WITNESS: UNO Office in Washington.

5 They were for the administration expenses and
6 salaries associated with the UNO Office in Washington.

7 BY MR. KAPLAN:

8 Q Just to clarify the record, my understanding of
9 your testimony is that Latin American Finance was a section
10 of the bank to which the payment was made for this purpose so
11 that the disbursement would read as a disbursement to
12 something called Latin American Finance. Is that correct?

13 A I don't know. My recollection is that Latin
14 American Finance has more to do with the bank itself than it
15 does the recipient. The recipient was whatever the account
16 was for the resistance organizations.

17 Q Were you given an account number for that disburse-
18 ment as with the others?

19 A I was given an account for that disbursement by
20 Carlos Ulvert.

21 Q Okay.

22 What role did Mr. Kegan at the State Department
23 play in the coordination of the disbursement of this \$100,000
24 plus a little to coordinate or pay expenses and salaries for
25 the local UNO office?

UNCLASSIFIED

nm201

UNCLASSIFIED

201

1 A Well, Colonel North called me on the telephone and
 2 told me to get the Washington office operational and that my
 3 contact in doing that would be Bob Kegan at the State
 4 Department. And I called Bob Kegan and told him of the
 5 conversation and suggested that I should meet with Carlos
 6 Ulvert, the new Executive Director. Mr. Kegan arranged the
 7 meeting. I asked Mr. Ulvert for a budget. He provided a
 8 budget, and I went to Colonel North and discussed the total
 9 figure with him, and subsequently got his approval to fund it.

10 Q Do you recall when these conversations took place?

11 A It seems to me it was about March. It's just about
 12 the same time as the first transfer to Katyal.

13 Q I take it that would be reflected on the records
 14 that you have provided us.

15 A Yes, within 30 days of that period, 30 days prior
 16 to that period.

17 Q So there wasn't a long lead time from the time of
 18 those conversations to the actual payment, the coordination
 19 of those payments?

20 A Ollie North had no long lead times. It was done --
 21 it was one of those things that was required to be done
 22 immediately.

23 Q Could it have occurred some time within a month or
 24 so of July 30, 1986?

25 A Whatever the Katyal transfer date was, it is liable

UNCLASSIFIED

nm202

202

UNCLASSIFIED

1 to be about a week or two prior to that.

2 Q Now the records we have show that there is really a
3 couple months' period between the Katyal payment and the
4 Latin American Finance payment.

5 A Oh, yes. Latin American Finance was the end of the
6 grant process.

7 Q I see.

8 A Basically, we were turning over to them the funds
9 to administer the office themselves.

10 Q So you had the conversations with Kegan and Kegan
11 referred you to Ulvert, and then you started making payments
12 to control the support purpose.

13 A Correct.

14 Q And one of the first payments was to Katyal, and
15 one of the last payments was to this Latin American Finance.

16 A Latin American Finance was the last payment.

17 Q Okay.

18 Do you recall a \$10,000 disbursement from IC, Inc.
19 to the Nicaraguan Business Council?

20 A Yes.

21 Q Did Colonel North direct that payment?

22 A Colonel North approved that payment.

23 Q Okay. And when you say -- I noticed that you
24 changed my wording to "approved" in this case. Can you
25 explain to me --

UNCLASSIFIED

nm203

203

UNCLASSIFIED

1 A Yes. Mr. Matamoros approached me and said that the
2 Nicaraguan resistance wanted to bring a group of Central
3 American Congressmen to the United States to be before
4 national media and to meet with officials in Washington, and
5 that it would cost \$10,000. And he asked if I could give him
6 \$10,000. I called Colonel North, asked his permission, and
7 he said yes, and I sent him \$10,000.

8 Q I take it the Nicaraguan Business Council is
9 different from the Nicaraguan Development Council?

10 A That's correct.

11 Q The Nicaraguan Development Council received our
12 records show a \$31,000 payment directly from IBC. Is that
13 correct?

14 A Actually, there were two payments, one of \$6,000
15 and one of \$25,000.

16 Q All right, combined.

17 Were those payments to the Nicaraguan Development
18 Council directed by Colonel North?

19 A Yes.

20 Q They were. Again, were they directed to accounts
21 identified by account number by Colonel North?

22 A In those two instances, each of them is slightly
23 different. The \$6,000 was for travel expenses associated
24 with several of the UNO leaders coming to Washington,
25 expenses that the NBC had absorbed, and I was approached by

UNCLASSIFIED

1 Mr. Metamoros to pay those expenses, and I got Colonel
2 North's permission to do so.

3 In the case of the \$25,000, that was \$25,000 urgently
4 needed, again, by Mr. Metamoros for payroll taxes, and
5 attorney's fees, and general operating expenses for the NDC
6 office. And he approached me on it, and I contacted Colonel
7 North, and Colonel North approved the expenditure.

8 Q What can you tell us about the Nicaraguan Develop-
9 ment Council?

10 A The Nicaraguan Development Council is an organiza-
11 tion in Washington, tax-exempt but I don't think tax-deduc-
12 tible. It is a organization that basically serves as the
13 domestic arm of the Nicaraguan resistance. One of the
14 domestic arms of the Nicaraguan resistance.

15 Q Similarly, what can you tell us about the Nicaraguan
16 Business Council?

17 A I really know nothing about the Nicaraguan Business
18 Council. Just that they were the sponsors of this group of
19 Congressmen.

20 Q All right. Do you recall a \$60,000 disbursement
21 from IC, Inc. to an entity called Pigfield Enterprises?

17 Q Were they to account numbers provided to you by
18 Colonel North?

19 A Yes.

20 Q And what can you tell us about those disbursements,
21 if not about Pigfield, or Parkfield Enterprises itself?

22 A At the time that those transfers were accomplished,
23 Colonel North told me that they were to assist the church in
24 Nicaragua to recover from the harassment that they had

25 suffered at the hands of the Sandinista government, including

3 which had been greatly curtailed. There have been subsequent
4 revelations that that account is associated with Cardinal
5 Obando y Bravo, but I have no way to independently verify
6 that.

7 Q What about Polca, S.A.? Do you recall a \$25,000
8 distribution to a recipient named Polca, P-o-l-c-a-, S.A.?

9 A Yes.

10 Q Was that a disbursement that was directed by
11 Colonel North?

12 A Yes.

13 Q Was it to an account identified by number by
14 Colonel North?

15 A Yes.

16 Q What can you tell us, if anything, about Polca,
17 S.A.?

18 A I don't have any idea who it is.

1 leaving the NSC.

2 Q Okay.

3 A Because there's a great lag time between the time
4 he would pass instructions and the time they would be
5 executed by the managing partners in the Caymans. It's part
6 of the problem of doing business--

7 Q I see. What kind of lag time would there be
8 between the time that Colonel North gave you instructions,
9 and the time that you sent a Telex, and letter, as marked as
10 an exhibit earlier today, to the Cayman Islands?

11 A It really varied. It depended on his expression of
12 urgency. In some cases, the transactions were continuing,
13 such as \$5,000 a month, or \$7,000 a month, or 10,000 once a
14 month for the next three months, or something to that effect.

15 Q But generally speaking, when Colonel North gave you
16 instructions, you implemented them fairly promptly?

17 A As quickly as I could, yes.

18 Q Do you recall disbursements totalling \$60,000 to a
19 group called Friends of Freedom, directly from IBC?

20 A Friends of Freedom?

21 Q Right.

22 A No.

23 Q What about the same amount then, \$60,000, to
24 Alfonso Robelo?

25 A Yes.

UNCLASSIFIED

UNCLASSIFIED

208

- 1 Q And did Colonel North direct those disbursements?
- 2 A Yes.
- 3 Q Again, did he direct them to account numbers that
- 4 were identified by him?
- 5 A Yes.
- 6 Q What's your understanding as to the use of that
- 7 \$60,000?
- 8 A That money was to support Mr. Robelo's political
- 9 organization [REDACTED] pay his employees' salaries, and
- 10 newsletter cost, and travel expenses, administrative overhead.
- 11 Q Was the contribution that you described earlier,
- 12 pursuant to the solicitation requested by Colonel North to
- 13 [REDACTED] also intended for Robelo's behalf?
- 14 A Yes.
- 15 Q IBC also distributed a total of \$100,000 to an
- 16 individual named Gary Bagdasarian. Is that correct?
- 17 A Yes.
- 18 Q Who is Gary Bagdasarian?
- 19 A He's an attorney for Ibrahim al-Masoudi.
- 20 Q And where is he located?
- 21 A California. Fresno.
- 22 Q In Fresno. Was that part of your undertaking with
- 23 al-Masoudi, that you would pay his attorney's fees?
- 24 A Well, it was one of the expenditures that we paid
- 25 on behalf of al-Masoudi.

1 Q Did Mr. Bagdasarian represent al-Masoudi in
2 connection with the criminal charges that were eventually
3 filed against him?

4 A I don't believe so.

5 MR. DUDLEY: PD in Philadelphia.

6 MR. KAPLAN: So the record's clear, PD is a Public
7 Defender.

8 [Brief recess.]

9 MR. KAPLAN: Back on the record.

10 MR. DUDLEY: Before we ⁹begin, there is one thing
11 Mr. Miller wanted to clarify.

12 THE WITNESS: I think you left the impression that
13 the money for Bagdasarian was for fees for Bagdasarian. It
14 apparently was not. In fact it was represented to us at the
15 time that that's what it was for. It was for something
16 entirely different.

17 BY MR. KAPLAN:

18 Q Do you know what it was used for?

19 A It was used for a forfeited performance bond that
20 al-Masoudi supposedly had to forfeit. It was 104,000, total.

21 MR. DUDLEY: And what it was actually used for--

22 MR. KAPLAN: Was Bagdasarian the guarantor on the
23 performance bond? Is that what your understanding was?

24 THE WITNESS: No, no. It was al-Masoudi's perfor-
25 mance bond. Bagdasarian was simply serving, I think, as a

1 conduit.

2

3 BY MR. KAPLAN:

4 Q What was the performance for? Do you know?

5 A I don't.

6 Q What was the source of the \$100,000 that was paid
7 to Mr. Bagdasarian?

8 A That was assistance money.

9 Q Did Colonel North direct that \$100,000 disbursement?

10 A Yes. He approved that \$100,000 disbursement.

11 Q He approved it. So that I take it, then, you were
12 asked to make good on a \$100,000 performance bond that al-
13 Masoudi forfeited on, and you called Colonel North and you
14 told him that you were asked to make good on this, should you
15 pay it, and he told you to pay it?

16 A Yes.

17 Q And did he tell you from which funds to pay the
18 \$100,000?

19 A Well, we were only dealing with one set of funds,
20 and that was the assistance money.

21 Q And it was the assistance money that had been
22 passed to you by NEPL?

23 A NEPL and, at that stage, maybe also the Heritage
24 Foundation, and--well, at least one other contributor.

25 Q Who was that one other contributor?

UNCLASSIFIED

UNCLASSIFIED

art211

211

1 A His name was ~~Barness~~, B-a-r-n-e-s-s, and it was a
2 single check for \$5,000 which I sent to IC, Inc. But all the
3 al-Masoudi money was assistance money.

4 Q And when you say "assistance money" you're referring
5 to money coming either from NEPL, from Heritage Foundation,
6 contributions, or to this \$5,000 from Mr. Barness?

7 A Correct.

8 Q Other than Mr. Kegan's involvement, which you
9 described a bit earlier, to your knowledge, was anyone else
10 at the NSC and the White House, or in any other department or
11 agency of the United States Government, involved with or
12 knowledgeable of the contra funding network that you and
13 NEPL, and Colonel North were engaged in?

14 A Fawn Hall. Robert Earl. I'd say that's about it.

15 Q To your knowledge, how would you describe the
16 extent of Fawn Hall's knowledge?

17 A Intimate.

18 Q And how did you arrive at that understanding as to
19 the extent of her knowledge?

20 A Well, sometimes instructions to me, by North, would
21 be passed through her, or a message would be passed through
22 her, and I might pass a message back. He was often out of
23 the office, out of the country, and Fawn was a reliable
24 communications source.

25 Q Was it clear from your conversations with Fawn Hall

UNCLASSIFIED

art212

212

1 that--well, that she knew about the "goings-on" of the
2 operation?

3 A I would say--I'm probably not qualified to charac-
4 terize what she knew.

5 MR. DUDLEY: I'm not sure what "goings-on" are.

6 THE WITNESS: I really don't know how to charac-
7 terize her state of knowledge.

8 BY MR. KAPLAN:

9 Q Did it appear from your conversations with her,
10 that she was aware of the nature of the activities?

11 A The general nature, yeah.

12 Q What about Robert Earl?

13 A Well, given that instance which I recalled to you
14 earlier this morning about the chart, I get some sense that
15 maybe Earl was a little more conversant with details.

16 Q Did you ever have any conversations with Earl, with
17 North, or with anyone else, that led you to the conclusion
18 that you just expressed?

19 A About Earl?

20 Q Yes.

21 A Yeah, but I can't recall any of them, specifically.

22 Q Did Earl ever give you any instructions with
23 respect to disbursements of funds, or the like, in connection
24 with the contra-funding activities?

25 A I don't remember any, specifically.

UNCLASSIFIED

art213

213

1 Q Was John Roberts, to your knowledge, aware of the
2 nature of your contra-funding activities?

3 A No.

4 Q Was Elliott Abrams, to your knowledge, aware of
5 those activities?

6 A No.

7 Q Who, at NEPL, was aware of these activities, other
8 than Mr. Channell and Mr. Conrad?

9 A When you say "these activities", you're talking
10 about the assistance?

11 Q That's right. If you'll allow me, I'll refer to
12 them by the shorthand of "the network", but what I'm referring
13 to is the NEPL, IBC, IC, Inc., and beyond, funnelling
14 relationship.

15 A Well, at IBC there was only Frank Gomez and myself.

16 MR. DUDLEY: Who at NEPL?

17 THE WITNESS: At NEPL, I would say Spitz Channell
18 and Dan Conrad, Cliff Smith, and of course Littledale.

19 BY MR. KAPLAN:

20 Q And how would you describe--if you can--Cliff
21 Smith's knowledge?

22 A General. But I always got the feeling that the
23 solicitations for assistance money were done primarily by
24 Spitz.

25 Q And what about Littledale's knowledge? How would

UNCLASSIFIED

art214

UNCLASSIFIED

214

— 1 you characterize that?

2 A Again, general.

3 Q How would you characterize Frank Gomez's knowledge
4 of the contra-assistance activities?

5 A Peripheral.

6 Q Peripheral. So--

7 A Well, I don't know if that's the right word.

8 Q Feel free to give me more than a one-word answer.

9 A Frank was knowledgeable about the transactions, and
10 was knowledgeable about the structure. The day-to-day
11 details were something that I attended to, not Frank.

12 Q And when you say "knowledgeable of the transac-
13 tions", what exactly do you mean by that?

14 A Well, his name had to go on the transactions just
15 as mine did, so he would have been knowledgeable about the
16 transactions.

17 Q Did he just come in and sign letters, or did
18 someone explain to him what was going on here?

19 A Both he signed letters and I received verbal
20 agreement from him when we transmitted Telexes.

21 Q And did he understand what the substance of the
22 letters he was signing were?

23 A Yes.

24 Q He did. And did he understand that he was a
25 necessary "spoke in the wheel", so to speak?

UNCLASSIFIED

UNCLASSIFIED

art215

215

1 A Yes.

2 Q How would you characterize Jonathan Miller's
3 knowledge, if any, of the network?

4 A I don't think he had any knowledge of it; not from
5 me, anyway.

6 Q Are you aware of whether he had any knowledge of
7 the operation of the network from anyone else?

8 A Well, he was working for a while fairly closely
9 with Colonel North, and in fact was working out of his
10 office, Colonel North's office, for a while.

11 Q Was he engaged in the contra funding and fundraising
12 activities?

13 A I don't know that he was involved in fundraising,
14 but I know Frank has reported to me one instance when
15 Jonathan offered traveler's checks to one of the Meskito
16 leaders, and I think it was Diego Wycliff, but I'm not sure
17 which of the Meskito leaders it was.

18 Q When you referred to "Frank" a moment ago, you were
19 referring to Frank Gomez?

20 A Yeah. Frank told me about an instance in which he
21 was at the National Security Council offices, and in effect
22 he was doing the translation for Jonathan, and serving as
23 kind of an escort for this Indian leader, and Jonathan was
24 trying to convince him to become part of the resistance
25 movement. And as a show of his good faith, he held up

1 several thousand dollars in traveler's checks and basically
2 offered financial support necessary for the guy to run his
3 organization as part of UNO.

4 Q I take it you're no relation to Jonathan Miller?

5 A No.

6 Q When was the World Affairs Counsellors, Inc.
7 established?

8 A April 1986. I believe the 25th.

9 Q Why was World Affairs Counsellors formed?

10 A The first, primary reason was to accept the 10
11 percent overhead charge which we began charging Colonel North
12 in the IC, Inc. and assistance transfers. And secondarily, we
13 wanted to do more of this type of business for resistance
14 movements or political entities--or, excuse me--international
15 foundations. And as a result, we also built into the charter
16 of that organization political, media relations, strategic
17 planning. That type of thing.

18 Q In your prior testimony, I believe that you
19 testified that it was some time in late 1985, that you
20 discussed with Colonel North your interest in charging 10
21 percent of the assistance funds that were passed to IBC, and
22 through IBC, is that correct?

23 A Right.

24 Q I take it that you specifically recall mentioning a
25 figure of 10 percent to Colonel North?

UNCLASSIFIED

art217

UNCLASSIFIED

217

1 A Yes. I do.

2 Q And you also testified, back in June, that Colonel
3 North commented to you something like, 10 percent would be
4 fine because most of the people in the contra-assistance
5 business are taking 20 to 30 percent. Is that correct?

6 A Yeah. I think it was almost exactly his words that
7 he said, 10 percent is fine, most of the people involved in
8 this are taking anywhere from 10--or anywhere from 20 to 30
9 percent.

10 Q Do you recall the specific conversation in which
11 you first raised with Colonel North this interest of you and
12 Mr. Gomez wanting to deduct 10 percent from the assistance
13 payments?

14 A I don't remember the specific conversation. I
15 remember the basic elements of it.

16 Q Would it have been in the context of conversations
17 about other disbursements being made of assistance funds?

18 A Well, one of the first and foremost reasons was
19 after the al-Masoudi business, and working with the resistance
20 leaders, it became clear that this was costing us money.

21 I mean, we were using fees associated with other
22 activities to pay for our time associated with this, and al-
23 Masoudi had actually been money out of our pocket, and as a
24 consequence we thought we'd better start charging an overhead
25 fee or we were going to continue to lose money, and we

1 weren't that profitable, that we could afford to do it.

2 Q I'm not going to mark as an exhibit, but I'm going
3 to show you a notation which I'll represent to you is from
4 Colonel North's notebook, dated November 19, 1985.

5 MR. DUDLEY: Off the record.

6 MR. KAPLAN: Yes.

7 [Brief discussion off the record.]

8 MR. KAPLAN: Back on the record.

9 I'd like the reporter to mark as an exhibit a page
10 of notations which our date stamp show were taken from
11 Colonel North's notebooks provided to the Committees.

12 I'd like to state, for the record, that this
13 Exhibit 15 has been reviewed internally, and determined that
14 there is no classified information that hasn't already been
15 testified to by Mr. Miller, or other parties, in connection
16 with these investigations.

17 The insertion of this page of Colonel North's
18 notebooks into the record in no way is intended as a waiver of
19 any classification and declassification procedure that
20 appropriately would apply to any other notes in the notebooks
21 produced to the Committees by Colonel North in connection
22 with his testimony.

23 [The document referred to was marked for
24 identification as Miller Deposition

25 Exhibit No. 15.]

UNCLASSIFIED

BY MR. KAPLAN:

Q Mr. Miller, do you recognize the handwriting on Deposition Exhibit 15?

A Well, I think it's Colonel North's handwriting.

Q And reading down, it says, "R. Miller", and I've assumed that that applies to you. Are you aware of any other R. Millers with whom Colonel North had dealings or conversations?

A No.

Q And at the top of the page is the notation, 19, N-o-v, for November--and I'll represent to you that this came from a 1985 notation. It states a time, I believe, as 11:30, and as I can read it, I believe it says, "On hand, and acted on."

And then it lists information as to the movement, or requested movement of certain amounts of money to various recipients.

Are those recipients that you recognize?

A Yes, but I think you've misread it. I think it says "Oliver North had and acted on." I think that's "O.N."

Q O.N. stands for Oliver North. Okay. And does this notation refresh your recollection as to a conversation you had with Colonel North back on November 19, 1985?

A This is the probably the conversation that you and I just spoke of a moment ago.

UNCLASSIFIED

art220

220

UNCLASSIFIED

1 MR. DUDLEY: His question to you was whether it
2 refreshes your recollection. He asked you a number of things
3 about it. He asked you the substance of it, and he asked you
4 the date of it, and I think he's asking if, after reviewing
5 that, you now have any further independent recollection
6 either of the substance of the conversation or whether it
7 actually took place on November 19th.

8 MR. KAPLAN: That's correct.

9 THE WITNESS: I can't confirm whether it was
10 November 19th. It seems to me that all these transfers are
11 transfers that we got instructions for pretty much all at
12 once, and this church account thing at the bottom is exactly
13 what I got for the transfer to the church account. So it's
14 probably all the same conversation.

15 BY MR. KAPLAN:

16 Q Okay. And toward the bottom of the top half of the
17 page, you see the notation that says, and I quote: "IBC,
18 dash, 10 percent." Close quote.

19 A Right.

20 Q Is this note consistent with your general recollec-
21 tion as to Colonel North's approval of you and Mr. Gomez
22 charging 10 percent for your services and professional risk in
23 your activities in connection with the contra funding, or
24 contra-assistance network?

25 A Yes.

UNCLASSIFIED

art221

UNCLASSIFIED

221

1 Q So if Colonel North were to say that he never
2 discussed a specific number with you, I take it that you
3 would say his recollection was probably wrong?

4 MR. DUDLEY: I object to asking witnesses to
5 comment on testimony of other witnesses. He can tell you what
6 his recollection is, and from that you can draw your con-
7 clusions, but I don't think it's appropriate to ask one
8 witness whether another witness is right, or wrong.

9 BY MR. KAPLAN:

10 Q Would it be inconsistent with your recollection, if
11 Colonel North testified that he didn't recall discussing a
12 specific number with you?

13 A I don't know what you mean by "specific number."

14 Q That is, 10 percent.

15 A If the question's 10 percent, then that would be
16 inconsistent.

17 Q But I take it that your recollection, independent
18 of Exhibit 15, and as refreshed or confirmed by Exhibit 15,
19 is that you specifically asked Colonel North for approval to
20 charge 10 percent of the money that was passed through IBC
21 for contra assistance?

22 A That's correct.

23 Q I take it that your recollection is that you
24 specifically received his approval for the 10 percent figure?

25 A Yes.

UNCLASSIFIED

art222

UNCLASSIFIED

222

[Brief recess.]

MR. KAPLAN: Let's go back on the record.

BY MR. KAPLAN:

Q After receiving Colonel North's approval to begin charging this 10 percent, when did you begin to deduct the 10 percent from the contra-assistance payments that were passing through IBC?

A There was one \$400,000 contribution where 10 percent was deducted, and then I think most of it was deducted in the Grand Caymans, and some of it was done in retroaction to the formation of World Affairs Counsellors. Because they just didn't have time to get down there and form World Affairs Counsellors, and so we had to do it in retrospect.

Q And when you say it was done in retrospect, did you begin deducting the 10 percent as a paper matter, some time prior to the formation of World Affairs Counsellors?

A Yes.

Q Do you recall when you started deducting the 10 percent as a paper matter?

A It was pretty close to this period in time.

Q Go ahead, if you've got something to add.

A No.

Q Do you recall the total amount of funds that were deducted as part of this 10-percent charging of the contra-

UNCLASSIFIED

art223

UNCLASSIFIED

223

1 assistance payments?

2 A I don't have an exact figure for you but it's
3 somewhere around 250 to \$300,000.

4 Q All right. Is it possible that the amount is
5 closer to 440 to \$450,000?

6 A No.

7 [Witness and attorney consult.]

8 THE WITNESS: I know what your concern is. The
9 tail end of 1986, Colonel North gave us a directive to use
10 the remaining money in the account to pay legal fees as-
11 sociated with what we expected to be inclusion in some of the
12 matters that were pending down in the Federal court in Miami.

13 And in addition to that, we also sought reimburse-
14 ment for some specific items, and in fact had to--for
15 instance--reimbursement Miller Communications for the 10,000
16 that went to [REDACTED] Things like that. And there was
17 generally a paper ledger kept on that.

18 BY MR. KAPLAN:

19 Q Did any funds make their way into World Affairs
20 Counsellors, that were not part of this 10-percent charge, or
21 commission?

22 A Any funds removed from IC, Inc. that were commis-
23 sion or reimbursement, that was the only way they went, was
24 into World Affairs Counsellors.

25 Q So that--

UNCLASSIFIED

art224

UNCLASSIFIED

224

1 A So it's the rule rather than the exception.

2 Q So that if 440 to \$450,000 made its way into World
3 Affairs Counsellors, that might well represent the total
4 amounts that were deducted, or charged off as part of this
5 10-percent charge or commission.

6 A That's correct, although I think there are some
7 charges on this side of the Gulf of Mexico. I think there
8 are some charges in IBC accounts, at times, when, for
9 expediency reasons, money was transferred from IBC.

10 Q But if the records reflected that approximately 440
11 to \$450,000 were deducted from IC, Inc., and placed into the
12 World Affairs Counsellors' account, you wouldn't dispute that
13 that amount is, if not all, at least very largely attributable
14 to the 10-percent charge, or commission that Colonel North
15 approved back in November 1985. Is that correct?

16 A If you want me, I'll define large for you. I know
17 at least 100,000 of it was for legal fees at his direction,
18 and I can't give you an exact figure, but several tens of
19 thousands more were for specific reimbursement items.

20 Q But nonetheless, the \$100,000 for legal fees, I
21 take it, was money that was taken for the personal benefit of
22 you, or Mr. Gomez? I mean, the legal fees were at least
23 intended to be paid on behalf of you or Mr. Gomez's behalf,
24 is that right?

25 A That's correct.

UNCLASSIFIED

art225

UNCLASSIFIED

225

1 Q So it might not have been a part of the 10-percent
2 charge or commission that Colonel North approved, but
3 nonetheless all monies that went into World Affairs Counsel-
4 lors were monies that were ultimately used for the benefit of
5 either you or Mr. Gomez?

6 A No.

7 Q Tell me where I'm wrong, because we can clarify the
8 record on this, and move on.

9 A Well, if you are willing to accept that there were
10 reimbursement items in that money, then those items were not
11 for our benefit. They were simply reimbursement to us for
12 expenditures that we had to make.

13 Q What kinds of expenditures would those have been
14 reimbursement for?

15 A Well, like the \$10,000 to [REDACTED] that
16 had to come out of Miller Communications. There was \$10,000
17 in the cost of setting up the original corporations. There
18 was \$100,000 in legal fees. I can't think of all of them,
19 off the top of my head.

20 Q The \$100,000 in legal fees, for instance.

21 [Witness and attorney consult.]

22 BY MR. KAPLAN:

23 Q The \$100,000 in legal fees, for instance, for whose
24 benefit was that money either spent, or intended to be spent?

25 A Well, to defend IBC. I mean, we fully expected the

2025 RELEASE UNDER E.O. 14176

1 organization to come under legal attack.

2 Q And who were the two partners of IBC?

3 A Frank Gomez and Rich Miller.

4 MR. KAPLAN: I'm going to ask the reporter to mark
5 as Deposition Exhibit 16, again, a composite exhibit. I'm
6 not going to ask you any questions about the top letter
7 because I think you've covered that in your testimony.

8 [The document referred to was marked for
9 identification as Miller Deposition

10 Exhibit No. 16.]

11 BY MR. KAPLAN:

12 Q The second page of the exhibit purports to be a
13 letter from David Piesing, at Cayhaven Corporate Services,
14 Limited, to you, dated May 14, 1986. The letter is short,
15 and I'll just read it into the record.

16 It says, quote: "I refer to the verbal instructions
17 that you gave me during your trip here earlier in the month."
18 That is, that you gave to Mr. Piesing. "For some reason it
19 was overlooked, but we shall need written instructions from
20 you to automatically deduct 10 percent from any grants
21 received from this company, and to pay the 10 percent
22 deduction over to World Affairs Counsellors, Inc. as a
23 commission." Close quote. The rest are salutary words.

24 Can you identify this letter?

25 A Yeah. This was a letter from me to Mr. Piesing,

UNCLASSIFIED

art227

UNCLASSIFIED

227

1 referring to my instructions that from the beginning of World
2 Affairs Counsellors, any monies that came into IC, Inc.,
3 there was to be an automatic deduction of 10 percent, and
4 that money was to be deposited in World Affairs Counsellors.

5 Q And those instructions that you gave to Mr. Piesing
6 were simply the carrying out of an approval that Colonel
7 North had given to you back in November of 1985?

8 A Yes. But this was at the formation of World
9 Affairs Counsellors.

10 Q Right.

11 A The instructions were that any money that came,
12 once World Affairs Counsellors had been established--any
13 money from that date forward, that came into IC, Inc., there
14 was to be a 10 percent automatic deduction.

15 Q And the 10 percent that is mentioned in this letter
16 is not pulled out of thin air, it is the 10 percent charge,
17 or commission, or compensation that Colonel North approved
18 back in November of 1985, and for which you had begun to
19 deduct as a paper matter some time shortly thereafter?

20 A That is correct.

21 Q Okay. Tell me why you felt entitled to receive the
22 10 percent that you requested from Colonel North.

23 A Well, I don't like the word "entitled." We had run
24 what I thought were extreme risks with the al-Masoudi
25 business. It had cost us personally, financially. It had

UNCLASSIFIED

228

1 taken up a tremendous amount of professional time. It was,
 2 as any lawyer will tell you, or anybody who bills their time,
 3 opportunities lost to make money with paying clients, and our
 4 role with Colonel North seemed to be growing, and he seemed
 5 to be asking us to do more all the time. And there was no
 6 way for us to continue to do that unless we could start
 7 compensating ourselves, since we were the primary wage-earners
 8 for the rest of the employees at IBC.

9 Q On what basis did you think Colonel North was
 10 authorized to approve your taking 10 percent of the funds?

11 A Just by virtue of who he was. He seemed to be in
 12 control of the operation.

13 Q And was it your understanding that once the funds
 14 for contra assistance left NEPL, that they basically were
 15 under the complete discretion, or control of Colonel North?

16 A I viewed them that way, yes.

17 Q And you testified earlier this morning, that there
 18 was a time at which Mr. Channell told you that he was going
 19 to begin to deduct 20 percent from the contributions intended
 20 for contra assistance.

21 Was this about the same time that you obtained
 22 Colonel North's approval to 10 percent as a charge for you
 23 and Mr. Gomez?

24 A I don't think that's exactly what I said. I said I
 25 recall one time when Mr. Channell told me he was going to

UNCLASSIFIED

UNCLASSIFIED

art229

229

1 deduct for his organization 20 percent from--and I think it
2 was a Barbara Newington contribution of--I think the total
3 was \$1.2 million, or something. And--

4 Q Was that the Newington contribution to which you
5 testified on June 23rd?

6 A Yeah. And the subsequent, too, I think.

7 Q Other than the World Affairs Counsellors' payments,
8 did you receive any other benefits from your activities
9 involved in the contra-assistance network?

10 A Financial benefits?

11 Q Financial benefits.

12 A Well, we were paid fees by Mr. Channell for our
13 work on his programs, but, no.

14 Q Do you have knowledge of anybody else, other than
15 perhaps NEPL, as an entity, or Mr. Channell or Mr. Conrad,
16 through NEPL, deriving any benefit from the provision of
17 monetary assistance to the contras?

18 A Well, I think all their salaries were paid by NEPL,
19 so they, like any employee of an organization that undertakes
20 a program, they receive salaries from that organization.

21 Q Do you have any knowledge of anyone else receiving
22 any financial benefit from this contra-assistance network?

23 A Not other than what I've described to you in
24 previous transactions from IC, Inc. I don't have anybody
25 that comes readily to mind.

UNCLASSIFIED

art230

UNCLASSIFIED

230

1 Q Okay. What was your understanding as to the
2 intended purpose of the contra-assistance payments that were
3 made through IBC, or through IC, Inc.?

4 A The general purpose was for the provision of
5 assistance to the Nicaraguan resistance. It became clear,
6 early on in the relationship with Colonel North, that that
7 meant a fairly diverse group of people receiving assistance.
8 And in regards to the specific fundraising, we, at Mr.
9 Channell's direction, or request, tried to identify specific
10 items which people could raise, could give their money for.

11 These people who gave large sums wanted to do it
12 for something that was identifiable, and not for general
13 financial assistance.

14 Q And you testified back on June 23rd, I believe,
15 that Mr. Channell focused on certain lethal supplies, in many
16 instances, as enticing donors to make contributions for
17 contra assistance, is that correct?

18 A I wouldn't accept the characterization, but I would
19 say that, initially, our fundraising was targeted at general
20 assistance. It began to incorporate things such as heavy-
21 lifting systems, Maule aircraft. The later period, Mr.
22 Channell began to raise money for specific weapons.

23 Q And anti-aircraft missiles?

24 A Anti-aircraft missiles, specifically.

25 Q And there were instances, as you testified, back on

UNCLASSIFIED

art231

UNCLASSIFIED

231

1 June 23rd, in which Colonel North supplied the information as
 2 to what the contras' needs were with respect to some of
 3 these, both lethal and non-lethal supplies?

4 A That's correct.

5 Q And you also testified, back on June 23rd, that
 6 Colonel North participated in some of the solicitations
 7 intended for the purchase of these big-ticket items, both
 8 lethal and non-lethal supplies, is that correct?

9 A Colonel North made presentations to people prior to
 10 a solicitation from Mr. Channell. That's correct.

11 Q And part of his presentation, at times, included
 12 references to lethal supplies as well as non-lethal supplies?

13 A In the single instance which I can remember, a
 14 discussion of lethal supplies, I don't know whether Colonel
 15 North was still in the room at the time, but I don't believe
 16 he was.

17 Q Now to refresh your recollection, on June 23rd, you
 18 testified in response to my questions as follows:

19 "Question. Did North describe the capability of
 20 the shoulder-held surface-to-air missile that was in the file
 21 folder to counteract the Hind helicopter?"

22 "Answer. He did refer to surface-to-air missiles,
 23 but only generally. I don't think he specifically referred
 24 to the one in the folder."

25

"Question. When you said before that Colonel North

UNCLASSIFIED

1 referred briefly to the final folder that you prepared, how
2 did he refer to it?"

3 "Answer. I don't remember the specific conversa-
4 tion, but he was describing to Mrs. Newington how the Hind
5 helicopters had changed the battlefield tactics of the
6 resistance forces, breaking them into smaller units, not
7 allowing them to have large collections of soldiers. I also
8 had a copy of a New York Times piece on the Hind helicopter,
9 and as I remember, he used that far more prominently than he
10 used the folder."

11 "Question. Did Mrs. Newington ask Colonel North if
12 he knew where to obtain surface-to-air-missiles?"

13 "Answer. As I recall, her specific question was,
14 'And you know where to get these?', and he said, 'Yes, we
15 know.'"

16 "Question. And did Colonel North quote any prices
17 to Mrs. Newington?"

18 "Answer. I don't recall."

19 MR. DUDLEY: Is that supposed to be inconsistent
20 with what he just said?

21 BY MR. KAPLAN:

22 Q Now does that refresh your recollection as to
23 whether Colonel North ever participated in the solicitation
24 of funds intended for the purchase of lethal supplies?

25 MR. DUDLEY: I object to this line of inquiry, and

UNCLASSIFIED

art233

UNCLASSIFIED

233

1 I don't think that's proper, either as refreshment of
2 recollection, or his impeachment, but I'll let him answer the
3 question.

4 It seems to me that there is absolutely no inconsis-
5 tency between that and what he just testified to.

6 THE WITNESS: And I guess what I'd ask you to do is
7 define your definition of "solicitation."

8 MR. DUDLEY: I think that's where you're falling
9 apart, is you're using the word differently.

10 THE WITNESS: I just need to know what you
11 consider solicitation.

12 BY MR. KAPLAN:

13 Q Did Colonel North, in your presence, ever describe
14 to any contributor the contras' needs for any particular
15 lethal supplies?

16 A In general terms, in conversation with Mrs.
17 Newington, he described surface-to-air missiles as devices to
18 shoot down Hind helicopters.

19 Q And we've just read your testimony from June 23rd
20 in which you stated that he even told Mrs. Newington that he
21 knew where to get these missiles. Is that correct?

22 MR. DUDLEY: It is correct that you read that. Now
23 are you asking him if his testimony is correct?

24 MR. KAPLAN: Right. I mean if his testimony's
25 changed, I certainly want to know about it.

UNCLASSIFIED

art234

UNCLASSIFIED

234

1 THE WITNESS: No, no, it's not changed at all. In
 2 fact I think I may have also said to you that "we" was a
 3 euphemistic term that he used, as a convention in conversa-
 4 tions with people. And one got the sense, when he said that,
 5 that he was speaking more about the resistance than he was
 6 about himself. So "we" was a collegial term which he used.

7 BY MR. KAPLAN:

8 Q That wasn't my question. My question was, is, in
 9 your testimony on June 23rd you testified that Colonel North
 10 told Mrs. Newington that he knew where these missiles could
 11 be purchased.

12 My question is, is that testimony still accurate
 13 today?

14 MR. DUDLEY: And he's answered that question. He
 15 said yes.

16 MR. KAPLAN: All right. And that's a yes or no.

17 MR. DUDLEY: He answered it.

18 MR. KAPLAN: And if he could answer it, I would
 19 appreciate it.

20 MR. DUDLEY: Answer it again.

21 THE WITNESS: I'm not going to answer it yes or no
 22 because it's not a yes or no answer. I mean, he used the
 23 term yes, we know where to get them, and the "we" that he
 24 used then was a euphemistic term which he'd used on other
 25 occasions in my presence, and the sense that one had--and I'm

UNCLASSIFIED

art235

235

UNCLASSIFIED

1 sure Mrs. Newington had from the conversation--was that he
2 was speaking in a collegial sense, and that he was as much
3 talking about the resistance as he was about his own know-
4 ledge.

5 BY MR. KAPLAN:

6 Q How can you testify as to what Mrs. Newington's
7 understanding was of what Colonel North told her?

8 MR. DUDLEY: You've asked him questions all day
9 about what people understood, and when you want him to get
10 inside somebody's head, you're perfectly happy to ask it.

11 MR. KAPLAN: And he consistently has refused to
12 answer those questions.

13 MR. DUDLEY: Well, he said from contact--

14 MR. KAPLAN: On the few times that I have asked
15 him, and with specific reference to his knowledge--I have not
16 asked him what was in Mrs. Newington's mind. I've asked him
17 a simple question which is whether his testimony on June 23rd
18 stands correct and true as of today.

19 And the answer is a yes or no answer. That's what
20 I'm asking for and that's what I would like from the witness.

21 MR. DUDLEY: And he has given you that answer.

22 MR. KAPLAN: Would you please provide an answer to
23 that question, yes or no.

24 THE WITNESS: The answer to your question about my
25 testimony of June twenty--

1 MR. KAPLAN: Third.

2 THE WITNESS: --third is yes.

3 MR. KAPLAN: Thank you.

4 I'm going to ask the reporter to mark as Deposition
5 Exhibit 17.

6 [The document referred to was marked for
7 identification as Miller Deposition
8 Exhibit No. 17.]

9 MR. KAPLAN: It is the cover page plus the first
10 two pages of a report prepared by International Business
11 Communications and submitted to the Committees by your
12 counsel.

13 BY MR. KAPLAN:

14 Q I ask you to turn to turn to page 3 of the exhibit.
15 It's the last page. The second-to-last paragraph from the
16 bottom states that some of the funds, as shown in the
17 attached materials, were deposited to the account of Lake
18 Resources, Inc. at Credit-Suisse Banque in Geneva, at the
19 request of Lt. Col. Oliver L. North.

20 And I'll skip the sentence and go down to the last
21 sentence in that paragraph which reads: "However, we were
22 assured by him at the time, that the funds were to be applied
23 solely for humanitarian assistance."

24 And my question is, did you believe that to be an
25 accurate statement when this report was written in February

UNCLASSIFIED

art237

UNCLASSIFIED

237

1 1987?

2 A Yeah, but I've got to tell you that I rue the day I
3 wrote those final five words.

4 Q And can you tell me why you rue that day.

5 A Because I should have said "were used for non-
6 lethal assistance" and that would have been a far more
7 accurate characterization.

8 Q Didn't you have an understanding, either from
9 Colonel North, or from Mr. Channell or Mr. Conrad, that at
10 least some of the monies solicited were intended for the
11 purchase of lethal supplies?

12 A Well, specifically, Mrs. Newington's contribution
13 was for surface-to-air missiles. Later, in that period of
14 time, that she gave the final contribution, the helicopters
15 seemed to be active, and there seemed to be little indication
16 that there were missiles on the ground to counteract them.

17 And the news accounts indicated that the number of
18 missiles that the resistance had was still low. And I raised
19 the issue to Colonel North, asking him in effect where were
20 the missiles, and he said they needed missiles, but they
21 needed these more. And he pulled out a brochure of radios,
22 some kind of secure, encrypted radios of some sort, and told
23 me that that money had been spent on radios.

24 So with the missiles removed from the matrix, I
25 felt quite comfortable with the characterization you see in

UNCLASSIFIED

art238

UNCLASSIFIED

238

1 this because the other money was used for the heavy lifting
2 and the air resupply operation.

3 Q Now you testified this morning that you plead
4 guilty to a one-count information, in part based on activities
5 in which NEPL's tax-exempt status was used for the sollicita-
6 tion of money intended for the purchase of lethal supplies.

7 And is that a fair characterization of your
8 testimony this morning?

9 A Yes.

10 Q And am I mistaken in my belief that that charac-
11 terization--well, your testimony is somehow, or another,
12 inconsistent with the statement in this report about which we
13 were just talking?

14 MR. DUDLEY: I'm not going to let him answer a
15 question like that. Come on.

16 MR. KAPLAN: Are you going to instruct him not to
17 answer?

18 MR. DUDLEY: Yes.

19 MR. KAPLAN: Can I ask you to state for the record
20 the basis for your instruction.

21 MR. DUDLEY: Because the question of whether you
22 are correct in drawing inferences you want to draw about
23 consistencies is not something that he's in a position to
24 comment on.

25 MR. KAPLAN: That's fine. I'll rephrase the

UNCLASSIFIED

art239

UNCLASSIFIED

239

1 question.

2 BY MR. KAPLAN:

3 Q Is your testimony this morning consistent, the
4 statement in the report, that is, Deposition Exhibit 17,
5 about which we've just been talking?

6 A I don't think it's consistent or inconsistent.
7 This was a report to Mr. Channell on expenditures. The
8 information that you've asked me about and the guilty
9 proceeding that took place were not about expenditures. They
10 were about the means to raise the money for that effort, and
11 there's a diametric difference between the two.

12 And that I think you need to be clear on because
13 this report is an attempt to codify for Mr. Channell the
14 expenditures that we undertook. So that statement is about
15 expenditures, and with the surface-to-air missiles removed
16 from the matrix, there was nothing left, to my knowledge, of
17 a lethal sort.

18 Q I don't want to get into a semantic argument with
19 you, but in looking at the statement to which you're referr-
20 ing, I don't see the term "expenditures." What I see--and
21 we'll quote it again--is "We were assured by him--that is,
22 Colonel North--at the time, that the funds were to be applied
23 solely for humanitarian assistance." That is, were to be
24 applied.

And what I'm asking is, is that consistent with

1 your testimony this morning, that you plead guilty to a one-
 2 count information because of the fact that you considered
 3 NEPL's tax exempt status to have been misused with respect to
 4 solicitations intended for the purchase of lethal supplies.

5 MR. DUDLEY: Despite your disclaimer, Mr. Kaplan,
 6 that question is absolutely nothing but argument. You can
 7 make that argument, if you want to make that argument. If you
 8 think they're inconsistent, fine.

9 MR. KAPLAN: I asked a question, and I would like an
 10 answer to the question.

11 MR. DUDLEY: I object to the question.

12 MR. KAPLAN: All right. Could you please read the
 13 question back?

14 MR. DUDLEY: It'll take him a long time.

15 MR. KAPLAN: That's fine. I've got plenty of time.

16 REPORTER: "I don't want to get into a semantic
 17 argument with you, but in looking at the statement to which
 18 you're referring, I don't see the term expenditures. What I
 19 see---and I will quote it again: 'We were assured by him'--
 20 that is, Colonel North--'at the time that the funds were to
 21 be applied solely for humanitarian assistance.' That is,
 22 'were to be applied'.

23 "And what I'm asking is is that consistent with your
 24 testimony this morning? You plead guilty to a one-count
 25 information because of the fact that you considered NEPL's

UNCLASSIFIED

1 tax exempt status to have been misused with respect to
2 solicitations intended for the purchase of lethal supplies."

3 MR. DUDLEY: I further object to the question on the
4 grounds that having had it read back to me, I don't understand
5 it. It's incomprehensible. And that it's been asked and
6 answered.

7 MR. KAPLAN: I'd press the question.

8 MR. MILLER: I think I've told you two things that
9 are a direct answer to your question, the first of which is I
10 rue the day I wrote those five words. And the second is that
11 again this was a report to Mr. Channell on expenditures, not
12 a report on the solicitation of items. And with those two
13 things, I think I have fully answered your question.

14 MR. KAPLAN: And is it your testimony today that the
15 statement which we have been focusing on is consistent with
16 your guilty plea in May of this year?

17 MR. DUDLEY: I'm not going to let him answer it a
18 third time. That's about all the answer you're going to get.

19 MR. KAPLAN: He hasn't answered it yet. You
20 instructed him not to answer it the last time.

21 MR. DUDLEY: I have not instructed him not to
22 answer it. I now am instructing him not to answer it a third
23 time.

24 MR. KAPLAN: On what basis? I'd like your basis
25 stated for the record.

UNCLASSIFIED

UNCLASSIFIED

jlb242

242

1 MR. DUDLEY: That it is abusive and repetitive.

2 MR. KAPLAN: I don't understand that to be a basis
3 for an instruction not to answer. I would direct the witness
4 to please answer the question.

5 MR. DUDLEY: You don't have the power to direct him
6 to do anything.

7 MR. KAPLAN: Let's go off the record.

8 BY MR. KAPLAN:

9 Q Mr. Miller, can you explain to me what IBC's role
10 was in connection with various White House briefings that
11 were set up by NEPL contributors or potential contributors
12 throughout 1985 and 1986?

13 A We would contact the appropriate office in the
14 White House when Mr. Channell determined that he wanted to
15 give a briefing to his contributors. We would provide the
16 basic background materials for the White House office that
17 would then make the memorandum recommending the meeting. We
18 provided suggested talking points, suggested schedules,
19 proposed dates, and associated audio-visual materials.

20 And we then worked with the NEPL organization to
21 coordinate schedules for arrival, clearance into the building,
22 escort to the room, and departing the building and reas-
23 sembling the group in whatever the location was that Mr.
24 Channell then had a subsequent meeting in.

25 Q With whom in the White House or the administration

UNCLASSIFIED

jlb243

UNCLASSIFIED

243

1 did you deal in coordinating these briefings on that side?

2 A Primarily the Office of Public Liaison, Linda
3 Chavez, Linas Kojelis, Pat Buchanan's office. And we kept
4 Colonel North informed--I at least kept Colonel North
5 informed--of the briefings. And in some instances we asked
6 specifically for him as a briefer.

7 Q Who put you in touch with the Office of Public
8 Liaison in the White House?

9 A Nobody.

10 Q Did you know Linda Chavez?

11 A I had met her before, and I was known to the people
12 in the White House Public Liaison Office.

13 Q Did you know Mr. Kojelis?

14 A Not before a meeting with him in preparation for
15 one of these meetings.

16 Q Did Colonel North help to facilitate or coordinate
17 these White House briefings?

18 A I think the first one he--I can't recall specif-
19 ically, but I think the first one we asked directly of his
20 office for a briefing. And then subsequently we just simply
21 started doing it to the Office of Public Liaison. But I
22 think the first request went directly to his office.

23 Q Are you aware of memoranda that Colonel North would
24 write to the Office of Public Liaison or White House counsel
25 in connection with coordinating these briefings?

UNCLASSIFIED

jlb244

UNCLASSIFIED

244

1 A I don't have a specific recollection of any
2 documents like that right now.

3 Q What about one-on-one meetings between contributors
4 to NEPL and President Reagan?

5 A Well, in regards to Mrs. Newington, we provided to
6 the State Department specific items of Mrs. Newington's past
7 political efforts on behalf of the president on the issue,
8 and that became ultimately a McFarlane memorandum to the
9 scheduling office. And I think the officer in charge--
10 actually the officer on that memorandum was probably Colonel
11 North.

12 Q And do you recall having drafted a memorandum for
13 Mr. McFarlane to send up the line requesting a presidential
14 one-on-one meeting or photo opportunity with Mrs. Newington?

15 A I drafted a fair amount of the text of that
16 memorandum and a subsequent listing of her contributions.

17 Q What about other meetings that the president had
18 one-on-one or photo opportunities with NEPL contributors?
19 Did you have a role in coordinating those meetings or photo
20 opportunities?

21 A Well, my role was that--it was an IBC responsibility
22 to make those things happen.

23 Q And who at IBC was principally responsible to carry
24 out that IBC responsibility?

25 A Let's not get into another semantic argument. I

UNCLASSIFIED

jlb245

UNCLASSIFIED

245

1 was principally responsible, since I am and was the lead on
 2 the client. I used in that endeavor David Fisher and Marty
 3 Artiano and their contacts within the White House offices.

4 Q What about one-on-one meetings between NEPL
 5 contributors and Colonel North? Did you have a role in
 6 arranging those?

7 A Yes. In fact, initially I was the only one
 8 responsible for arranging them until late '86, when Dan
 9 Conrad attempted to insert himself in the process and then
 10 also Mr. Channell. In both instances it was resisted by
 11 Colonel North, and there may be a couple of meetings which
 12 Mr. Channell then subsequently set up, but I'm not conversant
 13 with the details.

14 Q In what period would that have been in which
 15 Channell or Conrad set up meetings directly with North for
 16 NEPL contributors?

17 A It would have to be in late '86.

18 Q Late '86.

19 A Yeah. Okay.

20 Q Is it your understanding that every one-on-one
 21 between Colonel North and NEPL contributors prior to late '86
 22 was arranged by you?

23 A Yes.

24 Q Just off the top of your head--I'm not asking you
 25 to give me an exhaustive list--what NEPL contributors do you

UNCLASSIFIED

jlb246

246

UNCLASSIFIED

1 recall having met one-on-one with Colonel North?

2 A Barbara Newington, Fred Sacher, David and Paula
3 Wurm, Edmund Brandon, Dr. Marietta Keywitz, Barbara Christian-
4 Bullitt, Thomas Claggett, Patty Beck. That's all I can
5 remember right now.

6 Q Were you involved in arranging the one-on-one
7 meeting that Colonel North had in March of 1986 with a
8 William O'Boyle?

9 A Yes. It was one, as I recall, of a series of
10 meetings. And the initial meeting was one of that series,
11 and I'm the one that arranged the series with Fawn on Colonel
12 North's schedule.

13 Q Did you tend to arrange one-on-one meetings with
14 Colonel North following the briefings to which we have
15 referred?

16 A I'll accept the word "tend", because generally what
17 would happen is that after Mr. Channell had the day's program
18 and the evening dinner that it was associated with the
19 Central American Freedom Program, he would have then identi-
20 fied anywhere from one to six or seven people who wanted to
21 participate in the assistance effort. And those were the
22 individuals that were then scheduled to see Colonel North.

23 There were, however, other meetings which had
24 nothing to do with events here in Washington, more general
25 Central American freedom program briefings, such as the

1 meeting with Mrs. Newington in Connecticut.

2 Q You're talking about the weekend trip, okay. We'll
3 get to that in a minute.

4 Back on June 23rd, where you covered your knowledge
5 of solicitations of Mr. Ramsey and Mrs. Newington, and then
6 earlier today we covered a couple of additional notes about
7 the Ramsey solicitation in June of '85, and the subsequent
8 mailgram that went out to Mr. Channell.

9 In connection with the Newington solicitation in
10 November of 1985, about which you previously testified, I am
11 going to ask the reporter to mark as Exhibit 18 a copy of a
12 set of handwritten notes, and ask you if you can identify
13 those notes?

14 A Yes, they are my handwritten notes.

15 (Exhibit No. 18 was marked for
16 identification.)

18 Q Were these notes written in preparation for the
19 solicitation of Mrs. Newington?

20 A Yes.

21 Q Can you explain the circumstances of the context in
22 which these notes were written?

23 A These were the precise things that Spitz Channell
24 wanted Colonel North to say to Mrs. Newington.

Q The amount that's listed at the top of the page is

1 \$1.2, is that correct?

2 A Correct.

3 Q Was that the amount for which you understood Mrs.
4 Newington was going to be solicited?

5 A Yes.

6 Q Was she in fact solicited for that amount?

7 A I think at this point she had actually already been
8 solicited to some degree, and I think she had made this
9 commitment to Mr. Channell, or was about to make this
10 commitment to Mr. Channell.

11 (Witness and attorney consult.)

12 THE WITNESS: There's a squiggle line down through
13 the middle of the page that goes to November 1, January 1,
14 February 1. And the reason I said what I just said to you is
15 I don't recall whether that was written at the same time
16 these other items were written down.

17 BY MR. KAPLAN:

18 Q I see.

19 A And that may well be the reflection of a later
20 conversation with Mr. Channell.

21 Q So it could well be that the actual amount and the
22 breakdown of \$400 times three was written sometime after this
23 solicitation to which you testified on June 23rd and referred
24 to earlier today?

25 A It's possible that those three items listed as

UNCLASSIFIED

hws249

UNCLASSIFIED

249

1 November 1, January 1, and February 1, each for \$400,000, may
2 have been written at a different time.

3 Q When we say a different time, we're talking about a
4 different time from the notes that are on the bottom half of
5 the page?

6 A Correct.

7 I think you only used the word "possible," and I
8 want your record to reflect that. I'm really not that clear.

9 MR. DUDLEY: I think you misspoke. You charac-
10 terized that word as November 1, when I believe the word is
11 "now."

12 BY MR. KAPLAN:

13 Q Can you read into the record, Mr. Miller, the
14 handwriting on the bottom of the page that starts with the
15 word "green"?

16 A It's "Green dash now working a year on this
17 program."

18 Second item, "most secure person we know in the
19 U.S."

20 Third item, "We are asking you to take on a project
21 that requires your kind of person."

22 Q Now, do you recall the circumstances under the
23 contact in which those notes were written?

24 A Those were elements of a conversation that Mr.
25 Channell hoped Colonel North would have with Mrs. Newington.

UNCLASSIFIED

hws250

UNCLASSIFIED

250

1 Q And this conversation between you and Channell took
2 place prior to the Newington solicitation?

3 A Correct.

4 Q I take it the green refers to Colonel North?

5 A Correct.

6 Q Did you relay this proposed pitch, if you will, to
7 North?

8 A I don't recall relaying it to him, and I don't
9 recall him using it.

10 Q Is it possible that you relayed this pitch to North
11 in a bit softened form?

12 A That's possible. But again I don't have a specific
13 recollection of a conversation with him.

14 Q You testified a moment ago as to a weekend trip to
15 Mrs. Newington's.

16 Do you recall when that trip took place?

17 A Not specifically. I remember it was chilly, and I
18 don't think there were a lot of leaves on the trees. That's
19 about the best I can do to give you a specific time. I don't
20 have it in my calendar.

21 Q Who accompanied you on that trip?

22 A Colonel North, his wife Betsy, his son, and his
23 youngest daughter.

24 Q How did you make the travel to Mrs. Newington's in
25 Connecticut?

- 1 A We went by chartered jet.
- 2 Q Who paid for the jet?
- 3 A I assumed it was Mrs. Newington or Mr. Channell, I
- 4 don't know which.
- 5 Q What was the purpose of that visit?
- 6 A It was billed to both Colonel North and myself as a
- 7 picnic at Mrs. Newington's, a chance for Colonel North to get
- 8 away. He was, by everybody who saw him's account, fairly
- 9 frazzled and exhausted, and it was billed as an opportunity
- 10 for him to relax and be with his wife and children.
- 11 Q Was Mrs. Newington solicited funds during that
- 12 weekend?
- 13 A Yes.
- 14 Q By whom?
- 15 A By Mr. Channell.
- 16 Q Was that solicitation in Colonel North's presence?
- 17 A It began somewhat in Colonel North's presence.
- 18 Q Do you want to just describe it?
- 19 A Yes. We had been there a day. I think we'd
- 20 finished -- we had dinner the night before and slept the
- 21 night and had breakfast the next morning. And Ollie was
- 22 sitting out on the porch area by the pool, just kind of
- 23 relaxing. And Spitz asked me to come with ^{him} and Barbara
- 24 Newington over to the place where Colonel North was sitting.
- 25 And he asked Colonel North to give Barbara a description of

1 the way things were going on the ground in Nicaragua.

2 I got the feeling that he was somewhat disturbed by
3 having to do that. He didn't really think that to be the
4 purpose of his being there. But he agreed to do it, and
5 described to her the general situation on the ground for the
6 resistance fighters.

7 And Spitz then asked Ollie what it is going to take
8 for the next -- I've forgotten how many months -- how much
9 does it cost a month to keep their operation going? And
10 Ollie's response was \$2 million. And at that point he was
11 beginning to be agitated, and he simply got up and kind of
12 walked away. It was clear to me that he did not want to be
13 put in the position he had just been put in.

14 And then Mr. Channell asked Barbara Newington to
15 please help. And she agreed.

16 Q Tell me what you know about a solicitation of
17 Nelson Bunker Hunt that occurred sometime in early September
18 1985.

19 A Mr. Channell had gotten a contribution from Mr.
20 Hunt somewhere in the neighborhood of \$475,000. But it was a
21 little unusual. It had come as a 230 some thousand dollar
22 contribution, and then a like amount as a loan. And the way
23 it was left with Mr. Hunt was that that was a loan so Mr.
24 Channell could use that money while he raised money from
25 other people to repay it.

UNCLASSIFIED

hws253

UNCLASSIFIED

253

1 Mr. Channell didn't believe in spending money he
2 didn't have in the bank, and he didn't believe in going into
3 debt in fund raising so he refused to spend that money and he
4 kept it in the bank.

5 Then Mr. Channell asked that I call Colonel North
6 and ask him to call Bunker Hunt, and to explain to him that
7 the 22 hundred and 30 some thousand dollars had gotten where
8 it was supposed to go, and that specifically that the
9 supplies were getting to the Nicaraguan resistance.

10 I think that Mr. Hunt was under the impression that
11 he had given money for aerial supply operations.

12 Q Were you aware that Colonel North had flown to
13 Dallas to meet with Mr. Hunt sometime prior to Mr. Hunt's
14 having committed the \$475,000 as a part loan, part contribu-
15 tion to NEPL?

16 A I'm aware that Spitz Channell and Ollie North met
17 with Mr. Hunt at a dinner in Dallas that was for resistance
18 figures from around the world. I've forgotten who the actual
19 sponsor was, but it was a political event which several
20 hundred people went.

21 Q Are you aware that at or around that time Channell
22 solicited Hunt for the money that resulted in the 237.5
23 contribution and the 237.5 loan?

24 A Until you mentioned it just now, I had never put
25 two and two together, but you're probably right.

Q I am going to show you a copy of what has already been marked as Deposition Exhibit No. 6. It's a note which you've testified before is dated 9/18/85, that is September 18, 1985.

The number two item on that note says "Green is to call Bunker."

To the best of your recollection, is that the phone call to which you were just referring?

A Yes.

Q And No. 4 on that note says "Reagan thank you."

Does that refer to the contribution and loan that you understood Hunt to have made?

A No. I think that's a thank you to Spitz Channell.

Q Okay. No. 3 on the list, which is crossed out, says "Bunker with RR call or" -- and I can't read the last -- "call or visit," I think it says.

Do you recall what the source of that note is and why it's crossed out?

A These are all things that Mr. Channell wanted. He wanted Bunker to have a meeting with the President or call from the President.

Q Did you take any action to get Mr. Hunt a meeting with the President or a call from the President?

A On this specific request, I don't think I took any action because there's a line drawn through it. And that

1 usually means that I just -- it's something out of hand or,
2 for one reason or another, I just didn't do it.

3 Q And then you testified that Nos. 7, 8 and 9 were
4 probably written at some time different than Nos. 1 through 6
5 on that note.

6 A That's correct.

7 Q And 7, 8 and 9 --

8 A They're in different colored ink even on the
9 original.

10 Q And 7, 8 and 9 were written in connection with a
11 phone conversation I believe that you were having with
12 Colonel North, is that correct?

13 A I don't think it was a phone conversation. It was
14 a conversation nonetheless.--

15 Q Was it a meeting, a face-to-face meeting?

16 A It may have been, but it was a conversation.

17 Q Okay. I believe it is also accurate to say that
18 the entries 7 and 8, one of which refers to weapons, and the
19 other which refers to Maule aircraft, I believe, were, at
20 least to your knowledge, items provided to you by North with
21 his knowledge that those items likely would be used by
22 Channell in fund raising for the contras?

23 I didn't mean to confuse you there. I'm just
24 trying to sum up your prior testimony without having to take
25 you through it again.

1 A Well, let me give it to you just very short and
2 sweet.

3 Those were items that I discussed with Colonel
4 North when Mr. Channell was trying to identify big ticket
5 items for which he could raise funds.

6 Q Colonel North understood that these items and these
7 prices would be used by Channell in connection with his fund
8 raising efforts on behalf of the contras, is that correct?

9 A These were items in a discussion about that. I
10 don't know that we ever came -- I know that the Maule became
11 something which we raised money for. We never raised 415,000
12 specifically for weapons, C4s and M17s.

13 Q But, nonetheless, again I'm not trying to trick
14 you. I think you testified about this before.

15 Nonetheless, when North provided you with these big
16 ticket items, he understood the reason why he was giving you
17 big ticket items was for Channell to use in fund raising?

18 A That's correct.

19 Q Mr. Miller, do you recall --

20 MR. DUDLEY: Can we go off the record a minute?

21 MR. KAPLAN: Sure.

22 (Brief discussion off the record.)

23 MR. DUDLEY: With respect to the basis of the

25 to Deposition Exhibit 6, which is a document produced by us

1 in response to subpoena, our date stamp number is 004375, and
2 the Committee's document identification number RM000971, that
3 that portion of that page, after the first nine items, and
4 beginning 9/20/85, is material that relates to clients of IBC
5 other than anything -- it had nothing to do with this
6 investigation, and that we will supply the Committee with a
7 redacted version of this document for purposes of attachment
8 to the deposition and for purposes of the Committee's
9 permanent records. And we had intended to redact that
10 material at the time of production.

11 MR. KAPLAN: And I will just state for the record
12 that on behalf of the Senate Committee, and I am sure I speak
13 for Mr. Fryman on behalf of the House Committee, we will make
14 all best efforts to make sure that the properly redacted
15 version does indeed replace the version with which we've been
16 supplied to date. I only caution that we can't guarantee
17 every single copy that might have been made in the process of
18 the months of investigation that have preceded after produc-
19 tion of this document.

20 MR. DUDLEY: I understand that, but I appreciate
21 your willing to supply right now.

24 when Mr. Channell returned an intended loan of \$237,500 to
25 Bunker Hunt?

UNCLASSIFIED

hws258

258

UNCLASSIFIED

1 A Actually I think Bunker Hunt forgave the loan. So,
2 in effect, he made two contributions.

3 Q That's your understanding?

4 A Right.

5 Q How did you arrive at that understanding?

6 A I believe Mr. Channell told me so.

7 Q And do you recall a phone conversation with Colonel
8 North in early January in which you told him that Bunker Hunt
9 promised \$237,000?

10 A I don't recall it, but it's entirely possible. I'm
11 sure I reported the results of his phone call to him.

12 Q This would have been several months after that
13 phone call I take it?

14 A I don't think any of this moved very quickly. I
15 think it took a fairly long period of time.

16 Q Did you ever participate in obtaining a letter from
17 the President to be sent to Mr. Hunt thanking him for his
18 support without expressly mentioning the money contribution?

19 A I believe Mr. Hunt was one of the individuals who
20 got letters, general thank you letters for their participation
21 in the Central American Freedom Program. And those names
22 would have been provided to me by Mr. Channell.

23 Q How would you go about obtaining letters or making
24 sure the letters got sent from the President to the various
25 NEPL contributors as Channell requested?

UNCLASSIFIED

hws259

UNCLASSIFIED

259

1 A We would draft a potential letter, submit the names
2 generally to Colonel North. As you were asking your question,
3 I was trying to remember whether there was anybody else that
4 we sent requests to when we may have sent requests to the
5 President's special message list. There's an office that's
6 associated with the White House that handles these types of
7 letters of thank you to people.

8 Q Was North generally the switching point for these
9 letters from the President to the NEPL contributors?

10 A Yes.

11 Q Did you also, on a number of occasions, draft thank
12 you letters from North to those same or other NEPL con-
13 tributors?

14 A Yes.

15 Q Did Mr. Fischer or Mr. Artiano play a role in
16 obtaining letters from the President to NEPL contributors?

17 A I don't recall any specific instances when they did.

18 Q So it was all done through you and through Colonel
19 North, and then whatever else had to be done in order to have
20 the President sign the letter and send it to a contributor?

21 A That's correct.

22 Q Do you recall attending any NEPL dinners in which
23 Mr. Channell showed to NEPL contributor or potential con-
24 tributors letters he had received from President Reagan
25 thanking him for his support?

UNCLASSIFIED

hws260

260

UNCLASSIFIED

- 1 A Sure.
- 2 Q Was that something that he generally did?
- 3 A Yes. Not just at dinners but in solicitations.
- 4 Q Is it fair to say that Channell used these letters
- 5 for fund raising purposes?
- 6 A I think it's legitimate to say that Channel used
- 7 them as evidence of his past programs. They were all
- 8 retrospective letters thanking him for past programs which he
- 9 had funded and executed.
- 10 Q Then he did use the letters at these dinners that
- 11 often would follow the briefings and, as you just mentioned,
- 12 in solicitations of particular individuals?
- 13 A Well, what he would do is he would take the letters
- 14 and make them part of a general package of information that
- 15 the people would have at their seats. And the package would
- 16 also contain documents about the Soviet-Cuban military
- 17 buildup, of terrorism activity by the Nicaraguans, a map of
- 18 Nicaragua. In one instance, we put a book from a New York
- 19 Times reporter in there.
- 20 But he would put these letters that were thank you
- 21 for past programs in the same packages.
- 22 Q How did Channell come by these letters? Was it the
- 23 same process by which you worked getting letters to NEPL
- 24 contributors from the President? Would Channell make a
- 25 request to you for a thank you letter from the President and

UNCLASSIFIED

hws261

UNCLASSIFIED

261

1 you would then convey that to North who would then work it up
2 through the White House channels and eventually get the
3 letter issued?

4 A There were a couple of instances in which it was
5 done that way. But often it was just because somebody at the
6 White House properly triggered it, the Political Office saw
7 the ads on television, or Channell was asked to come and
8 participate in a meeting at the White House in which people
9 were asked to help on the issue, that type of thing.

10 Q Is it possible that North would have triggered
11 thank you letters to Channell or to other individuals without
12 your knowledge?

13 A Sure.

14 Q Tell me what you know about the solicitation of Mr.
15 O'Boyle in late March of 1986.

16 A I know very little about it. All I know is that he
17 was brought down by Jane McLaughlin, and that his first
18 contribution was \$100,000. That's all I know.

19 Q Is it possible that his first contribution was
20 \$130,000?

21 A Possible. I think there's a commission paid to
22 somebody in there. I'm not sure.

23 Q Did you arrange the one on one meeting between
24 O'Boyle and North or the series of meetings?

25 A Well, again, I think the first one was one of

UNCLASSIFIED

hws262

UNCLASSIFIED

262

1 several meetings that took place over the course of an
2 evening and the next morning. I don't want to say evening or
3 next morning. Anyway, after the next day after Channell's
4 Central American Freedom Program briefing and dinner that
5 evening, there were meetings with Colonel North one on one
6 with people who wanted to provide assistance money. And he
7 was one of them I think.

8 Q When was that meeting arranged if you can recall?

9 A I don't recall specifically.

10 Q Was it prior to the briefing?

11 A I don't think so. I think it was after the
12 briefing.

13 Q Do you think it was at the dinner after the
14 briefing?

15 A I think it was after the dinner after the briefing.

16 Q Who asked you to arrange that meeting?

17 A Channell.

18 Q Channell did.

19 Tell us what you know about the solicitation of
20 Mrs. Garwood that occurred in April of 1986, if you know
21 anything?

22 A I don't know anything about it. When was it?

23 Q April of 1986.

24 A I'm not familiar with it.

25 I can't say that I don't know anything about it. I

1 think Mr. Channell told me that Mrs. Newington, or Mrs.
 2 Garwood was giving a million something, I think it was a
 3 million and a half. And I recall that I got a phone call
 4 from him about it, but I don't recall much more than that.

5 MR. MILLER: I was not there. I was here in
 6 Washington.

7 BY MR. KAPLAN:

8 Q I think when we went off the record, we were in the
 9 middle of an answer that you were giving. I had asked you
 10 what your knowledge was of an April 1986 solicitation of Mrs.
 11 Garwood.

12 A I think I had finished the answer.

13 Q Do you recall anything about the solicitation of a
 14 Mr. C. Thomas Claggett?

15 A Yes. I sat in the room with Colonel North and
 16 Spitz Channell and somebody else. I can't remember who the
 17 somebody else is. It may have been Chris Littledale or Chris
 18 Smith. And Colonel North described to them what was going on
 19 down in Nicaragua in terms of battlefield activities. I
 20 think he even got up and showed them a map.

21 I don't think I stayed for the whole meeting.
 22 Either that, or according to the press reports, Mr. Claggett
 23 and I went to two different meetings.

24 Q Did you arrange the meeting between Colonel North
 25 and Mr. Claggett?

1 A Yes.

2 Q Were weapons discussed in your presence at that
3 meeting?

4 A I don't recall weapons being discussed at that
5 meeting.

6 Q Let's go back and clarify the record on one point.
7 It seems that you and I have a different view semantically of
8 the word solicitation and that you view solicitation in what
9 may well be a proper fashion--the dictionary definition of
10 when did someone ask for money. And I have been speaking of
11 the term solicitation as sort the overall transaction without
12 any particular purpose other than as a shorthand.

13 I think that's what gave rise to the difference we
14 had as to any testimony you gave today was supportive of or
15 possibly inconsistent with testimony you gave back on June 23
16 with respect to the transaction by which Mrs. Newington
17 eventually was solicited for funds for some lethal supplies.

18 Is it fair to say that you stand by the testimony
19 that I read to you from June 23?

20 A Yes.

21 Q And is it fair to say that Colonel North was
22 present in the room and indeed participated in a discussion
23 with Mrs. Newington about lethal supplies that were needed by
24 the contras?

25 A Yes.

UNCLASSIFIED

jlb265

265

UNCLASSIFIED

1 Q Just to make the record complete, as part of your
2 standing by your testimony on June 23, in that testimony I
3 believe you stated that you didn't recall specifically
4 whether Colonel North was in the room when Channell asked
5 Mrs. Newington for money to provide those supplies. Is that
6 correct?

7 A That is correct.

8 Q And I believe you further testified in that regard
9 that if he was absent from the room, that would not have been
10 unusual because it was his general practice to leave the room
11 before Channell actually asked a contributor to pay over
12 funds.

13 A That's correct.

14 Q Then we are in complete agreement as to what your
15 testimony was then and is now. I apologize if my use of the
16 term solicitation threw you off in any way.

17 A No apology necessary.

18 Q Thank you.

19 Are you aware of any arms list or purchase list other
20 than the big-ticket items list that you have described before
21 that was used by Channell in his solicitation or fundraising
22 from certain individuals?

2 MR. MILLER: Yes.

3 MR. KAPLAN: Could you describe the list?

4 MR. MILLER: I was shown by the independent counsel
5 some time in May--early May--a list that Mr. Channell had
6 used to solicit John Ramsey for a contribution, and it was a
7 Spanish-language list of captured armaments captured by the
8 Nicaraguan resistance forces. And Mr. Channell in his letter
9 to Mr. Ramsey held it out as a list provided to him by Adolfo
10 Calero of weapons needs.

11 That was the first time I saw it used in that
12 context. I am quite familiar with the list that came up of
13 captured articles. It is one way that the Nicaraguans report
14 to the media and Congress and the administration about their
15 level of battlefield success.

16 MR. KAPLAN: I'm going to ask the reporter to mark
17 as Exhibit 19 a copy of a handwritten document that was
18 provided to us by your counsel.

1 Q Do you recall the circumstances under which these
2 notes were made?

3 A They were to-do items. I think most of them are
4 reflective--maybe all of them--but at least most of them are
5 reflective of a conversation with Channell or Dan Conrad, and
6 I'm not sure which one.

7 Q You see item number one in this note which is dated
8 February 5, 1986 reads, "Ollie's new purchase list".

9 A Yes.

10 Q Do you recall what that notation refers to?

11 A Yeah. I think that refers to the fact that Mr.
12 Channell felt that he had fulfilled the big-ticket item list
13 that had been provided to him and that there was a need for a
14 new purchase list.

15 Q Did you ever speak to North to provide you with a
16 new purchase list?

17 A I don't at the moment recall whether I had a
18 specific conversation with him, but I don't think we ever
19 produced a new purchase list.

20 Q Did North ever provide you items along the lines of
21 the earlier exhibit we discussed for Channell's use in

23 A Did Colonel North ever provide--

24 Q Did he ever provide you with prices and items
25 subsequent to this date that Channell could use in his

3 Q Just very quickly--numbers four and five refer to a
4 dinner for Newington " . . . and Ollie at the Newington/RR
5 meeting." Do you know what those notes refer to?

6 A Spitz wanted to have a dinner for Mrs. Newington
7 honoring Mrs. Newington, and he wanted Colonel North to
8 attend Mrs. Newington's meeting with the president.

9 Q Did that meeting come about?

10 A Mrs. Newington had two meetings with the president.

11 Q One, I take it, was in November of 1985.

12 A Yes, I believe that's correct.

13 Q And was the other one subsequent to this note?

14 A I believe so, yes.

15 Q And was it set up pursuant to Channell's request as
16 reflected by this note?

17 A It was set up pursuant to Channell's request. I'm
18 not sure if this note is reflective of that. It simply--
19 you're right. It's reflective of it. He had requested a
20 meeting with Mrs. Newington and the president.

21 Q Just to make sure I didn't miss anything, these
22 notes--that is, Exhibit 19--were taken from a conversation
23 that you had with Channell.

24 A Correct.

25 Q What knowledge, if any, did you have of a project at

UNCLASSIFIED

UNCLASSIFIED

jlb269

1 NEPL that was called the "toys project"?

2 A Aside from the subsequent Jane McLaughlin charge
3 and Channell public response to it, I don't have any other
4 knowledge of it.

5 Q So you learned about the toys account at the same
6 time that the reading public learned about it--the "toys
7 project".

8 A Yeah, but again I would think--yes.

9 Q Did you learn about the "toys project" from the
10 press?

11 A I learned about the use of the words "toys project"
12 or "toys fund" or whatever from the press, but I was aware of
13 a similar activity to it--an activity similar to it earlier.
14 And I had heard the word before.

15 Q So that during the time that you were engaged in
16 contra assistance with NEPL and with Colonel North, you were
17 aware that NEPL had a project which they designated funds
18 intended for the purchase of weaponry or lethal supplies. Is
19 that what you're saying?

20 A No, that's not what I'm saying at all. I knew that
21 there was an effort around Christmas of 1985 by Mr. Channell
22 to raise money specifically for Christmas for the Nicaraguan
23 freedom fighters' families.

24 Q Did you have any awareness that there was a project
25 that was called "toys" within NEPL that was considered by

UNCLASSIFIED

UNCLASSIFIED

jlb270

1 people at NEPL to be the project to which contributions
2 intended for the purchase of lethal supplies would be
3 designated?

4 A No.

5 Q When was the Institute for North-South Issues
6 created?

7 A I believe it was started in February of 1984.

8 Q 1984?

9 A I believe that's correct.

10 Q Why was INSI created?

11 A It was Frank's belief--Frank Gomez's belief--that
12 there needed to be an organization that encouraged cultural
13 and educational exchange between the northern and southern
14 hemispheres in that you have the wealthier nations--the have
15 and have-not nations, the third world and the developed world.

16 Q When did Gomez leave the State Department?

17 A Well, I don't know when his actual retirement date
18 was, but I think it was like the last week in January--formal
19 retirement was then.

20 Q Was INSI one of the first projects in which Gomez
21 engaged when he left the State Department?

22 A He set it up fairly soon after leaving the State
23 Department, but it didn't even begin any activities until
24 much later.

25 Q Were you involved in the formation of INSI?

UNCLASSIFIED

UNCLASSIFIED

jlb271

271

1 A I was the treasurer at the formation of INSI.

2 Q Did you hold any other position in INSI at any
3 other time during its existence?

4 A I don't think so.

5 Q Do you recall when INSI received a letter of
6 determination of tax exempt status from the Internal Revenue
7 Service?

8 A All I recall is it took a very long time to receive
9 it. There was some wrangling between our attorneys and the
10 Service, and it seemed to all hinge on procedural matters and
11 not substantive matters. But it ultimately was resolved, and
12 we got--we actually got a more restrictive but a better
13 status from a tax point of view than we expected originally.

14 Q Whose idea was INSI?

15 A Frank's.

16 Q Do you recall a conversation with Colonel North on
17 February 1, 1985 in which you and he discussed INSI?

18 A February 1 of '85?

19 Q Yes.

20 A We probably had a discussion at that point.

21 Q Was INSI an idea of Mr. Gomez's before he actually
22 retired from the State Department?

23 A Are you saying February of '84?

24 Q No, February of '85.

MR. DUDLEY: I don't think he's asking with

UNCLASSIFIED

jlb272

UNCLASSIFIED

1 reference to a date.

2 MR. MILLER: I don't know. I think it was, but I'm
3 not sure. I think you should ask him.

4 BY MR. KAPLAN:

5 Q Do you recall the context in which you would have--
6 in which you did discuss with Colonel North INSI in early
7 February of 1985?

8 A My problem is that he pegged it to a specific date,
9 and I can recall a couple of conversations with him about
10 INSI, and I'm not sure exactly what the time frame was.

11 Q Why don't you just tell me about those conversa-
12 tions.

13 A He or Bob Earl--I've forgotten which--called one
14 time and asked for a list of non-profit organizations
15 associated with I think the quote was "our side of the
16 issue"--supporting the president on Nicaragua. And I
17 produced that list for them.

18 And I would say that was some time prior to June of
19 1985, because it only lists the American Conservative Trust
20 and doesn't list NEPL. And INSI was on that list.

21 I then also at another time was asked by Colonel
22 North to get in touch with Roy Godson--that Godson had a
23 contributor who wanted to make a contribution to the resis-
24 tance. I went and met with Mr. Godson.

25 He informed me that this individual did not want to

UNCLASSIFIED

1 give money to Spitz Channell. He used his name specifically.
2 And that this individual was looking to provide money for
3 political activities.

4 I was left with the distinct impression that the
5 individual was interested in supporting the political
6 activities of the resistance.

7 Q I'll get to that transaction in a moment. I want
8 to stick with early 1985.

9 Do you know why or were you told why Earl or North
10 asked for this list of tax exempt organizations that were "on
11 your side"?

12 A Maybe, but I don't recall now what the reason was.

13 Q Who is Jimmy Lyons?

14 A I don't really know. I know he's a very wealthy
15 individual who is associated with the conservative movement.
16 That's about all I know about him.

17 Q Did you have discussions with Colonel North in
18 early 1985 in which money--in which the idea of conveying
19 money for contra assistance through INSI was discussed?

20 A In what time frame?

21 Q Early 1985.

22 A Early 1985. We may have, in reference to--we may
23 have discussed it in reference to al-Masoudi.

24 Q This would have been--I'm talking about a period
25 prior to the al-Masoudi referral.

UNCLASSIFIED

UNCLASSIFIED

jlb274

1 A I don't recall any specific conversations about
2 using it as a conduit for funds to the Nicaraguan resistance.
3 I remember a general impression that he had that it could be
4 used, and I was required later to dissuade him on that. But
5 I don't remember the specifics of how he came to understand
6 that.

7 Q Why was North told about INSI and its tax exempt
8 status? Why did you bring that up in conversation with him?
9 Why would you have brought that up in conversation with him?

10 A I don't know. I mean, I don't remember the
11 conversation, so I don't recall any elements of it.

12 Q Do you know a Warren Hendricks?

13 A Yes.

14 Q Who is Warren Hendricks?

15 A Warren Hendricks works for Clement Stone.

16 Q Do you recall a conversation with Colonel North in
17 which the names of Warren Hendricks and Clement Stone were
18 discussed?

19 A I talked to Warren Hendricks on one occasion.

20 MR. DUDLEY: Don't think out loud; answer his
21 question.

22 MR. MILLER: It's specific to his question, but I
23 haven't recalled it before right now.

24 He was being asked for money, and he turned it
25 down. He didn't even talk to Clement Stone about it. He--

2 BY MR. KAPLAN:

3 Q What was the purpose of the request for the money,
4 if you recall?

5 A I can't recall.

6 Q Who asked him for the money?

7 A I did. He may have talked to Warren Hendricks.

8 Q Who is he?

9 A North may have talked to him. I'm sorry. I'm
10 recalling this for the first time, so it's sketchy, at best.
11 It's a long process, as you're aware.

12 Q What was the purpose of the money--contra assis-
13 tance?

14 A It had something to do with the Nicaraguan issue,
15 as I recall.

16 Q And you mentioned earlier that there was a time
17 when you had to dissuade North from the idea that INSI would
18 be used as part of a contra funding network. Do you want to
19 tell us a bit about that?

20 A After the second transaction through INSI, there
21 were two--the first for \$100,000, the second for \$60,000. I
22 told him that we simply wouldn't do it anymore.

23 Q Again, back to the time frame in early 1985--was
24 there a conversation with North that you recall in which the
25 idea was discussed of using INSI to funnel money to the

2 A Again, I don't have a specific recollection of a
3 conversation.

4 Q When Mr. Hendricks was asked for money by you, was
5 he asked to contribute to INSI?

6 A I can't remember what the substance of the contribu-
7 tion was. This may all be about the time of the Nicaraguan
8 refugee fund dinner and when it was being put together,
9 because it really got started in January. I think the
10 meeting I attended was in late January, and it took until
11 February or March for the dinner to come off.

12 Q Would money for the Nicaraguan refugee fund dinner
13 have been solicited for contribution to INSI?

14 A It shouldn't have been.

15 Q You have mentioned earlier in your testimony a
16 \$100,000 contribution that was made to INSI from the Heritage
17 Foundation. I'm going to ask the reporter to mark as
18 Deposition Exhibit 20 a copy of what purports to be a letter
19 to you from an Edwin J. Feulner, president of the Heritage
20 Foundation, dated October 15, 1985.

1 Q Do you recognize this letter?

2 A Yes.

3 Q Is this a letter which evidences the \$100,000
4 contribution from the Heritage Foundation to the INSI, about
5 which you just testified?

6 A Yes.

7 Q Can you tell us the circumstances under which this
8 \$100,000 was contributed to INSI?

9 A Well, as I testified earlier, I was contacted by
10 Colonel North, who asked me to get in touch with Roy Godson.
11 I called Mr. Godson and went to see him in his office. He
12 told me that he had a contributor that wanted to make a very
13 large contribution. I suggested that he give him Mr.
14 Channell's organization name--allowed to make the contribution
15 to Mr. Channell's organization.

16 He told me that the individual was not interested in
17 making a contribution to Spitz Channell's organization and
18 that he hoped there would be some other way the transaction
19 could be handled. I told him I thought that was possible but
20 that I would have to get back to him.

21 I went back and discussed it with Frank Gomez. I told
22 Frank I didn't think it was reasonable for the foundation to
23 be risked without some compensation to the foundation for the
24 risk associated with it.

Q When you say the foundation, what are you referring

UNCLASSIFIED

1 to?

2 A Institute for North-South Issues.

3 And Frank agreed. I then went to see Colonel North and
4 told him that INSI could accept the contribution but that it
5 would charge a 20-percent overhead charge for administering
6 the grant. He agreed that that was acceptable.

7 I went back to Mr. Godson and told him that his
8 donor could make the contribution payable to the Institute for
9 North-South Issues. I gave him the name and the address and
10 so forth, and the next thing I got was a request for a
11 proposal from the Heritage Foundation.

12 Q Did you understand the request for a proposal to be
13 connected to the Godson donor?

14 A Yes. Not prior to receiving it, however.

15 Q How did you make the connection between the
16 Heritage Foundation request for a proposal and the Godson
17 offer of a contributor?

18 A Same dollar amount, same time period, same terms of
19 reference.

20 Q Did you speak to Mr. Godson?

21 A Probably, but I don't remember specifically after
22 that.

23 Q Did you know Mr. Godson before North referred you
24 to him?

25 A No.

UNCLASSIFIED

jlb279

1 Q And did you subsequently make a proposal to the
2 Heritage Foundation?

3 A I did.

4 Q Under the name of INSI?

5 A Correct.

6 Q And did the Heritage Foundation subsequently
7 approve your proposal?

8 A Yes.

9 Q That approval, I take it, resulted in the letter
10 and contribution that's evidenced by Exhibit 20.

11 A That's correct.

12 Q What did INSI do with the \$100,000 contribution?

13 A It was transferred to IC, Inc. Well, \$80,000 was
14 transferred to IC, Inc.; \$20,000 stayed in INSI.

15 Q What ultimately happened to that \$20,000?

16 A Well, it went into the general account at IC, Inc.
17 and was used for efforts that Colonel North--

18 MR. DUDLEY: He asked about the \$20,000.

19 MR. MILLER: Oh, the \$20,000.

20 MR. KAPLAN: The \$20,000.

21 MR. MILLER: It was used for general administra-
22 tion--salary for the executive director, paper, xeroxing, and
23 all the other things associated with all of that.

24 BY MR. KAPLAN:

Q Who was the executive director?

UNCLASSIFIED

1 A At that point, Henry Quintero.

2 Q And the \$80,000, I take it, went into the IC, Inc.
3 account and was disbursed pursuant to instructions by Colonel
4 North.

5 A Correct.

6 MR. KAPLAN: I'm going to ask that the reporter mark as
7 Exhibit 21 a copy of what purports to be a Form 990 that was
8 filed for the tax year 1985 by INSI.

9 [The document referred to was

16 A Yes. This is our Form 990 filed for the tax year
17 1985.

18 Q And is this Form 990 signed by you on the last page?

19 A Yes, it is.

20 Q It's signed by you in the capacity of treasurer?

21 A Yes.

22 Q I'm going to direct your attention to part 3.A. on
23 page two of Exhibit 21 and ask you whether the \$80,000 listed
24 on the right-hand column of part 3.A. is the \$80,000 that was

1 from the Heritage Foundation about which you just testified.

2 A It is.

3 Q And the description of that \$80,000 reads that it
4 came from the Heritage Foundation. It describes the Heritage
5 Foundation, and then it states that "INSI . . ."--and I'm
6 quoting--"managed a grant by Heritage to produce a study on
7 foundation information services in the Caribbean and Latin
8 America." Is it fair to say that that's not an accurate
9 description of what that \$80,000 was used by INSI for?

10 A It's fair to say that that's not a completely
11 accurate characterization of what the \$80,000 was used for.

12 Q You testified a bit earlier this afternoon that you
13 rue the day when you wrote about five or six words that were
14 contained in your February 1987 report. Do you also rue the
15 day that you wrote that description of what INSI did with
16 that \$80,000?

17 MR. DUDLEY: I object. Whether he rues the day has
18 no bearing. What's the point of a question like that other
19 than sheer harassment? I'm hoping that Mr. Kaplan is going to
20 respond to my inquiry.

21 MR. KAPLAN: I'm asking for an answer.

22 MR. DUDLEY: I want to know what the predicate for
23 the question is. What is the basis of a question--what is the

5 BY MR. KAPLAN:

6 Q Fine. I will withdraw the question, and I will ask
7 whether you would describe what INSI did with the Heritage
8 Foundation differently if you had it to do again today.

9 A Yes.

10 Q I really wasn't trying to harass you. I really
11 kind of liked your turn of the phrase before.

12 Was there--you testified before about a subsequent
13 contribution of \$60,000 that also came through Mr. Godson to
14 INSI.

15 A I believe it came through Mr. Godson, but it was
16 certainly--I was made aware of it by either Mr. Godson or Mr.
17 North, and frankly I can't recall which.

18 - Q And was the \$60,000 paid to INSI?

19 A Yes.

20 Q Do you recall who the contributor was in that
21 instance?

22 A It was in our check ledger as Macaleer, and I have
23 asked the bank for the cancelled incoming check which they
24 would have a copy of, and they informed us last week that
25 they did not keep a copy of it. Or rather, they have lost a

1 copy of it. So I haven't been able to get my hands on it.

2 You're not the only people in town that want it.

3 Q Do you recall when that contribution was made?

4 A It seems to me that it was right around the first
5 of the year in 1986.

6 Q Do you recall what INSI did with that contribution?

7 A It transferred it immediately out to Lake Resources.

8 Q Has INSI filed a Form 990 for 1986?

9 A Yeah.

10 Q Do you recall how that \$60,000 contribution that
11 was then sent on to Lake Resources was treated on that Form
12 990?

13 A I think it's been amended since it was filed, and I
14 think the amendment simply states that it was money for the
15 Nicaraguan resistance at the direction of Lt. Col. Oliver
16 North.

17 Q Has there been any attempt to amend the Form 990
18 that's been marked as Exhibit 21?

19 A No.

20 Q If it doesn't impinge on an attorney-client
21 communication, can you tell us why there's been no attempt at
22 amending that Form 990?

23 [Recess for witness and attorney to consult]

2 BY MR. KAPLAN:

3 Q When did you first meet Adolfo Calero?

4 A Some time in 1984.

5 Q In what context did you meet Mr. Calero?

6 A Frank set up a breakfast between himself, Adolfo
7 Calero, and myself.

8 Q What was the purpose of that breakfast?

9 A To talk to Mr. Calero about the potential of IBC
10 representing him in Washington.

11 Q Was Mr. Calero referred to within IBC by the name
12 "Spark Plug"?

13 A Yes.

14 Q Who coined that name?

15 A Frank did.

16 Q Do you recall the derivation of the code name?

17 A Sure.

18 Q Why don't you tell us about it.

19 A Well, again, you try and make it something that has
20 some relevance to his actual name, and his initials are AC,
21 and AC is a spark plug, so that's why it was "Spark Plug".

22 Q Was one of the contra leaders referred to as
23 "Clutch"?

24 A Yes.

25 Q Who coined that name?

UNCLASSIFIED

jlb285

UNCLASSIFIED

285

1 A Well, since Mr. Matamoros was part of Mr. Calero's
2 organization, we just continued the automobile convention,
3 and he became "Clutch".

4 Q Mr. Matamoros was "Clutch".

5 A That's correct. I think I coined that one.

6 Q As a result of the breakfast among you and Mr.
7 Gomez and Mr. Calero, did a professional relationship arise
8 between Mr. Calero and IBC?

9 A Yes.

10 Q What was the nature of that relationship?

11 A We were the media relations and political consul-
12 tants to the Nicaraguan Development Council, which again
13 served the domestic interest of the resistance.

14 Q Was Mr. Calero at that time head of the Nicaraguan
15 Development Council?

16 A I don't think you could use the word "head". He
17 was certainly the principle beneficiary, as was his organiza-
18 tion, of the Nicaraguan resistance.

19 Q From whom did IBC receive payment in connection
20 with those services?

21 A Primarily from Mr. Calero, sometimes from Mr.
22 Matamoros.

23 Q Was there an agreed-upon payment at the inception
24 of the business relationship?

25 A Yes. Initially we were paid \$3,000 a month, and

UNCLASSIFIED

jlb286

UNCLASSIFIED

286

1 then it became clear that they couldn't follow through on the
 2 level of increasing activity that our efforts were producing
 3 without more administrative help. So we asked for \$5,000 a
 4 month, and under that contract we were responsible for
 5 providing a full-time employee in their office, the admini-
 6 strative details, the computer handling their distributions,
 7 and so forth.

8 Q When did that increase occur?

9 A I can't recall specifically.

10 Q Let's just get a few dates straight. When did the
 11 business relationship begin, to the best of your recollection?

12 A I want to say September of '84.

13 Q Do you have any recollection as to how many months
 14 into that relationship monthly fees were raised and you put
 15 an employee full-time into their office?

16 A Some time around the first of the year, I think. I
 17 think I've shortened this time frame. I think it was almost
 18 a year. I think it's about nine to ten months worth of
 19 activity. So it's probably somewhat earlier in the year than
 20 September. And the employee--maybe in September.

21 Q In September of what year?

22 A That would be September of '84.

23 Q You testified a bit earlier about an exhibit which
 24 was marked as Exhibit No. 11, which is a letter of authoriza-
 25 tion from Mr. Calero to Mr. Channell authorizing Channell to

2 anyone at IBC or IBC itself receive a fee for obtaining that
3 letter?

4 A I don't recall receiving a fee.

5 Q From either Mr. Channell or anyone else?

6 A I don't recall receiving a fee to obtain that
7 letter.

8 Q How were you paid by the Nicaraguan Development
9 Council?

10 A Generally in traveller's checks, although a couple
11 of times we received wire transfers.

12 Q Were they traveller's checks that were given to you
13 by Calero?

14 A Yes. Sometimes we got them from Matamoros, but I
15 don't think very many times.

16 Q Were they blank traveller's checks?

17 A They were totally blank--just a bank name, and
18 everything else on it was blank.

19 Q Do you know why Calero didn't write the checks out
20 to International Business Communications and sign them on the
21 bottom?

22 A No.

23 Q Did you ever ask him why?

24 A I never asked, but my sense was that most of their
25 activities were cash activities, and a blank traveller's

1 check is as good as cash. And as a consequence, it was safer
2 because it was not something that could be lost.

3 Q Did Colonel North ever give you any blank trav-
4 eller's checks?

5 A I don't ever recall receiving traveller's checks
6 from Colonel North.

7 Q You mentioned a bit earlier today that Jonathan
8 Miller at one time waved some traveller's check, I think, in
9 front of Frank Gomez as a show of good faith or something to
10 that effect.

11 A It was in front of the Nicaraguan Meskito Indian
12 Leader. Stedman Fogath or Diego Wycliff--I can't remember
13 who it was.

14 Q Did you have an understanding as to where Jonathan
15 Miller got those traveller's checks?

16 A He was in Colonel North's office suite at the time
17 he did it. So I assumed they came from there.

18 Q But you yourself don't recall ever having received
19 from North any traveller's checks that were provided to him
20 by Calero or anybody else?

21 A I don't ever remember getting traveller's checks
22 directly from Colonel North. There was one instance in a
23 hotel room here in Washington where there was an exchange of
24 traveller's checks between Dr. Calero and Colonel North, and
25 we ultimately got some of those traveller's checks. That's

1 the only time which that happened, that I can recall.

2 Q Can you describe that incident in a bit more detail
3 so that we can have for the record a clear reflection of what
4 took place in that hotel room? I guess you could start out
5 by telling us approximately when that exchange took place.

6 A Well, it was in the evening. The exact date I'm
7 not sure of. It was at the Henley Park Hotel. I either went
8 there with Colonel North or I met Colonel North there. We
9 went to Mr. Calero's room. Mr. Calero had a large envelope
10 of traveller's checks. Knowing what I now know about their
11 volume, I'd say it had to be at least \$20,000 in traveller's
12 checks. They had a discussion about names that seemed
13 familiar to the two of them, and I believe Mr. Calero gave
14 the traveller's checks to Colonel North.

15 And my reason for being there was that some of those
16 checks were supposed to come to me. And the best recollection
17 I have is that it was about the time I put Maritsa Herrera,
18 the little girl, in Children's Hospital and took the money
19 from my account to pay for that. It was \$10,000 to Children's
20 Hospital, and that may have been reimbursement for that.

21 Q When was that?

22 A It was right about the time of the Nicaraguan
23 refugee fund dinner. In fact, she was there for the Nicar-
24 aguan refugee fund dinner, and her wound had not been
25 attended to. And she was about to lose her arm, and I

1 guaranteed her hospital stay to Children's Hospital.

2 Q So that would have been in April of 1985.

3 A That would be about--well, whenever the dinner was,
4 so April, I guess.

5 MR. KAPLAN: Off the record for a quick minute.

6 MR. KAPLAN: I'm going to ask the reporter to mark
7 as Exhibit 22 a composite exhibit which is comprised of
8 several traveller's checks dated variously from I believe
9 March 20 through April 18. I have only made two copies of
10 these volumes.

11 [The document referred to was
12 marked for identification as
13 Miller Deposition Exhibit No.
14 - 22.]

15 MR. LEON: Can the record reflect a rough estimate
16 of how many checks there are? How many pages would you
17 approximate?

18 MR. KAPLAN: If I'm not mistaken, there are
19 approximately \$5,000 worth of traveller's checks that are
20 represented by this exhibit.

21 MR. LEON: Are they all \$100 checks?

22 MR. KAPLAN: Yes, I believe so.

23 Mr. Miller, you've seen these checks once before and
24 actually, as I recall, had an opportunity to lunch with them
25 and your counsel. I'm going to ask whether any of these

1 checks refresh your recollection as to whether or not you
2 ever--as to whether you ever received any traveller's checks
3 from North that had been provided to him by Calero or anyone
4 else.

5 MR. DUDLEY: Well, he's testified as to the
6 incident at the hotel.

7 MR. KAPLAN: Right. That's correct. Other than
8 that.

9 MR. MILLER: It doesn't refresh my recollection.
10 Other than that, I can't remember an instance.

11 MR. KAPLAN: To the best of your recollection--and
12 you've been through these checks once before--would these
13 checks represent other than possibly the hotel incident,
14 checks that were given to you directly by Calero as payment
15 for services performed on behalf of the Nicaraguan Development
16 Council?

17 MR. DUDLEY: Before he answers that question, I
18 assume--but I would like your representation--that this is
19 the same bundle of checks that he did look at.

20 MR. KAPLAN: This is the same bundle of checks that
21 was reviewed by Mr. Miller a couple of months ago.

22 MR. MILLER: I would assume, since I got paid in
23 traveller's checks and usually from a Latin American bank,
24 that that's true. I never kept track of the traveller's
25 checks after I cashed them.

BY MR. KAPLAN:

Q Did Colonel North ever ask you to cash traveller's checks for him?

A I don't ever recall being asked to cash traveller's checks.

Q Did Mr. Calero or anyone else ever ask you to cash traveller's checks and return the money to some party other than yourself?

A I don't recall doing that.

Q So it's your testimony that any traveller's checks here or that you received from Mr. Calero or possibly from North during that hotel incident which you described before-- checks that would have been in payment for services performed by IBC on behalf of the Nicaraguan Development Council.

A That's my recollection.

MR. DUDLEY: Or reimbursement of hospital expenses.

MR. KAPLAN: Right. Or reimbursement of hospital expenses.

BY MR. KAPLAN:

Q Do you ever--do you recall having given Mr. Robelo cash in front of a hotel in Washington?

A Yes. I gave--I'm not sure whether it was cash or traveller's checks. And with the IRS right around the corner, I wish I knew the answer to that one right now. We paid his hotel bill one time, and I gave it to him in cash

1 because they weren't accepting his MasterCard, as I recall.
2 And it seems to me it was somewhere in the neighborhood of
3 about \$2,000 or \$2,500 or something like that.

4 Q Do you recall when that transaction took place?

5 A No.

6 Q 1985?

7 A I really don't recall when.

8 Q Did North ask you to give Robelo the cash?

9 A Yes.

10 Q What was the source of the funds to which you gave
11 Robelo?

12 A Would have been NEPL funds that Colonel North
13 thought he had access to.

14 Q So it would have been some time after July 1985.

15 A Probably.

16 Q And some time before December 1986.

17 A Probably.

18 MR. KAPLAN: Let's knock off for today.

EXAMINATION BY COUNSEL FOR

THE SENATE SELECT COMMITTEE (Continued)

8

BY MR. KAPLAN:

9

Q Mr. Miller, this is a continuation of the previous
10 sessions of your deposition taken pursuant to immunity orders
11 of the Senate and the House, which are Exhibits 1 and 4,
12 respectively, in this deposition. I would simply remind you
13 that you are still under oath.

14

I just want to refer you back, for a moment, to
15 what was marked late yesterday as Miller Deposition Exhibit
16 Number 22. That is a composite exhibit of a stack of
17 traveler's checks that were signed and cashed by you.

18

I asked you yesterday, whether or not you were ever
19 asked by anyone, or whether you cashed any of these checks
20 for anyone other than yourself, and I believe you responded
21 that you could not recall ever having done so.

22

I simply want to ask you whether it refreshes your
23 recollection on that response, or whether it changes that
24 response at all, if I told you that we've determined that the
25 checks that were cashed on March 28th are consecutive in

1 number with checks that were cashed by Robert Owen and
2 Jonathan Miller at the request of Colonel North?

3 A No, that doesn't change my statement.

4 Q So I take it that your testimony is that to the
5 best of your recollection, all the checks here which you had
6 an opportunity to review with counsel, back in June, and then
7 again, briefly, yesterday, are checks that were attributable
8 either to compensation paid to you by Mr. Calero on behalf of
9 the Nicaraguan Development Council, or as part of a hotel
10 incident to which you testified yesterday?

11 A Or potentially, the reimbursement of the expenses
12 for the little girl that I put in the hospital.

13 Q Okay. Thank you. Staying with Mr. Calero for a
14 moment, what kind of knowledge did you have back in 1985 and
15 1986 of bank accounts that were controlled by Mr. Calero?

16 A Well, the [REDACTED] accounts were clearly Mr.
17 Calero's accounts, and I think I knew that from the beginning
18 of my transfers to those accounts.

19 Q Who would have told you that the [REDACTED]
20 accounts were Mr. Calero's controlled accounts?

21 A Colonel North.

22 Q Were there any other accounts that were under Mr.
23 Calero's control about which you had some knowledge during
24 1985 and 1986?

A Well, checks were made out to the Nicaraguan

1 Development Council in a couple of fund-raising situations.
2 Where they were deposited, I'm not sure, to be honest with
3 you. Those are the only ones I can remember.

4 [Witness and attorney consult.]

5 THE WITNESS: The Lake Resources account was to our
6 understanding an account that was for the benefit of Mr.
7 Calero. It was never clear, initially, who it was, but that
8 was our understanding.

9 BY MR. KAPLAN:

10 Q When you say it was for the benefit of Mr. Calero,
11 was it your understanding that Mr. Calero controlled that
12 account?

13 A I don't think I was ever told that he controlled
14 it. It was just clear that that--whoever that Lake Resources
15 organization was, they were actively involved in the support.
16 And the items that were being asked that we fund-raise for,
17 and those we transferred money for, were for things that
18 would have been virtually impossible for him to miss. The
19 heavy lifting system, aircraft, in the case of the surface-
20 to-air missiles, so--that ultimately became radios, but they
21 ended up on the ground, so--

22 Q Now over time, you developed a fairly close
23 relationship with Mr. Calero, it's fair to say, is that
24 correct?

25 A Yes.

1 Q Did you ever discuss the Lake Resources account
2 with Mr. Calero?

3 A Yes, in December of 1986.

4 Q Any time before that, do you recall a discussion
5 with Mr. Calero about Lake Resources?

6 A No.

7 Q None at all?

8 A No.

9 Q Did you ever discuss with Mr. Calero disbursements
10 from the IC, Inc. account to Lake Resources, that were made
11 at the direction of Colonel North?

12 A Only once. Colonel North told me that Mr. Calero
13 was in desperate need of money for a food bill, and asked me
14 to go to his hotel, at the Connecticut Club, and to tell him
15 that I had a donor from outside the United States, and that
16 individual wanted to give him--I believe it was \$150,000--and
17 that I should ask him for an account.

18 Of course the account would be exactly the same
19 account that had been given before, but apparently Mr. Calero
20 was unaware that I was the individual transferring the money
21 into his account. So I did. I went to the hotel. He
22 immediately asked me for \$250,000, but I told him there was
23 150 available, and he wrote the account number down for me,
24 and it was identical to what I had used for previous transac-
25 tions. And I transferred money into that account.

1 Mr. LEON: Let me just ask one follow-up. When you
 2 say Mr. Miller, that the Lake Resources account to your
 3 understanding was for Mr. Calero, you don't mean for him
 4 personally, but rather, for the contras?

5 THE WITNESS: That's correct, because it was used
 6 to buy things like heavy-lifting and Maule aircraft, and
 7 radios, and surface-to-air missiles, and so forth.

8 BY MR. KAPLAN:

9 Q When you say that the account number that Calero
 10 wrote down for you was identical to the account that you had
 11 previously used, could you just clarify for the record which
 12 account number you're talking about.

13 A It's an [REDACTED] account [REDACTED]

14 [REDACTED] I believe in [REDACTED]

15 Q Do you recall when Colonel North first told you
 16 about this [REDACTED] account, and that it was under Mr.
 17 Calero's control?

18 A Not offhand, but he would have done so immediately,
 19 prior to the first transaction to [REDACTED], so whatever
 20 the date is on that.

21 Q Do you recall having instructed Mr. Channell to
 22 write a check to [REDACTED] that was being given by
 23 Channell to Mr. Calero, for his behalf, back in June of 1985?

24 A Yes. At one fund-raiser in the Hay-Adams, Mr.
 25 Channell asked who the check should be made out to, and Mr.

art301

301

1 Calero said--I went and asked Mr. Calero and he said [REDACTED]
 2 [REDACTED] And then, I think it was the next morning, when I
 3 told Colonel North that it had been made out to [REDACTED]

4 [REDACTED] He said that that was wrong, and I believe it was
 5 changed to the Nicaraguan Development Council.

6 Q Okay. I'm going to march, briefly, with the State
 7 Department contracts that were held by IBC. My understanding
 8 is that Mr. Fryman is going to cover them in more depth at
 9 the next session.

10 I understand that IBC had, over time, from 1984
 11 until September of 1986, I believe you testified yesterday a
 12 number of consecutive State Department contracts, is that
 13 correct?

14 A Correct. Yes.

15 Q To your knowledge, were those contracts obtained
 16 from the State Department?

17 A Well, initially, Mr. Gomez's expertise was sought
 18 out by the office that had newly been created by Ambassador
 19 Hatch. Frank is 20 years in the Foreign Service. Most of
 20 it's been in Central and South America. He's fluent in
 21 Spanish, Portuguese and French. Speaks some Italian. And is
 22 extremely well known by people in Central America, senior
 23 officials, journalists. In fact was the originator of one of
 24 the journals and associations down there.

So, that was exactly the type of individual that

UNCLASSIFIED

art302

UNCLASSIFIED

302

1 the State Department Office of Public Liaison needed, or,
2 public diplomacy needed to begin their mission.

3 Q When was the first such contract let to Mr. Gomez?

4 A I think it was signed on February 22nd, 1984.

5 Q So that was shortly after he retired from the State
6 Department?

7 A That's correct.

8 Q Were those contracts, or was that contract, that
9 same contract, renewed at some point in time?

10 A It was. It was actually a purchase order contract,
11 and it was reissued, I believe two more times.

12 Q To Mr. Gomez?

13 A To Mr. Gomez. That's right.

14 Q Do you recall what the average length of these
15 contracts was?

16 A It seems to me they were about 3 months.

17 Q Was there a time when the contracts were let to IBC
18 instead of to Mr. Gomez?

19 A Well, when Mr. Gomez and I began to form a partner-
20 ship in '85, he requested that the contracts be made to
21 himself at International Business Communications, and as we
22 began to form the partnership he simply brought that in as
23 part of--it was already a consulting contact for him and he
24 brought it in as part of the partnership business.

25 Q Was IBC then listed as the contractor on the

UNCLASSIFIED

art303

UNCLASSIFIED

303

1 contract itself?

2 A In those three contracts, no. In the fourth
3 contract I believe yes, but again, using his name and
4 International Business Communications.

5 Q How many contracts were there, all-told?

6 A I believe total, there were six. Seven. I'm
7 sorry. Seven, including the INSI contract.

8 Q How many of these contracts were identical in terms
9 of the duties performed by Mr. Gomez and IBC?

10 A That's not the right question. The elements that
11 were in the first three contracts were also in the fourth
12 contract and in the fifth contract. The fifth contract, the
13 larger of all of them, a 200 and some-thousand dollar
14 contract, had in it an additional section for a distribution
15 system.

16 So the elements did not change significantly from
17 the first contract to the last contract, except for the
18 increase to incorporate a distribution system.

19 Q Okay. What was the sum total of these seven
20 contracts?

21 A About 440-some thousand dollars.

22 Q All right. You mentioned that one of the contracts
23 was over \$200,000?

24 A Yeah. We bid it at 242--or 342, and they told us
25 it was going to cost--I'm sorry. We bid it at 242. They

UNCLASSIFIED

art304

UNCLASSIFIED

304

1 told us it was going to cost 282, and we came in at 276, I
2 believe.

3 Q Were the other contracts reasonably equal in amount?

4 A I think they were almost exactly equal. The fourth
5 contract was nothing other than a longer time period. The
6 previous three contracts had all been purchase orders, so
7 they were for short periods of time.

8 Q So they were in the range of 40 to \$50,000 each?

9 A I think the first three contracts were slightly
10 under \$10,000 each, and I think the third contract--the
11 fourth contract was about \$90,000.

12 Q What duties did Mr. Gomez, and others at IBC,
13 including ourself, perform under these contracts?

14 A Let me see if I can do it again, off the top of my
15 head. We provided escort services for exiles, refugees,
16 atrocity victims. We provided translation services for the
17 same people. In some cases we provided security for them.

18 We provided simultaneous interpretation. We
19 provided housing, transportation. We provided media contact
20 for these same people. We provided civic-leader contact for
21 these people. We sought to put them together with like
22 organizations in the United States. UNCLASSIFIED

23 We did debriefings for them. We set up interviews
24 and press conferences. We arranged television appearances.

25 For the office in general we provided text for op-eds,

art305

305

UNCLASSIFIED

1 editorials, letters to the editor, articles, translations of
2 publications outside the United States that were then
3 distributed by the office.

4 We helped arrange media schedules, made strategic
5 planning suggestions for development of public expressions of
6 policy. We helped draft reports on public-affairs strategies.
7 We helped edit texts for speeches. In the distribution area
8 we created a computerized database for the use of the office
9 in the distribution of its publications.

10 They could be segmented into multiple selection
11 processes so that they could be distributed by subject, by
12 geographic location, by a whole host of demographics. We set
13 up an internal control system to improve the procedures
14 associated with the production and ultimate distribution of
15 publications.

16 We provided staff on site at State Department to
17 handle that task. We did the actual physical distribution of
18 hundreds of thousands of pages and single documents. I
19 remember one distribution being 70,000 copies. We provided
20 the delivery of those to the Federal agencies that were
21 involved in the matter here in Washington. We provided the
22 transportation and the storage for those documents. And we
23 also provided a training course for the information office of
24 the Salvadoran government.

UNCLASSIFIED

And we provided talking points for, or suggested

art306

UNCLASSIFIED

306

1 talking points for senior administration officials. That's
2 all I can remember, off the top of my head.

3 Q Is it fair to say that in your work under these
4 contracts you were brought in close and regular contact with
5 Mr. Calero, Alfonso Robelo and Arturo Cruz?

6 A No.

7 Q Did you coordinate any of their travel or visits to
8 the United States?

9 A Yes.

10 Q Was that a service that you performed under these
11 contracts? Or was that a service that you performed in
12 connection with your duties that you described yesterday on
13 behalf of the Nicaraguan Development Council?

14 A We considered it duties on behalf of the Nicaraguan
15 Development Council. Initially, also, our work with the Gulf
16 and Caribbean Foundation.

17 Q So is it fair to say, then, that at least your work
18 on behalf of the Nicaraguan Development Council brought you
19 into fairly close and regular contact with Mr. Calero, Mr.
20 Robelo and Mr. Cruz?

21 A Yes.

22 Q Did North ever contact the State Department on
23 IBC's behalf, to your knowledge?

24 A I don't recall the specific instance but I've read
25 the press reports on it, and I have a minor memory of him

UNCLASSIFIED

art307

UNCLASSIFIED

307

1 doing so.

2 Q And do you recall when he made that contact?

3 A I don't recall when but I recall why.

4 Q Could you tell us why.

5 A Yeah. We had billed the State Department for three
6 months' worth of work, and I think it was already 30 days
7 past the time that that should have been paid under the Prompt
8 Payment Act. And we were just not that big a company, it was
9 a very serious time for us, and we needed the money, and he
10 made an appeal to somebody at the State Department. I've
11 forgotten exactly who it was.

12 Q Why did you approach North to make the appeal on
13 your behalf?

14 A I'm not sure I approached him on it. I think I
15 just may have bellyached in his presence and he acted.

16 Q He acted?

17 A Yes.

18 Q Did he tell you that he had contacted someone at
19 State on your behalf?

20 A I don't remember whether he told he was going to,
21 or whether he told me he did.

22 Q But one of the two?

23 A Yeah.

24 Q Did his contacts result in prompt payment?

25 A I guess the Government would have considered it

UNCLASSIFIED

UNCLASSIFIED

art308

308

1 prompt payment. I'm not sure it came much quicker than it
2 would have been otherwise.

3 Q Do you know who he contacted at the State Depart-
4 ment?

5 A I want to say Frank Gardner, but I'm not sure. It
6 was the administrative--it was somebody involved in the
7 administration of the Office of Public Diplomacy.

8 Q Was that one of Mr. Gardner's duties?

9 A Yes.

10 Q Who were your principal contacts at the State
11 Department under these contracts?

12 A Well, it changed as the staff changed. Initially,
13 it was Otto Reich and Jonathan Miller, John Blacken, John
14 Scafe. Those were the people we answered to, initially. And
15 also, we worked with Mary Catherine English, Jake Jacobowitz,
16 Colonel Larry Tracy, Colonel Mark Richards, Dan Fiske, Bob
17 Regan. Those are all the names I can remember, off the top
18 of my head.

19 Q I'm going to move off the State Department con-
20 tracts. As I said, those will be covered in more depth, I
21 understand, at your next session.

22 When did you first meet Jonathan Miller?

23 A I met Jonathan in the campaign in 1980.

24 Q What kind of contact did you have with him after
25 the campaign?

UNCLASSIFIED

UNCLASSIFIED

art309

309

1 A We both ended up at AID, myself in the Public
2 Affairs Office, and Jonathan in the Legislative Affairs
3 Office.

4 Q Did you and he develop a friendship?

5 A Yes.

6 Q Did you ever discuss with him--and I think I asked
7 you this yesterday, but if I did, you can just give me the
8 same answer. Did you ever discuss with him your contra-
9 funding efforts with NEPL and Colonel North?

10 A I don't recall ever discussing it.

11 Q All right. Do you recall having had some meetings
12 with Jonathan Miller and Colonel North?

13 A I'm sure I have but I don't--I recall one meeting
14 in the situation room, that I think Jonathan was at.

15 Q What types of substance--if it can be broken down
16 that way--was likely discussed in meetings that you would
17 have with both Mr. Miller and Colonel North?

18 MR. DUDLEY: I object to the hypothetical way in
19 which that question was framed. You know, what questions
20 were likely discussed, if there were meetings.

21 I think you should establish whether there were
22 meetings.

23 MR. KAPLAN: I'm sorry. I thought I had established
24 that before.

UNCLASSIFIED

THE WITNESS: Would it be helpful for me to

art310

UNCLASSIFIED

310

1 remember each meeting? I would go as far as my memory goes
2 on each one of them.

3 BY MR. KAPLAN:

4 Q Okay. Why don't I help you out a little. Records
5 that the Committees have obtained in the course of their
6 investigation show that you and Colonel North, and Mr. Miller
7 had meetings on the following dates, and this may help you
8 place yourself, and maybe recall some of the substance of
9 those meetings.

10 September 10, 1984 with Mr. Gomez also in atten-
11 dance.

12 January 16, 1985, with Mr. Gomez also in attendance.

13 MR. DUDLEY: What was that second one? I'm sorry.

14 MR. KAPLAN: January 16, 1985.

15 It is unclear, but perhaps meetings with a group
16 called Citizens for America on January 25 and January 28 of
17 1985.

18 February 27, 1985 with Mr. Gomez and Mr. Owen also
19 in attendance.

20 June 5, 1985 with Mr. Gomez and a person named
21 Otto, who I presume is Otto Reich.

22 THE WITNESS: June 10?

23 MR. KAPLAN: June 5, 1985. I believe that's the
24 sum total.

UNCLASSIFIED

311

BY MR. KAPLAN:

Q So all those meetings would have taken place between September of 1984 and June of 1984, according to our records. I certainly welcome any further recollection you have beyond what we have on paper. I also will note for the record, that the September '84 meeting is not clustered with the rest. It seems to sort of hang out by itself.

Does that refresh your recollection at all as to the substance of the meetings that you did have with Colonel North, Mr. Miller, and, usually, others?

A I can probably identify three of these, and I'll work backwards, chronologically. The June 5 meeting with Otto Reich, I believe was at lunch. The third meeting I can recall is a Citizens for America meeting, which I believe only took place on one of those dates. I think you probably have a vintage North calendar entry that got changed several times, and that in reality it took place at some, one of those but not both of those.

I was invited to a meeting in the situation room that was attended by--was hosted by Colonel North and was attended by Otto Reich and Jonathan Miller, Frank Gomez and myself. Lew Lehrman, Jack Abramoff, and two other officials of the Citizens for America whose names I cannot remember right now.

Q Was that a meeting in which I believe that your

UNCLASSIFIED

art312

UNCLASSIFIED

312

1 counsel have produced to us a document listing the attendees
2 at that meeting with phone numbers on the righthand column?

3 A Yes.

4 Q Okay.

5 A And Lehrman had asked for the meeting. His
6 intention was trying to create political support for the
7 President's policy. Colonel North introduced us as represen-
8 tatives of Mr. Calero. We sat through a presentation by Mr.
9 Lehrman of a fairly weighty and seemed to be a well-thought-
10 out program of grassroots education, and Colonel North asked
11 what the Administration could do to help, and Mr. Lehrman
12 said that he needed to have \$250,000.

13 So everybody's immediate reaction, unspoken, was
14 the same, and that was that that was his business to raise
15 the money and not ours, and that we thought we were being
16 offered help and not asked for it, in terms of funding.

17 So I think the idea basically exhausted itself and
18 went no further.

19 - Q Okay.

20 A I remember--and I can't tie them to these other two
21 dates, January, or September 10 1984, or February 27th--but I
22 remember being called over to North's office--Frank and I
23 both, by Jonathan Miller, and that Jonathan was housed there
24 at the time.

And the UNO leaders had come to Washington, and

UNCLASSIFIED

UNCLASSIFIED

art313

1 Colonel North asked that we get for them media, and we used
 2 his telephone, and then ultimately, went back to the office
 3 and got things like Good Morning America, the Today show,
 4 Nightline, and Washington Post.

5 Q Do you recall when this incident took place?

6 MR. DUDLEY: Will you excuse me just a minute.

7 [Witness and attorney consult.]

8 MR. DUDLEY: I'm sorry to interrupt your flow, but
 9 I wanted to get something before it got too far past.

10 MR. KAPLAN: It's okay. I appreciate that.

11 BY MR. KAPLAN:

12 Q Do you recall when the call from Jonathan Miller
 13 came and this incident took place?

14 A It would have been--no, I don't recall the exact
 15 date. It may be the February meeting--I'm not sure--but it
 16 would have been just about the time of the President's first
 17 request for aid.

18 Q How did North, to your knowledge, first become
 19 aware of your association with Mr. Calero?

20 A I don't know. I've never remembered our first
 21 meeting, so I can't even tell you why we--

22 Q Okay. When did you first meet Rob Owen?

23 A Again, I'm not sure when my first meeting with Rob
 24 was. The earliest recollection I have of Rob is he accom-
 25 panied a group of three refugees to our offices, along with

UNCLASSIFIED

art314

UNCLASSIFIED

314

1 John Hall, and we were in our offices at 1607 New Hampshire.
 2 So it would have had to have been some time between February
 3 of 1984 and January of 1985.

4 Q Who sent Mr. Owen to your offices with the refugees?

5 A I don't know. We didn't know he was coming with the
 6 refugees. I think we expected the refugees, and Mr. Owen and
 7 Mr. Hall showed up with them, along with two other in-
 8 dividuals.

9 Q Can you briefly describe the substance of your
 10 relationship with Mr. Owen over time, starting with that
 11 first meeting with the refugees, and continuing on through the
 12 end of this year?

13 A Rob was a personal friend of mine. We have had a
 14 minimal amount of professional contact. I reviewed a public-
 15 affairs strategy he produced one time. He has provided me
 16 with background information, that he has secured a lot of
 17 this down in Nicaragua and [REDACTED] That's about the extent
 18 of our professional relationship.

19 Q I want to go back to a question I forgot a moment
 20 ago. When Mr. Calero told you in December 1986 who con-
 21 trolled Lake Resources, or what Lake Resources was --

22 A You mean Lake Resources or [REDACTED]

23 Q Maybe I misunderstood, then, [REDACTED] with
 24 clarifying for the record. I thought I had asked you when did
 25 you discover that what the Lake Resources account was.

UNCLASSIFIED

art315

UNCLASSIFIED

315

1 A No, that wasn't your previous question, but I'd be
2 happy to answer it.

3 Q Okay.

4 A When Albert Hakim testified before the Congress, my
5 first inkling that it was more than just an account to assist
6 the contras came when I read the front-page article that
7 quoted H. Ross Perot as having been asked to send \$2 million
8 there.

9 Q That would have been in December of 1986?

10 A I believe it was December 6. It was a revelation.

11 Q Was your earlier testimony about a discussion with
12 Mr. Calero in December 1986 relating to his control of [REDACTED]

13 [REDACTED]

14 A Correct.

15 Q But I take it, as you testified, that you had some
16 inkling, some time prior to December 1986, that Mr. Calero
17 knew about that account, if not controlled it?

18 A No, that's not what--

19 Q Is that not correct?

20 A No, that's not what I said.

21 MR. DUDLEY: I think you'd better clarify that.

22 MR. KAPLAN: Why don't you just clarify that
23 because--

24 THE WITNESS: I was always under the impression

1 that benefited the resistance, because we raised items which
 2 then appeared in newspaper articles, and so forth, down
 3 there. They also would have been impossible for Mr. Calero
 4 to miss. Big airplanes, heavy-lifting systems, Maule
 5 aircraft, shoulder-launched missiles.

6 So I always assumed that he was aware of the Lake
 7 Resources account. It wasn't until December of this past
 8 year, that I realized that he knew very little about the Lake
 9 Resources account, and that was only after discussing it with
 10 him directly.

11 BY MR. KAPLAN:

12 Q Let's go back to Mr. Owen. Did you ever discuss
 13 with Mr. Owen your role in contra-assistance funding NEPL?

14 A I don't recall discussing it with Rob, no.

15 Q Did Mr. Owen ever discuss with you his role in a
 16 contra-resupply network, or a contra-resupply operation?

17 A I don't believe so.

18 Q Did Colonel North ever discuss with you Mr. Owen's
 19 role in the contra-resupply operation?

20 A Not in a resupply operation per se, but as a
 21 courier and a carrier of messages from him to political
 22 leaders.

23 Q What did you know about Mr. Owen's relationship with
 24 Colonel North?

25 A I thought that Mr. Owen was employed almost solely

1 by Colonel North.

2 Q Were you aware that Owen had been at least in part
3 placed by North at the Nicaraguan humanitarian aid office?

4 A Not until I read it in the newspaper.

5 MR. KAPLAN: I am going to ask the reporter to mark
6 as Deposition Exhibit Number 23 a copy of a document provided
7 by your counsel, which are handwritten notes.

8 [The document referred to was marked for
9 identification as Miller Deposition
10 Exhibit No. 23.]

11 MR. KAPLAN: The top of the page says "IBC expendi-
12 tures for Green."

13 BY MR. KAPLAN:

14 Q I first want to ask you if you recognize those
15 notes.

16 A Yes. They're mine.

17 Q Does "expenditures for Green" refer to expenditures
18 by IBC for Colonel North, or at his request?

19 A At his request, or for him, right.

20 Q All right. The date, 1985, refers to the year in
21 which these expenditures were made?

22 A Correct.

23 Q The very first entry I believe says, "6-19--that
24 is, June 19--and it says "Owen trip expenses." Then the

25 corresponding number is \$2200. Were you aware at the time

UNCLASSIFIED

art318

UNCLASSIFIED

318

1 that Colonel North was asking you to make certain disburse-
2 ments, that some of these disbursements were to pay for Mr.
3 Owen's travel?

4 A Yes. In fact the first two items are actually
5 interconnected. The \$2200 I believe was cash, and the 3500 I
6 believe was traveler's checks for him to take with him.

7 Q Who provided you with the traveler's checks for Mr.
8 Owen to take with him?

9 A This came out of our bank account. In other words,
10 we wrote a check to our bank and got traveler checks, and
11 gave them to Mr. Owen.

12 Q I see. Does "NDC" stand for Nicaraguan Development
13 Council?

14 A Yes.

15 Q If they were traveler's checks taken out of your
16 bank account, why would the notation says "NDC traveler's
17 checks?"

18 A At that point I can only assume that it was because
19 I thought Rob was working primarily with Calero's organiza-
20 tion, and I would have put NDC down.

21 Q Is it possible that at that time you gave to Mr.
22 Owen the blank traveler's checks that had been given to you
23 by Mr. Calero in payment for NDC services that you had
24 performed?

A I don't think so because I think there's a check

UNCLASSIFIED

art319

319

1 that corresponds to this in our check register, and I believe
 2 that was--I mean, I think "NDC traveler's checks" is just a
 3 mental note to myself as is "Wire to Lake" or one of the
 4 others.

5 Q Move down two entries from there to a September 12th
 6 entry which I believe says "~~Beacon~~ Creative Writing, \$10,000."
 7 Can you explain to us, briefly, what that disbursement
 8 represented.

9 A Beacon was the name that I chose for Arturo Cruz,
 10 Sr. and--

11 Q He wasn't a "car part?"

12 A No. He was a great deal of light. He was an
 13 "illuminating force" so we called him Beacon.

14 Q But you could have called him Headlight.

15 A That's true. He was to write an article and that
 16 \$10,000 was payment for the writing of the article.

17 Q I take it that the other entries that are shown,
 18 which I believe we covered yesterday--an entry for Commercial
 19 Tulin, and then several wires to Lake, are simply disbursements
 20 from IBC that were made at Colonel North's direction?

21 A Correct.

22 Q Did all of these disbursements come from money that
 23 had been passed to IBC for NEPL? Or was it intended for
 24 contra assistance?

25 A Either passed to us, or--yes, it all came from NEPL

- 2 Q When did you first meet Father Tom Dowling?
- 3 A I think it was fairly late. I think it was like
- 4 1986.
- 5 Q When, in 1986? Do you recall?
- 6 A I don't. I recall, I think he was in Adolfo
- 7 Calero's presence when I met him.
- 8 Q Were you aware that Father Dowling was a principal
- 9 of the Latin American Strategic Studies Institute?
- 10 A Yes.
- 11 Q Were you aware of that fact at the time that
- 12 Colonel North directed disbursements, and of IC, Inc., to the
- 13 Latin American Strategic Studies Institute?
- 14 A Yes.
- 15 Q Now we covered it yesterday. One of the disburse-
- 16 ments of \$25,000, I believe, that went to Latin American
- 17 Strategic Studies Institute, came directly from IBC, Inc.?
- 18 A Right.
- 19 Q I believe you testified that that \$25,000 was
- 20 directed by Colonel North also?
- 21 A It was requested by Tom Dowling, and by Adolfo
- 22 Calero, and approved by Colonel North.
- 23 Q Did you ever discuss with Father Dowling your

- 25 as a shorthand or a contra-funding network?

- 1 A Not until very recently.
- 2 Q When did that discussion take place?
- 3 A The last time I saw him was about three or four
- 4 weeks ago, I think.
- 5 Q Was that discussion in the presence of counsel?
- 6 A No.
- 7 Q Can you tell us what the substance of that discus-
- 8 sion was.
- 9 A It was a friendly conversation over lunch. I don't
- 10 recall us comparing notes about much in the way of transac-
- 11 tions. We were discussing mostly the financial difficulty of
- 12 his organization at present.
- 13 Q What was the piece of conversation that you had in
- 14 which you told him about your involvement in the contra-
- 15 funding network?
- 16 A Well, I've told everybody that will listen, that
- 17 this allegation by Jane McLaughlin, that Spitz Channell gave
- 18 IBC \$5 million to go to the freedom fighters, and that we
- 19 kept 2 million of it was erroneous, and it only takes then a
- 20 description of Spitz's Central American Freedom Program to
- 21 prove my point, and that's what I did. I described the
- 22 Central American Freedom Program.
- 23 Q Was there any other discussion about your involve-
- 24 ment in the funding network?
- A No.

1 Q Do you recall a meeting with Father Dowling and
2 Colonel North, and yourself, on November 17, 1986?

3 A November 17, 1986? Not specifically.

4 Q Do you recall such a meeting generally?

5 A Not really. If you can give me other details,
6 maybe I can refresh my recollection.

7 Q Does it refresh your recollection at all, if I
8 remind you that November 17 was a Monday, and it was just a
9 few days prior to the meetings on November 20 and 21 about
10 which you've testified before here, previously, on June 23rd?

11 A No.

12 Q Does it refresh your recollection if I tell you
13 that the meeting took place at Colonel North's office?

14 A That's where I was trying to envision it. That
15 still doesn't click.

16 Q Did you travel to Panama in November 1986?

17 A Yes.

18 Q What was the purpose of that travel?

19 A It had to do with a client we have in Panama. It's
20 unrelated to this matter.

21 Q Did you return from Panama with some cash?

22 A I did.

23 Q Do you recall how much?

24 A I believe it was slightly over \$35,000.

25 Q What was the source of that cash?

UNCLASSIFIED

art323

323

1 A It was \$35,000 in retainer and associated expenses.

2 Q When you say "retainer and associated expenses,"
3 that's payment from a client that you had in Panama?

4 A That's correct. We reported it on the Treasury
5 form and our foreign-agent registration is on file with the
6 Justice Department.

7 Q Would you tell us the name of the client.

8 MR. DUDLEY: May we go off the record.

9 MR. KAPLAN: Sure.

10 [Brief discussion off the record.]

11 MR. KAPLAN: On the record.

12 In an off-the-record conversation that ensued, I
13 was informed by counsel for the witness, Mr. Miller, that the
14 response to my question would divulge, on a record which
15 might at some point be made public, the identity of a client,
16 that for business purposes, and for no purpose related to
17 these Committee investigations, Mr. Miller would like to keep
18 from the public, as a matter of business and professional
19 propriety.

20 I will not pursue the question or press the
21 question, and I withdraw it from the record. I will state,
22 for the record, that counsel for the Committees have been
23 informed previously of the identity of that client, and that
24 identity is one which we intend to guard confidentially.

THE WITNESS: Thank you.

3 BY MR. KAPLAN:

4 Q Why were you paid in cash?

5 A I don't know.

6 Q Did you ask for a cash payment?

7 A No. We actually asked for a wire transfer which is

8 preferable, but we received cash.

9 Q Had you received any prior payments from that

10 client, or was this the first payment that you received?

11 A No, we had received prior payments.

12 Q You had. Were those payments in about the same

13 amount?

14 A Yes.

15 Q What was the billing basis that you had with that

16 client?

17 A It's a retainer relationship. Monthly retainer

18 plus expenses.

19 Q Did you receive subsequent payments from that

20 client?

21 A Yes.

22 Q You have. Are those subsequent payments in

23 approximately the same amount of currency that you brought

24 back from Panama?

25 A At least one of them, and then our amount of

1 retainer was reduced.

2 Q. When did you first meet Richard Pena?

3 A I met Richard when I was at the--well, I'm not
4 sure, but some time before 1985.

5 MR. KAPLAN: I'm going to ask the reporter to mark
6 as Deposition Exhibit Number 24 a copy of what purports to be
7 a letter from Mr. Pena to World Affairs Counselors, Inc.,
8 dated August 15, 1985.

9 [The document referred to was marked for
10 identification as Miller Deposition
11 Exhibit No. 24.]

12 BY MR. KAPLAN:

13 Q I ask you if you recognize that letter?

14 A Yes.

15 Q Is that a letter that you received as a principal
16 in World Affairs Counselors, Inc.?

17 A It is a letter I received addressed to World
18 Affairs Counselors, Inc., but it was delivered to me,
19 personally.

20 Q Why was the letter, to your knowledge, addressed to
21 World Affairs Counselors, Inc.?

22 A Because I didn't want it addressed to International
23 Business Communications.

24 Q Can you tell us why you didn't want it addressed to
25 International Business Communications?

UNCLASSIFIED

art326

UNCLASSIFIED

326

1 A Well, it really is an offer of assistance from Mr.
 2 Pena in securing a favorable price tag on military equipment
 3 after the Congressional vote approving the sale of military
 4 equipment, or the purchase of military equipment for the
 5 benefit of the Nicaraguan resistance. And there was no
 6 reason why that type of business should be handled in any way
 7 through IBC. That's not IBC's business, and I was passing it
 8 along as a courtesy, and I chose World Affairs Counselors
 9 because it would have been anonymous to anybody here in
 10 Washington, and it had to be addressed to somebody.

11 Q Is it fair to say that the purchase of arms is also
 12 not World Affairs Counselors' business as well?

13 A That's correct.

14 Q Who was this letter being passed on to?

15 A I passed it on to Colonel North. Mr. Pena asked me
 16 to pass it on to whoever the appropriate person was, and I
 17 think he assumed I knew whoever the person was in the Central
 18 Intelligence Agency that would be responsible for these types
 19 of things, but I didn't, so I just asked Colonel North to pass
 20 it on.

21 Q Do you know why Mr. Pena assumed that you would be
 22 someone who would know the appropriate person at the CIA to
 23 pass along a letter of this sort?

24 A I just think he had watched us operate in the area
 25 of Central American policy and had a good understanding of

UNCLASSIFIED

UNCLASSIFIED

art327

327

1 how close we were to Mr. Calero, and just assumed that we
2 were closely associated with the effort.

3 MR. DUDLEY: So the record is clear, those are your
4 assumptions. Are they based on any conversations you had
5 with Pena?

6 THE WITNESS: In very rough terms. I mean, not any
7 that I recall, specifically.

8 BY MR. KAPLAN:

9 Q The letter states that it encloses a list of
10 products available from a number of entities listed, and then
11 it has an attachment which is called "Price List of Items
12 Available." I'll just state for the record, that the items
13 listed are grenades, anti-personnel mines, anti-tank mine,
14 NATO standards, bombs, and boots.

15 Is that an accurate reading?

16 A Yes.

17 Q Did you understand that Mr. Pena was going to send
18 you a letter that had these types of product availability
19 listed?

20 A I understood that it was going to be military
21 equipment. I think we discussed rifles and boots, are the
22 only thing I remember specifically discussing before this
23 letter arrived, and it was a very short discussion. I told
24 him I had no idea how to--what a price tag was on something
25 like that, and that his suppliers would have to--

art328

328

UNCLASSIFIED

1 Q Did you assure Mr. Pena that you would pass this
2 letter along to the appropriate people?

3 A Yes.

4 Q The last paragraph of the letter itself makes
5 reference to previous discussions that Mr. Pena alleges that
6 he had with you and states that -- and I will just quote it -
7 - "We envision that commissions payable on the sale of any
8 particular product will be divided equally among the corpora-
9 tions involved and the placement of that product", close
10 quote. Do you recall the previous discussions that gave rise
11 to that last paragraph?

12 A I can recall Mr. Pena telling me that his company
13 had an offshore corporation. I can't recall specifically
14 where it was, and that he felt there would be some commission
15 associated with this sale. I think one or both of these
16 people are actually clients or personal friends of his, and
17 he had made an offer for splitting whatever commission had
18 come to him. I didn't take it particularly seriously. I
19 didn't anticipate it. In fact, in all honesty I treated this
20 whole thing fairly casually.

21 Q Was it your understanding though that if commissions
22 were received from the purchase by the CIA of any of these
23 items from the companies listed by Mr. Pena that you indeed
24 would share in those commissions?

25 A It was clear to me that he had made that offer.

UNCLASSIFIED

UNCLASSIFIED

nm329

329

1 I'm not sure I would have taken him up on it. I don't even
2 know what size the commissions would be on it.

3 Q Why would you not have taken him up on that offer?

4 A I'm not an arms' merchant. I don't care to be in
5 the arms' merchant business.

6 Q Okay.

7 Is it your testimony, however, that you did give
8 Mr. Pena the name World Affairs Counselors, Inc. because that
9 would not be recognizable --

10 A That's correct.

11 Q -- in the domestic United States?

12 A Overseas. Since it is a Cayman corporation, it
13 would have been impossible for somebody to find out who the
14 principal beneficiaries were. So anybody trying to find out
15 who this letter was written to would not be able to do so,
16 and yet still the letter was written to a corporation so that
17 it was a legitimate offer. That way it could be passed on to
18 somebody and taken seriously.

19 Q Is it also fair to say that you didn't want any
20 national business communications' name on a letter of this
21 sort?

22 A Absolutely.

23 Q And why is that?

24 A Because it is not the business of International
25 Business Communications.

UNCLASSIFIED

nm330

UNCLASSIFIED

330

1 Q Do you recall Colonel North's reaction when you
2 gave him this letter?

3 A I don't even think he took it out of the envelope.
4 He just said that he would pass it along, but I believe he
5 said that he thought that it had all been taken care of.

6 Q Did you have any subsequent discussions with
7 Colonel North about this letter or Mr. Pena's offer?

8 A I asked him one time whether it had been passed on
9 and that was after Mr. Pena had asked me if I had passed it
10 on to the appropriate person.

11 Q Okay.

12 What did Colonel North tell you?

13 A He told me he passed it on to the appropriate
14 person.

15 Q You testified on June 23rd about meetings that you
16 had with Colonel North on November 20th and 21st. Have you
17 had any contacts or did you have any contacts with Colonel
18 North after your meeting with him on November 21st?

19 A Yes. I saw him probably within five or six days of
20 leaving the National Security Council.

21 Q Were you represented by counsel at the time?

22 A No.

23 Q Was that meeting in the presence of his counsel?

24 A No.

25 Q Can you tell us what the purpose of that meeting

UNCLASSIFIED

nm331

UNCLASSIFIED

331

1 was?

2 A I don't know what defines presence of counsel. It
3 was at his attorney's office.

4 Q Was his counsel in the room?

5 A No.

6 Q Who initiated that meeting?

7 A I did.

8 Q You did. What was the purpose?

9 A There had been newspaper articles quoting Oscar
10 Matamoros and unnamed officials of the Nicaraguan resistance,
11 saying that they had only gotten a few hundred thousand
12 dollars from the money Mr. Channell raised, and that he had
13 kept it all or IBC had kept it all. And knowing that we had
14 sent \$1.7 million to Lake Resources and we had sent over \$1
15 million directly to Calero's accounts and then the balance to
16 other organizations, such as Mr. Robelo's and so forth, that
17 didn't jibe with reality.

18 And I had also read the revelation from H. Ross
19 Perot that he had been asked to deposit \$2 million into Lake
20 Resources. And it was suddenly clear to me that that account
21 was used for many other things other than just assistance for
22 the Nicaraguan resistance.

23 So I went to him, and the first thing I said to him
24 was "I hope to hell that that account was used for humanita-
25 rian assistance", and he said, "Oh hell, yes." And I told

UNCLASSIFIED

nm332

1 him of my concern about Mr. Calero's statements and that it
2 was clear to me and that it was not clear to Mr. Calero that
3 the money that had gone to Lake Resources and to his accounts
4 had come from us. And he listened quietly to that. I asked
5 him whether he thought it would be a good idea for me to go
6 see Mr. Calero and explain it to him. And his sole response
7 was, "I think that would be a good idea."

8 And we then talked a bit about our wives and what
9 they were going through, and he showed me the stack of
10 letters behind him, and told me that he was working on his
11 statement to be read to the Committees on a computer. And I
12 left, and that is the sum of the meeting.

13 Q Where did the meeting take place?

14 A In an office at Williams and Connolly.

15 Q Was anyone else present at that meeting?

16 A No.

17 We also had a subsequent meeting, at which time we
18 were both represented by counsel in February.

19 Q Did the meeting take place in the presence of
20 counsel?

21 A Yes, my counsel and his counsel.

22 MR. KAPLAN: Mr. Dudley, would you assert privilege
23 as to the communications that took place between Mr. Miller
24 and Mr. North during that meeting?

25 MR. DUDLEY: I am prepared to let Mr. Miller

UNCLASSIFIED

nm333

1 testify with respect to that meeting, provided that it will
 2 not be claimed by the Committee or anyone connected with the
 3 Committees, either Committee, that doing so constitutes a
 4 waiver of the attorney/client privilege. I am not prepared
 5 to take a position as to whether that meeting actually is
 6 privileged, but I am prepared to let him testify so long as
 7 it is not considered a general waiver.

8 MR. KAPLAN: On that understanding which we can
 9 represent will be the understanding of both Committees.

10 BY MR. KAPLAN:

11 Q I would like to then proceed and ask Mr. Miller
 12 what was the substance of the discussion that took place at
 13 that meeting?

14 A I had been since November putting together pretty
 15 much by myself a report to Mr. Channell of how his money had
 16 been expended, and had gotten to the point where being a
 17 metier person, I recognized that it was days before it would
 18 hit the front page of the Washington Post after its issuance,
 19 that I thought Colonel North should be at least apprised of
 20 what was in it.

21 And I asked my attorney to discuss it with his
 22 attorney and a subsequent meeting was set up. And he
 23 reviewed the report briefly, and his sole concern was for the
 24 personal safety of two individuals mentioned in the report,
 25 and that there was only one line amended, and that single

nm334

334

1 line simply eliminated references [REDACTED]

2 And we then talked about his dog, and we talked
3 about our wives again and our families and then we left each
4 other.

5 Q Who else was present at that meeting, for the
6 record?

7 A Earl Dudley, Ronald Precup, Barry Simon and Brendon^a
8 Sullivan.

9 MR. DUDLEY: I should state that I don't think
10 everyone was always present for all parts of that meeting.

11 MR. KAPLAN: Okay.

12 BY MR. KAPLAN:

13 Q Had you had any other contacts or conversations
14 with Colonel North since February, since that meeting that
15 you just described?

16 A I spoke to him briefly by telephone before Christmas
17 to wish he and his family a merry Christmas, and again we
18 talked about our families and Max, the dog.

19 We may have had one other conversation, but again I
20 think it was just of a personal nature. UNCLASSIFIED

21 Q When you testified a moment ago that you asked

25 Has time refreshed your recollection to amend the expletive

nm335

UNCLASSIFIED

1 that he used in response to the question?

2 A I would say it's ambiguous enough that it could
3 have been either my previous recollection or the present
4 recollection.

5 MR. KAPLAN: I'm sorry. I couldn't avoid it.

6 MR. DUDLEY: Only the expletives have been deleted.

7 THE WITNESS: He is a marine officer, you know.

9 Q To your knowledge, were there any gifts or other
10 items of value that were given to North or his family by
11 anyone during the time that you have known Colonel North?

12 MR. DUDLEY: Did you say other?

13 MR. KAPLAN: No. I said by anyone.

14 MR. DUDLEY: I want to know whether the word
15 "other" was in there before the word "gifts".

16 MR. KAPLAN: I said gifts or other items of value.

17 MR. DUDLEY: I thought I heard you say were there
18 any other gifts or items of value given.

19 MR. KAPLAN: No. I will withdraw the previous
20 question and ask this one again.

21 BY MR. KAPLAN:

22 Q To your knowledge, was Colonel North given any

24 him by anyone?

25 A Well, I gave him a gift but I think it was of more

UNCLASSIFIED

nm336

UNCLASSIFIED

336

1 value to me than it was to him.

2 Q And what was the gift you gave him?

3 A It was a Labrador pup, and it was after the stories
4 had come out about his dog being poisoned. And I am a dog
5 lover and raise Labradors, and I couldn't stand the thought
6 of his children being without their dog. So I promptly went
7 over with my pregnant wife and delivered a beautiful little
8 yellow Lab pup, only to find out later that the dog that was
9 killed was about six inches tall. So I am not sure he has
10 ever been as grateful as I thought he would be for introducing
11 this monstrous 97 pound beast into his household.

12 Q You may have taken a liking to me over the course
13 of our relationship, and I know my wife would appreciate it
14 if you didn't deliver a Labrador pup.

15 A I always remember things. So I never do the wrong
16 thing twice.

17 Q Are there any other gifts or items of value that
18 you or any of your associates gave to North during the time
19 of your professional relationship with him?

20 A None other.

21 Q Are you aware of gifts or items of value given to
22 North by Mr. Channell, and I will say other than the implica-
23 tion of your testimony that North flew on a Channell chartered
24 plane or a Newington chartered plane to Mrs. Newington's that
25 weekend?

UNCLASSIFIED

nm337

337

1 A I think when Mrs. Newington -- when we were at Mrs.
2 Newington's, she gave each of us a tie. I got one. I'm
3 pretty sure Colonel North got one.

4 Q Do you recall a briefcase that Mr. Channell or
5 yourself might have given to Colonel North at some time
6 during 1985 or 1986?

7 A I remember Mr. Channell giving me a briefcase, but
8 I don't remember him giving Mr. North one.

9 Q Okay.

10 Have you had any contacts with Mr. Channell or Mr.
11 Conrad since November 1986?

12 A Yes.

13 Q When was the first such contact after November?

14 A Mr. Channell retained IBC again in November to
15 assist in his relations' effort, and we continued that
16 relationship until April, I believe.

17 Q Of this year?

18 A Of this past year; that's right.

19 Q Aside from any efforts of IBC's on his behalf with
20 respect to that professional relationship, did you have any
21 discussions with Mr. Channell after November 1986 about your
22 respective participation in what I am referring to as the
23 contra funding network?

UNCLASSIFIED

24 A Well, sure. I presented the report to him. He
25 asked continually for as much documentation as could be

UNCLASSIFIED

338

nm338

1 provided. And I sought that documentation from the recipients
2 of the assistance, and I'm sure we discussed it.

3 Q What prompted the February 1987 report, a portion
4 of which was marked yesterday as Exhibit 17?

5 A Dan Conrad had been asking for about nine or ten
6 months for a full report of the 1985/86 expenditures, and
7 there simply was not during the period in which we were
8 working for Mr. Channell time to do it, since I was the
9 individual that would have to do 95 percent of the work.

10 And finally in November it became clear to me that
11 he would need a report for tax purposes and for purposes of
12 talking to his own contributors, and so I worked I have no
13 idea how many hours, but virtually every night and all
14 weekends for some time mid-November probably until the report
15 was issued in February.

16 Q Did you discuss the substance of the report with
17 Channell or Conrad before you actually gave the report to him?

18 A No.

19 Q You and I talked yesterday about some of the
20 conclusions in the report that are on page 3 of Exhibit 17.
21 Did you review these conclusions drawn with anyone prior to
22 giving the report to Channell?

23 MR. DUDLEY: Other than counsel.

- 2 Q Were these conclusions in the report when Colonel

- 5 A Yes.
- 6 Q Did Colonel North comment at all about the con-
- 7 clusions that we discussed yesterday?
- 8 A He made no comment about it, but I remember
- 9 specifically his counsel saying that they took no position on
- 10 any of the characterizations.
- 11 Q Did Mr. Gomez review the report before it was

- 13 A I don't believe.
- 14 Q Did you discuss the conclusions drawn with him

3 Q I believe that you testified yesterday that you met
4 David Fischer some time in December of 1985.

5 A I think I may have met him in November or some time
6 at the end of the year.

7 Q Do you recall who introduced you to Mr. Fischer?

8 A Marty Artiano.

9 Q How did you know Mr. Artiano?

10 A I knew Marty from the campaign. We had a casual
11 acquaintance during the campaign.

12 Q Which campaign are you talking about?

13 A The Reagan/Bush 1979-80 campaign. And I subsequent-
14 ly got to know Mr. Artiano better when he was working at the
15 State Department and subsequently to his leaving the State
16 Department and becoming a partner at Anderson, Hibey, Narheim
17 and Blair.

18 Q Did you work with Mr. Artiano at the State Depart-
19 ment?

20 A We had some contact. His position there was in the
21 Office of International Organizations and AID has a fair
22 amount of work with the Office of International Organizations.

23 Q Did Mr. Artiano introduce Mr. Fischer to you for a
24 particular purpose, at least as far as you know?

25 A Yes. I had started a search for either a consulting

UNCLASSIFIED

UNCLASSIFIED

341

nm341

1 organization to take over the account completely or to find
2 somebody that would be willing to work together with us on
3 the account for Mr. Channell. And it was contact with Mr.
4 Artiano that led to the conversations with Mr. Fischer and
5 himself.

6 Q By the account, you are referring to the NEPL
7 account?

8 A All the Channell organizations.

9 Q Okay.

10 What was your interest in Mr. Fischer particularly?

11 A We had gotten to a point with Mr. Channell where we
12 were not able to increase his level of efficiency and
13 programs with our stature, and we needed somebody of greater
14 stature to accomplish that. And that was our reason for
15 seeking senior consultants to do that.

16 Q What did you learn about Mr. Fischer's background
17 upon meeting him?

18 A I knew exactly who David Fischer was before I ever
19 met him. He was as well known to campaign people as would
20 have been Lyn Notziger or Ed Meese or anybody like that.

21 Q What was Mr. Fischer's position in the White House?

22 A He was President Reagan's personal assistant.

23 Q Did IBC and Mr. Fischer conclude a business
24 relationship some time in November or December of 1985?

25 A Yes.

UNCLASSIFIED

UNCLASSIFIED

nm342

342

1 Q What was the relationship that you arrived at?

2 A Mr. Fischer and Mr. Artiano were retained by IBC to
3 work on initially the Channell account, and their services
4 would include the arrangement of briefings for Mr. Channell
5 and his people with senior officials, policymakers, policy
6 implementation offices for the arrangement of briefings by
7 senior Administration officials or Mr. Channell and by Mr.
8 Channell to senior Administration officials and policymakers.

9 They were responsible from that period forward for
10 most of the senior-level contacts within the Administration,
11 Congress. They provided some advice and counsel on strategic
12 planning, reviewed texts for proposed programs, made recommen-
13 dations as to how to improve the success of the programs.
14 They wrote planning memoranda and at some points I think they
15 worked on talking points. That's all off the top of my head.

16 Q What was the initial financial arrangement of your
17 relationship with Mr. Fischer and Mr. Artiano?

18 A Mr. Fischer and Mr. Artiano asked initially for
19 \$20,000 a month with a long-term commitment. It didn't take
20 them very long to realize how demanding Mr. Channell was, and
21 for them to continue the effort, they required that I
22 guarantee to them two years' worth of retainer, which I
23 agreed to do. Since that was money I would have gotten from
24 Mr. Channell in order to guarantee it, I left it up to them
25 to make calls for its distribution and over the course of the

UNCLASSIFIED

nm343

UNCLASSIFIED

343

1 next six to eight months, I charged Mr. Channell sufficient
2 fees to be able to meet that guarantee.

3 Q What was Channell's understanding as to the fee
4 basis that you had arranged with Fischer and Artiano?

5 A I told him -- and I remember a conversation in my
6 office at my conference table with Mr. Channell -- that I was
7 going to charge him \$20,000 a month plus \$50,000 a month and
8 he was actually, I think, kind of disturbed by that. But I
9 also explained to him that he wanted the level of effort that
10 he had outlined, that that was going to be what was required
11 and he accepted it and paid it out over actually I think a
12 period of about eight months. That may be a shorter length
13 of time, maybe six months.

14 Q Is it fair to say that you had almost daily contact
15 with Mr. Fischer with respect to his carrying out of the
16 services under your business arrangement with him from
17 December 1985 forward?

18 A I would use the term daily because it included
19 nights and weekends. It was an extremely demanding period of
20 time.

21 Q Did Mr. Fischer work out of your offices?

22 A No. For a period of time, he worked out of Mr.
23 Artiano's office. He also was still living in Salt Lake
24 City. So he would fly to Washington, and when he was in
25 Washington, sometimes he would work out of IBC's offices.

UNCLASSIFIED

UNCLASSIFIED

nm344

344

1 Q With what regularity did you have contact with Mr.
2 Artiano during this same period of time, that is from
3 December 1985 forward?

4 A Initially, I would say probably daily.

5 Q For how long?

6 A I don't know, probably the first three months or
7 so, four months. And then my contacts gravitated more to Mr.
8 Fischer.

9 Q Did you receive bills from Mr. Fischer or Mr.
10 Artiano or both for payment of these monthly retainers?

11 A No. I left it up to them to make cash calls on us.
12 Since it was agreed upon \$20,000 a month, there was no need
13 for any elaborate mathematics. I simply knew how much money
14 they had coming, and they were allowed to call on it any time
15 they wanted to.

16 Q When you contacted Mr. Artiano, did you contact him
17 at his law office?

18 A Yes.

19 Q And that would have been daily contact for at least
20 a period of months after and including December 1985?

21 A That's correct.

22 Q Did Mr. Artiano -- strike that question.

23 What was the form of payment that you made to
24 Fischer and Artiano pursuant to this business arrangement?

25 A Both checks and wires.

UNCLASSIFIED

nm345

UNCLASSIFIED

345

1 Q How come wires?

2 A No particular reason.

3 Q Would there be wires to Mr. Fischer in Salt Lake
4 City?

5 A Either to his account in Salt Lake City or to Mr.
6 Artiano's account in Washington.

7 Q Were your checks made to Mr. Fischer personally, or
8 were they made to David C. Fischer and Associates?

9 A I don't really remember. It's academic.

10 Q Just so we can clarify for the record, I take it
11 that you made -- of this \$20,000 a month, did you make a
12 portion of that \$20,000 by payment to Mr. Fischer and a
13 portion of that to Mr. Artiano each month, or did you make a
14 lump sum payment that they split amongst themselves?

15 A Initially, I made lump sum payments that they split
16 amongst themselves, and then it was up to each one of them to
17 make cash calls. And whatever their cash call was, that is
18 what I paid, simply that their request for payment was met by
19 a payment.

20 Q Were payments to Mr. Artiano made to him personally,
21 to the best of your recollection?

22 A I think so.

23 Q Did you ever make any payments to the law firm of
24 Anderson-Hibey?

25 A I think I made a payment to Anderson. No, I don't

UNCLASSIFIED

nm346

UNCLASSIFIED

346

1 think I have ever made a payment to Anderson.

2 Q Did you have meetings with Mr. Artiano during the
3 first month after the beginning of the relationship?

4 A Yes.

5 Q Where did those meetings typically take place?

6 A Well, when they were just regarding our client,
7 they would have been at IBC or at his office.

8 Q When you say "his office", you are referring to his
9 office at Anderson-Hibey?

10 A Yes. And I also attended some meetings with him
11 that he and Mr. Fischer had set up with officials or policy
12 offices, and those would have been outside our offices.

13 Q How long did Mr. Fischer maintain offices at Mr.
14 Artiano's law firm?

15 A I couldn't say for certain. I can't place a time
16 on it.

17 Q Did he have a separate office at the law firm?

18 A I don't know.

19 Q What was your understanding as to the relationship,
20 if any, between Mr. Fischer and the law firm of Anderson-
21 Hibey?

22 A I don't think there was a relationship.

23 Q Other than the fact that he had an office there --

24 A Yes.

25 Q -- at least for a period of time.

UNCLASSIFIED

UNCLASSIFIED

nm347

347

1 Was there a time when Mr. Fischer took up an office
2 residence at IBC's offices?

3 A Yes.

4 Q When did that occur?

5 A In late June or July of 1986.

6 Q So that was some time around the time that IBC and
7 David C. Fischer and Associates entered into a joint venture
8 arrangement?

9 A That's right.

10 Q Do you recall what the total fees were that were
11 paid to Fischer and Artiano over the course of your relation-
12 ship with them? Well, strike that.

13 Do you recall what the total fees that were paid to
14 Fischer and Artiano pursuant to this business relationship
15 that was struck between IBC and them in December of 1985?

16 A It would have been about \$480,000.

17 Q And do you recall when those fees were paid?

18 A Over the course of the next probably eleven or
19 thirteen months.

20 Q Was there a time when the fee payments of \$20,000 a
21 month were accelerated by IBC?

22 A Well, they had the right to accelerate it any time
23 they wanted to, depending on what their needs were. It was
24 for me a singular commitment.

25 Q So that if I understand you correctly, in December

nm348

348

UNCLASSIFIED

1 of 1985 you guaranteed to Fischer and Artiano \$20,000 a month
2 and you guaranteed to them payment for 24 months running from
3 that time.

4 A Correct.

5 Q And if my multiplication serves me correct, that 24
6 months times \$20,000 comes to \$480,000. Is that correct?

7 A That's correct.

8 Q So that there was a lump sum arrangement in
9 December 1985 of \$480,000 payable to them. Is that correct?

10 A That's correct.

11 MR. DUDLEY: I have a little trouble with the
12 phrase "lump sum" there. There was a total commitment to pay
13 that.

14 MR. KAPLAN: I'll take that clarification.

15 BY MR. KAPLAN:

16 Q Was there a total commitment made in December 1985
17 that IBC would pay Fischer and Artiano that amount, pretty
18 much regardless of what happened?

19 A Well, as long as they continued to work with the
20 client.

21 Q Okay. And that was part of the understanding in
22 your original relationship.

23 A Yes.

24 Q And pursuant to that total commitment though, as I
25 understand your testimony, is it correct to say that Fischer

1 and Artiano had the right to call upon IBC to make payments
2 of amounts up to that \$480,000 at any time during their
3 performance of services under that original business relation-
4 ship?

5 A Well, they had the right, but obviously, if they
6 had stopped doing the work, we would have not been amenable
7 to the call.

8 Q Right. But assuming that they did continue to do
9 the work --

10 A Yes, they had the right to call, and they did on
11 occasion call for large sums.

12 Q If they had come to you three months into the
13 relationship and called on the entire \$480,000, would IBC
14 have paid to them under the terms of their relationship that
15 \$480,000?

16 MR. DUDLEY: Objection; that is speculative.

17 THE WITNESS: Yes. That's a hypothetical. I
18 wouldn't answer it.

19 BY MR. KAPLAN:

20 Q Was there a time in which they called more than
21 \$20,000 a month?

22 A I think there was at least one occasion -- well,
23 maybe as many as two or three.

24 Q Did IBC pass through all the payments to Fischer
25 and Artiano to NEPL?

UNCLASSIFIED

nm350

UNCLASSIFIED

350

1 Do you understand what I am asking?

2 A No.

3 Q Was NEPL charged for Fischer and Artiano's services

4 that IBC paid for?

5 A Yes.

6 Q In total?

7 A In regards to the client relationship that we

8 discussed earlier, yes. There was an additional relationship

9 at a later point in time.

10 Q Okay, which didn't involve NEPL?

11 A No. It involved IBC clients in general.

12 Q I see. And the \$480,000 that was paid to Fischer

13 and Artiano under this original business relationship that

14 was struck in December of 1985, was that \$480,000 charged to

15 NEPL by IBC?

16 A That's correct.

17 Q Okay.

18 Did you have an understanding that Fischer and

19 Artiano were being paid based on a number of meetings with

20 the President that they were able to arrange?

21 A No.

22 Q Do you know whether anyone else had that understand-

23 ing?

24 A At some point we actually held a meeting because

25 Spitz or Dan Conrad -- I have forgotten which -- had said

UNCLASSIFIED

nm351

UNCLASSIFIED

351

1 something similar to that, and we actually held a meeting in
2 my conference room, in which Marty Artiano quite avidly
3 dissuaded them of that notion, and I remember him saying "I
4 have no idea how this got started but I want it to be clear
5 that that's not why we were brought into this." And it was
6 agreed that that was the case, and the meeting was ended.

7 Q When did that meeting take place?

8 A We were in our new office. So it had to be after
9 January.

10 Q Of 1986?

11 A Yes.

12 Q What was Channell's response?

13 A I don't think he particularly liked the direct
14 nature that Marty used to discuss it with him, and aside from
15 that, I think he was in agreement.

16 MR. McGOUGH: Would you mind if I interjected here
17 because I have the sequence I think a little more clearly.

18 MR. KAPLAN: Go right ahead.

19 EXAMINATION BY COUNSEL FOR
20 THE SENATE SELECT COMMITTEE

21 BY MR. McGOUGH:

22 Q There was originally the agreement for \$20,000 a

25 Q There then was a meeting you had with Mr. Channell

UNCLASSIFIED

UNCLASSIFIED

352

1 that you mentioned before at a conference table where you
2 told him that over the next six months you were going to
3 charge him \$20,000 a month plus \$50,000 a month.

4 A That's correct.

5 Q When did that meeting take place?

6 A It had to be in December because we were in our old
7 offices.

8 Q So you had the meeting in December where you told
9 him that was the arrangement. What was his response to that
10 offer or request?

11 A He wasn't happy about it.

12 Q I think you said December of 1986. You mean
13 December of 1985.

14 A Correct.

15 Q Did he ask you anything about what Fischer and
16 Artiano might do in exchange -- or if he, in fact, were to
17 pay \$70,000 a month? Did he ask you anything about their
18 capabilities?

19 A Your time frames are reversed because he was the
20 one that set the work product necessary to his program. So
21 he had already identified what he wanted to have done.

22 Q There was a time when he thought he was going to
23 pay \$20,000 a month. Is that right?

24 A Initially, when I spoke to Mr. Artiano and Mr.
25 Fischer, we were talking about \$20,000 a month.

UNCLASSIFIED

UNCLASSIFIED

nm353

1 Q And did you relay that on to Mr. Channell?

2 A I think initially I did relay that to Mr. Channell.

3 Q Then you came back in December of 1986 and said

4 that for the next six months you were going to charge him

5 \$20,000 a month plus \$50,000 a month.,

6 A Correct.

7 Q And Mr. Channell wasn't happy with that.

8 A That's correct.

9 Q Did Mr. Channell ask you anything about Presidential
10 meetings at that meeting in December of 1986 -- 1985. I'm
11 sorry.

12 A He may well have. I don't have a specific recollec-
13 tion, but again you have got the cart before the horse. I
14 don't want to use any particular analogy.

15 The work product that Mr. Channell was demanding
16 had already been discussed prior to that meeting.

17 Q I understand that, and I understand that Presiden-
18 tial meetings may well have been discussed prior to that
19 meeting. But my question is: When you broached that
20 proposal with him in December of 1986, the proposal being
21 \$20,000 plus \$50,000 -- in 1985 -- when you broached that
22 proposal in December of 1985 for \$20,000 plus \$50,000, did he
23 ask in response anything about Presidential meetings?

24 A Again, not that I specifically recall, but Presiden-
25 tial meetings were part of the previous discussion of the

UNCLASSIFIED

nm354

UNCLASSIFIED

354

1 work product that he needed. So it is entirely possible but
2 I don't recall a specific exchange on it.

3 Q Do you recall a specific exchange involving whether
4 or not he would receive for Presidential meetings over the
5 next four months?

6 A I remember he wanted the President at events over
7 the next four months, and I think ultimately six or eight
8 months. But he -- yes.

9 Q That was at the December 1985 meeting.

10 A Yes.

11 Q And what did you tell him about the President's
12 availability over the next four months or six months? I
13 mean, did you tell him that you would have to check with
14 Fischer and Artiano as to whether that was possible?

15 A I don't recall whether I said that to him or not.

16 Q Did you make any response at all to him?

17 A Again, I don't recall the specific exchange. So I
18 don't recall. But again, he understood going into that
19 meeting that he was requesting as part of his work product
20 meetings with the President.

21 Q I understand that. But I am focusing on the
22 December meeting, and all I want to know is whether you have
23 a recollection as to that meeting of Mr. Channell asking in
24 response to your proposal for \$70,000 a month about the
25 President's availability for meetings over that same time

UNCLASSIFIED

nm355

1 period, over the next four to six months?

2 A I don't have a specific recollection.

3 Q Did Mr. Channell agree to that amount at that
4 meeting, or did you have to go back and get further informa-
5 tion from Mr. Artiano and Mr. Fischer?

6 A I recall him agreeing at the meeting. In fact, I
7 recall him leaning on my fireplace and saying he was not
8 happy about it, but that he was willing to pay it.

9 Q Did he indicate what he expected in exchange for
10 the additional payment?

11 A I don't remember a specific exchange about what he
12 expected for the additional payments.

13 Q Did you come away with a sense that he expected any
14 additional effort on the part of Mr. Fischer or Mr. Artiano
15 or any tangible work product from that?

16 A Yes, but it wasn't any different than the same
17 expectations going into the meeting.

18 Q So you don't recall him having any additional
19 expectations for the additional \$50,000 per month?

20 [] MR. DUDLEY: "Additional" may be wrong here. It is
21 escalated \$50,000.

22 MR. OLIVER: He used the word "additional" earlier.

23 MR. DUDLEY: I know he did and I let it go by and I
24 shouldn't have.

- 1 Q I am trying to understand you had struck a deal in
2 November to provide certain services, in November of 1985 to
3 provide certain services for \$20,000 a month.
- 4 A Right.
- 5 Q Within one month you come back --
- 6 A In probably less than one month.
- 7 Q In probably less than one month you come back and
8 say, "No, the price is now \$70,000 per month." I'm trying to
9 get at whether in exchange for that increase in at least
10 monthly installments or that compression of the money whether
11 Mr. Channell spoke in terms of additional results or addition-
12 al effort or additional work product from Mr. Fischer or Mr.
13 Artiano. Or did he say, "No, that's okay; I will pay \$70,000
14 for what I originally thought we were going to get for
15 \$20,000."
- 16 A Again, counsel, I am not trying to be evasive but
17 the meeting was predicated on the fact that there was a great
18 increase in the amount of effort that Mr. Channell expected
19 over the next six months. And it was my requirement that he
20 pay this extra money associated with that effort.
- 21 Q So it was Mr. Channell who had set the predicate
22 for the meeting as being additional effort over the next six
23 months?
- 24 A Oh, yes.
- 25 Q What were the additional efforts that he was asking

UNCLASSIFIED

1 for over the next six months?

2 A Well, initially when we went to Fischer and
3 Artiano, first of all, we had to retain them to even begin
4 the discussions. So that I remember clearly. And initially
5 they thought they were doing mostly advice and counsel. When
6 it became clear early on in their first meetings with Mr.
7 Channell that he had a very long agenda with a lot of work
8 elements associated with it, that required a lot of time on
9 their part and a lot of contact with very senior officials
10 and their credibility on the line and so forth. That's when
11 they suggested that they were going to have to have a two-
12 year commitment from me, and I agreed to that.

13 This is all within probably one to three weeks.

14 Q All right. This was before a deal was struck for
15 \$20,000 a month for two years.

16 A At that point, the deal was struck for \$20,000 a
17 month for two years.

18 Q We're at that point.

19 A Right.

20 Q I'm just trying to follow the sequence through.

21 The coming up on this meeting in December of 1985, Mr.

22 Channell made additional demands on them.

23 A I guess my problem is that I am looking at a
24 maximum of three weeks, probably about a two-week period
25 where it became clear that the amount of work that Mr.

UNCLASSIFIED

nm358

UNCLASSIFIED

358

1 Channell was requiring was greatly in excess of what he had
2 conveyed to anyone before.

3 Q I know we have to focus on that. What I am trying
4 to get at is the difference between the work he had conveyed
5 before and the work that now led up to this December 1985
6 meeting where the payments were compressed. What was the
7 difference in what he was asking before?

8 A Before all he was asking for was advice and counsel.

9 Q Advice and counsel on what?

10 A On his programs, just on the substance of his
11 programs.

12 Q And it didn't involve Executive Branch liaison?

13 A No.

14 Q It didn't involve setting up meetings with the
15 President?

16 A No.

17 Q After in that two to three-week period leading up
18 to the December 1985 meeting, he changed or he increased the
19 demands upon them. Fair enough?

20 A I will give you that if you don't keep your list
21 only two items long.

22 Q Fine. But he made additional demands.

23 A Right.

24 Q And was the predicate for the December 1985 meeting?

25 A Right.

UNCLASSIFIED

nm359

UNCLASSIFIED

359

1 Q And at the December 1985 meeting one -- or leading
2 up to the December 1985 meeting, one of the additional
3 demands was Executive Branch liaison?

4 A That's correct.

5 Q And one of the additional demands was assistance in
6 setting up meetings?

7 A That's correct.

8 Q And there were other demands as well.

9 A A tremendous number of other demands.

10 Q A tremendous number of other demands. And in
11 exchange for those additional efforts you asked for an
12 increase in the monthly payments from \$20,000 a month to
13 \$70,000 a month over the next --

14 A Correct.

15 Q -- six months. And in that context was there any
16 discussion of the number of Presidential meetings that Mr.
17 Fischer or Mr. Artiano might be able to set up over the
18 course of the next four to six months?

19 A I don't remember a specific exchange about the
20 number of Presidential meetings. I recall that Mr. Channell
21 was anticipating having at least one event a month like the
22 one he had in January.

23 Q And did he inquire whether or not the President --
24 whether or not Mr. Fischer or Mr. Artiano might be able to
25 arrange for the presence of the President at one or more of

nm360

360

UNCLASSIFIED

1 those events which would work out to one or more a month over
2 the next six months?

3 A I don't recall a specific exchange as you have just
4 characterized.

5 Q But the schedule for the events over the next six
6 months was certainly a topic of conversation, was it not?

7 A Mr. Channell had anticipated having one of these
8 events one a month for the next six -- originally four months
9 and then six months.

10 Q And he wanted the President to attend those, did he
11 not?

12 A If possible, yes.

13 Q And at some point you would have discussed, would
14 you not, with Mr. Fischer and Mr. Artiano their ability to
15 arrange for the President's presence at those meetings.
16 Correct?

17 A I think you have to rephrase your question.

18 Q I guess what I am saying is you would have asked
19 them, "Hey, Marty, hey, Dave, Channell plans a series of
20 events over the next six months. Is there any chance you
21 could have the President attend" or something to that effect.

22 A I think it was more a matter of us laying out or me
23 laying out for Marty and David the total agenda that Channell
24 had over the next six months, and they felt confident that
25 they could help meet it.

UNCLASSIFIED

nm361

361

1 Q And that agenda included, at least ideally,
2 arranging for the President to attend Channell's events.

3 A Well, there were a lot of ideal items on it, and
4 several which never happened.

5 Q I understand. But one of the items would have been
6 that.

7 A Yes.

8 Q And you would have discussed those ideals with Mr.
9 Artiano and Mr. Fischer, would you not?

10 A We would have discussed the agenda in general. I
11 don't think I would have ever questioned whether or not they
12 could deliver on the agenda if they said they could.

13 Q But they would have indicated that they could
14 deliver. You said you wouldn't have questioned them if they
15 said they could. Did they indicate that they could do that?

16 A You and I have used "if" and "would" about ten
17 times in the last three sentences, and I am telling you I
18 don't recall a specific exchange, and I just want to leave it
19 at that. I mean, I don't think I would have challenged them
20 on whether or not they could deliver on something. I don't
21 think I would have asked them specifically whether they could
22 deliver on something.

23 Q Would they have told you about their capabilities
24 as far as bringing the President to Mr. Channell's events?

MR. DUDLEY: I object to the form of the question.

nm362

1 I will let him answer did they tell you.

2 BY MR. McGOUGH:

3 Q Did they tell you?

4 A I don't recall them specifically telling me that.

5 MR. McGOUGH: I think I have pretty well played out
6 that.

7 MR. KAPLAN: I just have two follow-up questions on
8 that area, and then I want to move on.

9 EXAMINATION BY COUNSEL FOR

10 THE SENATE SELECT COMMITTEE (Resumed)

11 BY MR. KAPLAN:

12 Q Did Mr. Channell tell you in this meeting that
13 occurred in early 1986 how he arrived at the understanding
14 that he apparently had arrived at that he would be paying
15 \$50,000 for meetings that could be set up with the President?

16 A I don't think what we were trying to dissuade him
17 of was that he was paying \$50,000 a meeting. What we were
18 trying to dissuade him of was that the sole reason he had
19 hired Mr. Fischer was to set up meetings with the President.

20 Q Did Channell tell you how he arrived at that
21 understanding?

22 A No.

23 Q How did you learn that Channell was holding this
24 understanding of his business relationship with Fischer and
25 Artiano?

UNCLASSIFIED

nm363

UNCLASSIFIED

363

1 A I think it was an errant comment made by him to
2 either Mr. Fischer or myself or Mr. Artiano.

3 Q Okay. And that's what gave rise to the meeting?

4 A Yes. It was an attempt to nip it.

5 Q And you described the meeting earlier in your
6 testimony here today.

7 A Yes.

8 Q Let's move on.

9 Do you know a Richard Secord?

10 A Well, I met him on the street one time and I talked
11 to him on the phone three times.

12 Q When did you meet him on the street?

13 A About a week ago.

14 Q How did that meeting come about? Was it a chance
15 meeting?

16 A It was very chance and it was a simple handshake
17 and a wish for good luck to both of us.

18 Q Did he know who you were when you introduced
19 yourself?

20 A I don't think he recognized me immediately but
21 shortly I think it dawned on him who I was.

22 Q Did you meet him on the street someplace around
23 Dupont Circle?

24 A Yes. I have spoken to him on the phone, as I told
25 you in past meetings, I guess, about two or three times.

5 [Brief discussion off the record.]

6 MR. KAPLAN: Back on the record.

7 BY MR. KAPLAN:

8 Q In what context did you have phone conversations
9 with Mr. Secord previously?

10 A Well, I didn't know it was Mr. Secord at the time
11 during the al-Masoudi business. I eventually got to the
12 point --

13 MR. KAPLAN: What I would like to do actually is to
14 go on for about five more minutes and then take about a ten-
15 minute break.

16 THE WITNESS: The supposed oil contract needed to
17 be checked out and I asked Colonel North if there wasn't
18 somebody that couldn't in an official capacity check it out.
19 And he gave me a number in Northern Virginia and said, "Call
20 this and ask for Mr. Kopp", and I did, and they took my name
21 and number and then called me back, or rather he called me
22 back. I gave him the account number or the contract number,
23 and he called me back in about a week-and-a-half or two weeks
24 to tell me that the contract did not exist.

1 Q Do you recall the third phone conversation you had
2 with Mr. Kopp?

3 A I called him about -- well, no, those were the only
4 ones I had with Mr. Kopp. I had one other phone conversation
5 with him about a month ago.

6 Q What gave rise to that conversation?

7 A I had a film idea and I wanted to discuss it with
8 him.

9 Q Why did you discuss General Secord to discuss the
10 film idea with him?

11 A Well, I figured with he on one side of this network
12 and me on the other, we would pretty much cover the details
13 associated with it. It has gone nowhere than a phone conversa-
14 tion.

15 Q Is it an idea that relates to some of the activities
16 under investigation by these Committees?

17 A Of course.

18 MR. KAPLAN: I am going to ask the reporter to mark
19 as Exhibit Number 25 a copy of a page of notes that was
20 produced by your counsel to us.

(Whereupon, Deposition Exhibit
Number 25 was marked for

UNCLASSIFIED

366

1 A Yes. That is from a notebook that I kept during
2 the al-Masoudi period.

3 Q Okay. Do you recall the context in which these
4 notes were written?

5 A It was a conversation with Mr. al-Masoudi.

6 Q Did Mr. al-Masoudi tell you the information that is
7 contained in the item numbered 1, which says "Paid order to
8 Credit Suisse", and then it has the name Kopp underneath?

9 A Yes.

10 Q Did Mr. al-Masoudi know this Mr. Kopp?

11 A He met him in Geneva.

12 Q And was this a request, and does this note reflect
13 a request from al-Masoudi for you to send some money to him
14 in care of Credit Suisse and Mr. Kopp?

15 A No.

16 Q Do you recall what this note reflects?

17 A Barely. It's vintage al-Masoudi. It's some bright
18 idea he had to give Mr. Kopp some money.

19 Q Did he tell you what he was going to give Mr. Kopp
20 some money for?

21 A No, but I am assuming that he had put two and two
22 together and assume that Mr. Kopp was in some way related to
23 Mr. North and the Nicaraguan resistance.

24 Q When did you learn that Mr. Kopp was the same
25 person as General Secord?

UNCLASSIFIED

nm367

UNCLASSIFIED

367

1 A I think it was the same article as the H. Ross
2 Perot revelation.

3 Q That's in December of 1986.

4 A Yes, but it was about that period anyway.

5 Q Were you aware at the time that you were handling
6 some transactions between IC, Inc. and Lake Resources, and
7 that Mr. Kopp had an association with Lake Resources?

8 A Well, I think from the al-Masoudi business I had
9 some inkling, but nothing substantial or specific.

10 Q Did Mr. Kopp's name ever come up in conversations
11 between you and Colonel North or you and anyone else in
12 connection with your contra funding activities?

13 A Well, subsequent to the checking out of the oil
14 contract, Colonel North said that he sent somebody to see the
15 real Ibrahim al-Masoudi in Saudi Arabia, and I believe he
16 told me it was Mr. Kopp.

17 Q Any other times that you recall his name being
18 mentioned in connection with your contra funding activities?

19 A I'm not remembering any right now.

20 Q How well did you know William Casey?

21 A He fired me one time. He furloughed me, as you
22 were so nice to put it before.

23 Q Aside from that, how closely did you work with him
24 during the campaign, that is the 1980 campaign?

25 A In 1980, not very closely.

UNCLASSIFIED

nm368

UNCLASSIFIED

368

1 Q Did you have any subsequent dealings with Mr. Casey?

2 A NO, not directly.

3 Q What dealings would you have had with him possibly
4 indirectly?

5 MR. DUDLEY: I object to the form of the question.

6 THE WITNESS: Well, there was an indirect dealing
7 and that was that Mr. Fischer set up a meeting between Mr.
8 Channell and Mr. Casey to discuss an idea that Mr. Channell
9 had for doing a film on the Central Intelligence Agency.

10 BY MR. KAPLAN:

11 Q And I take it to your knowledge nothing ever
12 materialized about that film idea?

13 A No. I shy away from films about the Central
14 Intelligence Agency.

15 Q You described yesterday some contacts and communica-
16 tions you had with a fellow named Roy Godson.

17 A Yes.

18 Q Are there any other contacts you had with Mr.
19 Godson than the ones that you described yesterday?

20 A Not that I had, but I think Frank had some brief
21 contact with him at about the time they produced their book
22 on Soviet disinformation.

23 Q Have you ever had any contact with Vice President
24 Bush?

25 A I have met Vice President Bush.

UNCLASSIFIED

nm369

369

1 Q Any substantive contact with him?
2 A Well, Mr. Conrad, Mr. Channell and myself went to
3 see Vice President Bush. Mr. Channell requested the meeting.
4 Mr. Fischer, Mr. Artiano and myself set it up. I went; we
5 were presenting to Vice President Bush a survey of the Select
6 500 which is a Channell survey system of senior contributors
7 to try and get some sense of the conservative activist
8 heartbeat, senior conservative activist heartbeat. And we
9 went and presented that to him, and also described the
10 Central American Freedom Program and suggested that he might
11 try and attend one of the briefings. And he said that if it
12 fit his schedule, he would. We subsequently tried and it
13 didn't fit his schedule, so he didn't.

14 Q Who arranged the meeting for you with Vice President
15 Bush?

16 A I think it was a collective effort of myself, Mr.
17 Fischer and Mr. Artiano.

18 Q Have you ever met Donald Gregg?

19 A No, I don't think so.

20 Q Have you ever had any dealings with Felix Rodriguez?

21 A No.

22 Q Did you have any knowledge of the Iranian arms'
23 sales prior to public disclosure of those sales?

24 A No.

25 Q Did you have any knowledge of what is commonly

1 referred to as the diversion of proceeds from those arms'
2 sales to the contras prior to public disclosure of that

4 A Unfortunately no.

5 Q Did you have any knowledge of any third-country
6 solicitations that took place by United States Government
7 officials prior to the public disclosure of those solicita-
8 tions and aside from the reference to third-country solicita-
9 tion to which you testified back on June 23rd?

10 A Of June 23rd?

11 Q Do you recall on June 23rd you testified that in
12 your conversation with Colonel North on Friday, November
13 21st, he made a reference which you didn't understand at the
14 time, that he had given one to Secretary Shultz and Secretary
15 Shultz hadn't done so well on it. Do you recall that
16 testimony?

17 A I do.

18 Q Aside from that conversation, did you in 1985 and
19 1986 have any knowledge of any third-country solicitations --

20 A No.

21 Q -- made by the United States Government personnel?

BY MR. KAPLAN:

Q I'm just going to ask you if you could briefly tell us for the record what gave rise to the two telexes that are represented by Exhibit 26.

A I went to see Colonel North after the Hasenfus plane was shot down, and, as I recall, he was pretty frantically working around the office, and I sat at the conference table for some time, and I got in one question, which was:

Was that one of our planes, meaning one of the planes that

1 NEPL had raised money for? And he said, "Sure was", or
2 something to that effect; I have forgotten exactly what it
3 was he said, but his answer was affirmative.

4 And he was talking to somebody on the telephone,
5 frantically trying to find a way to find an American citizen
6 to give \$10,000 to the United States Embassy to reimburse
7 Consular Affairs to bring the bodies of Mr. Walker and the
8 other individual back to the United States. There are
9 usually -- I am aware of this because of my work at AID --
10 there are usually mortuary responsibilities that are absorbed
11 by the Consular Affairs Office in the Embassy, and the
12 individual family is responsible for reimbursing it.

13 And I looked at him and I said, "Why are you going
14 through all of this pain and aggravation? Why don't you just
15 give me the account number and I will transfer the money from
16 IC, Inc.?" And he thought for a second and he said to the
17 person that he was talking to on the phone, "I'll call you
18 back." And it just hadn't dawned on him to do it. So he
19 called back and asked who the money should be sent to.

20 I don't know who he was talking to on the other
21 line. It may have been this Mr. Walker. And this is the
22 information that he got. I went back and sent a telex that
23 night or the next day, and he then called me on the phone and
24 said, "Has that transaction taken place yet?" And I said, "I
25 have sent the telex." And he said, "Can you pull it back?"

1 And I said, "I think so." And he said, "Please cancel it."

2 Q Did he tell you why he wanted you to cancel the

3 telex?

4 A No.

5 Q Did you ask him why?

6 A No.

7 MR. OLIVER: Can I follow up just on that particular

8 thing?

9 Mr. Miller, after you cancelled that telex, did you

10 notify Mr. Walker either directly or indirectly that it had

11 been cancelled?

12 THE WITNESS: I never discussed it either way with

13 Mr. Walker. I never talked to Mr. Walker about it.

14 MR. OLIVER: Did you discuss with anyone else

15 contacting Mr. Walker?

16 THE WITNESS: I don't believe so. No, I didn't.

17 MR. OLIVER: You didn't instruct anyone to notify

18 the State Department or Mr. Walker that the telex had been

19 cancelled or that other arrangements had been made?

20 THE WITNESS: No.

21 MR. OLIVER: Thank you.

1 A C-9, I really don't know what configuration it is.

2 Q Do you recall a conversation with Colonel North in

4 a C-9 was on standby?

5 A A C-9 was on standby?

6 Q Yes.

7 A I don't think so.

8 Q Would he have given you any information to that
9 effect?

10 A When? February?

11 Q Summer of 1986.

12 A It may have been in regards to the al-Masoudi
13 matter.

14 Q No, in 1986.

15 A Oh, 1986?

16 Q Right.

17 A It could have been one of the heavy-lifting
18 operations. There was one point when he had an extremely
19 urgent need for money and nothing was moving until the money
20 got there, and that may have been the instance in which --

21 MR. KAPLAN: Okay. I am going to ask the reporter

A Yes.

Q Can you tell us what the document is?

A I got this document since Colonel North left the

NSC.

Q Do you know who prepared it?

A I don't.

Q Where did you get the document from?

A I honestly don't remember. I may have gotten it
from Frank Gomez.

Q Did you ask Gomez for the document?

A No, but lots of times when he had something, he
just provides it to me if he knows I'm working on it.

Q And for what purpose did you receive this document,
or for what purpose did you ask for this document?

Let me back up a minute. How did this document
come into your possession?

A I don't remember specifically how it came into my
possession. My use of it was general information. I was
trying to produce a time line for Mr. Channell's ads, and I
needed across the bottom legislative landmarks and Administra-
tion policy landmarks, and I think that's what I used this

1 for. I produced that in January, I think.

2 Q Okay.

3 And is it fair to characterize the document as a
4 description of the variety of statutory provisions dealing
5 with contra aid or prohibitions of aid to the contras by the
6 United States Government?

7 MR. DUDLEY: I object to the form of the question.
8 I think the document speaks for itself, and I'm not sure he
9 is competent to answer the question framed in those terms.

10 BY MR. KAPLAN:

11 Q What did you consider? What kind of information
12 did you consider this document to provide you with?

13 A Items of note in the legislative process associated
14 with aid to the Nicaraguan resistance.

15 Q Did you have any knowledge of hostage rescue
16 efforts, that is rescue efforts of the hostages held in
17 Lebanon prior to the public disclosure of some of those
18 hostage rescue efforts during the course of these investiga-
19 tions?

20 A Yes.

21 Q First, I am going to ask you whether you were ever
22 asked to provide any money to extricate the hostages that
23 were held in Lebanon?

24 A I was asked to provide money that was used in an
25 effort to extricate hostages from Lebanon.

UNCLASSIFIED

rum377

UNCLASSIFIED

377

1 Q Why don't you tell us first what knowledge you had
2 of any hostage rescue efforts prior to their public disclosure
3 late last year?

4 A In the summer of 1985 when I began working with
5 Ibrahim al-Masoudi on this oil contract that was to provide
6 assistance to the Nicaraguan resistance, I flew to Fresno,
7 California for meetings with Mr. al-Masoudi. And while I was
8 there the TWA hostage crisis unfolded in Lebanon, and Mr. al-
9 Masoudi immediately offered to assist in securing the release
10 of those hostages. He gave me a fair amount of information
11 which I passed on to Colonel North by telephone. Colonel
12 North indicated that the information seemed a track. "Track"
13 is a word of art; it seems to be associated with activities
14 that Colonel North conducts.

15 And as the crisis unfolded, al-Masoudi began to
16 broaden his offer to help at that point five hostages held in
17 Beirut by terrorists. And all the information I got from al-
18 Masoudi -- whether it was names, places or numbers or
19 whatever -- I tried to pass those on as often as possible
20 daily to Colonel North, and in one instance to the Task Force
21 that was set up at the Federal Bureau of Investigation for
22 the TWA crisis.

23 Q How did you know about the Task Force that had been
24 set up at the FBI?

25 A There was a mass of relevant information that al-

UNCLASSIFIED

nm378

378

1 Masoudi had, and they wanted to discuss it with him. And I
2 don't know whether North -- I don't know who told who to do
3 what, but I was told to call the Task Force, and they set up
4 a meeting with al-Masoudi in Houston, I believe.

5 Q Do you recall who you spoke to at that FBI Task
6 Force?

7 A I don't remember the agent's name, but they
8 certainly would have records of it. They sent field agents
9 to interview al-Masoudi in Houston.

10 Q Did you attend those interviews?

11 A No.

12 Then when we went to -- when al-Masoudi and I went
13 to London and [REDACTED] al-Masoudi had made an offer while
14 we were [REDACTED] to try and help in some form of a rescue
15 effort that the DEA agents were involved in, and it required
16 on one occasion \$15,000 and on another I think \$5,000 or
17 \$10,000. And I transferred that money initially, the \$18,000
18 in travelers check sent by DHL Courier, and subsequently the
19 other monies, I think, were transferred via the American
20 Express offices in Geneva.

21 Q What DEA agents are you referring to? Can you tell
22 us their names?

23 A Well, the only one I remember is [REDACTED] who
24 flew with us to London, and then flew [REDACTED] later.

25 Q When you sent travelers checks to support the

UNCLASSIFIED

nm379

UNCLASSIFIED

1 operation, who requested the money?

2 A Al-Masoudi requested it. I discussed it with North
3 and he approved me of sending it.

4 Q What were the source of funds for those travelers
5 checks?

6 A That was money that had been provided by NEPL.

7 Q Was Mr. Channell or Mr. Conrad ever told that some
8 of the money that they provided was used for hostage rescue
9 efforts?

10 A No.

11 Q You referred, I believe, to approximately \$18,000
12 worth of travelers checks that were sent by DHL Courier [REDACTED]

13 [REDACTED]. Were those sent toward the end of August of 1985?

14 A I think that's correct.

15 Q Was there a later traveler check transfer also by
16 DHL Courier to al-Masoudi of \$5,000?

17 A Yes.

18 Q Would that have occurred early in November 1985?
19 Or did that occur early in 1985?

20 A There was a transfer, I think, in November that
21 wasn't completed. He never picked them up because he was in
22 jail.

23 Q November 1985?

24 A I have forgotten exactly when that pick-up was, but
25 we got back \$4,500 of that because he had been arrested, and

UNCLASSIFIED

nm380

UNCLASSIFIED

380

1 it was at the time of the Summit. So I think the Summit was
2 in November.

3 Q Do you recall having filed a Treasury report form
4 nonetheless for that transfer?

5 A Yes.

6 Q Was there also a transfer about five or six days
7 later of \$9,000 of travelers checks by DHL Courier to al-
8 Masoudi?

9 A I don't remember through DHL.

10 Q Okay.

11 Does it refresh your recollection if I told you
12 that we have from the Department of Treasury the various CMIR
13 filings that you made? That's currency and monetary instru-
14 ments reports' filings to what you have testified earlier.
15 And they show \$18,500 on August 30th by DHL Courier to al-
16 Masoudi, \$5,000 again travelers checks on November 1 by DHL
17 Courier to al-Masoudi, and \$9,000 again travelers checks by
18 DHL Courier to al-Masoudi on November 6, 1985?

19 A Yes.

20 MR. DUDLEY: Do you understand his question?
21 People are frequently confused refreshing recollections. The
22 fact that he has got a record that says that doesn't mean
23 that you remember it.

UNCLASSIFIED

24 His question to you is: His having told you about
25 the record, do you now remember it?

nm381

UNCLASSIFIED

381

1 THE WITNESS: I remember that we filed three forms.

2 BY MR. KAPLAN:

3 Q Were those checks all sent at al-Masoudi's request?

4 A Yes.

5 Q Was each transfer of travelers checks to which you
6 have just testified approved by North?

7 A Yes.

8 Q I am going to take you back to your initial
9 dealings with al-Masoudi. What did he propose to you in
10 terms of the business venture?

11 MR. DUDLEY: As a starting question, I am not
12 wildly enthusiastic about that one. My problem with it is
13 that I am not sure that the first proposal is accurately
14 characterized as a business venture. There are later
15 proposals I think that are more accurately characterized that
16 way.

17 MR. KAPLAN: I will withdraw that question.

18 BY MR. KAPLAN:

19 Q I believe that you testified earlier that your
20 first meeting with al-Masoudi occurred some time in April of
21 1985, and that he had been referred to you by Colonel North.

22 A Actually, I think I testified that it was early in
23 April or late in March of 1985.

24 Q Okay.

25 A We had two meetings with him, the second where he

UNCLASSIFIED

nm382

UNCLASSIFIED

1 signed this letter.

2 Q Did you meet with al-Masoudi shortly after he had
3 been referred to you by North?

4 A I think it was the same day.

5 Q Okay. Did someone accompany al-Masoudi to that
6 meeting?

7 A Kevin Katke.

8 Q How would you describe Kevin Katke?

9 A You mean, what was his role in the meeting?

10 Q Who is Kevin Katke?

11 A Kevin Katke to my understanding at that moment was
12 a business agent of al-Masoudi.

13 Q Have you come to any other understanding as to what
14 Kevin Katke does?

15 A Well, I was told by Colonel North that he had
16 attempted to enter in the Central Intelligence Agency and had
17 been rejected, that he was unreliable because he tended to
18 talk about people whom he had no real connection with or no
19 right to claim a connection with, and sort of an Intelligence
20 community gap line.

21 Q During your initial meetings with al-Masoudi, did
22 he tell you what his interest was in meeting with you?

23 A Al-Masoudi's?

24 Q Yes.

25 A Did al-Masoudi tell me what al-Masoudi's interest

UNCLASSIFIED

nm383

383

UNCLASSIFIED

1 was?

2 Q Yes.

3 A Yes.

4 Q What was that interest?

5 A Well, it was a little difficult to understand at
6 first because al-Masoudi was speaking pigeon English and
7 Katke who doesn't speak Arabic or whatever, Farsi, was
8 translating. So it was a very unusual circumstance and it
9 made it a very difficult meeting. It probably lasted an hour
10 and it could have lasted five minutes. But basically, al-
11 Masoudi held himself out as the Prince of Jedda, Ibrahim al-
12 Masoudi, Senior Saudi prince, and he had a royal family
13 allotment oil contract, of which he wanted to donate \$14
14 million in the proceeds to the Nicaraguan resistance. And he
15 asked if we could assist him in doing that, and we said yes.

16 Q What did you understand the form of your assistance
17 to be?

18 A I didn't really know at that point.

19 Q And what did you come to understand that the form
20 of your assistance would be?

21 A Well, I discussed it subsequently with North, and
22 we decided to have me meet him the second time, and to have
23 him make whatever the formal offer was, and the second time
24 he came to see me, I suggested to him that he not bring Mr.
25 Katke, and he agreed.

nm384

1 And this time he brought with him a gentleman whom
 2 he introduced as his attorney. The gentleman gave me a
 3 business card that indicated that he was President and
 4 Chairman of the Board of the William Penn Bank in Philadel-
 5 phia. And Katke had told me in a telephone conversation that
 6 Mr. al-Masoudi was attempting to buy an interest in this
 7 bank. So that was pretty good bona fides to show up with the
 8 Chairman of a bank in Philadelphia.

9 Q Did al-Masoudi propose a business relationship at
 10 that second meeting?

11 A He proposed a contract letter which he dictated in
 12 Arabic to my secretary who spoke Arabic, and she translated
 13 it into English, and it called for a total of \$15 million to
 14 be paid to IC, Inc. And again the name IC, Inc. was chosen
 15 at the conference table at that moment.

16 I hadn't been to the Caymans; I hadn't selected a
 17 name. And the increase of \$1 million was subsequent to a
 18 conversation with North where I indicated that Frank and I
 19 were willing to undertake this, but we weren't about to risk
 20 life, limb and professional reputations without some compensa-
 21 tion for it, and we were going to require that this individual
 22 pay an additional \$1 million.

23 And he agreed to that. So the subsequent contract
 24 from al-Masoudi to us said enough liftings in order to equal
 25 \$15 million. It was a fairly short letter.

UNCLASSIFIED

nm385

UNCLASSIFIED

385

1 Q Was the understanding that \$14 million would go to
2 the Nicaraguan resistance and \$1 million would go to you and
3 Mr. Gomez?

4 A That's correct.

5 Q What was your understanding at that time or shortly
6 thereafter as to the nature of services that you would be
7 called on to perform?

8 A I can't put a specific finger on them, but al-
9 Masoudi was a very demanding individual. He called every 15
10 minutes with a new problem. He required us to carry the half
11 in meetings with people who spoke English and to handle the
12 financial transactions.

13 Q If you can, explain briefly what the nature of
14 these transactions was intended to be. You mentioned an oil
15 contract worth \$14 million, and I am not --

16 A Well, the contract was --

17 Q I was going to say that I am not familiar with the
18 way oil gets sold from Saudi Arabia.

19 A I have to tell you, counsel, neither am I.

20 Q Okay.

21 A After all of this, I still have no idea how it is
22 really done.

23 Q What I am curious about is how was this \$14 million
24 going to be generated?

25 A Well, apparently -- and this was the reason for the

UNCLASSIFIED

nm386

UNCLASSIFIED

386

1 Chairman of this William Penn Bank, unbeknownst to us prior
2 to this meeting -- they were going to be responsible for the
3 financing of this contract. And according to al-Masoudi, the
4 financial end of the transaction is the one that pays out the
5 commissions or associated fees.

6 The actual money that he was supposed to get from
7 it was quite a bit more than \$15 million, a certain amount of
8 money -- I don't know, \$60 or \$70 million.

9 Q Was the expectation that you would market this
10 contract?

11 A No, not initially. What happened was that subse-
12 quent to that meeting, he then called and told me that Mr.
13 Katke had been in charge of marketing and failed. And he had
14 asked if we could assist him in marketing the oil contract.
15 I didn't have anybody else to turn to. So I agreed that we
16 would try and do that, and I contacted my stockbroker and
17 asked him how it was done. He suggested that his firm wasn't
18 involved in that type of transaction, and suggested another
19 brokerage firm, Merrill Lynch.

20 I got in touch with the Merrill Lynch commodities'
21 brokers. They told me how an offer to sell is written up. I
22 produced it for them. They then put me in touch with a
23 couple of brokers who then asked the appropriate question,
24 which was what is the contract number, something al-Masoudi
25 was unwilling to give them for a whole host of reasons, which

UNCLASSIFIED

nm387

UNCLASSIFIED

387

1 he claimed all to be legitimate. I had no way of knowing
2 whether they were or weren't.

3 And he then subsequently called and told me that
4 the time had expired on his oil contract and that the deal
5 was off. And I then in a very short period of time later got
6 another phone call from him, and he told me that he had
7 gotten a new oil contract and, to prevent the problems that
8 had actually gone on before, he had actually got it in the
9 name of International Business Communications.

10 I wasn't any further along in my understanding of
11 how to do oil contracts, but in the interest of helping the
12 resistance, we accepted the fact that it was in our name.
13 And I flew out to Fresno to meet with him to try and get some
14 more information on it. And while I was in Fresno, I
15 participated with him in several phone calls and he sent
16 repeated telexes and offers to sell to different refineries
17 and so forth and so on. And I was an observer during most of
18 that period.

19 Q Just so we can clarify for the record. When you
20 talk about marketing an oil contract, is that the same thing
21 as selling oil to someone?

22 A Precisely.

23 MR. DUDLEY: Are you sure you can make that state-
24 ment? Precisely?

UNCLASSIFIED

THE WITNESS: You said when "I talk about."

art388

UNCLASSIFIED

388

1 MR. DUDLEY: Oh, okay.

2 [Laughter.]

3 MR. KAPLAN: I was just asking for Mr. Miller's
4 understanding.

5 THE WITNESS: It was a wonderful day, sitting in
6 front of FBI agents, trying to explain to them that I had no
7 idea whether anything that was said to me before is truth or
8 fiction.

9 BY MR. KAPLAN:

10 Q Was the idea that the prince could deliver on some
11 oil, and that you and he were going to attempt to find
12 purchasers of that oil, and that some of the proceeds from
13 the sale of that oil would be given to the resistance, to
14 support the resistance, and \$1 million of the proceeds from
15 the sale of that oil would be paid to IBC?

16 A I'll accept the entire litany except for the first
17 item. It was his oil contract, supposedly under Saudi Arabian
18 law it belonged to him, it was his oil, and so what was
19 represented was the profit was about 60 to \$70 million to him.

20 Q The profit of 60 to \$70 million was to him. He
21 could deliver on the product, that is, the oil, at least that
22 was his representation?

23 A Correct.

24 Q \$14 million of the profit was going to go to the
25 contras through IC, Inc.?

UNCLASSIFIED

art389

389

UNCLASSIFIED

1 A Correct.

2 Q And \$1 million of the profit was going to go to IBC?

3 A Correct.

4 Q Okay. Would it refresh your recollection as to

5 your initial meeting in Fresno, if I told you that the

6 Committee has documents indicating telephone calls from you

7 to Colonel North, from a number with the area code 809, which

8 I believe is Fresno's area code, in early May of 1985?

9 A That's probably my first meeting.

10 MR. DUDLEY: First trip to Fresno?

11 THE WITNESS: First trip to Fresno, right.

12 BY MR. KAPLAN:

13 Q Was al-Masoudi referred to by any code name between

14 you and North?

15 A I called al-Masoudi "Jewel." He wore a ring that

16 had 17 diamonds on it, seventeen one-carat diamonds, so I

17 called him Jewel.

18 Q Did North refer to al-Masoudi as Jewel, at least in

19 conversations with you?

20 A With me, yes.

21 Q Did you keep North regularly apprised of your

22 dealings with al-Masoudi?

23 A You bet.

24 Q You kept him apprised of your dealings with al-

25 Masoudi, both with respect to this marketing of the oil

1 contract and with respect to al-Masoudi's information about
2 the location and possible release of the hostages held in
3 Lebanon?

4 A That, and in addition to that, a gold contract
5 which he began to try and supplement his failure to deliver
6 on the oil contract, and also, his description of himself and
7 other individuals associated with the Saudi Arabian nation,
8 and I hoped that it could be checked out by somebody who knew
9 what they were talking about.

10 Q You travelled to England in the summer of 1985 with
11 al-Masoudi and with a DEA agent?

12 A That's correct.

13 Q Did you go on, in that trip, from England [REDACTED]

14 [REDACTED] with al-Masoudi?

15 A Yes.

16 Q What was the purpose of that trip?

17 A To finalize the oil contract, and the gold contract.

18 Q When did you begin to suspect al-Masoudi's
19 bonafides?

20 A Well, I spent a whole weekend in the library,
21 shortly after I met him, at the McKelden Library, at Univer-
22 sity of Maryland looking the guy up. The biggest problem you
23 have with the Saudi royal family is that there are no books
24 with pictures of any of them. They kind of like it that way,
25 apparently.

1 But I found him. In fact he was an imposter. He
2 is a fraud, but he is an imposter, and he had studied his
3 character fairly well. And everything that he had told us
4 about himself was borne out in written form in the literature
5 that I found. I took pictures of him with he and my wife,
6 and then gave the pictures to North so that he wouldn't
7 suspect that I was giving them to somebody to have him
8 checked out. And we tried to--I tried to go home at night
9 and take my notes, and compile summaries that could then be
10 given to North so that he could check them out.

11 Q To your knowledge, were any other people at the NSC
12 knowledgeable of your dealings with al-Masoudi? Of any of
13 your dealings with al-Masoudi?

14 A It's possible Fawn may have heard the name in pass-
15 ing.

16 Q Do you recall any involvement of Howard Teicher with
17 respect to al-Masoudi?

18 A Yeah, Teicher's name came out in the very first
19 conversation with al-Masoudi and Katke, and the assertion
20 from Katke was that al-Masoudi had provided the information
21 that helped the Kuwaitis avoid the bombing attack on Amir.
22 Anyway, he continually used Teicher's name.

23 And when I raised it to North, he told me that in
24 fact this individual had been very helpful to Teicher, but he
25 didn't elaborate on it. And when I would provide him what was

UNCLASSIFIED

UNCLASSIFIED

art392

392

1 intelligence details provided by al-Masoudi, he often
2 remarked that that tracked, and that seemed to indicate that
3 al-Masoudi was ahead of the news cycle, and therefore would
4 have not known those things if he hadn't been in some way an
5 active participant or had contacted people who were active
6 participants.

7 Q Do you recall some time in June of 1985, when
8 Teicher lent some assistance in obtaining a visa for al-
9 Masoudi's brother?

10 A Well, al-Masoudi asserted that Teicher did that. I
11 never bothered to check out whether or not he did.

12 Q Did you have any conversations with Teicher,
13 directly, about al-Masoudi?

14 A I don't believe so.

1 And the only official response I ever got read back to me was
2 that he had had one meeting at the Central Intelligence
3 Agency, and their analysis was he was probably who he said he
4 was, that he was a distaff prince who was a significant
5 threat to the Saudi regime. But he was probably who he said
6 he was.

7 BY MR. KAPLAN:

8 Q I want to go back to the trip that we just covered
9 briefly before, in which you and al-Masoudi and a DEA agent,
10 I believe named [REDACTED] travelled to England and then on
11 to [REDACTED]

12 Did North arrange for [REDACTED] to accompany you?

13 A Yes.

14 Q Did you ask North to arrange to have a Federal
15 agent accompany you? Or did North volunteer [REDACTED] to take
16 this trip?

17 A I think he volunteered [REDACTED] and I think it had
18 more to do with al-Masoudi's hostage business than anything
19 else.

20 Q Did you know who [REDACTED] was at that time?

21 A I met [REDACTED] and somebody named [REDACTED]--and I can't
22 remember the guy's last name--and--

23 Q Was it [REDACTED]

24 A Yes. In North's office.

25 Q When did you meet them?

UNCLASSIFIED

art394

UNCLASSIFIED

394

1 A It was prior to the trip. I don't know how much
2 prior to the trip. But I was asked to recount for them what
3 al-Masoudi had told me about the hostages.

4 Q Did you know at that time, or were you told at that
5 time that [REDACTED] and [REDACTED] were DEA agents?

6 A I think I knew at that time. I don't know whether
7 I knew right then and there, but by the time he got on the
8 plane in Atlanta, I knew he was a DEA agent.

9 Q Did you have an understanding as to the purpose of
10 [REDACTED] accompanying you on the travel to England and then [REDACTED]
11 [REDACTED]

12 A I had a very good understanding he was there as a
13 passive observer.

14 Q A passive observer of what?

15 A Of al-Masoudi.

16 Q What was supposed to be the product of his observa-
17 tion?

18 A I don't think much in London, but I think [REDACTED]
19 he was supposed to keep kind of good tabs on him.

20 Q Who requested [REDACTED] to keep good tabs on al-Masoudi?

21 A I guess North.

22 Q What was the purpose of--if you know--of why [REDACTED]
23 was keeping tabs on al-Masoudi?

24 A Well, I think at that point they were treating his
25 offer on assistance on the hostages fairly seriously.

UNCLASSIFIED

1 Q When did you first become aware that al-Masoudi was
2 under investigation by the FBI in connection with a check
3 that he had bounced at the William Penn Bank?

4 A Well, if I can dissect your word, investigation.

5 Q Yes.

6 A What had happened was, the bank had undergone its
7 annual FDIC and state auditor review in 19--it was fairly
8 early on. I think it was like May-June. And of course this
9 bad check was on their books, and so the FBI is the inves-
10 tigatory arm of these FDIC investigations. And they wanted
11 to know about the check.

12 My first contact with an FBI agent was when I went
13 to Philadelphia to meet with the board of directors. They
14 had the FBI agent there in their offices already, and he was
15 undergoing a process of investigation at that time.

16 I thought that matter was somewhat handled and
17 resolved until it became clear that al-Masoudi was not who he
18 said he was, and therefore, the check became more likely to
19 be fraud, but the next real contact on that subject was when
20 FBI agents contacted Colonel North, myself, and then subse-
21 quently my brother and his best friend, and my best friend.

22 Q Well, why, if you know, did the FBI agents contact
23 your brother and your mutual best friend?

24 A We had all--I had borrowed money from my brother
25 and his best friend, and from my best friend, in order to meet

art396

UNCLASSIFIED

396

1 what al-Masoudi had described as a registration fee for the
2 oil contract.

3 Q Is your brother's name Donald Miller?

4 A That's correct.

5 Q Do you recall that Colonel North was first inter-
6 viewed by FBI agents about al-Masoudi some time in mid-July
7 of 1985?

8 A He was contacted initially, I think, and then
9 subsequently interviewed, but I think there was a lag period
10 between the two of them, and it took me a long time to get
11 the FBI agent to call me back.

12 Q Was he interviewed at a time when you were overseas?

13 A Must have been because I saw the agent shortly
14 after I came back.

15 Q Did the agent try to contact you when you were
16 overseas?

17 A I don't recall.

18 Q Do you recall IBC's having received messages for
19 you from the agent while you were overseas?

20 A I don't specifically recall. It's possible.

21 Q Did you ever ask Colonel North to respond to FBI
22 calls to you, in an effort for them to set up an interview
23 with you?

24 A I'm sorry. Could you say that again.

25 Q Did you ever ask Colonel North to call an FBI agent

art397

UNCLASSIFIED

397

1 who was having difficulty getting in touch with you?

2 A No. It was the other way around. I asked Colonel
3 North to get in touch with the FBI agent and ask him to get in
4 touch with me because the guy wasn't returning my phone calls.

5 Q Do you recall the name of the FBI agent?

6 A Kumarsik.

7 Q At the time that Kumarsik first interviewed you, to
8 the best of your recollection what was your state of mind as
9 to the bonafides of al-Masoudi?

10 A At that point it was a 50/50 proposition. I had the
11 FBI telling me that he may well be a fraud. They weren't
12 saying--Kumarsik did not say in the meeting that he was a
13 fraud. He simply asked the questions that led me to believe
14 that he felt he was.

15 And on the other hand, we had the Central Intel-
16 ligence Agency saying he probably was who he said he was.
17 And everything that seemed to indicate, in my meetings
18 overseas with the people who held themselves out as officials
19 of the Saudi Arabian government, and other major
20 organizations, seemed to indicate that the guy was who he
21 said he was. So I thought at best at that point, it was
22 about a 50/50 proposition.

23 Q Did Colonel North express to you at that time his
24 view as to al-Masoudi's bonafides?

A I think that shortly thereafter, that he sent

UNCLASSIFIED

art398

1 somebody to Jedda, and his words were that his friend went and
2 had green tea with the real Jewel, and our guy didn't ever
3 register, is what he said.

4 Q Was the person that he sent to Jedda to drink this
5 green tea Mr. Kopp?

6 A I believe it was Mr. Kopp, but I've got very little
7 to go on in that belief.

8 Q And by Mr. Kopp, at least I am referring to General
9 Secord.

10 A Yes.

11 Q I take it that's your understanding to that as well?

12 A Yes.

13 Q Do you recall the date of your first interview with
14 the FBI agent?

15 A Not specifically. I wouldn't call it much of an
16 interview. I wholesale turned over to him all the paperwork
17 that I had. In fact I gave him some of my originals of the
18 al-Masoudi materials.

19 Q Did that interview take place in early September
20 1985?

21 A That sounds about right. It was in my office.

22 MR. DUDLEY: We're not talking about the meeting in
23 Philadelphia?

24 THE WITNESS: No, no. In my office.

1 Q I take it--just to clarify the record--that you had
2 a brief conversation with an FBI agent in Philadelphia some
3 time, a couple months prior to this at least formal meeting
4 with the FBI that took place in your office?

5 A Yes.

6 Q With Agent Kumarsik from the Washington Field
7 Office, is that correct?

8 A Correct. And the Philadelphia agent expressed no
9 reservation about the guy's identify, so--

10 Q Okay. Did you have any discussions with Colonel
11 North, that you recall today, about what kind of information
12 you would give to the FBI agent, prior to the first interview
13 in early September 1985?

14 A I don't recall, specifically, a conversation about
15 what I would give the agent.

16 Q Did Colonel North ask you to hold back any informa-
17 tion from the FBI agent?

18 A I don't remember him asking me.

19 Q Did you tell the FBI agent that the CIA had passed
20 on, at least for the time-being, the bonafides of al-Masoudi?

21 A I don't recall that, but if it had been done by
22 that time I probably would have passed that on to him.

23 Q There would have been no conscious decision, on
24 your part, not to have held out to the FBI?

25 A Well, in all honesty, if I was worried about that,

UNCLASSIFIED

art400

UNCLASSIFIED

400

1 I certainly would not have given him all the records I gave
2 him. I gave him my originals on several documents and I've
3 never gotten them back, so--

4 Q My question a moment ago was, did North ask you to
5 withhold any information from the FBI. I just want to
6 rephrase it so that we don't get caught up in a semantic
7 difference.

8 Did North instruct you to withhold any information
9 from the FBI in the interview that you had in early September?

10 A Not that I recall.

11 Q Did you inform North that this interview was going
12 to take place?

13 A Probably.

14 Q Did you talk with North afterwards about the
15 substance of the interview?

16 A Yes.

17 Q All right. Now from a variety of documentation that
18 we have, and some of which we discussed a moment ago--that
19 is, the Treasury reports--you continued to deal with al-
20 Masoudi for some time after September of 1985, is that
21 correct?

22 A Yes.

23 Q When did you conclude that al-Masoudi was in fact an
24 imposter?

UNCLASSIFIED

25 A Well, I knew for sure when whoever it was went to

art401

UNCLASSIFIED

401

1 drink green tea with him, but I can't tell you--

2 Q Do you recall when that was?

3 A I don't recall the precise date of that. What
4 happened after Kumarsik came to see me the first time, was
5 that I went to the Library of Congress because I figured that
6 their records would be more complete than the McKelden
7 Library, and I tried to find as much as I could about Ibrahim
8 al-Masoudi, and the genealogical lines that he had implied in
9 previous conversations.

10 And again I provided that information to North. I
11 was very skeptical of him while he was in Geneva, and in fact
12 I was preparing to send him a final transfer, and ultimately
13 called Kumarsik and said, look, you know, I'm still sending
14 this guy money. If you believe him--if you can prove that he
15 is not who he says he is, then you'd better tell me now
16 because I'm sending him money.

17 And Kumarsik said, "I wouldn't send him any more
18 money if I were you. I don't think he is who he says he is."

19 Q Do you recall when that was?

20 A Well, some time in October, I guess.

21 Q Was this in late October, early November, when in
22 fact you did send him some traveler's checks?

23 A Probably. But the DEA guys and Kopp continued with
24 him for a very short period of time after I was ready to be
25 done with him, and it had to do with the hostages, and this--

UNCLASSIFIED

art402

1 something that was going on at the time, and somehow he was
2 involved. So there was some activity, even after I knew him
3 to be an imposter, and he received some money from me, even
4 after I knew him to be an imposter.

5 Q Did North encourage you to continue dealing with
6 al-Masoudi after you, in your own mind, determined that you
7 thought he was an imposter?

8 A Actually, he asked me to get out of the middle of
9 it, and al-Masoudi kept trying to draw me back into it, and
10 North kept asking me to stay out of it, and I agreed to that.

11 Q But you did testify that North approved the
12 traveler's checks that were sent on November 1st and November
13 6th of 1985?

14 A Right.

15 Q Did you ever have any discussions with North, or
16 conversations with North about delaying the investigation
17 into al-Masoudi's bonafides?

18 A No.

19 Q Did North ever suggest to you that it would be
20 best, for any reason, if that investigation were delayed?

21 A Not that I recall.

22 Q Did there come a time when you cut off all contact
23 and communications with al-Masoudi?

24 A Well, I stopped dealing with him I guess the day he
25 called me from jail in Geneva.

UNCLASSIFIED

art403

UNCLASSIFIED

403

1 Q When was that?

2 A I think it was some in November. Some time in
3 November.

4 Q Do you recall a conversation with Agent Kumarsik
5 toward the end of October of 1985 in which you told Kumarsik
6 that you would completely cooperate with the FBI to attempt
7 to lure al-Masoudi to the United States?

8 A Yeah. In fact that was the last conversation I was
9 recounting to you. Basically what I said to him was, that
10 the only person I knew, that he still thought, to his way of
11 thinking--al-Masoudi's way of thinking--I was the only
12 individual that he still believed believed in him.

13 And if I had told him that everything was all
14 right, come on home, he'd come on home.

15 Q Nonetheless, you made some payments of some \$14,000
16 to al-Masoudi in Geneva after the agreement that you would
17 cooperate, and those payments were approved by Colonel North?

18 A That's correct.

19 MR. KAPLAN: I'm going to ask the reporter to mark
20 as Deposition Exhibit 28, a copy of what appears to be a
21 Telex from you to a Mr. Robert Vidon, and a Mr. Cockrell at
22 the Credit Suisse Banque, in which you inform them that al-
23 Masoudi, or anyone purporting to be al-Masoudi, has no
24 authority to act in any manner as an agent of IBC.

25 THE WITNESS: Correct.

UNCLASSIFIED

art404

404

UNCLASSIFIED

1 BY MR. KAPLAN:

2 Q Did IBC have accounts at the Credit Suisse Banque?

3 A No, no. al-Masoudi had represented to me that
4 these individuals had set up an account for him, and that he
5 was going to use the account for his gold and oil transac-
6 tions, these transactions for the benefit of the resistance.

7 Q Because he had informed you that this contract was
8 in the name of International Business Communications, is that
9 why you wanted to make clear to these individuals that he had
10 no authority to act on their behalf?

11 A That's precisely.

12 MR. KAPLAN: Off the record for a second.

13 [Brief discussion off the record.]

14 BY MR. KAPLAN:

15 Q Have you, Mr. Miller, made a calculation of the
16 amount of money that you expended on activities that you
17 undertook with al-Masoudi?

18 A Yes.

19 Q How much money was that?

20 A At the present time, in professional and expense
21 reimbursements, travel and so forth, it is about \$367,000.

22 That is--

23 [Witness and attorney consult.]

24 THE WITNESS: The thing that's not calculated in
25 that figure is expenses by myself personally, and he lived at

UNCLASSIFIED

art405

UNCLASSIFIED

1 my house for an entire month, and he's a very expensive
2 individual. So I have no idea what my personal loss is
3 associated with it.

4 BY MR. KAPLAN:

5 Q Okay. Can you describe, for the record, what sorts
6 of items this money was used to pay for.

7 A Traveler's checks for his travel overseas, reimbur-
8 sement for office expenditures, air-traffic expenses, and in
9 the case of one item, \$104,000 to his attorneys for the
10 reimbursement of forfeiture of a performance bond.

11 Q That's the disbursement to Gary Bagdasarian that
12 you testified about yesterday?

13 A Correct. And 25,000 in good-faith payment to the
14 William Penn Bank in Philadelphia.

15 Q How much of those expenses, if you know, could be
16 allocated or attributed to al-Masoudi's hostage-rescue
17 efforts?

18 A I've never separated it out that way.

19 Q Approximately. Would it be half of that?

20 A I would say that the largest expenditures for al-
21 Masoudi came at a time when he had already begun to offer
22 help, and that probably was a pretty significant factor in
23 extending him the credit.

24 Q Was North kept regularly apprised of your expenses
25 as well as your activities with al-Masoudi?

UNCLASSIFIED

1 A Yes.

2 Q Did North approve these expenses?

3 A He approved the large ones, in specific, and in
4 general, the smaller.

5 Q What was the ultimate source of the money expended
6 or lost on al-Masoudi?

7 A Well, in terms of the 1099-income that I just
8 recounted to you, that we have charged him with under a 1099-

9 -

10 Q Charged who with?

11 A al-Masoudi. Most of that money now has been fully
12 reimbursed out of the assistance money.

13 Q That is the contra-assistance money that was paid
14 to IBC by NEPL?

15 A By NEPL and other sources.

16 Q When you say most of that money has been reimbursed,
17 is that separate from the 10 percent charge, or commission
18 that you began to take in 1986, and to which you testified
19 yesterday, and on June 23rd?

20 A That's correct.

21 Q Who approved, if anyone, the reimbursement from the
22 NEPL contra-assistance payments, of these monies expended on
23 behalf of al-Masoudi's activities?

24 A Colonel North.

25 Q Was there a specific conversation, or conversations

UNCLASSIFIED

art407

UNCLASSIFIED

407

1 with North in which you asked him for reimbursement for these
2 losses?

3 A Yes.

4 Q Did he tell you that you should reimburse yourself
5 for these losses from the contra-assistance payments that
6 were being made by NEPL to IBC?

7 A Yes.

8 MR. KAPLAN: I have no further questions. Thank
9 you.

11 adjourned.]

5 EXAMINATION BY COUNSEL FOR

6 THE HOUSE SELECT COMMITTEE

7 BY MR. FRYMAN:

8 Q Mr. Miller, this is a continuation of your prior
9 deposition before the Senate and House Select Committees.
10 You are still under subpoena, and the immunity orders of the
11 two Committees which have been marked as exhibits, continue
12 to be applicable to this session today, and I again remind
13 you that you are still under oath from your previous sessions.

14 By this first question, you will know ^{why} we are in
15 this secure room.

16 Mr. Miller, have you ever been employed by, or have
17 you ever been a contract agent for any intelligence agency,
18 including the National Security Agency or the National
19 Security Council, or any intelligence branch of any depart-
20 ment or agency?

21 A No, other than the business relationship which I've
22 already described to you with Oliver North, and the short
23 period I worked for the Federal Preparedness Agency at GSA
24 which was about three months. That doesn't qualify as an
25 intelligence agency. It's now part of the FEMA, Federal

1 Emergency Management Administration.

2 Q Well, your work with Colonel North, did you
3 consider that work to be work for an intelligence agency?

4 A No.

5 Q Did you consider yourself to be a contract agent
6 for any intelligence agency?

7 A No.

8 Q Were you ever present in Colonel North's office
9 when he placed a telephone call to Bunker Hunt?

10 A I think I was present in his office when he called
11 Bunker Hunt. I remember the specifics of his conversation,
12 but I can't tell you whether I was there, or whether he
13 repeated it to me.

14 Q Was it your understanding that at the time Colonel
15 North had this telephone conversation with Bunker Hunt, that
16 William Casey was present in Mr. Hunt's office?

17 A That's correct, although I'm not sure it was the
18 office. I was under the impression it was his house.

19 Q How did you know this?

20 A He told me.

21 Q Colonel North told you?

22 A Colonel North told me. That's right.

23 Q What did he tell you about this conversation?

24 A He told me that he called--he recited, I think,
25 three of the four items that I asked him to discuss with Mr.

UNCLASSIFIED

art413

UNCLASSIFIED

413

1 Hunt, and Mr. Hunt said "I have a friend of yours here," and
2 Ollie said he said who's that, and he said, "Bill Casey," and
3 Ollie said, "Give him my regards." And I don't think he
4 recounted that he and Casey actually talked.

5 Q What were the items that you had asked Colonel
6 North to discuss with Mr. Hunt?

7 A I have to do it from memory. They're on a piece of
8 paper that you've already got in your exhibits. But that
9 there was an ongoing--the basic thrust was that there was an
10 ongoing supply effort, and that Bunker's money had helped to
11 produce that, and what was needed was the second half of his
12 contribution.

13 Q Do you recall when this conversation occurred?

14 A All I can remember is that he was in his old
15 office. I don't remember a specific date.

16 Q When did he leave his old office, as you recall?

17 A I don't remember, specifically.

18 Q Did Colonel North tell you Mr. Hunt's response to
19 these matters that he had raised with him?

20 A I don't recall any commitment coming out of the
21 conversation from Mr. Hunt. I don't remember any commitment
22 by Mr. Hunt as a result of the conversation, although at a
23 later, much shorter period of time from then, he did make
24 good on the second half of his contribution.

25
MILLER REPORTING CO., INC.

Q Did Colonel North report to you anything that Mr.

UNCLASSIFIED

art414

UNCLASSIFIED

414

1 Hunt had said in this conversation?

2 A The only thing I can remember is what I've just
3 told you.

4 Q With respect to the presence of Mr. Casey?

5 A Correct. That's not uncharacteristic of Mr. Hunt,
6 either. He tends to be much more of a listener than a
7 speaker.

8 Q Did Colonel North say anything to you with respect
9 to why Mr. Casey was in Mr. Hunt's office at that time?

10 A No.

11 Q Mr. Miller, do you recall any discussions with
12 Frank Gomez about what I will describe as the "contra-
13 assistance network" or the group of bank accounts of IBC, IC,
14 Inc., and NEPL, and Mr. Gomez's reservations about the use of
15 these accounts for transferring funds?

16 A I would say that Frank expressed a reluctance to be
17 involved in the private funding, initially because it involved
18 IBC directly, and I think we were agreed that that was
19 something to be changed. And then, ultimately, I think he
20 did it for personal commitment reasons to the cause, but
21 again, I think with some reservation, and I think I prevailed
22 upon him because I was convinced that--and I think he was con-
23 vinced--there wasn't anybody else to do it at the time.

24 Q Was that the argument you made to him as to why you
25 should do it?

UNCLASSIFIED

art415

UNCLASSIFIED

415

1 A Yes.

2 Q Did you make any other arguments?

3 A Not that I recall. In fact I don't remember that
4 one in specific terms, but I'm pretty certain that was the
5 thrust of my appeal to him.

6 Q Why did you believe that you and your organizations
7 were the only person and entity that could do this?

8 A We were very familiar with the other political
9 organizations that were involved, and none of them seemed to
10 be directing raw financial resources to the resistance. A
11 lot of them were spending money on political activities, but
12 nobody was giving money, or working to raise money and give
13 it directly to the resistance. A lot of people claimed they
14 were, but it wasn't happening.

15 So there seemed to be nobody else doing it, and
16 Colonel North seemed to be in desperate need of somebody to do
17 it, and those two things led me to conclude that.

18 Q As I understand your prior testimony, Colonel North
19 merely asked you to provide a bank account, or bank accounts,
20 where monies could be deposited, and from which he could
21 direct disbursement from the accounts.

22 Is that, in substance, what he asked you, or the
23 assistance that he asked you to provide?

24 A No, I don't think so, because our involvement with
25 the financial end really started with al-Massoudi, which was

UNCLASSIFIED

art416

UNCLASSIFIED

416

1 far more complicated than that, and progressed through
2 actually going out and raising funds, by virtue of the
3 conversations with John Ramsey at what seemed to be critical
4 moments in Colonel North's timetable.

5 And he was quite clear that we were involved from
6 the beginning with a fund-raising effort, and I'm sure he
7 understood that that entailed much more than just setting up
8 bank accounts.

9 Q You recall, do you not, Mr. Miller, and you have
10 testified about, have you not, a meeting that you attended
11 with Colonel North and Mr. Channell in July of 1985, where
12 there was a discussion of how funds would be transferred that
13 were raised by NEPL?

14 A Yes.

15 Q It was at this dinner meeting that Colonel North
16 told Mr. Channell that the funds should be transferred to the
17 IBC account, or to one of your accounts?

18 A Correct.

19 Q You understood from Colonel North, that you would
20 follow his directions about the disbursements of the funds
21 transferred to you from Mr. Channell, is that correct?

22 A That's correct.

23 Q Now, following that conversation, funds transferred
24 by Mr. Channell to your accounts exceeded several million
25 dollars, did they not?

UNCLASSIFIED

art417

UNCLASSIFIED

417

1 A That's correct.

2 Q What was the amount of funds that you were respon-
3 sible for raising directly for the contras? Was it under
4 \$100,000?

5 A I don't think you can place it in that context
6 because we were responsible to Mr. Channell for activities and
7 work assignments that led to him raising that money. So if
8 you would like to take all the millions of dollars and take
9 some percentage of it, I might try and agree with you, but I
10 can't put a number on that.

11 Q But the contributions that you asked for yourself
12 totalled less than \$100,000, did they not?

13 A What do you mean, "asked for myself"?

14 Q Well, did you ever ask a contributor, or ask anyone
15 to contribute funds for the purpose of assisting the Nicara-
16 guan resistance?

17 A Yeah. I made the direct appeal to John Ramsey on
18 two occasions. We had the direct appeal to Mrs. Newington on
19 another occasion. Those were the only times I actually asked
20 somebody for money. The rest of the times I was present, or
21 a large number of the rest of the times I was present.

22 Q So with respect to the responsibility for maintain-
23 ing an account to receive funds from Mr. Channell, and to
24 disburse funds from that account pursuant to the direction of
25 Colonel North, to perform those functions it was not necessary

UNCLASSIFIED

art418

UNCLASSIFIED

418

1 to have any relationship with the political figures in the
2 Nicaraguan resistance, or to have any relationship with
3 contributors, was it not?

4 A I'm afraid I don't understand your question. If
5 your implication is that that activity was somehow discon-
6 nected from the rest of the activities that we performed for
7 Mr. Channell, or Colonel North, or the political resistance,
8 I totally disagree with that.

9 Q Well, Mr. Miller, whether it was disconnected, or
10 not, it was not necessary, in order to operate these two
11 accounts, and receive funds from Mr. Channell and disburse
12 funds according to the direction of Colonel North, that you
13 have any relationship with members of the resistance, or that
14 you have any relationship with Mr. Channell's contributors,
15 was it?

16 MR. PRECUP: Objection. Mr. Fryman, would you
17 reformulate that. I think the witness is having trouble with
18 the word "necessary." Necessary on what basis? I think
19 he's explained as a matter of fact what occurred, and has
20 also testified that that was an important connection on all
21 ends of those fronts, for him. So it's very difficult for
22 him to deal with the word "necessary" which may be used in a
23 vacuum.

24 MR. FRYMAN: All right. Mr. Precup, what I am
25 trying to do is just follow up on his prior answer, where he

UNCLASSIFIED

art419

UNCLASSIFIED

419

1 said that he explained to Mr. Gomez, that if Mr. Miller and
2 IBC did not perform this function that had been requested by
3 Colonel North, there was no one else to do it.

4 What I fail to understand is what was unique about
5 Mr. Miller's situation, or IBC's situation, and why someone
6 else could not do that, and that's my ^{objective} ~~objection~~ ^{this} ~~in~~ line
7 of questioning.

8 MR. PRECUP: Well, perhaps the witness could answer
9 that general inquiry of yours.

10 THE WITNESS: Well, as I told you previously, I am
11 very conversant, and we were at the time very conversant with
12 the other organizations who were capable of raising money and
13 working with fund-raisers, and working with the resistance
14 figures, and who had Colonel North's trust, and I didn't feel
15 there was anybody else out there who had the right elements
16 to do this.

17 I didn't see anybody else, and I guess Ollie North
18 didn't either, because I don't get the feeling he asked many
19 other people.

20 BY MR. FRYMAN:

21 Q Well, I have to then press the question, Mr.
22 Miller. What difference did it make, whether or not you had
23 had any relationship with these organizations? Colonel North
24 was instructing Mr. Channell to transfer funds to a specific
25 account, and according to your prior testimony, he was giving

UNCLASSIFIED

art420

UNCLASSIFIED

420

1 you instructions about specific accounts to which you were to
2 transfer funds.

3 Now what difference does it make as to whether you
4 had had any prior relationship with anyone in order to
5 perform those two functions?

6 A Well, if I gave it 30 minutes of thought I'd come up
7 with a longer list, but I think the principal elements were
8 the trust that he had in us. I think they were the trust that
9 Mr. Channell had in us, and I think it was the trust that the
10 resistance figures and the political entities had in us--were
11 we to become known as we were, eventually, by some of these
12 people--that they would not be upset, or they would not be
13 overly concerned about the involvement that we had. And all
14 those things turned out to be correct.

15 And so, I think at the time, it was an intuitive
16 decision, but I think it was accurate, because, ultimately,
17 all of them became aware of our responsibility and none of
18 them seemed to have voiced much distress about it.

19 Q When did you understand that the resistance
20 figures, or any of the resistance figures became aware that
21 the NEPL funds were being transferred into bank accounts
22 controlled by you, and disbursed by you?

23 A In terms of having NEPL funds transferred, I would
24 say not until November or December of this past year.

25
MILLER REPORTING CO., INC.

Q Well, were there other funds that you were trans-

2 A Yes.

3 Q What were those?

4 A The Heritage Foundation \$100,000. \$60,000 from a
5 gentleman by the name of MacAleer, and I have yet to know
6 who, exactly, that is. And another gentleman by the name of
7 Barness. But you asked the question in terms of transferring
8 NEPL funds.

9 . They were aware, long before then, and in different
10 times, that we were responsible for transferring funds.

11 Q So you say that you're not aware that any resistance
12 figure was aware of your role in transferring NEPL funds prior
13 to November of 1986?

14 A Well, let me put a finer point on it than that.
15 They were not aware that they were NEPL funds that were being
16 transferred to them. I would say with the sole exception of
17 Adolfo Calero, who had some indication that--well, he had
18 received checks directly from NEPL, and he had received checks
19 as a result of fund-raising activities. But in terms of our
20 transferring NEPL funds and the funds being known as NEPL
21 money, he'd be the sole exception until November or December.

22 Q When do you understand that Mr. Calero first became
23 aware that you were transferring funds to him from one of
24 your accounts?

25

A I had a meeting with him at the Connecticut Club

UNCLASSIFIED

1 Hotel in late October or November of '86, and in that
2 meeting, per Colonel North's instructions, I was to get from
3 him a bank account number, and corporate name to carry out a
4 transfer, both Colonel North and I knowing that I already
5 knew it, and this was simply Mr. Calero giving it to me
6 without knowing that I had been the person transferring it
7 before.

8 Q So the first time you believe that Mr. Calero was
9 aware that one of your accounts was the source of funds
10 transferred to him was October or November 1986?

11 A No. Now you've changed your question. We trans-
12 ferred from IBC to the NDC, very early on in the process,
13 money that was a result of NEPL fund-raising, and actually
14 went--I gave the check to--I think it was Bosco Matamoros,
15 and I think it was \$25,000.

16 Q Well, what did you understand was the significance
17 of this conversation you just described in October or November
18 of 1986?

19 A It was the first time that Mr. Calero was aware
20 that we were responsible for transferring money, large sums
21 of money into his accounts from overseas bank accounts.

22 Q How much money did you transfer to Mr. Calero after
23 October or November 1986?

24 A We made, I believe, a \$75,000 transfer and an
25 \$80,000 transfer. That's off the top of my head. I don't

1 have the documents in front of me.

2 Q Your explanation to Mr. Gomez as to why your
3 organization should perform these services was simply that
4 there was no one else that could do it?

5 A Well, as I said, I think that was the principal
6 thrust of my argument to him. I'm sure there were other
7 elements involved.

8 Q That's what you recall today?

9 A Yes.

10 Q Did you ever discuss the propriety or legality of
11 your organization being involved in these transfers with Mr.
12 Gomez?

13 A I may have reported back to him on my conversations
14 with the tax attorney at the time of the al-Massoudi business,
15 and I probably discussed the neutrality act at some point
16 with him, because that was, again, our principal focus in that
17 timeframe.

18 - Q Did you discuss the neutrality act with any
19 attorney?

20 A Not in that timeframe, no. Actually, I considered
21 Frank more expert in that than me, after 20 years of foreign
22 service.

23 Q The consultation with the tax attorney that you
24 referred to did not concern the transfers of Mr. Channell and
25 the disbursements directed by Colonel North? The specific

UNCLASSIFIED

art424

424

1 consultation related to your prior involvement with al-
2 Massoudi, is that correct?

3 A I think you're asking me to discuss matters that I
4 discussed with my attorney at the time. I'm responsible to
5 answer that?

6 [Counsel and witness confer.]

7 THE WITNESS: Okay. The questions with the
8 attorneys involved not just al-Massoudi, but also the
9 legality of handling the accounts, and the way they were
10 handled.

11 BY MR. FRYMAN:

12 Q Did you have any discussion with attorneys about
13 transfers through the IBC and the Cayman Islands account,
14 after your meeting with Colonel North and Mr. Channell in
15 July of 1985?

16 A I mean that's all the way up till today.

17 MR. PRECUP: Yes, it is. We really need an end
18 date on that, so as not to impinge on the attorney-client
19 privilege.

20 THE WITNESS: Is there a specific timeframe that
21 you're referring to?

22 MR. FRYMAN: Let's say during the period beginning
23 July 1985 through November 1986.

24 THE WITNESS: And would you repeat the question.

25 [The reporter read back the pending question.]

1 THE WITNESS: Yes.

2 BY MR. FRYMAN:

3 Q When were those discussions?

4 A May of 1986.

5 Q And who was the attorney?

6 A Earl Dudley. I think that's right, isn't it? May?

7 Q Any other discussions with an attorney during the
8 time period July 1985 through November 1986?

9 A Not that I can recall.

10 Q Mr. Miller, in one of your prior days of testimony,
11 you stated that you were asked to provide money that was used
12 in an effort to obtain the release of hostages held in
13 Lebanon.

14 Who asked you to provide such funds?

15 A Well, Colonel North indirectly. As I recall, the
16 money was requested by al-Massoudi while he was in Geneva,
17 and I confirmed with Colonel North that it was appropriate,
18 and I undertook the transfers.

19 Q How much money was involved?

20 A Well, I can specifically remember one transfer of
21 about \$18,000 was involved. There was another time when
22 there was about ~~10~~10,000 in airline tickets, and the latter
23 portion of al-Massoudi's stay in Geneva was predominantly
24 because he was supposedly involved in this. So whatever
25 money he spent in that period would have been to that end.

- 1 Q What was the approximate date of this request?
- 2 A September.
- 3 Q Of 1985?
- 4 A That's correct.
- 5 Q The request came directly to you from al-Massoudi?
- 6 A As I recall, that's correct.
- 7 Q What was explained to you about the purpose for
- 8 which these funds were needed?
- 9 A \$15,000 had to do with the effort to secure the
- 10 release of the hostages, and I don't remember anything
- 11 specific about it, and, as I recall, \$3500 was for living
- 12 expenses, and I can't right now remember whether it was al-
- 13 Massoudi's or  ^{DEA} agent, or DEA agent, that was
- 14 there.
- 15 Q Was the \$15,000, to your understanding, to be paid
- 16 to the persons holding the hostages?
- 17 A I don't believe so. I mean, if that was the case,
- 18 it wasn't said to me.
- 19 Q Was there any explanation given to you about what
- 20 was to be done with the \$15,000?
- 21 A No.
- 22 Q Just that they needed \$15,000?
- 23 A Yes.
- 24 Q You said there was a later \$10,000?
- 25 A I believe that's correct, yes.

UNCLASSIFIED

art427

UNCLASSIFIED

427

1 Q What explanation was given to you about the need
2 for that money?

3 A I think it was primarily for air travel involved
4 with al-Massoudi and some associate of his, and I don't know,
5 maybe some DEA people.

6 Q Now were both requests in generally the same time
7 period, in the fall of 1985, or around September of 1985?

8 A They were almost all of them in the fall of 1985.

9 Q Fall of 1985. Mr. Miller, has your organization
10 been involved in preparing a study of fund-raising efforts
11 within the United States for either the Sandinista govern-
12 ment, or entities sympathetic to the Sandinista government?

13 A We prepared a white paper for Mr. Channell on
14 general activities, including fund-raising, and political
15 activities by members of the left wing in the United States.

16 Q When was this prepared?

17 A I think we transmitted it to him in April.

18 Q Of 1987?

19 A That's correct. And we worked on it for about five
20 weeks, I think.

21 Q How long a paper was it?

22 A It was in inches. The entire report to him was
23 about eight or nine inches tall, including the appendix, and
24 data.

UNCLASSIFIED

25 Q Did you identify in this white paper a number of

art428

UNCLASSIFIED

428

1 organizations in the United States that had been involved in
2 fund-raising?

3 A Yes.

4 Q Do you recall the number of organizations?

5 A No, but there were hundreds of them.

6 Q Hundreds?

7 A Hundreds. Yes.

8 Q Over a thousand?

9 A 'It seems to me that there's over a thousand. 'I'm
10 not sure that a thousand are in my report, but there are
11 about a thousand organizations.

12 Q How did you develop this information?

13 A Mostly from existing written materials from
14 computer data bases, and through research, and interviews
15 with members of the House and Senate staffs.

16 Q Which House staff members did you interview?

17 A I'd have to talk to the researcher that handled it,
18 but they talked to some of the Senate Foreign Relations
19 staff, and I believe they talked to some people on the House
20 Foreign Affairs Committee staff, but I don't know who.

21 Q Who was the researcher who handled this?

22 A Fran Jacobowitz. And also Jeff Keffer of my staff.

23 Q You were paid to do this by Mr. Channell?

24 A That's correct.

25 Q How much did he pay you?

UNCLASSIFIED

art429

UNCLASSIFIED

429

1 A I believe it was 15, or maybe ¹¹12,000. I'd have to
2 look at the invoice.

3 Q Did Mr. Channell indicate to you what use he
4 intended to make of this?

5 A His concern was that there was a lot of political
6 attack^S taking place against him by members of Congress who
7 were ignoring similar activities by people on the left.

8 Q What use did you understand he was to make of this
9 report?

10 A He was supposed to use it to go to contributors and
11 attempt to raise money for a larger public-affairs effort in
12 the area of Central America.

13 Q Did you provide Mr. Channell with a number of copies
14 of the report?

15 A As I recall, I provided him three copies.

16 Q You kept a copy, I take it?

17 A I believe I did, yes. I'm not sure I kept all the
18 appendixes, although I'm sure they're interstrewn in the
19 files. A lot of what we put in there was stuff that we'd
20 accumulated over the last three or four years--mailings by
21 other organizations, materials attached in forms, and
22 debates; things we received by requesting a mail copy of
23 something.

24 Q Did you suggest this project to Mr. Channell?

A No. In fact I think it was his suggestion.

UNCLASSIFIED

art430

UNCLASSIFIED

430

1 Q Did you ever discuss with Mr. Channell making this
2 report available to any Members of Congress?

3 A No. In fact, my counsel was that if it were made
4 available to Members of Congress, it would be an open
5 declaration of war between the left and the right, and that
6 the struggle was already screwed up enough, and it didn't
7 need to be that politicized, and my recommendation was that
8 it not be used as a political weapon. That was what I
9 remember my counsel to him being.

10 Q Are you suggesting by your answer that there was,
11 then, a discussion with Mr. Channell about whether or not it
12 should be made available to Members of Congress?

13 A Absolutely, and in public. Mr. Channell wanted to
14 make it a public document, and I did not.

15 Q Did anyone else participate in this discussion?

16 A Maybe Dan Kuykendall. I don't know whether Frank
17 ever participated in them or not. I don't remember whether
18 he was ever present.

19 Q Did you ever receive any information from any
20 source indicating that Mr. Channell ever made a copy of this
21 report available to any Member of Congress?

22 A No.

23 Q Did you ever receive any information from any
24 source that Mr. Channell ever made this report available to
25 any Congressional staff member?

UNCLASSIFIED

art431

431

1 A No.

2 Q Mr. Miller, in the prior sessions we have discussed
3 the consulting arrangement that you firm entered into with
4 David Fischer and Martin Artiano, and I believe it was agreed
5 that that arrangement was originally entered into in December
6 of 1985?

7 A Correct.

8 Q Did you consult with Oliver North about retaining
9 David Fischer or Martin Artiano?

10 A No. In fact I don't even think they were aware of
11 it until late in '86.

12 Q When you say "they were aware of it," who are you
13 referring to?

14 A I mean he was not aware of it.

15 Q It's your understanding that Colonel North was not
16 aware that you had retained Fischer and Artiano until late
17 1986?

18 A Yes. I don't think he understood that until I told
19 him that, and I don't think that was until some time in at
20 least the middle of '86.

21 Q Did you discuss with anyone in the White House the
22 retention of Mr. Fischer and Mr. Artiano?

23 A I don't recall discussing it with anybody.

24 Q Do you know if Colonel North had ever met David
25 Fischer prior to December of 1985?

UNCLASSIFIED

clg432

432

UNCLASSIFIED

1 A I really don't. I've never heard either one of
2 them say either way.

3 Q Do you know if Colonel North had met Martin Artiano
4 prior to December of 1985?

5 A I'm not sure--no, no.

6 Q Do you recall a \$50,000 payment that was made to
7 Mr. Artiano in January or February of 1986?

8 A I recall payments to him, without looking at the
9 records, if you say there was a \$50,000 payment in January,
10 I'm sure there was.

11 Q We'll get to the records in a minute, but do you
12 have an independent recollection of a \$50,000 payment in
13 early 1986?

14 A I remember making a \$50,000 payment to Mr. Artiano.

15 Q And was there a later \$50,000 payment to Mr.
16 Fischer?

17 A There may well have been.

18 Q Do you recall that?

19 A Not specifically, but there may have been.

20 Q You do specifically recall a \$50,000 payment to Mr.
21 Artiano early in 1986?

22 A Well, if you would like to put the records in front
23 of me, I'll look at them. I don't specifically remember a
24 \$50,000 transfer to Mr. Fischer, but if you say one happened,
25 I'll simply take your word for it.

UNCLASSIFIED

clg433

UNCLASSIFIED

433

1 Q Well, my last question related to the payment to
2 Mr. Artiano, which I thought you said, in a prior answer, you
3 did recall a payment to Mr. Artiano.

4 A I recall a payment to Mr. Artiano for \$50,000.

5 Q What was the purpose of that payment?

6 A It was a cash call by Mr. Artiano on our agreed
7 arrangement and he could have made it for \$70,000 if he had
8 wanted to, but \$50,000 was the figure he wanted and needed.

9 Q What do you mean by a cash call?

10 A They had the right, under the contract that we had
11 with them, to require the payment in whatever ^(amounts) tranches they
12 wished and sometimes it was \$10,000, sometimes it was
13 \$20,000, sometimes it was larger.

14 Q Under your understanding of the contract, they
15 could have called for the full payment under the contract in
16 January of 1986?

17 A No, I don't think I would have allowed that. There
18 was a lot of work yet to be done under the contract. I
19 certainly wouldn't have allowed them to call the whole
20 contract before they'd finished the work on it.

21 Q But \$50,000 was within range, in your view?

22 A Yes.

23 Q Did you understand that to be an advance?

24 A No, I didn't consider it an advance.

25 Q What's the difference between a cash call and an

ORIGINAL RECEIVED

clg434

434

UNCLASSIFIED

1 advance?

2 A I've never made a distinction between the two. The
3 only thing I use the word cash call in that they were allowed
4 to decide the amounts that were to come to them, within
5 reason, and that's just an informal term on my part, cash
6 call.

7 Q Did you make payments to Mr. Fischer in 1987?

8 A Yes.

9 Q Do you recall the amounts?

10 A \$70,000 and \$35,000, I believe.

11 Q And do you recall the months that those payments
12 were made?

13 A No, I don't recall if off the top of my head.

14 Q Was it early in 1987? January or February?

15 A I think it went over a couple of months and that
16 may be the case but, without looking at the records, I don't
17 remember the specific dates.

18 Q What was the reason that you paid Mr. Fischer
19 \$105,000 in 1987?

20 A That was the amount that was remaining on our
21 original agreement and he asked for it and so I paid it to
22 him.

23 Q Did you make any payments to Mr. Artiano in 1987?

24 A Yes.

25 Q How much?

UNCLASSIFIED

clg435

UNCLASSIFIED

435

1 A I can't remember off the top of my head but they
2 were in \$10,000 or \$5,000 increments.

3 Q What was the reason for those payments?

4 A That was additional consultation on the part of--
5 the \$5,000 was additional consultation on the part of Mr.
6 Artiano for business development.

7 Q In 1987?

8 A Yes.

9 Q What subjects did you consult with Mr. Artiano
10 about in 1987?

11 A Well, we tried to keep him, generally, aware of the
12 business opportunities we had and we sought his counsel and
13 advice and when possible, we tried to involve him in our
14 decisions to get clients. That was business development.

15 Q At some point, did you stop using Mr. Artiano's
16 services in 1987?

17 A Yes.

18 Q When was that?

19 A I can't recall specifically what date it was.

20 Q Why did you stop?

21 A We just had no more use for it.

22 Q Did Mr. Fischer perform any services for you in
23 1987?

24 A Oh, yes.

25 Q What did he do?

UNCLASSIFIED

clg436

436

UNCLASSIFIED

1 A Well, he generally served as a partner in the firm,
2 provided the same kind of workload that the rest of us did.

3 Q And was the \$105,000 his total compensation from
4 you in 1987?

5 A No.

6 Q What else did you pay him?

7 A Again, off the top of my head, without the records
8 in front of me, I can't remember a specific number but we
9 made several payments or received, from him, payments which
10 represented a net sum from the client. In other words, a
11 client would pay his corporation and his corporation would
12 then transfer IBC's share to IBC.

13 Q But the \$105,000 was compensation to Mr. Fischer and
14 in return for that compensation, he has been providing
15 services for you during 1987?

16 MR. PRECUP: Excuse me. I don't believe that was
17 the witness's prior testimony.

18 THE WITNESS: No.

19 MR. PRECUP: He did characterize that \$105,000
20 payment, but not as compensation for current services.

21 THE WITNESS: That was the remaining amount--
22 \$105,000 was the remaining amount due to Mr. Fischer for our
23 original contract on the NEPL activities.

24 BY MR. FRYMAN:

25 Q And this was the agreement that you reached in

UNCLASSIFIED

clg437

UNCLASSIFIED

437

1 December of 1985?

2 A Correct.

3 Q And what period of time was that agreement to cover?

4 A It was for six months and it was agreed that it was
5 representative of 24 months of \$20,000 a month.

6 Q So the agreement was for 24 months?

7 A That's correct. Two years.

8 Q And that would continue until December of 1987?

9 A That's correct, but they had the right to make cash
10 calls along the way, within reason.

11 Q But you had the right to call on Mr. Fischer's
12 services until December of 1987 for the \$280,000 you were
13 going to pay him--or the \$480,000, correct?

14 A No. By 1987, we were involved in other efforts
15 already. As I said, the \$105,000 was paid for past activities
16 for NEPL and the compensation that you are asking me about
17 now in 1987 was for other business unassociated with NEPL.

18 Q Well, Mr. Miller, as I understand your testimony,
19 you reached an agreement with Mr. Fischer that he was to
20 provide services for 24 months, is that correct?

21 A No. The financial commitment from us was for 24
22 months worth of \$20,000 a month.

23 Q And that's unrelated to his doing any work for 24
24 months?

UNCLASSIFIED

clg438

438

UNCLASSIFIED

1 by Mr. Artiano and Mr. Fischer in the first seven months, but
 2 initially, that first six months of 1986 there was a tremen-
 3 dous workload and the commitment that we were required to
 4 make to Mr. Artiano and Mr. Fischer, was for two years at
 5 \$20,000 a month.

6 Q So, am I correct in understanding your testimony
 7 that you are saying that in effect, Mr. Fischer had completed
 8 his 24 months of work by January of 1987?

9 A Yes. You keep interjecting the word work, when I'm
 10 talking about compensation.

11 Q Are the two unrelated in your mind?

12 A The two are unrelated in terms of my financial
 13 commitment to Mr. Fischer, which is what you're asking me
 14 about.

15 Q So you made a financial commitment to him that was
 16 unrelated to his performing any services for you, is that
 17 what you're saying?

18 A No.

19 MR. PRECUP: Mr. Fryman, that isn't what he said.
 20 Don't mischaracterize his testimony.

21 MR. FRYMAN: Well, I'm trying to understand his
 22 testimony, Mr. Precup, and I'm finding it somewhat difficult
 23 to understand it.

24 BY MR. FRYMAN:

25 Q Now, I'm just trying to get clear. As I understand

UNCLASSIFIED

clg439

439

UNCLASSIFIED

1 it, you reached an agreement with Mr. Fischer in December of
2 1985, to cover a period of 24 months.

3 A A financial commitment to Mr. Fischer and Mr.
4 Artiano for \$20,000 a month for 24 months. That's correct.

5 Q Or a total of \$480,000?

6 A That's correct.

7 Q Now, were they to provide services for that amount
8 of money?

9 A Yes and they did.

10 Q Were those services to cover any particular period
11 of time?

12 A About six months worth of intense activity, yes.

13 Q So they were to be paid \$480,000 for six months of
14 work, is that what you're saying?

15 A That's correct.

16 Q And that six months' work had been completed by
17 January of 1987?

18 A That's correct.

19 Q And when you paid him \$105,000, you in effect, were
20 paying him for services that he had already rendered?

21 A That's correct.

22 Q Okay. So Mr. Fischer and Mr. Artiano were, in
23 effect, being compensated a total of \$480,000 for six months
24 work, or \$80,000 a month?

25 A I don't accept it. What was required of me,

UNCLASSIFIED

clg440

UNCLASSIFIED

440

1 because we were monopolizing, particularly, Mr. Fischer's
2 time for that seven months, but predominantly six months in
3 early 1986, was a commitment to them for 24 months, \$20,000 a
4 month. It was not financially possible to make that commit-
5 ment without passing it along to the client that required the
6 work.

7 Q Mr. Miller, as I understand what you have said, you
8 made a commitment to pay Mr. Fischer and Mr. Artiano \$480,000.

9 A That's correct.

10 Q And you understood that they had performed the
11 services, under that agreement, within a period of six months?

12 A Yes.

13 Q And you owed them \$480,000 for six months' work?

14 A That's correct.

15 Q And according to my arithmetic, that works out to
16 \$80,000 a month.

17 A Well, that's your arithmetic.

18 Q Do you disagree with the arithmetic?

19 A I've already told you I disagree with it. What I
20 made to them was a commitment for \$20,000 a month for 24
21 months. And that was the substance of the commitment to
22 them. Now, you can divide it up any way you want, but that
23 was my commitment to them.

24 Q Just to make sure you and I are on the same wave
25 length about the elements in the equation, the total amount

1 of funds is \$480,000?

2 A Correct.

3 Q And the total months of service was six months?

4 A That's correct also.

5 Q And in addition to the \$480,000 commitment, you had
6 a separate arrangement with Mr. Artiano for him to provide
7 additional services directly for IBC, I believe you testified.

8 A Correct.

9 Q And you had separate financial arrangements with
10 Mr. Fischer, with regard to additional services.

11 A That's correct also.

12 Q Off the record.

13 [Brief pause off the record.]

14 MR. FRYMAN: All right, we will start with Exhibit
15 29 and see what happens. It appears from the prior transcript
16 of Mr. Miller's deposition, that the last exhibit marked was
17 Number 28. I would ask the reporter then to mark, as Miller
18 Deposition Exhibit 29 for identification, a report that has
19 been prepared by accountants for the House and Senate
20 Committees, which summarizes financial data and bank records
21 of International Business Communications, INTEL Corporation,
22 Gomez International, Miller Communications, and World Affairs
23 Counselors, Inc. This report is dated September 14, 1987 and
24 contains 35 pages.

BY MR. FRYMAN:

Q Mr. Miller, I show you Exhibit 29 for identification. You will notice that the first sheet is headed Analysis 3-A, which is a summary sheet of the statement of cash receipts and disbursements for the period January 1985 to December 1986. The next sheet is a similar summary sheet which is headed Analysis 3-C, which is an analysis of disbursements to other organizations for the same period. There is no sheet headed Analysis 3-B, you will note. The third sheet is headed Analysis 3-D and is an analysis of receipts for the IBC-affiliated companies for the same period.

Then following that there are further sheets, three summary sheets relating to the IBC account, one summary sheet relating to the IC account, one summary sheet relating to Miller Communications, and one summary sheet relating to Gomez International. Following those summary sheets are then a number of detailed sheets listing the components of the various accounts that are summarized on the prior sheets. Now, let's go off the record for a second.

[Brief pause off the record.]

BY MR. FRYMAN:

Q Mr. Miller, if you would first turn in Exhibit 29

clg443

1 to page 10, you will notice, on that page, toward the bottom,
 2 the report indicates that there were payments to IBC of
 3 \$22,500 from an entity called ESOP Associates. Are you
 4 familiar with ESOP Associates?

5 MR. PRECUP: Before the witness answers, Mr.
 6 Fryman, I want to say for the record that we object to the
 7 use of this exhibit for questioning the witness on a wide
 8 number of bases. The document appears, in its 35 pages here,
 9 to be other than complete in that, for example, it has
 10 analyses 3-A, C and D, but no 3-B, not to mention 1 and 2,
 11 whatever they might be. It is impossible, on a brief
 12 examination, to determine whether this is a correct and
 13 complete analysis, let alone an accurate one of the accounts
 14 it purports to review.

15 It contains characterizations throughout of payee's
 16 sources of funds and the like. We, of course, assume that
 17 the math is correct, but that's an assumption because we have
 18 not had a chance to check it ourselves. We don't know what
 19 records in total were used to produce this nor what biases
 20 existed in the persons who did produce it and who are not
 21 here for us to question.

22 Hence, we do not--the witness does not adopt any
 23 part of this exhibit as a true description of any kind of
 24 reality. With all that said, should anything you care to
 25 point out to him in this document refreshes recollection

1 pendently, about a transaction or an event, I, of course,
2 have no objection to the witness answering that question.

3 MR. FRYMAN: Mr. Precup, as I indicated when I
4 marked the document as an exhibit, I'm not asking Mr. Miller
5 to adopt this analysis as being in its entirety correct. I'm
6 merely marking it as an exhibit. I'm representing that it is
7 the analysis prepared by our accountants and I intend to use
8 it as a basis for putting specific questions to Mr. Miller.

9 BY MR. FRYMAN:

10 Q The pending question, Mr. Miller, is derived from
11 page 10, but I can really ask you the question independently
12 of page 10. Are you aware that IBC received funds from an
13 entity called ESOP Associates?

14 A Yes.

15 Q What is that entity?

16 A It's actually called the ESOP Association and it's
17 the ~~employee stock ownership program~~ association in Washing-
18 ton.

19 Q And were they a client of IBC?

20 A Yes.

21 Q Do you recall if, in 1985, they paid fees to your
22 organization in the range of \$22,500?

23 A We were paid \$22,500 for the execution of a general
24 public-affairs program. Some of that was fees; some of that
25 was program expenditures. As I recall, we refunded about

UNCLASSIFIED

clg445

445

UNCLASSIFIED

1 \$12,500 to them. I think that's correct.. I can't remember
2 the figures specifically.

3 Q If you would look at page 18, Mr. Miller, you will
4 notice that there is reflected there a payment by IBC to ESOP
5 Associates of \$13,690. Is that amount consistent with your
6 recollection of the amount that was paid back to that client?

7 A We only made one payment to ESOP so that would have
8 to be it if that's an accurate reflection of my business
9 records.

10 Q Was the payment that you made back to them approxi-
11 mately in November of 1985, according to your recollection?

12 A Yes.

13 Q Am I correct in understanding that the fees that
14 you received from this client had nothing to do with your
15 work in connection with the Nicaraguan Resistance?

16 A That's correct.

17 Q If you would look again at page 10, there's a
18 reference to Calero traveler's checks and there's a number of
19 entries indicating that in April of 1985, you received
20 \$35,000 from Mr. Calero. Is that consistent with your
21 recollection that you received that amount of money from Mr.
22 Calero in April of 1985?

23 MR. PRECUP: Excuse me, Mr. Fryman. You said
24 \$35,000. Perhaps you misspoke. Our sheet shows a different
25 figure.

UNCLASSIFIED

clg446

1 MR. FRYMAN: In April of 1985, I believe it's
2 \$35,000, Mr. Precup.

3 MR. PRECUP: You're selecting just the April
4 figures from that?

5 MR. FRYMAN: That's right. There's a \$4,000 figure
6 in February of 1985.

7 MR. PRECUP: All right, we see. Thank you.

8 THE WITNESS: I recall receiving traveler's checks
9 from Mr. Galero. Without looking at my business records, I
10 can't attest to whether your dates are correct or the amounts
11 are correct, but I was paid by Mr. Calero in traveler's
12 checks.

13 MR. FRYMAN:

14 Q Was it a series of payments in traveler's checks in
15 April of 1985?

16 A Well, there was a--yes, for different things and
17 there were several payments in April of 1985.

18 Q Is it your recollection that those payments were in
19 the range of \$35,000?

20 A I don't have a specific recollection of the range,
21 but I do recall a \$20,000 wire transfer and \$10,000 in
22 traveler's checks specifically.

23 Q What did you do with the traveler's checks?

24 A I think most of them were deposited into the
25 general IBC account and I think some of them I took directly

UNCLASSIFIED

c1q447

447

1 and I've forgotten the exact amount.

2 Q Took directly where?

3 A I used them for my own personal income. It was a
4 sole proprietorship in 1985.

5 Q All right. If you turn to page 11, Mr. Miller, the
6 exhibit indicates that IBC received approximately \$14,000 in
7 1985 from the Gulf and Caribbean Foundation. Do you recall
8 your company receiving payments from the Gulf and Caribbean
9 Foundation?

10 A Yes.

11 Q Did your company perform services for the Gulf and
12 Caribbean Foundation?

13 A Yes.

14 Q What was the nature of the services?

15 A We were their media, relations and foreign policy
16 advisers for their scholars program and their other public
17 education efforts.

18 Q Did you understand that Dan Kuykendall supervised
19 the operations of the Gulf and Caribbean Foundation?

20 A Yes.

21 Q Did you ever discuss the Gulf and Caribbean
22 Foundation with Oliver North?

23 A I'm sure I did at one point or another.

24 Q Do you recall any discussion?

25 A I don't recall any specifics. I do recall that, I

UNCLASSIFIED

clg448

UNCLASSIFIED

448

1 think the first time that Colonel North asked me for money,
2 the money that was eventually transferred to Mr. Robelo's
3 account--I actually think Colonel North thought I was going
4 to go to the Gulf and Caribbean sponsors, as opposed to Mr.
5 Channel, but that's only a sum total recollection. It's not
6 a specific recollection.

7 Q You are familiar, of course, with the chart
8 prepared by Colonel North that was printed in the Tower
9 Commission report and has been marked earlier as an exhibit
10 in this deposition.

11 A I was provided a copy of it by your Committee and
12 I've had a chance to review it.

13 Q You've seen it before?

14 A Yes.

15 Q And you're aware that there's a box on that chart
16 that indicates the GNC Foundation?

17 A Yes.

18 Q Do you have any information as to why Colonel North
19 included what appears to be a reference to the Gulf and
20 Caribbean Foundation on that chart?

21 A No.

22 Q Do you believe that any discussion you had with
23 Colonel North could have been the basis for his including
24 that reference on the chart?

25 A It's entirely possible but I don't have any

UNCLASSIFIED

clg449

UNCLASSIFIED

449

1 specific recollections of a conversation either about the
2 chart or including them in some formal structure.

3 Q Also on page 11, Mr. Miller, there's an indication
4 that IBC received \$9,800 from Kate Macinnis. Now, was Kate
5 Macinnis a secretary at your organization?

6 A No. Kate Macinnis is our office manager.

7 Q She was an office manager. Is it your recollection
8 that there was a financial entry in your books showing
9 receipt of \$9,800 from Kate Macinnis?

10 A No.

11 Q Do you have any explanation for such an entry?

12 A Without going back to my books and specific detail,
13 no. I think it's an error in your document.

14 Q Mr. Miller. Turn to page 32. On that page, the
15 report indicates payments by Miller Communications to Kate
16 Macinnis in February through May of 1986 totaling \$35,863.
17 Do you recall such transfers from Miller Communications to
18 Kate Macinnis?

19 A No. Again, I think it is an error in your report.
20 There is simply the name on the check. I think they are
21 probably either my draw or travel advance, and she simply
22 cashed the check.

23 Q There is a particular entry dated March 24, 1986 for
24 \$31,663, and there is a notation NEW. Do you recall a
25 transfer to her in that approximate amount in March of 1986?

UNCLASSIFIED

ajh450

UNCLASSIFIED

450

1 A No. Again, it wasn't a transfer to her. That is
2 simply her cashing a check in order to write either a
3 cashier's check or a treasurer's check to myself.

4 Q You believe it was one of the two.

5 A Yes.

6 Q Do you recall--

7 A It may have been Kenneth, but I don't ever remember
8 carrying \$31,000 in cash away from the office, so I suspect
9 it was probably a treasurer's or a cashier's check.

10 Q Do you recall placing an order for a cashier's
11 check or a treasurer's check in the amount of \$31,663 in
12 March of 1986?

13 A Not specifically, but I can check my records. I
14 don't specifically recall it.

15 Q If you turn to page 17, Mr. Miller, on that page
16 you will note that the report indicates that there were IBC
17 checks to cash in March of 1986: a check, March 21, for
18 \$20,005; a check, March 26, of \$20,005, and a check in April,
19 April 15, for \$20,010. Do you recall IBC making such cash
20 withdrawals in March and April of 1986?

21 A Not specifically, but I am also not accepting your
22 assertion that these are cash withdrawals. These may have
23 been inter[?]account transfers or the purchase of treasurer's
24 checks or cashier's checks..

25

Q All right, do you recall any purchase of treasurer's

UNCLASSIFIED

clg451

451

UNCLASSIFIED

1 checks or cashier's checks in those amounts in March and
2 April of 1986?

3 A None in specific, no.

4 Q Now, in response to my question about Kate Macinnis
5 and about these transactions, you have referred, on both
6 occasions, to the possibility of treasurer's or cashier's
7 checks in amounts of \$20,000 or \$30,000. Do you recall that
8 you obtained cashier's checks or traveler's checks in that
9 approximate amount at that time?

10 A I never said traveler's checks. I said treasurer's
11 checks.

12 Q I'm sorry, treasurer's checks or cashier's checks.

13 A Again, I don't in specific detail, but that's
14 entirely possible that it either was that or these were
15 inter-account transfers.

16 Q Well, you say that's entirely possible. Do you
17 recall making transfers in the range of \$20,000-\$30,000 by
18 cashier's checks and treasurer's checks?

19 A I recall transfers in the amount of \$20,000. How
20 the specific transactions were handled, I can't remember
21 specifically without looking at my records.

22 Q So you have no recollection of withdrawals in the
23 March and April 1986 period that total approximately \$100,000
24 in four transactions, three transactions reflected on page 17
25 for \$20,000 each payable to Cash and the other transaction

UNCLASSIFIED

clg452

UNCLASSIFIED

452

1 from Miller Communications of \$30,000 on March 24, payable to
2 Kate Macinnis?

3 Q Well, in keeping with what my counsel said earlier
4 and to reflect my answer a moment ago, I remember \$20,000
5 transfers. I can't, from your document--I do not have, from
6 your document, a specific refreshment of my recollection
7 about these individual transfers.

8 Q What \$20,000 transfers do you recall?

9 A No, I simply remember making \$20,000 transfers.

10 Q To whom?

11 A I don't remember specifically whom and I couldn't
12 remember them off the top of my head without looking at my
13 business records. Again, they may have been inter-company
14 transfers.

15 Q If you were seeking a treasurer's check or a
16 cashier's check from the bank, would you make the IBC check
17 payable to cash?

18 A It's been done that way, yes.

19 Q Might you also make it payable to Kate Macinnis?

20 A I might make it payable to Kate Macinnis. I might
21 make it payable to the National Bank of Washington.

22 Q It would be one of the three?

23 A Right. It could also be made out to me as an
24 individual and I could endorse it and the bank would accept
25 the endorsement. It could be made out as a corporation

UNCLASSIFIED

clg453

UNCLASSIFIED

453

1 with the bank accepting the endorsement of the corporation.

2 Q If you would turn to page 13, the exhibit indicates
3 transfers to IBC totalling \$15,000 from the Institute for
4 North South Issues. Do you recall IBC receiving payments
5 from the Institute for North South Issues?

6 A Yes.

7 Q What was the purpose of those payments?

8 A We were paid a monthly rent for the office space,
9 use of the telephones, and other facilities, xeroxing,
10 receptionist by the Institute of \$15,000 a month. I think if
11 you look at--

12 Q You said \$15,000 a month.

13 A \$1,500 a month, I'm sorry. \$1,500 a month.

14 Q Is it your recollection that you received total
15 payments of approximately \$15,000 for such rent and overhead?

16 A Well, I specifically remember getting \$1,500 a
17 month from them. These figures are all in \$1,500 increments,
18 so I would assume these are all rent payments. I don't
19 believe we've ever received anything but rent payments from
20 them.

21 Q You don't recall ever receiving a fee of any sort
22 from the Institute for North South Issues?

23 A No.

24 Q Okay. Also on that page, there's an indication of
25 a transfer of funds from Ransom F. Shoup and the company,

UNCLASSIFIED

clg454

UNCLASSIFIED

454

1 payments totalling \$15,170. Is that a client of your firm?

2 A Yes.

3 Q Has your firm performed public relations services
4 for that client?

5 A Yes.

6 Q Are those payments unrelated to your work in
7 connection with the Nicaraguan Resistance?

8 A Yes.

9 Q Turning to page 14, Mr. Miller, there's an account
10 that begins on the preceding page, 13, where our accountants
11 have not been able to identify the source of funds to IBC and
12 I want to ask you about certain entries on there and just ask
13 you if you recall what the source of the funds were. In
14 particular, there's a reference to a payment on September 25,
15 1985 of \$16,340. Do you recall receiving a payment in
16 approximately that amount at that time?

17 A Yes.

18 Q What was the source of those funds?

19 A I believe, again from just trying to recollect from
20 your document refreshing my memory that that was a payment by
21 the Indonesian World Trade Center.

22 Q Did any such payment have any connection with your
23 work for the Nicaraguan Resistance?

24 A No.

25 Q Also on that page, Mr. Miller, there's an entry for

UNCLASSIFIED

clg455

UNCLASSIFIED

455

1 a payment on March 3, 1986 of \$7,000. Do you recall a
2 payment in that amount at that time?

3 A Not specifically.

4 Q You will also note a payment on June 11, 1986 of
5 \$25,000. Do you recall a \$25,000 payment in June of 1986?

6 A Not specifically.

7 Q When you say not specifically--

8 A I have no recollection of that without going back
9 to my business records.

10 Q Further down, there's an entry for a payment of
11 \$10,000 on September 29, 1986. Do you recall a payment of
12 that amount at that time?

13 A No, I don't recall it.

14 Q There's an entry for a payment of \$8,500 on October
15 2, 1986. Do you recall a payment of that amount at that time?

16 A No.

17 Q There is an entry for a payment of \$38,100 on
18 November 10, 1986. Do you recall a payment of that amount at
19 approximately that time?

20 A I think it's \$30,100, but I don't recall the
21 specifics of that.

22 Q Off the record.

23 [Brief pause off the record.]

24 BY MR. FRYMAN:

25 Q In any case, Mr. Miller, just so there's no

UNCLASSIFIED

clg456

UNCLASSIFIED

456

1 confusion over this, page 14 indicates a payment of \$38,100
 2 on November 10, 1986. Do you have any recollection of a
 3 payment in that approximate amount at that approximate time?

4 A No.

5 MR. PRECUP: Mr. Fryman, I would observe too that
 6 the word payment is not indicated anywhere on the face of
 7 this column. It shows a receipt, but whether that's a
 8 payment or some other transaction is not specified on this
 9 sheet, so if there's some other information that you have
 10 that indicates it's a payment, I would appreciate you telling
 11 the witness that.

12 MR. FRYMAN: Well, I'm trying to be as non-technical
 13 as possible, Mr. Precup. What the sheet indicates is that
 14 IBC received funds in that amount at approximately that date
 15 and by payment, I meant a payment to IBC.

16 BY MR. FRYMAN:

17 Q Finally on this page, Mr. Miller, there's an entry
 18 of a receipt of \$20,000 on November 12, 1986. Do you have
 19 any recollection of the receipt of approximately that amount
 20 at that time?

21 A I think in that period--no, I don't. I'm sorry. I
 22 don't have a specific recollection.

23 Q Further on that page, there are entries indicating
 24 payments to IBC, or receipts by IBC, of \$356,471.66 from the
 25 U.S. Treasury. Do you recall receiving such monies from the

UNCLASSIFIED

clg457

457

UNCLASSIFIED

1 U.S. Treasury?

2 A Yes.

3 Q What were those funds for?

4 A These are in relation to the State Department
5 contracts.

6 Q There's one there for \$14.50 on October 24, 1985.
7 Do you have any recollection as to what that relates to?

8 A I don't have a specific recollection, but it may
9 well be a refund on one of our corporate tax returns.

10 Q But I take it, you don't believe that relates to
11 the State Department contract?

12 A No, I don't think we ever got a check that small
13 from the State Department.

14 Q But are the other entries in that column consistent
15 with your recollection of payments to IBC from the State
16 Department?

17 A All but the first one and I would have to verify
18 that from my business records. The others all seem consis-
19 tent.

20 Q You recall a series of payments for \$12,858?

21 A That's correct.

22 Q And you recall a large payment for \$216,381.16?

23 A Yes.

24 Q And a final payment of \$25,670?

25 A Correct.

UNCLASSIFIED

clg458

UNCLASSIFIED

458

1 Q Turning to page 15, there's a notation that your
2 account received \$6,761.55 in December of 1986 from the
3 Western Goals Foundation. Do you recall receiving a payment
4 of approximately that amount at that time?

5 A Yes.

6 Q What was that for?

7 A It was for the beginning of a radio program they
8 wanted to put on the air.

9 Q And Western Goals was an organization controlled by
10 Mr. Channel at that time?

11 A Well, he was involved with it at that time.
12 Whether he was in direct control, I don't know.

13 Q Did you consider Mr. Channel the individual who
14 made the decision to make a payment to you on behalf of
15 Western Goals?

16 A In conjunction with Mr. Conrad who was, at that
17 time, I believe the Executive Director of Western Goals.

18 Q There are also on that page/ entries indicating
19 receipts of \$20,000 from William Mulvey, Inc. Is William
20 Mulvey, Inc. a client of your firm?

21 A Yes.

22 Q And you've rendered public relations services for
23 that client?

24 A And other services as well

UNCLASSIFIED

Q And am I correct that the receipts from that client

clg459

UNCLASSIFIED

459

1 had nothing to do with your work for the Nicaraguan Resistance?
2

3 A That's correct.

4 Q On that page, there are further series of payments
5 at this point, beginning after the first two entries, which
6 are reflected as a debit column, of payments to 1607 Associates
7 and 1912 Sunderland Associates. Is it your recollection
8 that you made such payments to such entities as rent
9 payments?

10 A Rent and other services.

11 Q On page 16, Mr. Miller, there are also a series of
12 payments reflected to Bragg Communications for the period
13 June 1985 through January of 1986. Is it your recollection
14 that you made such payments to Bragg Communications for rent
15 also?

16 A That's correct.

17 Q Continuing on page 16, there is an indication of a
18 payment of \$10,000 in November 1986 to Frederick Arguello
19 from the IBC account. Do you recall making such a payment
20 from that account in November of 1986?

21 A It was money that was transferred to him at the
22 direction of Colonel North.

23 Q Did this reflect funds that you received from Mr.
24 Channel's organization?

25 A Yes. I'm not sure you have the right account, but

UNCLASSIFIED

clg460

460

UNCLASSIFIED

1 that's--

2 Q Our analysis indicates this came out of an IBC bank
3 account. Is that inconsistent with your recollection?

4 A My recollection was that it came out of the Miller
5 Communications account, but that may--I wouldn't be able to
6 swear to either one of them without looking at the bank
7 records.

8 Q In any case, you recall a payment to Frederick
9 Arguello in November of 1986 of \$10,000 that was made at the
10 direction of Colonel North, right?

11 A Correct. Can we take a quick break?

12 Q Sure.

13 Q Turning to page 16, or continuing on page 16, Mr.
14 Miller, there are two payments on that page, in July of 1985,
15 of \$50,000 each, to Gary Bagdasarian, and I believe Mr. Kaplan
16 asked you some questions about Gary Bagdasarian at an earlier
17 session of your deposition.

18 But I want to just pursue this a bit more. Do you
19 recall making two \$50,000 payments to Mr. Bagdasarian in July
20 of 1985?

21 A Yes.

22 Q I believe you've testified earlier, that this had
23 some relation to your association with al-Massoudi?

24 A That's correct.

25 Q Did al-Massoudi request that you make these

UNCLASSIFIED

art461

UNCLASSIFIED

461

1 payments to Mr. Bagdasarian?

2 A Yes.

3 Q What did you understand was the reason for the
4 payments?

5 A It was some performance bond which needed to be
6 satisfied, and Mr. Bagdasarian is his attorney and he was
7 responsible for taking care of it.

8 Q Now the association with al-Massoudi was an
9 association that you were pursuing at the request of Colonel
10 North, is that correct?

11 A Correct.

12 Q Now, did Colonel North arrange for you to be reim-
13 bursed for this \$100,000?

14 A Yes.

15 Q How did he do that?

16 A It was a reimbursement that came, I think before
17 the end of 1985.

18 Q How was the reimbursement paid to you?

19 A Well, I kept a running ledger sheet which I
20 provided him copies of, which showed subtractions from the
21 money given to us by NEPL and other sources, and the subtrac-
22 tions were for expenditures made by his direction, or on his
23 behalf, and I would have reported it in that fashion. So it
24 would have been a subtraction situation for me. I would have
25 subtracted it from the total.

1 Q So, when you refer to the monies paid by NEPL, are
2 you referring to the monies paid by NEPL to the IBC account,
3 that you then relayed to the IC account, and then relayed to
4 other entities at Colonel North's direction?

5 A No. As I've testified earlier, the problem that we
6 encountered was, in the beginning we were doing a lot of
7 Colonel North's business out of the IBC accounts, and we
8 eventually tried to move it all into the IC, Inc. account.

9 Q Right.

10 A But this is an early instance in which we expended
11 money directly out of the IBC accounts for one of the things
12 that he had directed.

13 Q Right. But going back to your July 1985 meeting
14 with Colonel North and Mr. Channell, where there was a
15 discussion that NEPL would transfer a certain number of
16 dollars to one of your accounts, and then you would arrange
17 to transfer those monies to other entities at the direction
18 of Colonel North--am I correct in understanding from your
19 answer, that at some point in 1985, Colonel North authorized
20 you to hold for your own purposes \$100,000 of such funds that
21 NEPL had transferred as reimbursement for these expenditures
22 to Mr. Bagdasarian?

23 A Yes.

24 Q Turning to page 17, there's an indication of a
25 payment by IBC to Bruce Cameron of \$10,000 in January 1986.

UNCLASSIFIED

art463

463

UNCLASSIFIED

1 Do you recall paying such an amount to Mr. Cameron?

2 A Yes.

3 Q What was that for?

4 A It was for a legislative analysis by Mr. Cameron on
5 the climate on Capitol Hill for continued aid to the Nicara-
6 guan resistance.

7 Q Was this for a particular paper that he was
8 preparing for you, or was it for continued services over a
9 period of time?

10 A I recall that there was some form of a report--
11 there may have been more than one--but beyond that, I can't
12 recall the specifics of the relationship without going back
13 and looking at my records.

14 Q How did you happen to retain Mr. Cameron?

15 A Bruce was recommended to us by Pen/Kemble of the
16 Institute for Religion and Democracy, and we received a
17 recommendation from Elliott Abrams also.

18 Q When you say you received a recommendation, do you
19 recall what they said about him, what was the nature of the
20 recommendation?

21 A That he was working hard for the policies, and that
22 he had been made to pay a heavy price by his former col-
23 leagues, and that if there was a way to incorporate him into
24 the effort we should do it. And all those conversations were
25 predicated on the fact that we were looking for somebody to

UNCLASSIFIED

art464

464

UNCLASSIFIED

1 do precisely that, and in our book those two things were
2 qualification enough for him.

3 Q Did Mr. Abrams indicate that Mr. Cameron had been
4 useful in the effort?

5 A I don't recall that. I recall Elliott saying that
6 he was a good man, and that he knew Central America extremely
7 well and knew the legislative process involving Central
8 America extremely well.

9 Q When did this discussion with Mr. Abrams occur?

10 A I can't recall, specifically, but some time around
11 December, I guess.

12 Q Was it just you and Mr. Abrams?

13 A As I recall it was a phone conversation, but my
14 recollection is sketchy. I think I got a letter from Pen[✓]
15 Kemble, and I think I got a phone call from Elliott Abrams.

16 Q Asking you to retain Cameron?

17 A Well, the letter from Pen[✓]Kemble asked me to retain
18 Cameron. The phone call from Elliott Abrams was what I had
19 just recounted to you.

20 Q I mean, did you consider that a request by Mr.
21 Abrams, that you retain Cameron?

22 A No. I considered it a recommendation by Mr. Abrams.

23 Q But is it your recollection that that was the
24 principal subject of the phone call, that he called you with
25 respect to a recommendation of Mr. Cameron?

UNCLASSIFIED

art465

UNCLASSIFIED

465

1 A Yes.

2 Q Are you aware that Mr. Channell also retained Mr.
3 Cameron in 1986?

4 A Yes.

5 Q Do you know the purpose for which Mr. Channell
6 retained Mr. Cameron?

7 A Well, in general terms, yes.

8 Q Did you discuss with Mr. Channell his retention of
9 Mr. Cameron?

10 A Well, actually, I think this transaction that you
11 and I just discussed a moment ago was the beginning of that
12 relationship, and then I think it continued on. I can't
13 attest to the financial transactions between the two of them
14 because I wasn't made aware of them, but the general work
15 continued to be about the same, legislative analysis.

16 Q Was Mr. Cameron performing lobbying services?

17 A I don't think under his contract with NEPL he was
18 performing lobbying services. He may have received money from
19 Mr. Channell for lobbying services, but I'm not positive
20 about that.

21 Q Was he performing lobbying services for you?

22 A I didn't consider this lobbying services.

23 Q What period of time did his services cover for you,
24 for which you paid him \$10,000?

25 A Actually, I think that is \$10,000 out of a total

UNCLASSIFIED

art466

466

1 commitment to him of about \$40,000, and it spanned several
2 months, and, again, without looking at the letters, the
3 exchange of letters or subsequent documents in the file, I
4 can't tell you exactly how many months it was.

5 But it's at least four months, and it entailed more
6 than just Mr. Cameron. It entailed employees of Mr. Cameron.

7 Q Well, is it your recollection that your company
8 paid him \$40,000?

9 A No. It's my recollection that the original request
10 from him was for \$40,000, and I think this \$10,000 is the
11 initial payment of that \$40,000.

12 Q Is it your recollection that subsequent payments
13 came directly from Mr. Channell?

14 A I think that's right. I'm hazy on my recollection
15 but I think that's correct.

16 Q Was there some reason that there was a transfer of
17 compensation to Mr. Cameron from your organization to Mr.
18 Channell's organization?

19 A Mr. Channell wanted it that way.

20 Q He did?

21 A Yes.

22 Q That's something you recall discussing with Mr.
23 Channell?

24 A Yes.

25 Q Do you know why he wanted it that way?

UNCLASSIFIED

art467

467

UNCLASSIFIED

1 A No.

2 Q He didn't indicate why he wanted it that way?

3 A Not that I specifically remember.

4 Q Continuing on page 17 of Exhibit 29, Mr. Miller,

5 there's a reference to a payment of \$9,300 to Ricardo

6 Carrasco in October of 1985. Do you recall such a payment?

7 A I don't. I've never seen the name Ricardo Carrasco,

8 or don't recall seeing it.

9 Q So you have no idea what such a payment would have

10 been for?

11 A Again, I've never heard of Ricardo Carrasco, or at

12 least I don't remember Ricardo Carrasco in any way.

13 Q All right. At the bottom of that page, there's an

14 indication of a payment in September of 1985 to Arturo Cruz

15 of \$10,005. Do you recall such a payment in September of

16 1985?

17 A Yes. The five dollars is simply a charge for a

18 cashier's check.

19 Q So the payment was for \$10,000?

20 A That's correct.

21 Q We were talking earlier, on that same page, about

22 the notations of payments to cash in March and April of 1986

23 for \$20,005 and \$20,010. Do those amounts indicate to you

24 that those were cashier's checks or treasurer's checks as

25 well?

UNCLASSIFIED

art468

UNCLASSIFIED

468

1 A It's entirely possible that those are service
2 charges for cashier's or treasurer's checks.

3 Q Why did you pay Mr. Cruz \$10,000 in September of
4 1985?

5 A Colonel North asked me to.

6 Q What was the source of those funds?

7 A That was NEPL money.

8 Q Turning to page 18, we were talking earlier about
9 payments to David Fischer, and you will note that there is an
10 indication of a \$50,000 payment to David Fischer and As-
11 sociates on April 18, 1986.

12 Does that refresh your recollection about such a
13 payment in that amount, in April of 1986?

14 A Again, I recall making a \$50,000 payment to Mr.
15 Fischer. I don't recall a specific date, but I'll accept
16 your record of it.

17 Q Why did you make a \$50,000 payment to Mr. Fischer?

18 A He requested it.

19 Q That's the only reason?

20 A That's correct.

21 Q You indicated earlier this morning that you had a
22 commitment to Mr. Fischer and Mr. Artiano to pay them
23 \$480,000, is that correct?

24 A That's correct.

25 Q You understood that they had performed the services

UNCLASSIFIED

art469

UNCLASSIFIED

469

1 for which they were entitled to be paid that amount during a
2 period of six months?

3 A That's correct.

4 Q That six months began in December of 1985?

5 A Actually, January of 1986.

6 Q It began in January of 1986.

7 A They began work in December, but the period that I'm
8 talking about, the intensive work that they carried out, was
9 in the first six months of 1986.

10 Q The six months ending June of 1986?

11 A That's correct.

12 Q You've also indicated this morning, that you paid
13 Mr. Fischer \$105,000 of that \$480,000 in January or February
14 of 1987. Is that correct?

15 A That's correct.

16 Q So is it correct, that in effect, you owed Mr.
17 Fischer more than \$100,000 for a six-month period? He had
18 completed his services in June of 1986, but you did not finish
19 compensating him for those services until January of 1987?

20 A As I told you earlier in my testimony, our agreement
21 was for \$20,000 a month for 24 months, and within reason,
22 they could make cash calls along the way, and both that
23 \$50,000 and the \$105,000 that you've asked about were the
24 result of cash calls.

UNCLASSIFIED

Q But the services that were being performed for those

art470

470

UNCLASSIFIED

1 monies were completed, in your view, in June of 1986?

2 A That's correct.

3 Q Also on page 18, Mr. Miller, there's an indication
4 of payment to something called Eason, E-a-s-o-n, Associates.
5 Do you know what Eason Associates is?

6 A Yes. That's my graphic arts subcontractor.

7 Q Do you recall a payment to Eason Associates of
8 \$12,000 in June of 1986?

9 A Not specifically.

10 Q Were any payments that you made to Eason Associates
11 payments for services that they rendered to your organization/

12 A Yes. They all were.

13 Q Payments for services in the area of graphic arts?

14 A That's correct.

15 Q Who was Rafael Flores?

16 A He's an employee.

17 Q You will note on page 18, there are indications of
18 periodic payments to Mr. Flores, the first of approximately
19 \$477, and later, approximately \$524. Do you recall such
20 periodic payments to him?

21 A I'm sure they're salary payments.

22 Q Salary payments. Now there's also an indication of
23 two significantly larger payments to Mr. Flores, one in
24 January 1986 of \$5,128.74, and a second on March 11, 1986, of
25 \$6,740.69.

UNCLASSIFIED

art471

471

UNCLASSIFIED

1 Do you recall such larger payments to Mr. Flores?

2 A Not specifically.

3 Q Well, do you ever recall making payments to Mr.
4 Flores apart from his monthly salary payments?

5 A Yes.

6 Q For what purposes?

7 A He was the principal escort in the beginning of the
8 Central American Freedom Program for our speakers, and later,
9 was one of several escorts, and he didn't carry any credit
10 cards, and he generally travelled with traveller's checks as
11 opposed to using credit cards, and that's the way he paid his
12 bills on the road.

13 Q Well, is it your recollection that you provided
14 traveller's checks to him by means of an IBC check payable to
15 him?

16 A To him, to cash, or to NBW, or to American Express,
17 any one of those ways.

18 Q Do you have any recollection of any other larger
19 payments to Mr. Flores?

20 A Not offhand, no.

21 Q Turning to page 19, there is an indication of
22 payments to H-u-m-b-e-r-t-o Q-u-i-n-o-n-e-s. Do you recall
23 payments to an individual named Humberto Quinones?

24 A Yes.

25 Q Who is Mr. Quinones?

- 1 A He is a consultant to IBC.
- 2 Q Why were you paying him money?
- 3 A For a client matter unrelated to this investigation.
- 4 Q A matter that has not relation to your work for the
- 5 Nicaraguan resistance?
- 6 A ~~That's~~ That's correct.
- 7 Q What is his area of specialty?
- 8 A Predominantly the Caribbean and South America.
- 9 Q You mean he's knowledgeable about political matters
- 10 in that area?
- 11 A Political, but predominantly business, trade, and
- 12 development.
- 13 Q Does he have his own firm?
- 14 A I believe he does have his own firm, yes.
- 15 Q Do you know what his background is?
- 16 A He's a Cuban-American, and he's done work with
- 17 several Central American and Caribbean governments.
- 18 Q Turning to page 20, there's an indication of a

- 20 Do you recall a payment to Kemp Enterprises?
- 21 A Yes.
- 22 Q What is Kemp Enterprises?
- 23 A That is a producer, whose last name is Kemp, who

- 25 American Freedom Program. I can't recall his first name. I

2 Q Is it your recollection that there was a payment in
3 the range of \$6,000 in March of 1986 for the preparation of
4 that program?

5 A Yes.

6 Q Who is Kevin Hopkins?

7 A He's a writer.

8 Q Do you recall paying Kevin Hopkins \$5,000 in the
9 summer of 1986?

10 A Yes.

11 Q Why did you pay him that money?

12 A It was for writing a brochure.

13 Q About what?

14 A IBC. Well, Kevin did many things, so I'm not sure
15 exactly which activity that was for.

16 Q Did he perform any services in connection with your
17 work on behalf of the Nicaraguan resistance?

18 A No.

19 Q There's a notation on page 20, Mr. Miller, that IBC
20 paid \$25,000 to the Latin American Strategic Studies Institute
21 in March 1986.

22 Do you recall paying such an amount at approximately
23 that time?

24 A Yes.

UNCLASSIFIED

25 Q Why did you pay those monies?

art474

UNCLASSIFIED

474

1 A It was requested by Dr. Calero and approved by
2 Colonel North.

3 Q What was the source of those funds?

4 A That was NEPL money.

5 Q Who is Gerald McElsay? M-c-E-l-s-a-y.

6 A I have no idea.

7 Q There's an indication on page 21 of a \$10,000
8 payment to Gerald McElsay in July of 1985. Do you have any
9 recollection of such a payment?

10 A I don't remember the name, Gerald McElsay. I'd
11 have to go back to my business records.

12 Q Turning to page 22, do you know, or do you recognize
13 the name Shokiri Moniereh? S-h-o-k-i-r-i. M-o-n-i-e-r-e-h.

14 A Yes, but it's inverted.

15 Q How should it appear?

16 A Moniereh Shokiri.

17 Q Who is that individual?

18 A That is Ibrahim al-Massoudi's wife and business
19 partner.

20 Q Did you make payments to her of approximately
21 \$46,000 in 1985?

22 A Yes.

23 Q Why did you make those payments?

24 A These were payments for office expenses, telephone,
25 Telex, and fees associated with the al-Massoudi business.

UNCLASSIFIED

art475

475

1 Q Now were you reimbursed for those expenses?

2 A Yes.

3 Q Colonel North authorized you to be reimbursed for
4 those expenses?

5 A Yes.

6 Q What was the source of funds for that reimbursement?

7 A NEPL.

8 Q Now we've talked, Mr. Miller, about your being
9 reimbursed for the payments to Gary Bagdasarian, and the
10 \$46,000 in payments to Moniereh Shokiri.

11 There's also a notation, on page 21, of a \$25,000
12 payment to Massoudi in July of 1985. Do you recall that
13 payment?

14 A Not specifically.

15 Q Well, do you recall paying monies to al-Massoudi?

16 A I don't remember this entry, specifically. It
17 doesn't refresh a specific recollection.

18 Q Did you keep a record of all of the funds that you
19 had expended on behalf of al-Massoudi?

20 A Yes, and we also produced a 1099 at the end of 1986.

21 Q Did you ask Colonel North, that you be authorized
22 to be reimbursed for all of the expenditures you had made on
23 behalf of al-Massoudi?

24 A Yes.

25 Q Did he authorize such reimbursement?

1 A Yes.

2 Q Did you take such amounts out of the NEPL funds?

3 A Yes.

4 Q What is your recollection of the total amount of
5 the reimbursement?

6 A At this point, it's about ~~350,000~~ thousand
7 dollars. ~~Our accountants~~, in their first 1099, missed the
8 second \$50,000 transfer to Bagdasarian, so they reported it
9 in the 1099 as \$291,000, I think, or 290-some thousand, and
10 actually there was another \$50,000 for Bagdasarian. And they
11 missed one other item, but I've forgotten exactly how much it
12 was.

13 Q So it was approximately \$350,000?

14 A That's right.

15 Q You took approximately \$350,000 from the NEPL
16 funds, pursuant to the authorization from Colonel North?

17 A My only problem with your using the word NEPL--
18 there may have been other funds that came back from IC, Inc.
19 through World Affairs Counsellors, but I couldn't swear to
20 that. But it was for money for the resistance. It was from
21 money for the resistance.

22 Q Now we talked earlier about your discussions with
23 Colonel North where he authorized you to take a 10 percent
24 fee for your services in making these transfers of the NEPL
25 funds.

UNCLASSIFIED

1 Am I correct in understanding that his authorization
2 of the reimbursement of the funds you had expended on behalf
3 of al-Massoudi was in addition to this 10 percent service
4 charge that he authorized you to take?

5 A That's correct. I would say that the \$10,000 was
6 as much a reaction to the al-Massoudi business, though. Or
7 10 percent. Excuse me. And that it was clear to me, after
8 the business year came to a close in 1986, or '85, that we
9 were expending an extreme amount of time on this, and going
10 in the hole, and that wasn't acceptable. You can't continue
11 doing business that way.

12 Q Correct. But it was not your understanding that
13 your reimbursement of the \$350,000 that we've been discussing
14 was to come from the 10 percent service charge that Colonel
15 North had authorized?

16 A That's correct.

17 Q You were to be reimbursed directly on a dollar-for-
18 dollar basis from the funds transferred to your accounts?

19 A That's correct.

20 Q Turning to page 23, there is a reference at the top
21 to M-o-u-f-i-d, slash, A-r-n-o-u-s. Do you recognize that as
22 a name?

23 A Yes.

24 Q Who is that person?

25 A He's a business partner, associate of al-Massoudi.

1 Q Is that the correct way that you understand the
2 name should be written? Moufid Arnous?

3 A Yes.

4 Q Do you recall paying him \$12,000 at the request of
5 al-Massoudi?

6 A Yes. And the second item that you have listed, the
7 ten thousand, may be the \$10,000 associated with the airline
8 tickets I was recalling, but I'm very hazy on the recollec-
9 tion.

10 Q Were payments to Moufid Arnous part of the reimbur-
11 sement that Colonel North authorized?

12 A Yes.

13 Q Now continuing on page 23, and 24 as well, Mr.
14 Miller, there is indication of a variety of payments from IBC
15 to the National Bank of Washington, and I want to review some
16 of these with you.

17 First, there is an indication of periodic payments
18 to the National Bank of Washington in the range of \$5,000,
19 and another group of periodic payments in the range of \$3,000.

20 Do you recall your company making a number of
21 payments to the National Bank of Washington in the \$3,000 and
22 \$5,000 range?

23 A Not specifically.

24 MR. PRECUP: I think the record should reflect that
25 in the series to which Mr. Fryman has just pointed ^{out,} none
^

479

1 of the checks seem to be in identical amounts. There are
2 some checks that are in the amount of 3,000, some in the
3 amount of five, both with change, if you will, but not what I
4 think are fairly characterized as periodic payments.

5 MR. FRYMAN: Let me approach this another way,
6 then, Mr Precup.

7 BY MR. FRYMAN:

8 Q Was the National Bank of Washington the principal
9 bank for IBC?

10 A Yes.

11 Q Did IBC have loans with the National Bank of
12 Washington?

13 A We have had two loans, I believe, with the National
14 Bank of Washington.

15 Q What was the nature of those loans?

16 A Business loans. We borrowed money from them, ~~and~~
17 based on future receivables, and repaid it.

18 Q Did you repay it on a monthly basis or was it a
19 demand note with the total principle to repay it at a certain
20 date?

21 A As I recall, they were both demand notes, and they
22 were paid in full.

23 Q All right. So you had no other loan relationship
24 with the National Bank of Washington other than those two
25 specific loans you've referred to?

UNCLASSIFIED

art480

UNCLASSIFIED

480

1 A That's correct.

2 Q Now, did you use the National Bank of Washington in
3 connection with making tax payments?

4 A Yes.

5 Q How did that work?

6 A We made our tax payments at the National Bank of
7 Washington.

8 Q These are employee taxes?

9 A All forms of taxes.

10 Q Withholding taxes. And so you made a number of
11 periodic checks to the National Bank of Washington for that
12 purpose?

13 A Well, I don't know how to characterize it, whether
14 I'd characterize it as "periodic," but I'm sure that's the
15 form in which we paid our payroll taxes, was by check.

16 Q All right. By checks payable to the National Bank
17 of Washington?

18 A I believe that's correct. I think that's how you'd
19 pay them.

20 Q Now other than payments to the National Bank of
21 Washington for interest on the loan and repayment of the
22 principle on the loan, and payments to the National Bank of
23 Washington for various taxes, what other payments did you make
24 to the National Bank of Washington?

25 A None that I'm aware of other than registration

1 fees, or standard banking fees.

2 Q Did you purchase, from time to time, cashier's
3 checks or traveller's checks, or treasurer's checks, at the
4 National Bank of Washington?

5 A I'm sure at some time we purchased all three of
6 those.

7 Q Now directing your attention again to page 23,
8 there's an indication of a payment to the National Bank of
9 Washington in April 1985 of \$14,005.62

10 Do you recall a payment in that amount at that
11 approximate time?

12 A Not specifically, no.

13 Q Does that \$5 amount indicate to you that that was a
14 check for the purchase of a cashier's check or treasurer's
15 check?

16 A That is possible, but it still doesn't refresh my
17 recollection.

18 Q Well, do you recall the purchase of a cashier's
19 check or treasurer's check in April of 1985 for \$14,000?

20 A Not specifically.

21 Q There's also an indication of a payment to the
22 National Bank of Washington in August 1985 of \$18,545.00. Do
23 you recall a payment of that amount at about that time?

24 A That was the payment I had described to you earlier
25 as one of the al-Massoudi matters dealing with the hostage

1 situation.

2 Q Why was that payable to the National Bank of
3 Washington?

4 A I think it was for traveller's checks and they were
5 transmitted to him in Geneva.

6 Q Was that an amount that Colonel North authorized
7 the reimbursement from the NEPL funds?

8 A Yes.

9 Q There's also, at the bottom of page 23, an indica-
10 tion of a payment of \$20,010 to the National Bank of Washing-
11 ton on May 15, 1986.

12 Do you recall a payment of approximately that
13 amount at approximately that date?

14 A Not specifically, no.

15 Q Turning to page 24, there's an indication of two
16 payments to the Nicaraguan Development Council, one in
17 December 1985 of \$6,000, and one in March of 1986 of \$25,000.

18 Do you recall those payments?

19 A I recall making payments in that amount to the
20 Nicaraguan Development Council.

21 Q Why did you make such payments?

22 A I can't recall, at the moment, what specifically
23 they were for.

24 Q Were these payments made at the direction of
25 Colonel North?

UNCLASSIFIED

art483

UNCLASSIFIED

483

1 A If not the direction, at least the approval of
2 Colonel North.

3 Q Were these from the NEPL funds?

4 A Yes.

5 Q Also on that page, there's an indication of two
6 payments to Mr. Robelo of \$30,000 each, one in July of 1985,
7 and the other in September of 1985.

8 Do you recall such payments?

9 A I recall transferring two \$30,000 payments to
10 Commercial Tooling in Costa Rica, and I was aware at the time
11 that that was a Robelo organization.

12 Q Were these transfers from the IBC account?

13 A Yes.

14 Q Were these done at the direction of Colonel North?

15 A Yes.

16 Q Also on page 24, Mr. Miller, there is an indication
17 of a payment of \$20,000 on January 21, 1986, and our account-
18 ants have not been able to identify the recipient.

19 Do you recall a payment of \$20,000 on January 21,
20 1986?

21 A Not specifically.

22 Q Who is Lawrence Stuart Young?

23 A He's a television producer in Miami.

24 Q Do you recall making payments to him in 1985?

A Yes.

- 1 Q What was the purpose of those payments?
- 2 A He was the director and field producer for our
- 3 first documentary with Dr. Joachim Maitre.
- 4 Q Did those payments total approximately \$13,000, to
- 5 your recollection?
- 6 A Yes.
- 7 Q What was the subject of that documentary?
- 8 A The freedom fighters and their military viability,
- 9 and their level of popular support in Nicaragua.
- 10 Q Was that the documentary that was later revised by
- 11 the Robert Goodman Agency?
- 12 A Yes.
- 13 Q What is ZGS?
- 14 A It's a videotape production company.
- 15 Q Did you make payments to that company in 1986?
- 16 A Yes.
- 17 Q What was the purpose of those payments?
- 18 A Those were production costs associated with our
- 19 multiple client responsibilities, some of them NEPL, some of
- 20 them other clients.
- 21 Q You described ZGS as a production company?
- 22 A That's correct. Videotape production company.
- 23 Q Do you mean that they would take a script and they
- 24 would film a commercial? Or what would they do?
- 25 A They were at the service of the NEPL television

2 duplication, editing, general production, videotape produc-

4 Q Who is Tony Zumbado?

5 A He's a producer from Miami who was employed during
6 the Central America Freedom Program to develop the contra-
7 film units.

8 Q What is that?

9 A He actually had camera crews who were resident in
10 Nicaragua, and Honduras and Costa Rica, whom he retained to
11 shoot film footage. He was the principal field producer on
12 the Wesley Smith documentary.

13 Q You paid him approximately \$30,000?

14 A Yes.

15 Q What was the Wesley Smith documentary?

16 A It's called "Bitter Legacy" and it is about the
17 Sandinista repression of religious and political opposition in
18 Nicaragua.

19 Q Is that the documentary that Mr. Young worked on?

20 A No.

21 Q So that's a different documentary than the one that
22 the Goodman Agency revised?

23 A That's correct.

24 Q What use was made of "Bitter Legacy"?

25 A It was provided to television stations on a request

UNCLASSIFIED

art486

UNCLASSIFIED

486

1 basis, was put up on the satellite, and has been used as a
2 "leave behind" with organizations, television stations, when
3 speakers spoke to either of those.

4 Q Do you know whether air time was purchased for
5 "Bitter Legacy" on television stations?

6 A I don't ever recall purchasing time on television
7 stations for "Bitter Legacy." We did put it up on the
8 satellite, and you pay for the satellite time, but then the
9 stations take it and it is up to them to air it, or not.

10 Q But you're not aware of it being aired as a paid
11 program?

12 A I don't recall it ever being aired as a paid
13 program.

14 Q Do you recall it ever being aired as a public-
15 service program?

16 A Some of the television stations who interviewed
17 some of the speakers did use it, subsequently, as a public-
18 affairs program.

19 Q Public-affairs program. Turning, Mr. Miller, to
20 page 27 which concerns the IC account in the Cayman Islands,
21 there is a reference to a receipt in July of 1986 of \$55,753.
22 Do you see that?

23 A Yes.

24 Q Are you aware that the IC account received such an
25 amount at approximately that time?

UNCLASSIFIED

art487

UNCLASSIFIED

487

1 A No. I think your record's incorrect. I think
2 that's an inter-account transfer which you're attributing to
3 an outside source.

4 Q Now our analysis indicates that the IC account
5 received funds from Herbert Barnes, the Heritage Foundation,
6 IBC, NEPL, and interest payments. Are you aware of any
7 sources of funds to the IC account other than the sources I
8 just indicated?

9 A No.

10 Q It's your belief that the entry on this sheet,
11 dated July 31, 1986, for \$55,753, should be an entry for an
12 inter-account transfer?

13 A Correct.

14 Q When you refer to "inter-account transfers," what ^o/_d
15 you mean?

16 A The managing directors in the Cayman Islands set up
17 additional accounts in order to draw interest without our
18 direction. They simply took it upon themselves to do it, and
19 when we would require transfers to be made out, sometimes
20 they would have to accumulate the sum in one of the accounts
21 and they did that by transferring the amounts from other
22 accounts. And I believe your entire bottom section probably
23 is redundant to the top section. So I'm very dubious about
24 your analysis.

25 Q Turning, again, to page 32, we've talked earlier

art488

488

UNCLASSIFIED

1 today about the indication of a payment from Miller Communica-
2 tions to Kate Macinnis in March of 1986 for \$31,663.00.

3 I believe you indicated that that was for some
4 purpose other than a direct payment to Kate Macinnis.

5 A That's correct.

6 Q I believe it was for a purchase of a cashier's
7 check or a treasurer's check, or some other sort of transfer.
8 Is that correct?

9 A Some other form of transfer. That's correct.

10 Q Do you have any recollection of a payment or a
11 transfer in that amount from Miller Communications in March
12 of 1986?

13 A No.

14 Q If you will turn to page 33, there is an indication
15 of a transfer from Miller Communications to the National Bank
16 of Washington in December 1986 of \$64,791.04.

17 Do you recall a transfer in that approximate
18 amount, or a payment in that approximate amount in December
19 1986?

20 A Again, I'm sure it was for some instrument of some
21 sort, but I don't specifically recall. It could have well
22 been year-end draw. Something that will cheer the IRS.

23 Q Now going back to page four of this exhibit,
24 there's an indication, Mr. Miller, that in 1985 and 1986--

UNCLASSIFIED

What is the total figure combined for 1985 and 1986?

art489

UNCLASSIFIED

489

1 Q For 1985 and 1986, yes. This analysis covers
2 January 1985 through December 1986, and it indicates payments
3 to IBC from NEPL of \$5,037,751.

4 Is it your recollection that in that two-year
5 period, IBC received payments from NEPL in the approximate
6 amount of \$5 million?

7 A I can't attest to that figure without going back and
8 looking at my business records.

9 Q I'm not asking you to attest to that figure. My
10 question is, is it your recollection that in that two-year
11 period, the total payments to IBC from NEPL were approximately
12 \$5 million?

13 A Approximately \$5 million, yes.

14 Q Is that correct? That's your recollection?

15 A Yes.

16 Q Now, in addition, page four indicates that IBC
17 received a payment from the Western Goals Foundation of
18 \$6,762, which we discussed earlier today, and you indicated
19 that you recall a payment in approximately that amount from
20 Western Goals, is that correct?

21 A Yes.

22 Q Page four also indicates that IBC received payments
23 from the American Conservative Trust of \$11,440. Is it your
24 recollection that in this two-year period, IBC received
25 payments from the American Conservative Trust in approximately

UNCLASSIFIED

art490

1 that amount, of \$11,440?

2 A I don't specifically recall the amount, but I recall
3 receiving compensation in rough approximation of that figure.

4 Q From the American Conservative Trust?

5 A Yes.

6 Q There's also an indication here of receipts by IBC
7 of \$21,000 from the Palmer National Bank. Do you recall any
8 receipts from the Palmer National Bank, or do you have any
9 explanation of--well, let me leave the question. Do you
10 recall any receipts in the range of \$21,000 from the Palmer
11 National Bank?

12 A Not from the Palmer National Bank. That would have
13 been money from the National Endowment for the Preservation
14 of Liberty.

15 MR. PRECUP: Mr. Fryman, before you leave page
16 four, I would like it noted for the record/ I have a strong
17 objection to the indication of the words "income" on this
18 page because it is not consistent at all with Mr. Miller's
19 testimony nor with the records themselves, or, I think the
20 facts, that that is income in any income tax, or even
21 financial sense. It may have been receipts. But the income
22 characterization is wholly improper and without foundation.

23 MR. FRYMAN: Well, Mr. Precup, I'm not asking that
24 Mr. Miller adopt this exhibit in any way, and in the prepara-
25 tion of this exhibit, I don't believe that our accountants

UNCLASSIFIED

1 intended to suggest by the word "income" that the amounts in
2 that column were taxable income.

3 I think the word on the cover page, in analysis 3A
4 is "receipts", and I think what you're saying is that you
5 would have preferred that the word "receipts" be used on page
6 four as well.

7 Is that correct?

8 MR. PRECUP: Well, I didn't say that. I said I
9 objected to the use of the word "income."

10 MR. FRYMAN: Well, your objection is noted.

11 MR. PRECUP: Thank you.

12 MR. FRYMAN: As I say, I'm not asking you or your
13 client to accept the characterization, and there is not any
14 intent in preparing this to suggest that these amounts were
15 taxable income.

16 MR. PRECUP: Thank you, Mr. Fryman.

17 BY MR. FRYMAN:

18 Q Mr. Miller, in Exhibit 29, there is a reference in
19 several places--and to take an example, page 7 of Exhibit 29--
20 to Carlos Ulet, U-l-e-t. Do you recall a payment to an
21 individual by that name?

22 A Yes. But it's incorrectly reported as Ulet.

23 Q What is the correct spelling?

24 A It's pronounced Ulvert, and it's U-l-v-e-r-t.

6 MR. FRYMAN: I ask the reporter to mark as Miller
7 Deposition Exhibit 30, a composite exhibit composed of a
8 group of pages produced by counsel for Mr. Miller, and IBC.

9 [The document referred to was
10 marked Miller Deposition Exhibit
11 No. 30 for identification.]

12 MR. FRYMAN: The first three pages of this exhibit
13 is a handwritten inventory of the materials included in the
14 exhibit, identifying, where possible, the date of the
15 document, and the control number of the document, placed on
16 the document by counsel for IBC, and Mr. Miller.

17 MR. PRECUP: Those are our control numbers?

18 MR. FRYMAN: They're your control numbers.

19 MR. PRECUP: Thank you.

20 [Pause.]

21 BY MR. FRYMAN:

22 Q Mr. Miller, I show you Deposition Exhibit 30 for
23 identification. Mr. Miller, if you would first look at the
24 documents included in Exhibit 30, which begin with your
25 control number 1377. It's a chronological event checklist

1 dated March 1, 1985. There then follows, beginning at your
2 document number 1357, a chronological event checklist dated
3 March 15, 1985.

4 After that, there is a chronological event checklist
5 dated March 20, 1985 which begins with your control number
6 1368.

7 Then at page 1385, there is a document headed
8 "Congressional/Public Affairs/Diplomatic Action Plan."

9 MR. PRECUP: Mr. Fryman, just a moment here. We
10 seem to have a page or two missing. The previous chronologi-
11 cal checklist that you identified was our control number
12 1368, March 20, 1985.

13 That appears, on our copy, to be a two-page
14 document. It is followed by control number 136--and obliterated--I think it's probably 1369, that starts on page two and
15 continues. So its dates appear not consecutive with those of
16 its preceding pages, and we may be missing a cover sheet.

17
18 MR. FRYMAN: Mr. Precup, I believe you are correct.

19 MR. PRECUP: Is your copy the same way?

20 MR. FRYMAN: It is.

21 MR. PRECUP: The document to which I just referred
22 beginning on what appears to be 1369, continues through
23 serial number page 9, and then you just, if I recall correct-
24 ly, directed our attention to 1385.

2 MR. PRECUP: Okay. The one that begins, yes, on

3 page two.

4 MR. FRYMAN: On page two.

5 MR. PRECUP: All right. Fine..

6 MR. FRYMAN: There may be missing, in this exhibit,

7 the first page of that document.

8 Then, at page 1385, as your control number, as I

9 indicated; there's a document headed "Congressional/Public

10 Affairs/Diplomatic Action Plan."

11 MR. PRECUP: May I ask about that document, Mr.

12 Fryman, please. Ours is marked "confidential." There's no

13 indication of a removal of a security--

14 MR. FRYMAN: Mr. Precup, that was as produced by

15 you.

16 Then, beginning at your control number 1389,

17 there's a document dated April 17, 1985, headed "Calendar of

18 Events Regarding Nicaraguan Resistance," which appears to be

19 a two-page document, and finally, at your control number page

20 1391, there is a document dated April 16, 1985, which is

21 headed "The 208 Group."

22 On each of these documents, where there is a

23 confidential stamp, that stamp was on the document when it

24 was produced your firm, as counsel for Mr. Miller and IBC.

495

1 Q Now the documents that I have just identified, Mr.
2 Miller, do you recognize those documents? Have you seen them
3 before?

4 A I've seen them before.

5 Q Where did you obtain those documents? And if you
6 obtained them from different sources, would you identify the
7 source for each. If you obtained them all from the same
8 source, if you would just identify the one source.

9 A I can't tell you specifically who provided me with
10 them. I believe they all came from the same source and it was
11 probably Jonathan Miller at State Department, or possibly
12 Oliver North, but I don't ever remember Ollie North giving me
13 copies of a document like this.

14 Q Did you ever discuss these documents, or any of
15 these documents with Oliver North?

16 A I don't remember a specific discussion with Oliver
17 North about these documents.

18 Q Did you ever discuss these documents with Jonathan
19 Miller?

20 A Again, I don't have a specific recollection of
21 discussing them with Jonathan Miller.

22 Q Is it your best recollection that you obtained
23 these documents from Jonathan Miller?

24 A It's my best recollection that I got them from
25 either Jonathan Miller or Oliver North's office, and I don't

UNCLASSIFIED

art496

UNCLASSIFIED

496

1 remember specifically who gave them to us.

2 Q Do you know who prepared these documents?

3 A No. I don't.

4 Q Do you know if Pat Buchanan had any role in
5 preparing these documents?

6 A I don't know who prepared them. I'm not aware of
7 any role by Pat Buchanan.

8 Q Did you ever discuss these documents with Pat
9 Buchanan?

10 A I don't think so.

11 Q Did you ever meet with Pat Buchanan?

12 A I've met him one time, I think.

13 Q That meeting had nothing to do with these documents?

14 A No.

15 Q What did you understand was the purpose of these
16 documents?

17 A They were a reflection of events taking place in
18 Washington, in the United States, that impacted on the
19 Congressional vote for aid to the freedom fighters.

20 Q Now, on the first page of this group of documents,
21 the chronological event checklist dated March 1, 1985, which
22 has your control number 1377, at the top, under the "Respon-
23 sibility" column, there is a reference, "State/LPD," and then
24 parentheses, (Miller), close parentheses.

Now, in March of 1985, were you and your company,

UNCLASSIFIED

art497

UNCLASSIFIED

497

1 IBC, performing services for the State Department pursuant to
2 a contract?

3 A Yes.

4 Q Was that contract with the LPD office of the State
5 Department?

6 A Yes.

7 Q Now was it your understanding, that the reference
8 to Miller in the "Responsibility" column under State/LPD, was
9 a reference to you?

10 A No.

11 Q Who did you understand that referred to?

12 A Jonathan Miller.

13 Q What was the reason you believed that referred to
14 Jonathan Miller instead of yourself?

15 A Because in other locations where our company was
16 referenced, they usually put Gomez as opposed to putting
17 Miller, and a couple of these things that are attributed to
18 Jonathan Miller, we did not have any involvement in, such as
19 the very first one on the list.

20 We didn't send out the resource book on Contadora.
21 That was done by somebody other than us.

22 Q So, then, as an example on the next page, 1378, at
23 the bottom of the page, again in the "Responsibility" column,
24 there is a reference to State/LPD, and under that, paren,
25 (Gomez), close paren. Is that an example that you just

HAI ACCIPI

art498

UNCLASSIFIED

498

1 referred to, of an indication of actions to be taken by IBC
2 and Mr. Gomez, and you, pursuant to your contract with the
3 State Department?

4 A Well, it's action taken by Mr. Gomez. I'm not sure
5 that is activity expected under the State Department contract.
6 As you can see, in that same entry it also talks about Dan
7 Kuykendall and Dan Kuykendall was not a contractor for the
8 State Department.

9 There are many other people in this document that
10 are in no way connected to the Federal Government. So this
11 document seems to have relied on a number of people outside
12 government to also take certain actions.

13 Q So the reference to Gomez on page 1378 is unclear
14 in your mind, whether that's a reference to your duties under
15 the State Department contract?

16 A Actually, no, I would say it's quite clear in my
17 mind, that we did not set up the Bermudas, Tegrio, and Mike
18 Lima news conference--although I don't even remember Mike.
19 Mike Lima was not at the news conference--on behalf of the
20 State Department. That was done with Dan Kuykendall, the
21 Gulf and Caribbean Foundation.

22 Q Would you look through these pages and point out to
23 me an example of the sort of entry you referred to where
24 there is a reference to Gomez, and that means work under the
25 IBC contract with the State Department.

3 THE WITNESS: On page 1380, at the very bottom,
4 there's a reference to a Pentecostal minister, who name is
5 Vallardo Antonio Santeliz, and he was somebody that Frank
6 Gomez provided escort services for, and for whom we set up
7 some press interviews.

8 BY MR. FRYMAN:

9 Q That was work you were doing pursuant to the State
10 Department contract?

11 A Yes.

12 Q Now in that entry, there's also a reference to Mr.
13 Kuykendall, who you indicated earlier you did not believe was
14 working pursuant to a government contract.

15 Do you have any understanding as to why Mr.
16 Kuykendall is referred to in that same entry?

17 A Yes. In our contract, we would try and find an
18 organization to sponsor these refugees or these atrocity
19 victims, and in this case, the Gulf and Caribbean Foundation
20 agreed to sponsor this individual.

21 Q All right.

22 A On page 1381, there is a reference to Miller/Gomez
23 for Pedro Juaquin Chamorro--misspelled--editor of "La Prensa"
24 for a U.S. media and speaking tour, and that was an activity
25 handled under our State Department contract.

1 Q Now did you understand the reference to Miller in
2 that entry to be a reference to you or to Jonathan Miller?

3 A Jonathan Miller. I don't think there are any
4 references to me, personally, in this document.

5 Q Now, at this time in 1985, what was Jonathan
6 Miller's position?

7 A I believe he was still the deputy director of the
8 Office for Public Diplomacy.

9 Q He was an employee of the State Department?

10 A I believe that's correct, yes. Did you want me to
11 continue?

12 Q No. You've answered my question. Do you know why,
13 Mr. Miller, that Jonathan Miller, as an employee of the State
14 Department, would be distributing a document, which at page
15 1383 have your control numbers--refers to the beginning of a
16 "targeted telephone campaign" in 120 Congressional districts,

19 them to vote for aid to the freedom fighters in Nicaragua.

20 MR. PRECUP: Excuse me, Mr. Fryman. Did you say

22 MR. FRYMAN: I think the question was do you know

1 your question there. Why do you put in your question Jonathan
2 Miller, when I don't see his name on the page?

3 MR. FRYMAN: Well, Mr. Richard Miller indicated that
4 he believed this document had been distributed to him by
5 Jonathan Miller.

6 MR. PRECUP: Oh, I think his testimony was not
7 quite that. I think he said it was given to him by one of two
8 people, or one or two offices, and he wasn't sure which. Mr.
9 Abramoff's name appears on this event list on page 1383, not
10 that of Miller, Jonathan or otherwise.

11 MR. FRYMAN: Well, that's true, Mr. Precup.

12 Let me ask some further questions.

13 BY MR. FRYMAN:

14 Q Is it your understanding that Jonathan Miller had
15 any responsibility for the preparation of this chronological
16 event checklist that we're discussing?

17 A I believe he did, yes.

18 Q All right. Now let me now ask the question that I
19 asked a minute ago. Do you have any understanding as to why
20 Jonathan Miller, as an employee of the State Department,
21 included in this checklist the item with regard to a targeted
22 telephone campaign that appears on 1383?

23 A I have no idea why he included it.

24 Q Did you ever discuss that with him?

25 A No.

UNCLASSIFIED

1 Q Did it surprise you to see that item on a document
2 that you understood was prepared by an employee of the State
3 Department?

4 A I don't remember being surprised.

5 Q Mr. Miller, turning to your control number page
6 1391, which is the April 16, 1985 sheet headed "208 Group,"
7 what was the 208 Group?

8 A I'm not really sure.

9 Q Was that a phrase that you ever used in conversa-
10 tions at this time?

11 A No. The only time I ever heard it was one day Fawn
12 Hall used it. And I said who's that, and she ticked off a
13 whole bunch of names, about seven or eight of them, and I
14 remember I wrote them down. In fact, I produced that piece
15 of paper to you. It was Will Ball and some other folks.

16 Q Do you know why your files contained pages such as
17 page 1368 and the pages following that, which is the March
18 20, 1985, chronological event checklist, which have a
19 confidential stamp on them?

20 (Pause)

21 A I have no particular explanation as to why. They
22 simply were provided to us.

23 Q And you believe that was by Jonathan Miller?

24 A Again, I believe it was by one of two offices,
25 either Jonathan Miller's office or Old [redacted] 's office.

NOT ASSIGNED

1 I also notice that there is on 1385 what seems to
2 be an indication about declassifying. I don't know whether
3 that means these were declassified or whether this is the
4 office in charge of declassification.

5 Q And following that are the initial OADR?

6 A Yes.

7 Q Do you know what that refers to?

8 A No.

9 Q Turning in this exhibit, Mr. Miller, to the
10 document that has your identification No. 2433 and 2434,
11 which is a memorandum for Mr. Robert C. McFarlane of the
12 White House -- and this is a document that has been discussed
13 to some extent previously in this deposition -- that is a
14 document that you prepared, is it not?

15 A It is a document which I contributed to in a large
16 percentage, and I believe by telephone, if I recall correctly.

17 Q You mean you dictated it over the telephone?

18 A Yes, I think that was the way it was done.

19 Q Who did you dictate it to?

20 A I don't remember. I think it was somebody over at
21 the State Department.

22 Q In Jonathan Miller's office?

23 A I believe so.

24 Q And the second page, headed "Contributions," did
25 you also dictate that information?

UNCLASSIFIED

MS504

504

UNCLASSIFIED

1 A Yes.

2 Q And the handwriting on that page, is that your
3 handwriting?

4 A Yes.

5 Q Do you know how you happened to receive a copy of
6 this document back for your files if you dictated it to Mr.
7 Miller's office, Mr. Jonathan Miller's office?

8 A Well, I think that you see is a draft copy which
9 came to me, and I subsequently made recommended changes; and
10 I don't think I have the final copy in my file.

11 Q What did you do with the copy after you made the
12 recommended changes? Did you transmit the revised copy to
13 anyone?

14 A I'm sure I did, but again I don't remember who
15 specifically it was. But I think it was whoever I dictated
16 the original document to.

17 Q So you believe you sent it to Jonathan Miller?

18 A Again my recollection isn't complete on this. But
19 I think that's the office that was handling this. And I
20 can't remember the individual who I was dealing with over the
21 telephone.

22 Q Would you have sent this to Oliver North?

23 A That's possible.

24 Q Now, there's a reference in the memorandum to a

25 meeting on Tuesday, June 25, or Thursday, June 27

UNCLASSIFIED

MS505

505

UNCLASSIFIED

1 Is that June of 1985?

2 A That is correct.

3 Q And would this memorandum have been prepared by you
4 a few weeks prior to that, or in early June or in May of 1985?

5 A Yes.

6 Q Why did you believe it was appropriate for the
7 Department of State to request a Presidential meeting with
8 Mrs. Newington? Because she had made substantial contribu-
9 tions to programs designed to support the policies of Ronald
10 Reagan?

11 A Well, her contributions went beyond just supporting
12 policy. It included a large number of political and humani-
13 tarian gifts as well. Any one of those I feel would have
14 qualified her for the appointment. In fact, we found it sort
15 of extraordinary that she hadn't been to meet the President
16 prior to this.

17 If you go into the Roosevelt Room, the paintings
18 that hang on the wall, and if you go into the family quarters,
19 the paintings that hang on the wall, millions of dollars
20 worth of paintings were given years ago by she and her
21 husband. So she has been a long-time supporter of the United
22 States Government, and has given both to political and
23 humanitarian activities. And so, for those reasons, she
24 deserved an opportunity to meet the President.

25 Q But, in this memorandum of the basis for the

UNCLASSIFIED

MS506

UNCLASSIFIED

506

1 request by the Department of State for a Presidential meeting
2 with Mrs. Newington is described to be the contributions that
3 are attached to the memorandum, is it not?

4 A That's correct.

5 Q And my question to you is why did you believe that
6 it was appropriate for the Department of State to recommend a
7 Presidential meeting on the basis of these contributions?

8 A Well, it is, as I understand it, fairly standard
9 practice for agencies and departments, the senior staff in
10 those agencies and departments to recommend people to meet
11 both the President and the Vice President and other in-
12 dividuals when they deserve some recognition as citizens.
13 And that's exactly what was happening here.

14 Q Turning to the page with your Control No. 3572,
15 which is a calendar for August 26, 1985, do you recognize
16 that calendar?

17 A Yes.

18 Q Are the notations on that calendar in your handwrit-
19 ing?

20 A Yes.

21 Q Now, there's a reference on August 26th to a
22 meeting with Roy Godson at 10:30.

23 Do you see that reference?

24 A Yes.

25 Q Do you recall what that meeting involved?

UNCLASSIFIED

MS507

UNCLASSIFIED

507

1 A Yes. I testified earlier that this meeting was to
2 discuss a grant from, at that point, unknown to me, a
3 contributor who turned out to be the Heritage Foundation.

4 Q Was that a meeting that you had at Mr. Godson's
5 office?

6 A That's correct.

7 Q What does 1730 RI refer to?

8 A That's Rhode Island Avenue.

9 Q Is that the address of his office?

10 A Yes.

11 Q And is 601 the office number?

12 A Yes.

13 Q Was this the first time you had met Mr. Godson?

14 A I believe so, but I'm not certain of it. I had two
15 meetings with him in his office, and I don't know whether the
16 second was recorded in my notebook or not.

17 Q But other than the two meetings with respect to
18 this matter, you had not previously meet Mr. Godson?

19 A No.

20 Q Who put you in touch with Mr. Godson?

21 A Oliver North.

22 Q Did he tell you that Mr. Godson would be calling
23 you?

24 A I honestly don't remember how it was left, but we
25 were to have a phone conversation and we didn't, so I don't know

1 who called who.

2 Q Turning to the next page, which is 3120 is your
3 control number, and it's a memo to you and Frank Gomez, dated
4 September 30, 1985, from Dan Conrad, there's some handwriting
5 on that sheet.

6 Whose handwriting is that?

7 A Mine.

8 Q There are various requirements for the month of
9 October described in that memorandum, including an RR letter
10 to Barbara Newington and an RR meeting with Barbara Newington,
11 and an RR meeting with Bunker Hunt, Ellen Garwood, Fred
12 Sacher, and the Warms. After that, you have written the word
13 "green."

14 What does the word "green" refer to there?

15 A Colonel North.

16 Q And does that mean that Colonel North was to
17 arrange those items?

18 A No. It meant that I wanted to -- it was a mental
19 note to myself to talk to Colonel North about it.

20 Q Did you?

21 A Without a subsequent checkmark and hashmark through
22 it on this page, I don't see any indication I did. If there
23 was a phone conversation with him or a meeting in which it
24 was discussed, it would appear some place else, and it would
25 probably be one of those marks through it

UNCLASSIFIED

509

1 I think this is just my reacting to Dan Conrad as
2 he was explaining the things on my list, and my thinking
3 about who I would go to see about it.

4 Q So when they asked for a letter or a meeting with
5 President Reagan at this point in September of 1985, it
6 occurred to you that Colonel North was the person you would
7 go to to arrange such a letter or meeting?

8 A Well, that, and I would never undertake to have a
9 meeting like that without letting Colonel North know that we
10 were doing it. It would have been folly for us to do that.

11 Q Well, was the notation here merely that you were
12 going to notify him that you were going to try to do this, or
13 was it a notation to indicate that you were going to attempt
14 to arrange these events through him?

15 A I think those are only notations that I intended to
16 discuss it with him. I don't think it indicates that I was
17 going to ask his assistance or just inform him, but that I
18 was intending to discuss it with him.

19 Q At this point in time in September of 1985, whom
20 would you contact to try to arrange a meeting with President
21 Reagan for Barbara Newington?

22 A I might have contacted the Public Liaison Office or
23 the Political Office?

24 Q Who?

25 A John Roberts, Lynus Cochelus. In fact, some of the

UNCLASSIFIED

MS510

UNCLASSIFIED

510

1 briefings that we set up were set up through the Public
2 Liaison Office or through the Political Affairs Office.

3 Q Are these briefings with President Reagan?

4 A The initial briefing with President Reagan, the
5 recommendations began in the Public Liaison Office.

6 Q When you refer to the initial briefing with
7 President Reagan, to what are you referring?

8 A January 27th, I think it was, 1986.

9 Q Could that have been January 30, 1986?

10 A 30, you're right, 30.

11 Q Now, is it not true that David Fischer had a role
12 in arranging that briefing?

13 A He did. But again I think the original formal
14 request started also in Public Liaison.

15 Q But is it your understanding that David Fischer was
16 the person who was responsible for arranging that briefing?

17 A He had principal responsibility for it.

18 Q Now, before David Fischer was involved with your
19 organization, who had the principal responsibility for
20 attempting to arrange meetings with President Reagan?

21 A There was a shared responsibility between Mr. Gomez
22 and myself. I'm sorry, I reacted wrong to your question,
23 because I didn't hear you drop President Reagan at the end of
24 your question.

If your question is if it was a shared

UNCLASSIFIED

1 responsibility. The only other meeting we attempted to get
2 for the President was the Barbara Newington meeting, and I
3 had responsibility for that memorandum.

4 Q And with whom did you arrange that meeting? You
5 mentioned Jonathan Miller.

6 A Again, I've forgotten who exactly we gave the
7 original text to. But I believe the memorandum came out of
8 the State Department and went to Robert McFarlane, and then
9 was signed off by people within the National Security Council.

10 Q Did you seek the assistance of Colonel North in
11 arranging that meeting with Barbara Newington?

12 A He was aware of it, yes.

13 Q But did you also seek his assistance and support
14 with respect to that meeting?

15 A Yes.

16 Q Now, turning to the next page in this composite
17 exhibit, Mr. Miller, which has your Control Number 462, the
18 writing and printing appears on that page?

19 A Mine.

20 Q Did you draft this letter?

21 A Yes, I did.

22 Q And then if you will look at the subsequent pages,
23 2887 through 2889, those are letters dated December 17, 1985,
24 from Oliver North to Frank Darlington, Melvin Salwasser and
25 Bill Bush.

UNCLASSIFIED

MS512

UNCLASSIFIED

512

1 Now, those letters appear to be the text that you
2 drafted at 4462, is that correct?

3 A That's correct.

4 Q Did you send that text to Colonel North for him to
5 send those three letters?

6 A I sent him that as a recommended text and these
7 names and addresses. And I believe it's not completely
8 identical. I think he changed it to suit his needs and
9 signed them and sent them to the people.

10 Q What were the changes that Colonel North made?

11 A I think he left out the word "Nicaragua" after the
12 word "democracy" in what was my final sentence. And he put
13 "may God bless" in the body of the letter and used "Sincerely"
14 as the salutation.

15 Q He basically adopted the text you proposed, did he
16 not?

17 A Yes.

18 Q And then he sent you copies of the letters?

19 A Yes. Actually Fawn Hall sent them to me.

20 Q Now turning, Mr. Miller, to the document with your
21 Control No. beginning 2665 through 2687, which was a series
22 of letters from Colonel North, dated January 24, 1986.

23 Did you draft the text of those letters?

24 A Basically, yes.

25 Q At page 2688 through 2690 there is an address list

UNCLASSIFIED

MS513

513

UNCLASSIFIED

1 and an indication of the proper salutation for the letter.

2 Were those pages prepared by your office?

3 A I'm not sure whether the salutation and address
4 pages were prepared by our office, but they were certainly
5 supplied to Colonel North either through us or directly by
6 NEPL. I've forgotten which.

7 Q They were prepared either by you or by Mr. Chan-
8 nel's office?

9 A Correct.

10 Q And you drafted the letter?

11 A Yes.

12 Q What was the procedure for arranging for Colonel
13 North to send this letter?

14 A I either met with him or had a conversation with
15 him about the need to send a thank you to the people involved
16 in the NEPL efforts. And he agreed, if I would give him a
17 draft, that he would send them thank you letters, which he
18 did.

19 Q And then he sent you copies?

20 A Yes.

21 Q What was the need to send letters to these in-
22 dividuals, as you understood?

23 A They were people who had contributed to the public
24 education program of ^{National} ~~Financial~~ Endowment for Preservation of
25 Liberty, and were being recognized for that contribution.

UNCLASSIFIED

MS514

UNCLASSIFIED

514

1 Q Was another purpose of this letter to prepare them
2 for a further solicitation by Mr. Channell's organization?

3 A That wasn't my purpose when I asked for them. They
4 were simply recognition of contributions to the public
5 education effort.

6 Q What did you mean by the phrase, and I'm assuming
7 that you wrote this phrase, but if you did not, correct me,
8 in the last paragraph, or in the next to the last paragraph
9 of the letter which states, "In the weeks ahead, we will
10 commence a renewed effort to make our assistance to the
11 Democratic Resistance Forces even more effective. Once
12 again, your support will be essential."

13 Did you draft that phrase or those sentences?

14 A I don't recall whether that was specifically in my
15 draft that I sent to Colonel North. But, in general, ~~yes~~ I
16 think it refers to the coming political debate associated
17 with assistance to the ~~Freedom~~ ~~Fighters~~.

18 Q Were these individuals that you knew were going to
19 be invited to the briefing at the White House on January 30,
20 1986?

21 A It's a different year. I'm sorry, you're right,
22 you're absolutely right. I'm sorry.

23 No, I don't think that was the intended purpose of
24 it.

25 Q Did you expect that these individuals would be

1 solicited again by Mr. Channell for the Central American
2 Freedom Program which was getting underway in January of 1986?

3 A I'm not being flippant. Don't misunderstand me.
4 Of course. I don't know one fund raiser that doesn't go back
5 and solicit contributors time and time again, depending on
6 whether they provide money for a program prior to it, and
7 that's standard operating procedure for political organiza-
8 tions and fund raisers.

9 Q Turning back, Mr. Miller, to the two pages in
10 advance of the first of the January 24, 1986, letters, which
11 are pages 15026 and 15027, do you recognize those pages?

12 A Yes.

13 Q Where did you get those pages?

14 A From Citizens for America, I believe.

15 Q Do you recall when you got them?

16 A Yes. We used to go and attend the general strategy
17 sessions held either by Colonel Sam Dickens over at the
18 American Security Council, or by Dan Kuykendall. And in each
19 of those meetings, the Citizens for America people would hand
20 out an updated list of their Congressional targets.

21 Q What representative of Citizens for America would
22 hand out this list, or a list such as this?

23 A Peter ^{Flaherty} ~~Flaherty~~ I think was the one I remember.
24 There may have been others.

Q Was Citizens for America the group that was headed

UNCLASSIFIED

1 by Lew. Lehrman?

2 A Yes. I would mention also that there was my
3 handwriting on this list, and what that is is a reflection of
4 a discussion with Dan Kuykendall where, in some cases, he
5 didn't agree with their characterization of people as targets
6 or. And sometimes I would take their list and compare it
7 with what knowledge Dan Kuykendall had, and I think that's
8 the note you see on it.

9 Q At pages 53034 through 53036, there are documents
10 relating to the Heritage Foundation grant which we've
11 discussed today, and which Mr. Kaplan has questioned you
12 about at a previous session.

13 This list of grant^s, was it not, that was the
14 subject of your meetings with Mr. Godson?

15 A Yes.

16 Q Did Mr. Godson tell you that he had been asked by
17 Colonel North to raise funds for [REDACTED]

18 [REDACTED]

19 A No, I don't think specifically I've been told that.

20 Q What did he tell you?

21 A He told me that he had a contributor who wanted to
22 give money to the Democratic Resistance, and that they did
23 not want to give money to Mr. Channell specifically. And I
24 came away from my meetings with him with the sense that this
25 contributor was looking to provide money to political

1 entities and the non-combatant segments of the opposition..

2 Non-combatant, I should say, segments.

3 Q Colonel North asked you to meet with Mr. Godson,
4 did he not?

5 A Yes.

6 Q And did you understand your role with respect to
7 the funds being raised by Mr. Godson was to provide vehicle
8 for receipt of the funds?

9 A That's correct.

10 Q Did you discuss with Mr. Godson two alternative
11 vehicles, one being the Cayman Islands bank account, and the
12 second being the Institute for North-South Issues?

13 A I remember discussing the Institute because that's
14 what I later recommended to him. I remember discussing Mr.
15 Channell, and I may have told him that somebody could give a
16 contribution directly.

17 Q To the Cayman Islands account?

18 A I don't recall where I told him, but I may have
19 said that somebody could have given a contribution directly.

20 Q Now, is it correct that, at a later point, Mr.
21 Godson had a discussion with you about using the Heritage
22 Foundation as a vehicle for the contribution?

23 A I don't recall a subsequent conversation, although
24 I may have called him and somewhat surprised at the correspon-
25 dence I received from the Heritage Foundation asking for a

UNCLASSIFIED

1 grant. I don't think I left his office knowing that it was
2 the Heritage Foundation.

3 Q Is it your recollection that the first knowledge
4 you had of the involvement of the Heritage Foundation was the
5 receipt of a letter from the Heritage Foundation?

6 A That's my recollection, yes.

7 Q After receiving that letter, did you then have a
8 conversation with Mr. Godson?

9 A As I said a moment ago, I don't remember a specific
10 conversation. But I have a sketchy recollection of calling
11 to express some surprise at the letter from the Heritage
12 Foundation.

13 Q Did you have a discussion of this letter from the
14 Heritage Foundation with Colonel North?

15 A I don't recall whether I did or not.

16 Q Did you ever discuss in any way with Colonel North
17 the use of the Heritage Foundation for transferring contribu-
18 tions to entities associated with Nicaragua?

19 A I don't recall having such a conversation with him.

20 Q Did you have a conversation with Dr. Edwin Feulmer,
21 F-e-u-l-m-e-r, about a grant from the Heritage Foundation?

22 A If I did, I don't recall it. I don't recall having
23 a conversation with him about it.

24 Q On your file memorandum, dated December 1, 1986,
25 which is your Document 13, is there a memorandum which you

UNCLASSIFIED

MS519

1 prepared, is it not?

2 A Yes.

3 Q In the first paragraph, you state that the grant
4 was provided to INSI at the request of the National Strategy
5 Information Center.

6 How did you learn that?

7 A That's Mr. Godson's organization.

8 Q Yes. But who informed you that the Heritage
9 Foundation grant had been provided to INSI at the request of
10 the National Strategy Information Center?

11 MR. PRECUP: He just answered that, Mr. Fryman.

12 THE WITNESS: Yes. I don't know how else to answer
13 it. Mr. Godson was the head of the National Strategy
14 Information Center. I went to see him about the grant, and
15 subsequent correspondence came from the Heritage Foundation.

16 BY MR. FRYMAN:

17 Q Well, in your initial conversation with Mr. Godson,
18 there is no mention of the Heritage Foundation, is that
19 correct?

20 A Right.

21 Q Then you got a letter from the Heritage Foundation -

22 -

23 A Right.

24 Q -- talking about a grant.

UNCLASSIFIED

MS520

520

UNCLASSIFIED

1 the receipt of the letter from the Heritage Foundation, you
2 had any further communication with Mr. Godson.

3 A Well, I'm not clear in my recollection about
4 whether I had any subsequent conversation with Mr. Godson
5 about it. But I seem to recall calling Mr. Godson and
6 expressing some surprise about the Heritage Foundation letter.

7 So I think that statement that you just read, the
8 grant was provided to INSI at the request of another ^{501-c}~~501-b~~
9 organization, is in keeping with what I just told you.

10 Q So it's your belief that -- your basis for that
11 statement as a conversation with Mr. Godson after you got the
12 letter from the Heritage Foundation, is that correct?

13 A Yes.

14 Q That's what I was trying to clarify.

15 Now, in the third paragraph, you state that INSI
16 retained a 20 percent administration fee for its distribution
17 of this grant. And you go on, all other expenditures, and
18 the memorandum reads where, but I think that's a typographical
19 error, I think it should read were --

20 A Correct.

21 Q -- made through Latin American nonprofit organiza-
22 tions.

23 And the paragraph earlier refers to an investigation
24 and analysis of information available to international news
25 organizations.

UNCLASSIFIED

MS521

UNCLASSIFIED

521

1 What other Latin American nonprofit organizations
2 were making expenditures in connection with this grant?

3 A Well, anybody involved in the Nicaraguan Resistance
4 is a nonprofit organization. And anyone involved in [REDACTED]
5 [REDACTED] or the Democratic Resistance political entities is a
6 nonprofit organization. So I would have viewed any of those
7 entities as nonprofit.

8 Q Did you understand there was an investigation and
9 analysis of information available to international news
10 organizations that was being undertaken as a result of this
11 grant?

12 A I would say that that is a simplification of what I
13 thought the money was to be used for, and that as for the
14 generation of news reports and information on political
15 activities by those organizations.

16 Q What do you mean by the generation of news reports
17 by those organizations?

18 A Well, any political entity or human rights organiza-
19 tion or entity associated with a political movement that
20 needs to communicate with the public and the world at large.
21 And they do that through the media.

22 Q Mr. Miller, in this composite exhibit, a group of
23 telephone messages begins at the page with your Document

2 Q 3131, I'm sorry.

3 -- dated 9/17, which states give her a call re a

4 Texas based group called Freedom's Friends. She wants you to
5 do a little background check on them for Ollie.

6 Did you understand this message came from Fawn Hall?

7 A Yes.

8 Q Do you recall this message?

9 A Yes.

10 Q What did you understand you were being asked to do
11 here?12 A To find out whether this was a legitimate organiza-
13 tion.

14 Q How would you go about doing that?

15 A Calling friends and associates. I don't think I
16 did anything with this one though.17 Q Did you consider this an unusual request by Fawn
18 Hall on behalf of Oliver North?

19 A No.

20 Q Did you receive similar requests on other occasions?

21 A Yes.

22 Q Turning to the next page, 3149, there is a message
23 to you from Fawn, dated 4/9, which says has package which24 must be picked up today, and it continues regarding AAA
25 meeting tomorrow, you should work through Bob ^{Kagan} ~~Reagan~~.

523

1 Do you recall receiving that message?

2 A Not specifically, but it's got my hashmark through
3 it and that's what I do with my phone messages when I read
4 them. So that means I looked at it or acted on it.

5 Q Do you believe the date of this message was April
6 9, 1986?

7 A I'm really not sure.

8 Q Who was Bob ~~Kagan~~ ^{Kagan}?

9 A Oh, it would have to be 1986, because ~~Kagan~~ ^{Kagan} was in
10 the State Department in '86 but not in '85, so it would have
11 to be 1986.

12 Q Well, what was his position in the State Department
13 in 1986

14 A He was originally a deputy to Elliot ^t/~~A~~ Abrams,
15 actually an assistant to Elliot ^t/~~A~~ Abrams, and then became the
16 Coordinator of the Office of Public Diplomacy.

17 Q Now, what does the AAA meeting refer to?

18 A Adolfo Calero, Arturo Cruz and Alfonso Robelo, and
19 it probably had to do with meeting the President. I can't
20 recall whether there was a meeting on that date or not, or on
21 or about that date.

22 Q And is that an example of an activity that you
23 would work with Mr. ~~Kagan~~ ^{Kagan} on?

24 A No, not generally. This again doesn't bring to
25 mind any specific activity. The only other time I met

524

1 with Mr. ^{Fawn} ~~Reagan~~ on resistance leaders was to discuss some
 2 politics associated with the leadership and a subsequent
 3 meeting I have already recounted to you in previous testimony
 4 for the establishment of an Uno Office.

5 Q Do you recall what the package referred to in this
 6 message is?

7 A No, I don't remember.

8 Q Turning to the next page, which is 3161, there is a
 9 message again from Fawn, which states that Fawn received a
 10 message that a Huck Walter in Staunton at [REDACTED] is looking
 11 for a contra to "pressure his district." Fawn doesn't know
 12 if Staunton is Virginia or not.

13 Do you recall that message?

14 A Yes, I think so.

15 Q What did you understand pressure his district
 16 referred to?

17 A As I recall, this gentleman wanted a contra to come
 18 in and condemn his opponent. And we turned him down.

19 Q Did you understand Mr. Walter was a candidate for
 20 Congress?

21 A I've forgotten whether he was the candidate or
 22 whether he was working for a candidate. But he was quite
 23 angry with me.

24 Q Why did you turn him down?

25 A Because it was inappropriate

UNCLASSIFIED

MS525

UNCLASSIFIED

525

1 Q Why?

2 A It was inappropriate to have contra leaders
3 interjecting themselves into elections. It's not proper
4 behavior. None of them would have done it either.

5 Q Turning to the next page, there is an indication of
6 a telephone message on February 28th from Martin Artiano,
7 saying that he called from Jamaica to see how the meeting
8 with Barbara Newington went yesterday. Will call back later.

9 Do you know why Mr. Artiano was calling you from
10 Jamaica to see how the Newington meeting went?

11 A No. I assume it was just general interest in Mrs.
12 Newington's meeting.

13 Q Was that a meeting with President Reagan?

14 A I believe it was. She had two meetings with the
15 President.

16 Q You're not aware of any additional information as
17 to the reason for Mr. Artiano's call?

18 A I think it was just professional curiosity. He was
19 just keeping together with the effort.

20 Q On the next page, Mr. Miller, there's a phone
21 message from Roy Godson on December 5, which states needs
22 information urgently. He's leaving for Europe tomorrow.

23 Do you know what that refers to?

24 A It seems to me that this was in reference to the
25 Barnes check. I think that's correct.

UNCLASSIFIED

UNCLASSIFIED

MS526

526

1 Q ... What was the information that he needed urgently?

2 A I think he needed to know who to have Mr. Barnes
3 make it out to.

4 Q And did you convey that information to Mr. Godson?

5 A I don't recall whether I did or not. It may have
6 been that the check was simply left blank.

7 Q Is it your recollection that the information that
8 he needed urgently was unrelated to his European trip?

9 A I don't remember it being related to his European
10 trip. But I don't remember the specifics of this anyway. So
11 I can't specifically remember.

12 Q Do you recall ever providing any information to Mr.
13 Godson that was related to a trip he was making to Europe or
14 for him to use during an European trip?

15 A I don't recall. If you give me more specifics,
16 I'll try to, but I don't recall providing him information for
17 a trip to Europe.

18 Q Are you aware of any fund raising efforts ever
19 undertaken by Mr. Godson to raise money in Europe for
20 [REDACTED] related to Nicaragua?

21 A No.

22 Q Turning to page 3250, there's a phone message from
23 Ibrahim, I-b-r-a-h-i-m, which states he is on his way to
24 Frankfurt, everything is all right, will take care of telefax.

UNCLASSIFIED

1 A Vaguely.

2 Q Who is Ibrahim?

3 A al-Massoudi.

4 Q Are you sure of that?

5 A Positive.

6 Q What was the trip to Frankfurt that's referred to
7 there?

8 A He was dealing with a commodities broker in
9 Frankfurt on his oil transaction, and I believe the telefax
10 refers to some information that I had requested he send me to
11 try and verify this whole transaction.

12 Q Turning to the next page, 3255, there is a reference
13 to a telephone message from Mr. ^CKopp of Switzerland.

14 Do you recall receiving that message?

15 A Yes, and that's the one I testified to earlier that
16 when he called me back, I missed the phone call, and subse-
17 quently got it, got another call.

18 Q At that time, did you know who Mr. ^CKopp was?

19 A No.

20 Q Did you later learn?

21 A Yes.

22 Q How did you learn?

23 A I think it was in a Washington Post article in
24 December of this past year.

25 Q Until then you did not know the identity of Mr.

2 A No. In fact, you know it was the Tower Commission
3 report was the first time I saw it.

4 Q And, based on that, whom do you believe Mr. C
5 was? Aopp

6 A General
7 Admiral Secord.

8 Q Mr. Miller, directing your attention to the first
9 page of handwritten notes in Composite Exhibit 30, which has
10 your Control No. 1723, there's an item there that reads .
11 present him with a check, arriving late tonight, John Ramsey,
12 \$25,000.

13 Is that in your handwriting?

14 A Yes.

15 Q Do you recall when you made those notes?

16 A Not the specific date, but sometime early spring of
17 1985.

18 Q What do those notes refer to?

19 A I think it's a conversation with Spitz Channell and
20 John Ramsey was making a \$25,000 contribution.

21 Q And when you say present him with a check, what
22 does the "him" refer to?

23 A I can't remember which him it is, whether it's
24 Channell's organization or Mr. Calero.

25 Q And it's Ramsey who's arriving late tonight?

A Yes.

UNCLASSIFIED

1 Q And he's going to present the contribution of
2 \$25,000 tonight?

3 A I believe that's correct.

4 Q Turning to page 1735, are those notes in your
5 handwriting?

6 A Yes.

7 Q Do you recall when you made those notes?

8 A I was -- I can recall where I made them. I believe
9 it was May or June at al-Massoudi's residence in Fresno,
10 California.

11 Q May or June of 1985?

12 A Correct.

13 Q Are these notes of a conversation with al-Massoudi?

14 A These are all things that al-Massoudi had told me
15 and that I had also put a brainstorm on.

16 Q Now, on No. 8 appears to be a name. What is that
17 name [REDACTED]?

18 A Gordon Brown.

19 Q Who is that?

20 A I don't know. Somebody al-Massoudi said he knew.

21 Q No. 9 appears to be the name William Sullivan. Do
22 you know who that refers to?

23 A This was supposed to be the Ambassador -- he
24 claimed that that was the U.S. Ambassador to Iran during the
25 revolution, and that he had some relationship with him.

UNCLASSIFIED

MS530

530

1 Q There's also a reference to Michael Ledeen in
2 there. Do you know why there's a reference to Michael Ledeen?

3 A That was my idea, to call Michael and try and see
4 what he knew about it.

5 Q How did you know Michael Ledeen?

6 A I met Michael as a Gulf and Caribbean scholar in
7 1984, I believe it was.

8 Q Does this page of notes refer to efforts to release
9 the hostages?

10 A Yes.

11 Q Why did it occur to you to contact Michael Ledeen
12 on that subject?

13 A Because what I was trying to do was get some Middle
14 Eastern history at the time of the Islamic revolution in
15 Iran. And I had heard Michael speak about it before, and he
16 seemed to be knowledgeable.

17 Q Turning to the next page, which is page 1772, there
18 appears to be a reference to the situation room and Room 208.

19 Do you see those references at the bottom?

20 A Yes.

21 Q Is that in your handwriting?

22 A Yes.

23 Q What do they refer to?

24 A Briefings.

Q About what?

UNCLASSIFIED

MS531

UNCLASSIFIED

531

1 A Central America to be given by Colonel North.

2 Q And was one briefing to be in the situation room
3 and another in Room 208?

4 A No. I think what happened here was that Mr.
5 Channell wanted it in the situation room and it was held in
6 Room 208. And I think it's the same date, the 18th and the
7 18th.

8 Q And this is a group briefing for Mr. Channell's
9 contributors?

10 A That's correct.

11 Q Do you recall the date of this briefing?

12 A Not specifically. I thought there was more than
13 one in Room 208.

14 Q Now, there's a series of notes above those ref-
15 erences that are very vague, but there appears to be the word

16 --

17 MR. PRECUP: Is that faint?

18 MR. FRYMAN: Very faint, yes.

19 BY MR. FRYMAN:

20 Q There appears to be the word "Facel". Do you see
21 that?

22 A Yes, but I can't tell what the rest of it says.
23 Oh, I know what this says. Mr. Channell wanted to see if he
24 could see Chairman Fawcett and his Board of Directors.

MR. FRYMAN: Off the record.

2 BY MR. FRYMAN:

3 Q Can you tell what the rest of the notes are there?

4 A I just remembered that, because I have recently
5 seen the original piece of paper in another setting. But I
6 can't remember what the -- I think I told him that he was too
7 controversial and basically that it wasn't probably a good
8 idea to ask.

9 Anyway, I didn't see no checks or hashmarks so I
10 didn't take any action.

11 Q Turning to the next page, which is 1780, is that in
12 your handwriting?

13 A Yes.

14 Q There's a note, Barbara Newington appointment
15 before July 14th, \$1 million.

16 What is the basis for that note?

17 A I think this entire page is a reflection of still
18 outstanding assignments from Mr. Channell. And that was
19 something that he wanted.

20 Q Well, what do you understand the appointment with
21 Barbara Newington to involve?

22 Was this again a reference to a meeting with
23 President Reagan?

24 A I don't recall whether it was President Reagan or
25 Colonel North.

UNCLASSIFIED

MS533

UNCLASSIFIED

533

1 Q What do you understand the reference to \$1 million
2 on that sheet to be?

3 A I don't have a specific recollection of what it's
4 tied to. Whether it was something she already gave or
5 whether it was something she was going to give. I don't
6 recall.

7 Q There's a further reference to a phone tapping firm
8 in Connecticut.

9 Do you know what that refers to?

10 A Yes. Mrs. Newington was very uncomfortable having
11 the Soviets in her neighborhood, and she attributed the death
12 of Larry McDonald to the Soviet Union in a purposeful way.
13 And she didn't feel very secure, and she asked Mr. Channell to
14 find a firm that could check her phones for taps. And Mr.
15 Channell asked us to do it.

16 Q What do you mean that she was uncomfortable with
17 the Soviets in her neighborhood?

18 Was it your understanding that there was a Soviet
19 residence near the residence of Mrs. Newington?

20 A There's something right there in her neighborhood.
21 I'm not quite sure what it is.

22 Q Did you arrange for some measures to be taken to
23 assure that Mrs. Newington's phone was not being tapped?

24 A Yes.

25 Q Turning to page 3196, are those notes in your

2 A Yes.

3 Q Now, there's a reference on that page to a "spark" to
4 Houston.

5 Does "spark" refer to Mr. Calero?

6 A Yes.

7 Q There's also a reference to Copa, C-o-p-a.

8 Do you know what that refers to?

9 A I believe that's an airline.

10 Q Do you know the name of the airline?

11 A No.

12 Q And there's a reference to [REDACTED]

13 Do you know what that is?

14 A I believe that's the hotel he was staying in.

15 Q Where was that?

16 A I don't remember specifically. I looks like a

17 [REDACTED] number with six digits, but I'm not sure
18 of that.

19 Q Now, also on that page, there's a reference to
20 Urick, U-r-i-c-k and what appears to be Yussif, Y-u-s-s-i-f.

21 Do you see those references?

22 A Yes.

23 Q Do you know what those references referred to?

24 A They are notes from a conversation with al-Massoudi,

but beyond that I don't have any specific recollections.

UNCLASSIFIED

MS535

UNCLASSIFIED

1 Q Do they have any relationship to your involvement
2 on issues relating to Nicaragua?

3 A I don't recall. I don't remember the name Hans
4 Urick, and I don't have a specific recollection of that, no.

5 Q Would you read that section of the notes for the
6 record, beginning is it one Urick, U-r-i-c-k?

7 A That's correct.

8 Q And then would you just continue?

9 A It says, Hans Urick-Danish. No. 2 is available.
10 Yusiff offered by. No. 3 is 100,000 tons gas-oil.

11 Q Is it your recollection that those three items are
12 related, or do you know if they're related?

13 A I don't have a specific recollection about the
14 first item. The other two I'm sure are al-Massoudi items.
15 But what they mean I don't have any specific recollections.

17 Q Turning to the next page, and your identification
18 number is not clear on that page, but the page begins ^d272,000
19 Newington.

20 Is that page in your handwriting?

21 A Yes.

22 Q Do you recall making these notes?

23 A Yes.

24 Q What was the circumstances under which you made
25 these notes?

UNCLASSIFIED

MS536

UNCLASSIFIED

536

1 A It was a telephone conversation with Mr. Channell.
2 It may have been a meeting, but anyway it was a conversation
3 with Mr. Channell.

4 Q Do you recall approximately when this conversation
5 occurred?

6 A No. Sometime in '86.

7 Q Now, at the top, it appears to read \$272,000
8 Newington, and then you're subtracting \$40,000 for ACT ads,
9 leaving a balance of \$232,000 with a note to send check
10 immediately, and then the word Friday.

11 Do you know what that refers to?

12 A I think I'm writing down what Mr. Channell was
13 telling me. He told me he received a check for \$272,000 from
14 Mrs. Newington, \$40,000 of it was for ads for the campaign
15 that the American Conservative Trust was sponsoring, and that
16 they were sending a check for \$232,000.

17 Q And was the \$232,000 funds that were to be trans-
18 ferred to the account from which disbursements would be made
19 at the direction of Colonel North?

20 A It was funds to be used for -- yes, yes.

21 Q Now, the next line states "Proof of battalion-
22 Larry McDonald now and January 1 through Rich within one
23 week."

24 Do you know what that refers to?

MR. PRECUP: There are three lines, Mr. Fryman.

1 I'm not sure that each -- you can check with the witness
2 whether they're related. Nobody said they are.

3 BY MR. FRYMAN:

4 Q Fine. I mean would you just look at the next three
5 lines, Mr. Miller, and tell me what you understand they refer
6 to?

7 A Proof of battalion. There was a lot of talk about
8 the Larry McDonald Brigade. Adolfo Calero committed to
9 forming one. And Mr. Channell was looking for proof of the
10 battalion. And there had been news reports about it, but no
11 hard ~~proof~~^{proof} that they were functioning.

12 The now and January 1, I don't have a specific
13 recollection. Or through Rich within one week, I don't have
14 a specific recollection of either.

15 Q Did you understand the \$232,000 was to be used for
16 any particular purpose?

17 A I don't specifically remember.

18 Q What are the notes beneath the line that says
19 through Rich within one week?

20 A The rest of it is a -- part of the rest of this is
21 a critique by Mr. Channell of Colonel North's briefing.

22 Q And would you just read your notes for the record?

23 A We felt it was too long and not current, and that
24 it needed to be converted, it needed to lead off with an
25 explanation about the southern front --

UNCLASSIFIED

UNCLASSIFIED

538

1 Q Let me just interrupt you.

2 When you say it needed to be converted, what did

3 you mean by that?

4 A Converted into what Mr. Channell thought it should

5 be.

6 Q And the following notes are a description of what

7 he thought should be in the briefing?

8 A Correct.

9 Q Would you just continue with reading or your

10 paraphrase of the substance of the notes on that page?

11 A Southern front referred to the recent establishment

12 of the southern front. The parties involved was an update on

13 all the different entities who had joined the Resistance. He

14 felt when he said no little girls, there were too many

15 children, and what was needed was a military update, and that

16 military update should be front by front, including discus-

17 sions of the sub-bases, plenty of visual effects, and a map

18 showing the place for the FDN. And he made a point for me

19 to say to Colonel North that there were tigers in there --

20 Q What does that mean, tigers in there?

21 A That when Colonel North briefed his contributors,

22 that these people were tigers and that they much preferred

23 blood and guts, forget the discussion of humanitarian

24 assistance, and that these were arch-conservatives.

2 Q Who was Ross Haley?

3 A He was a Texan that wrote "Texans Look at Lyndon."

4 Q Was ~~M~~he one of the persons who attended these
5 briefings?

6 A Yes. And he recounted that Bunker Hunt had said to
7 him that he didn't trust Adolfo Calero, and that what he was
8 doing was coming out to sniff around or smell around,
9 whatever that meant.

10 Q And does that mean that Mr. Hunt had said that Mr.
11 Calero was coming up to smell around?

12 A No, no. Mr. Channell was saying that Bunker Hunt
13 said he did not trust Adolfo Calero, and that he was coming
14 up to Washington to smell around.

15 Q He being Mr. Hunt was coming up to smell around?

16 A Correct.

17 The rest of it is general conversation notes of Mr.
18 Channell, that he represented 17 millionaires, and that he
19 wanted Mr. McFarlane for a drink at 8 p.m.

20 Q When you say he represented 17 millionaires,
21 there's a reference to August pledges.

22 What does that refer to?

23 A I think this is in reference to one of the July

6 Mr. Channell said was making disparaging remarks about Bud
7 McFarlane.

8 Q If you would turn to the next page, which appears
9 to have your Control No. 4307, is that in your handwriting?

10 A Yes.

11 Q Do you recall making those notes?

12 A Yes.

13 Q What were the circumstances where you made those
14 notes?

15 A It was a phone conversation with Bosco Matamoros.

16 Q And do you recall the approximate time?

17 A No.

18 Q What does the first item in those notes refer to?

19 A That they had captured a copy of a Cuban chemical
20 warfare manual, then being FDN.

21 Q Do you know why he was reporting this to you?

22 A He often reported things like that to me in phone

24 Q What does the second item refer to?

25 A That Hind Helicopters were operating in Nicaragua.

- 5 Q Now, the third item has the words weapons, ammo,
- 6 rifles, boats.
- 7 A Boots.
- 8 Q Boots. That you believe refers to a unit of
- 9 Sandinista trained combatants?
- 10 A I'm sure of it. The M-16 machine guns, you'll
- 11 remember the Newsweek article, the combatants in the Newsweek
- 12 pictorial of the execution, supposed execution by FDN
- 13 sources, were carrying M-16s. And they had fresh boots, and
- 14 the FDN doesn't carry M-16s, never have, never will. And
- 15 that's a unit of Sandinista soldiers who dress up as contras
- 16 and go out and kill people.
- 17 Q What does the last item refer to, No. 4?
- 18 A I think it's just a repeat of No. 1. It's a
- 19 captured manual.
- 20 Q Are pages 4244 through 4246 notes by you?
- 21 A Yes.
- 22 Q On page 4245, No. 2-A reads money in lake - make AC

- 24 What does that refer to?
- 25 A I don't want to discuss it alone. The entire next

2 mental notes that we had been giving an awful lot of money to

4 cooperate with our effort, and was inconsistent to us. And I
5 was trying to raise it to Colonel North so that in an attempt
6 to make Mr. Calero understand that we were the people giving
7 the money to lake resources.

8 Q Are these notes that you made for a meeting with
9 Colonel North?

10 A In preparation for either a meeting or a telephone
11 conversation.

12 Q And this is an outline of points you were to raise
13 with him?

14 A That I wanted to raise to him, yes. But I don't
15 see any slash marks or hashes so I don't know whether or not
16 I discussed that with him.

17 Q Do you recall approximately when you made these
18 notes?

19 A Sometime in October I guess, September.

20 Q October of --

21 A '85.

22 Q On page 4246, No. 7-A states, "Bill Casey to weigh
23 in after a reference to Bunker, Garwood, Warms and Sacher

What does that refer to?

1 A - Mr. Channell wanted a meeting with the President --
 2 for those four people together. And he wanted Bill Casey to
 3 weigh in and Linda Chavez to weigh in.

4 I remember I did that in one of my notes, it meant
 5 that it was something that I dismissed or didn't take action
 6 on.

7 Q At the bottom of that page, there's a reference to
 8 telephone logs, Prince Abdullah and Calcedo ~~Q~~.

9 What does that refer to?

10 A I provided Colonel North with my telephone logs
 11 from al-Massoudi's phone calls ^{reportedly} ~~reporting to be made~~ to
 12 members of a Saudi Royal Family, 

13 
 14 
 15 I have no idea
 16 whether they did it or not.

17 Q The next page, 4316, does that page contain notes
 18 by you?

19 A Yes.

20 Q Would you explain the notes at the top portion of
 21 the page, beginning with Barnes/Hamilton?

22 A This was a proposal by Congressman Barnes and
 23 Chairman Hamilton that had the backing of Congressman Fish
 24 and Jones, I guess, to take the \$14 million that the President
 25 requested and, instead, give \$5 million to the International

2 to the resistance.

3 Q And also on that page there's the word "Ollie" and
4 four items.

5 Would you explain what those items refer to?

6 A Those were things I wanted to talk to Colonel North
7 about. Kurt Windsor, I had heard, was associated with the
8 Crocker family fortune, although I don't know how. I didn't
9 understand what an L-1 was, and I thought maybe he would know.

10 Q Who had spoken to you about L-1s?

11 A al-Massoudi.

12 I'm not sure, but I think Robelo's name was just a
13 reaction to President Reagan's compromise. And I don't even
14 know whether the nightline thing is part of it or not.

15 Q On page 4370, are they your notes?

16 A Yes.

17 Q What does No. 9 refer to?

18 A I think that had to do with a young lady that was
19 stranded in Managua, Nicaragua. And I was trying to enlist
20 Colonel ~~Robert~~ in getting her out safely. She had been
21 an extensive interview with Wesley Smith, and the Sandinista
22 security forces had been around to visit her family to try
23 and locate her afterwards. And we were trying to get her out
24 of the country safely.

25 Q Is the first word in that line "paper"?

2 Q And what is the name in parentheses?

3 A [REDACTED]

4 Q Who does [REDACTED] refer to? *9 letters*

5 A I think that's my -- the reasons it's in paren-
6 theses is I used [REDACTED] meaning the CIA, whoever at the CIA
7 would handle that.

8 Q Why did you use the word [REDACTED]? *11 letters*

9 A Because I knew [REDACTED] was the CIA agent
10 responsible for that area.

11 Q I don't understand how the reference to the paper
12 to someone at the CIA by Fawn Hall as soon as possible
13 relates to a girl in Managua.

14 A Well, there's only one group in Managua qualified
15 to help get somebody out who the American Government has an
16 interest in, and that's the Central Intelligence Agency.

17 Q And what is the paper?

18 A It's just a name, address, and a description of who
19 the girl was.

20 Q And approximately when was this note?

21 A I don't remember specifically.

22 (Pause)

23 Q How did you know that [REDACTED] was associated
24 with the CIA? *UNCLASSIFIED*

25 A I had heard his name in telephone conversations.

- 6 A Correct.
- 7 Q Had you ever met [REDACTED]?
- 8 A Not that I'm aware of.
- 9 Q Mr. Miller, turning to the page with your Control

- 11 pages with your consecutive document control numbers through

- 17 A Yes.
- 18 Q What was your source of this bank account informa-

- 20 A Colonel North provided these to me.
- 21 Q That's with respect to each account on these pages?
- 22 A Yes. Except for your second one, which is a

- 24 done by me.

Q Let's just go through these.

6 Was the account on page 4611 provided you by

13 A Yes.

14 Q And page 4612, there's a copying by you of the

16 A Correct.

17 Q What was the source of the information on page

19 A That was given to me by Colonel North.

20 Q Was it given to you in form? Was there a typewrit-
21 ten sheet or cards which is reproduced on page 4613 given to

- 6 A No. He gave me this information and I took it down
- 7 as he read it to me.
- 8 Q So that's your handwriting?
- 9 A Yes.
- 10 Q And 4615, what was the source of that information?
- 11 A Colonel North gave that to me and gave me the piece

- 13 Q And 4616?
- 14 A Colonel North dictated that information to me.

- 25 A To send \$75,000 to Neille Livingston's organization.

10 A I don't know.

11 Q Turning to the next page, 4617, do you know whose
12 handwriting appears on that page?

13 A I believe that is Colonel North's handwriting.

14 Q Did [REDACTED] transfer?

3 4625, 4626 and 4627 and 4628, are those pages in your
4 handwriting?

5 A Yes.

6 Q Do you recall when you made these notes?

7 A Sometime in 1986.

8 Q What was the purpose of making these notes?

9 A I was trying to give Colonel North a more accurate
10 system to keep track of the money that was in the accounts.

11 Q Were these notes, were the notes on these pages all
12 made at approximately the same time?

13 A No, one of them is a more comprehensive document
14 than the other, and superseded the other documents.

15 Q Would you explain what you are referring to?

16 A Yes, 4623 and 4624 were an initial attempt, but as
17 expenditures continued, multiple expenditures continued, for
18 some of the accounts that Colonel North asked me to send
19 money to, I tried to keep a running total, and also to
20 reflect the commitments that he told me he had made, so that
21 his commitments didn't get out in front of his available
22 resources. And that is what 2645 and 2646 are. 4627 and
23 4628 were actually the crude beginning of that process,
24 starting with the \$1,250,000 grant from NEPL.

25 Q So, you did not write the origin or the chronology of

- 2 A Correct.
- 3 Q The next draft would be 4623 and 2624?
- 4 A Correct.
- 5 Q And the final effort reflected in these pages would
- 6 be 4625 and 26?
- 7 A You called them drafts, I wouldn't say that; they
- 8 were efforts to keep the records on the expenditures made by
- 9 Colonel North, and the final document, 4625 and 4626,
- 10 reflected the procedure that I chose to keep track of those
- 11 commitments.
- 12 Q Did you keep and give copies of any of these
- 13 documents to Colonel North?
- 14 A Yes, in fact, I think he received copies of all
- 15 six, and I think I made them on his Xerox machine.
- 16 Q Did you prepare them in your office?
- 17 A Yes.
- 18 Q And you took them to his office, and reviewed them
- 19 with him?
- 20 A Yes.
- 21 Q And left copies with him?
- 22 A Yes.
- 23 Q On three different occasions, I take it?
- 24 A I believe that is correct.
- 25 Q Now--

4 Q Let's focus on the last draft, which you have
5 identified as Figures 4625 and 26. On the first line there
6 is the notation, DB Grant, do you see that?

7 A Yes.

8 Q What does that refer to?

9 A That's my shorthand, I use doughboys for the NEPL
10 principles.

11 Q What was the reason for using that phrase?

12 A Nothing in particular, just didn't want to put
13 their names down on a piece of paper.

14 Q Did you discuss with Colonel North your identifica-
15 tion of Mr. Channell and Mr. Conrad as doughboys?

16 A I probably used it in his presence, I don't know
17 that I discussed it with him, before I decided to start using
18 it.

19 Q Do you know if you informed Colonel North as to
20 what the reference to DB Grant stood for?

21 A Oh, I am sure I did, because I would have been
22 discussing this with him.

18 Q And is Mr. Jenkins' organization Friends of The

21 Q What is the next reference, the COMC?

6 A That's Dan Kuykendall, and that is the Gulf and

8 Q Do you know the reason for that commitment?

9 A Yeah. That was their agreeing to pay the bills for
10 prosthesis surgery in Miami, and that was the reimbursement

8 Q Do you know the reason that you made those notes?

9 A Yes.

10 Q What was the reason?

11 A In December of 1985 there was a lot of confusion
12 about the ad campaigns that Mr. Channell had sponsored, and I
13 wanted to create a time line that showed the ad campaigns,
14 and the different organizations responsible for them, to make
s.2 15 it easier for members of the media and officials to under-

1 A I think it is February until February.

2 Q Eighty-one to '83?

3 A The total AID service is '81 to '83, that is
4 correct.

5 Q And when you left AID, your title was Director of
6 Bureau of Public Affairs?

7 A It was not a Bureau, it was an office, and I was
8 the Director of the Office of Public Affairs.

9 Q And what level was that in?

10 A It was a SES political appointment, Level 3, I
11 think.

12 Q Was it at the Deputy Assistant Secretary level?

13 A It was not at the Deputy Assistant Secretary level,
14 there was an effort by Mr. MacPherson to put it back to the
15 Deputy Assistant Secretary level, but it hadn't come to
16 fruition yet.

17 Q So it was just below the Assistant Secretary level?

18 A Again, well, first of all, AID doesn't use Assistant
19 Secretary, it uses Assistant Administrators, and there was an
20 Assistant Administrator for External Affairs, but as you are
21 well aware, the legislation called for an Office of Public
22 Affairs, and an Office of Legislative Affairs, both ^{headed} by
23 Directors who were ~~not~~ Presidential appointees, with ^{one} Senate
24 confirmation. So we were Presidential appointees, without
Senate confirmation.

1 Q Who was your boss?

2 A Peter MacPherson.

3 Q You reported directly in the chain of command?

4 A When I was Director of Public Affairs I reported
5 directly to Peter MacPherson, and Jay Morris, the Deputy.

6 Q Did you meet Frank Gomez during that period of
7 time?

8 A I did.

9 Q And what was his position at that time?

10 A When I first met Frank he was Deputy Assistant
11 Secretary of State for Public Affairs.

12 Q Did you participate in interagency groups, in which
13 Mr. Gomez participated?

14 A And that was in fact the occasion of our first
15 meeting, he and I together called an interagency meeting on
16 El Salvador, and I believe in February of 1982, and I sat in
17 on interagency meetings, and I can't recall specifically if
18 Mr. Gomez was there or not.

19 Q What agencies participated in those meetings?

20 A There were a couple of different groups, there was
21 the Interagency Steering Committee, and I can't, off the top
22 of my head, remember all the people, there had to be 10
23 Federal agencies represented there.

24 And then there was a Central American Policy
25 Committee, which had predominantly State Department people

1 represented.

2 Q Did DOD sit on both of those interagency committees?

3 A I know they sat on the Interagency Committee, I
4 don't recall whether they sat on the Policy Committee.

5 Q Were representatives of the intelligence community
6 sitting on both of those committees?

7 A I was never introduced to anybody as a member of
8 the intelligence community.

9 Q CIA was not represented in those interagency
10 committees?

11 A Don't ever remember seeing, they used to pass
12 around a sheet, and I don't ever remember seeing CIA on the
13 sheet.

14 Q Why did you decide to leave AID?

15 A I don't like working for the Government very much.

16 Q You have been working for the Government for two
17 and a half years, or something a little over two years, at
18 that point?

19 A And when I came to Washington I started as a
20 Federal employee, when I graduated from college, and then
21 left the Government in 1976, I already had ^{2 1/2} ~~two and a half~~
22 years of Federal Service, so I am quite familiar with serving
23 at the bottom and the top of the Federal Government, and I
24 didn't like either one of them, so I left.

25 Q What did you do immediately upon your resigning

UNCLASSIFIED

hws567

UNCLASSIFIED

567

1 from AID?

2 A I started International Business Communications,
3 and began work on developing clients. I had a consultant's
4 contract with AID for some media roundtable work, and there
5 was one other thing in the contract, which I can't remember
6 off the top of my head, but it was a consultant's contract,
7 and it required me to provide some services to the Ad-
8 ministrator of the agency.

9 Q How long did that contract run?

10 A Well, it was for a year, but as I recall, it did
11 not run its full term, it ran, I want to say six months, but
12 at this stage I can't remember, but we both, Peter MacPherson
13 and myself, agreed that it was just, neither one of us wanted
14 it to continue, and so we stopped it.

15 Q What was the amount of the compensation for that
16 contract?

17 A I believe it was whatever the top consultant's rate
18 is, which is usually consistent with whatever the SES rate
19 is, so they are usually pretty much the same thing.

20 Q Did you have any other Government contracts during
21 that period of time, the first year, after you left AID?

22 A No.

23 Q When was the next time that you had a Government
24 contract?

25 A Well, Frank Gomez started, excuse me, the initial

UNCLASSIFIED

UNCLASSIFIED

hws568

568

1 contract in February, in fact I think the contract was signed
2 February 22nd, with the State Department, in 1984. And I
3 don't think it was until 1985 that they were IBC contracts,
4 they originated as Francis D. Gomez, and then became Francis
5 D. Gomez International Business Communications, after we
6 began to form the partnership, and eventually became Inter-
7 national Business Communications, as Frank was a partner in
8 International Business Communications.

9 Q When Frank Gomez received the first contract, in
10 February of 1984, what was his relationship to you, at that
11 point?

12 A He was planning to come on board as a--attempting
13 to come on board as a partner, but his responsibilities at
14 that time were, in accounting terms, as a subcontractor.

15 Q A subcontractor?

16 A To IBC.

17 Q To IBC. But did the initial contract with the
18 State Department have your involvement, in any way?

19 A The initial contracts with the State Department,
20 our only involvement was in providing staff services and
21 administration, for Mr. Gomez. That would have been our
22 involvement.

23 Q But it was his contract?

24 A That's correct.

25 Q And were you sharing offices at that time?

UNCLASSIFIED

hws569

UNCLASSIFIED

569

1 A Yes. At what time?

2 Q At the time that he got the first State Department
3 contract, in February of 1984.

4 A Yes.

5 Q But you didn't have a business relationship, other
6 than arms-length subcontract^{or} contractor arrangement?

7 A No. I think you improperly injected the word
8 "arms-length." Subcontractor doesn't mean that you are at
9 arms-length. It is an accounting principle. Frank Gomez was
10 a subcontractor to IBC, in terms of accounting. Both he and
11 I were working towards a full partnership, and he did
12 maintain some other work which he did not bring into IBC.
13 That is a general description of his business relationship to
14 me.

15 Q Where did you derive your income from in 1984?

16 A From clients.

17 Q Any of those clients related to Central America?

18 A Yes.

19 Q Which ones?

20 A The Gulf and Caribbean Foundation, predominantly
21 the Gulf and Caribbean Foundation, in 1984. Well, the Gulf
22 and Caribbean Foundation.

23 Q When did that relationship begin?

24 A I think it was in December of 1984, maybe November.

25 Q Between January of 1984 and December of 1984 did

UNCLASSIFIED

UNCLASSIFIED

hws570

570

1 any of your work relate to Central America?

2 A Yes, the Gulf and Caribbean Foundation.

3 Q I meant prior to, you said December of 1984, was
4 when you thought that Gulf and Caribbean began, and I was
5 asking from January of 1984 to December of '84, which is
6 almost a year.

7 A Well, I said that I believe we started working for
8 the Gulf and Caribbean Foundation in December or November, so
9 prior to our work for the Gulf and Caribbean Foundation, our
10 contact with Central America would have been, in general
11 terms, we represented a UN agency that was involved in
12 funding the Third World development projects, some of which
13 were in Central America.

14 We represented, of course, I had the consulting
15 contract with AID, and AID is deeply involved in Central
16 America, and the media roundtables would have incorporated,
17 as it was a hot subject at the time, Central America.

18 Q I thought that you said that the consulting
19 contract ran from February of '83, when you left AID, for
20 about a year, and then you didn't--

21 A Correct.

22 Q --do the whole time. So what I am trying to do is
23 to fill the gap in between that contract and the Gulf and
24 Caribbean relationship, which I assume would be late in 1983
until late 1984, so my question is, during that period of

UNCLASSIFIED

hws571

UNCLASSIFIED

571

1 time, after the consulting contract with AID, prior to the
2 Gulf and Caribbean relationship, did any of your clients
3 relate to Central America?

4 A Again, the UN agency that I just described to you,
5 and the others, but only in general terms. We worked with
6 20th Century Fox, who was doing an Olympics project, I guess
7 you could say that related to Central America, but only in
8 general terms.

9 Q How big a staff did you have during that period of
10 time?

11 A Two people.

12 Q You and one other, or you--

13 A Myself and two others.

14 Q Two others.

15 A Yes.

16 Q When did you begin to participate in the State
17 Department contracts, as a consultant, or when did you begin
18 to be compensated for work that you did in relation to the
19 State Department contracts.

20 A You asked two questions. We were trying to form a
21 partnership, and Mr. Gomez put his proceeds from his profes-
22 sional efforts into the general coffers of International
23 Business Communications, in an effort to develop enough
24 business to sustain a partnership. That is the answer to
25 your second question.

UNCLASSIFIED

hws572

UNCLASSIFIED

572

1 The first question was that initially my respon-
2 sibility was to provide administrative and professional
3 backup to Mr. Gomez, and that incorporated everything from,
4 you know, developing media lists for his work, providing
5 files for development of articles.

6 So really, from the start, we were involved, all
7 the people were involved in Mr. Gomez's contract.

8 Q When did you first meet Otto Reich?

9 A I can't tell you exactly when, but it was sometime
10 in 1981.

11 Q While you were at AID?

12 A That's right. Otto was the Assistant Administrator
13 for Latin America.

14 Q Was Mr. Gomez's first contract with the State
15 Department under the office that Otto Reich headed at that
16 time?

17 A Yes.

18 Q Did you have any participation or involvement at
19 all in securing that contract?

20 A I don't recall having any, no.

21 Q Do you know Walt Raymond?

22 A I have met Walt Raymond, yes.

23 Q When did you first meet Walt Raymond?

24 A I think Raymond came to some of the interagency
25 group meetings. I don't recall specifically which ones, but

UNCLASSIFIED

hws573

UNCLASSIFIED

573

1 I think he was present at some of them. And Frank set up a
2 lunch one time, I think, and maybe it was a breakfast, and I
3 met Raymond one time.

4 Q When was that?

5 A Sometime in 1984, I think.

6 Q What was the purpose of the breakfast?

7 A Just a get-acquainted session.

8 Q Do you remember what was discussed there?

9 A No.

10 Q Did you have any dealings with Walt Raymond, after
11 that?

12 A Occasionally, because in 19884 he had some involve-
13 ment in the information development on the Reagan Administra-
14 tion policy in Central America, and I am sure I have had
15 telephone conversations with him, or been to meetings at
16 which he was present.

17 Q Since that breakfast, and since you left the
18 Government?

19 A That's correct.

20 Q Do you remember what the substance of those
21 conversations with Walt Raymond was about, if you can
22 remember?

23 A I can't remember the substance, they would have
24 been generally about Central America, Reagan Administration
25 Central American policy, but specifically, I can't remember

UNCLASSIFIED

UNCLASSIFIED

hws574

574

1 any of the details.

2 Q Did he ever discuss ~~with~~ your work for Spitz?

3 A No, not that I can recall.

4 Q When did you--I am sorry, you said earlier that you
5 met Jonathan Miller in the 1980 campaign, is that correct?

6 A That's correct.

7 Q And that you became good friends?

8 A No.

9 Q Over a period of time?

10 A I didn't really get to know Jonathan until our work
11 together at AID.

12 Q And what was his job at AID?

13 A He was in the Legislative Affairs area for a while,
14 and then went to become a country Director, somewhere, I
15 forgot where, Assistant Country Director, I have forgotten
16 what position it was, but he went off to Africa, I think. I
17 can't remember specifically.

18 Q Was that for AID, or for the Peace Corps?

19 A Could have been for the Peace Corps.

20 Q And then when did you renew your acquaintanceship?

21 A When he popped up again at the State Department, in
22 Otto Reich's office.

23 Q And during the time that Frank Gomez had contracts
24 with LPD, was Jonathan Miller the official technical represen-
25 tative for the State Department, on those contracts, the

UNCLASSIFIED

hws575

UNCLASSIFIED

575

1 person responsible for the oversight?

2 A I don't remember who was responsible in the first
3 contract, and that is probably because I wasn't involved in
4 the direct negotiations on it. But the people whom I recall
5 us reporting to would have been Otto Reich, Jonathan Miller,
6 John Blacken and John Scath.

7 Q You reported to all four of them?

8 A At different times, yes. And some of them simul-
9 taneously. For instance, John Blacken and Jonathan Miller
10 were Deputies, there were two Deputies under Otto Reich, and
11 then when Jonathan Miller moved, John Blacken moved up to
12 that Deputy slot, and I think John Scath moved into the other
13 one.

14 Q You started to report to them after IBC got its
15 first contract from the State Department?

16 A That's correct.

17 Q When was the first IBC contract?

18 A It was signed on February, I believe the date is
19 correct, it was signed on February 22nd of 1984.

20 Q That was the Gomez contract?

21 A That's correct.

22 Q The first three contracts were in Mr. Gomez's name,
23 but they were with him, not with IBC. My question was when
24 did IBC get its first contract with the State Department?

A I am not sure I can accept your characterization, I

UNCLASSIFIED

UNCLASSIFIED

hwa576

576

1 don't have a copy of the contracts in front of me. But I
2 believe that one or two of them said Francis D. Gomez
3 International Business Communications.

4 Q So you started to meet with these people from the
5 time that Frank Gomez had this contract, had his first
6 contract?

7 A I can't be that specific. I can't tell you whether
8 in the first three months of Frank's being at IBC whether I
9 met with any of these people or not.

10 Q From October 1st of 1985 to September 30th, 1986,
11 IBC had a contract with the State Department that was
12 classified as secret, which was substantially more than
13 previous contracts that IBC and Frank Gomez had with the
14 State Department.

15 Could you tell me when you began to negotiate that
16 increased level of contract with the State Department?

17 A During the completion of the previous contract,
18 which was for 90 some thousand dollars. We were asked by
19 John Blacken to review the publication distribution system,
20 and we had given an assessment of its effectiveness. It was
21 a short process, and the results of our exploration were
22 startling to us, disheartening to us, because we had put a
23 lot of work into developing materials to be disseminated to
24 the public, only to find out that they were not getting
25 disseminated because there was no distribution mechanism.

UNCLASSIFIED

hws577

UNCLASSIFIED

577

1 They were very distressing to Otto Reich and John
2 Blacken, because that was one of their charges. And the
3 subsequent contract negotiations started almost immediately,
4 with them asking for a recommendation to have us add the
5 distribution process to our responsibilities of media
6 relations, escort services and political counseling.

7 So we made a proposal for ~~an~~^{an} increased contract,
8 with a separate section for the distribution, and that seemed
9 to move quickly, until it got to the Contracts Office, who
10 then informed us that this was an entirely different form of
11 contract, that it would have to be redone, as a cost-plus,
12 fixed-fee contract. By this time we were already beginning
13 to perform the same services that we had provided in fiscal
14 1985, in fiscal 1986, and we were assured by the Contract
15 Office that they would produce a ratification letter, so that
16 we would not be performing these services without compensa-
17 tion. And we then went through the process of negotiating a
18 cost-plus, fixed-fee contract, something that I would not wish
19 on anybody, it is a pretty deliberative process, including
20 having DCAA auditors in your offices, and full exploration of
21 your books, and demands for accounting practices, and so
22 forth.

23 And that all took a long period of time. In fact,
24 we didn't even finish up until we were through a great
25 preponderance of the work that was envisioned under the

UNCLASSIFIED

hws578

UNCLASSIFIED

578

1 contract.

2 Q So the new component, the way in which this
3 contract differed from the previous \$90,000 contract, was the
4 distribution system?

5 A That's correct.

6 Q So why was it classified secret?

7 A Well, I can tell you why I thought it was classified
8 secret, and recount a conversation with Jonathan Miller to
9 that effect. We had drawn the interest of--we are right up
10 against the other barrier we were up against: before--we
11 discussed this in a previous deposition.

12 I don't know, do you want to go off the record?

13 MR. OLIVER: Yes, let's go off the record.

14 (Discussion off the record.)

15 MR. OLIVER: Before we go any further, Mr. Miller,
16 do you have a security clearance from the U. S. Government at
17 this point?

18 THE WITNESS: I am not sure of that. We had one,
19 and we were notified by the Office of State Security, State
20 Department Security Office, that they were going to lift it,
21 so I can't tell you whether it is in force right now or not.

22 BY MR. OLIVER:

23 Q When was the last time that you had a personal
24 security clearance?

25 A Up until a matter of three or four weeks ago.

UNCLASSIFIED

hws579

UNCLASSIFIED

579

1 Q You testified earlier that you had worked at, I
2 believe, the General Services Administration, and then the
3 Department of Transportation, and then AID.

4 A Yes.

5 Q During those periods of time you had Government-
6 authorized security clearance, isn't that correct?

7 A That's correct.

8 Q Is it your understanding that when you terminate
9 the employment for which the security clearances are neces-
10 sary, that the security clearance is also terminated?

11 A It is my understanding that the security clearance
12 is predicated on employment, so that a security clearance is
13 undertaken when you are employed, and you maintain your
14 clearance as long as you are employed, with the caveat that if
15 you have longer than a three^A-month break between employment.
16 then you have to go through the security clearance process
17 all over again.

18 Q Well, between February of 1983, when you left AID,
19 and became a private citizen, and October 1st of 1985, what
20 would have been the reason for you to have a security
21 clearance?

22 A I didn't have a security clearance.

23 Q When did you--

24 A Although I am sure the Agency for International
25 Development considered my clearance active while I was a

UNCLASSIFIED

hws580

UNCLASSIFIED

580

1 consultant to Mr. MacPherson, but he would have to answer
2 that one.

3 Q Were you ever notified that you had a security
4 clearance, while you were a consultant?

5 A It isn't vacated if you have no break of employment,
6 is what I am trying to tell you.

7 Q Well, my understanding of security clearance is
8 considerably different. My understanding is that you have a
9 security clearance, on a need-to-know basis, for work that
10 you are performing for the Government, and once you stop
11 performing that work, you no longer have a security clearance,
12 and I think, all the clearances that I have had, you had to
13 sign papers to that effect. And I know if I leave my
14 employment my security clearance is no longer in effect.

15 And that is why I am asking you whether any steps
16 were taken to maintain your security clearance, after you left
17 the Government.

18 A No.

19 MR. PRECUP: By you?

20 THE WITNESS: By me, none were taken by me.

21 BY MR. OLIVER:

22 Q Do you know of any steps that were taken to
23 maintain your security clearance, while you were a consultant
24 to AID?

25 A Not that I am aware of.

581

1 Q The contract which you were performing in the
2 amount of \$90,000, which preceded the, I believe it ran
3 through September 30th, 1985?

4 A Correct.

5 Q Did that contract require a security clearance?

6 A No.

7 Q But the contract that began on October 1st, 1985
8 required a security clearance, is that correct?

9 A That is correct.

10 Q And it required a security clearance for how many
11 of your employees?

12 A Well, ultimately it was decided that there were
13 only two employees to be cleared, and that was Mr. Gomez and
14 myself, and that was decided finally by the Defense Investiga-
15 tive Agency.

16 Q And did they notify you that you had received
17 security clearances?

18 A They notified us that ^{we had} both an interim security
19 clearance and the final security clearance.

20 Q Were those security clearances for you and Mr.
21 Gomez, or were those facility security clearance for your
22 office?

23 A They were, under the circumstances, actually one
24 and the same thing, because we were not cleared to have
25 classified materials, custodial responsibility for classified

UNCLASSIFIED

582

hws582

1 materials, and we are the facility, since it was a partner-
 2 ship, so they decided finally it was only necessary for them
 3 to clear the two of principal partners, which they did.

4 Q When did they give you an interim clearance?

5 A I don't remember specifically, sometime in about the
 6 middle of the year.

7 MR. OLIVER: If I may, I would like to ask the
 8 reporter to mark this as Miller Exhibit 31, and indicate that
 9 this is a compilation of documents that are related to the
 10 IBC-State Department contracts.

11 MR. BUCK: I was just going to suggest that the
 12 witness look at the exhibit.

13 MR. PRECUP: Now, Mr. Oliver, this is a thick
 14 document, so rather than having the witness go through it,
 15 would you invite his attention to the specific areas.

16 MR. OLIVER: I will invite his attention to various
 17 pages as we go through, rather than ask these questions, I
 18 will try to have him look at these documents, so he can
 19 refresh his memory from them as we discuss them.

12 Q I would like to ask you to examine that document,
13 and tell me whether or not you have ever seen it before.

14 A Yes.

15 Q Is this document an accurate reflection of the
16 services that Frank Gomez and IBC performed for the State
17 Department on the \$90,000 contract that ran from, I believe
18 it ran fiscal 1985?

19 A No, actually I think this is fiscal, no, you are
20 right, it is the first quarter of fiscal year 1985.

21 Q Actually, it looks like the last quarter of fiscal
22 1984 and the first three months of 1985, but let me rephrase
23 the question.

24 Is this an accurate reflection of the work that IBC
25 was doing for the State Department in January of 1985, had

UNCLASSIFIED

hws584

UNCLASSIFIED

584

1 been performing for the State Department?

2 A Yes.

3 Q Were you involved in any or all of these 10 items?

4 A Many of these 10 items.

5 Q Was anyone else, besides you and Mr. Gomez,
6 involved in work for IBC, involved in these activities?

7 A Sure.

8 Q Who were the others who had responsibilities for
9 any of these specific items?

10 A Jeff Keffer, Jacqueline Clemonds, ~~Rona St. Leger~~, I
11 am going to embarrass my employees when I don't remember all
12 their names, ~~Anna Chrysler~~, and some subcontractors, as well.

13 Q Number 2 on that list, says Creation and Implementa-
14 tion of Immediate Plans for S/LPD-directed newsmakers, what
15 does that mean?

16 A There were people who S/LPD brought up to Washing-
17 ton, to have them address the media on Central American
18 issues. People like defectors, atrocity victims, refugees.

19 Q When you say LPD brought them up, what do you mean,
20 do you mean they paid for them?

21 A I can't tell you who paid to get them here, but
22 once they got here they were S/LPD's responsibility.

23 Q Do you know who paid their expenses?

24 A Not specifically, no. We would sometimes get
25 organizations to sponsor them/and have those organizations

1 pick up their expenses. But that was Washington expenses, or
2 U. S. expenses. But how they got to the United States ~~is~~
3 ~~was~~ I can't tell you who paid for it.

4 Q What made you think that S/LPD brought them up?

5 A Well, I will use a different phrase. I was aware
6 that when they got here they were S/LPD's responsibility.
7 Obviously S/LPD would have had some coordination in getting
8 them here, or they wouldn't have been able to notify us that
9 they were coming.

10 Q So you were asked by LPD to create and implement
11 media plans for these people?

12 A That's correct.

13 Q And did that include appearances on television, and
14 press conferences, interviews with newspapers?

15 A That's correct.

16 Q Did it include appointments with Government
17 officials?

18 A Some of their schedules included Government
19 officials, but those appointments were not generally set by
20 us. In fact, they were rarely set by us.

21 Q Who set them?

22 A Somebody in S/LPD. There was normally an official
23 in S/LPD who had responsibility for these people. We also
24 sometimes depended on the sponsoring organization to make
25 some contacts for them.

1 Q Number 3 says writing, editing and distribution
 2 plans for ~~press~~^{press} and news articles for S/LPD officials, and
 3 S/LPD-designated newsmakers. Who were the S/LPD officials
 4 that you refer to in that?

5 A John Blacken, Jonathan Miller, Otto Reich, anybody
 6 who would sign an ~~order~~^{order} or letter to the editor.

7 Q So you would write them, and edit them, and they
 8 would sign them, and then you would distribute them to
 9 newspapers?

10 A No, we would write them, and edit them, and then
 11 give them a distribution plan, and they would distribute
 12 them.

13 Q What are S/LPD-designated newsmakers?

14 A There were a lot of people within the State
 15 Department, and Defense Department who were participants in
 16 the S/LPD ~~new~~^smaking process.

17 Q Do you remember who some of those people were?

18 A Not off the top of my head.

19 Q Number 10 says "Served as liaison with groups
 20 active in promoting democracy through programs in Central
 21 America and the United States." Which groups were you the
 22 liaison with promoting democracy in the United States?

23 A Well, I guess you can read that sentence that way,
 24 but we were not engaged in the business of promoting democracy
 25 in the United States. We were engaged in the business of

UNCLASSIFIED

hws587

UNCLASSIFIED

587

1 promoting Central American democracy, and we did that
2 sometimes in the United States.

3 Q Do you remember some of the groups that you served
4 as liaison with?

5 A Yes, PRODEMCA, Gulf and Caribbean Foundation,
6 Freedom House; I am tired, and those are the only ones I can
7 remember off the top of my head.

8 Q So those were--

9 A Institute for Religion and Democracy, Catholic
10 Church, The Evangelical Association.

11 Q So your interaction with those groups, from
12 September of 1984 to January of 1985, was part of your
13 responsibilities, under your State Department contract, is
14 that correct?

15 A We were sometimes asked by officials of S/LPD to
16 represent them in meetings, or such organizations. But it
17 didn't account for all of our contact with those organiza-
18 tions.

19 Q In the summary, at the bottom of the page, it said
20 that "The above activities were carried at the direction of
21 S/LPD." So is it safe to assume that all of the things that
22 are listed there were done at their direction?

23 A Yes.

24 Q You indicated a minute ago, when I asked you who
25 performed these things, you listed a number of people, and

UNCLASSIFIED

UNCLASSIFIED

hws588

588

1 you also said several subcontractors.

2 A Yes, I misspoke. We didn't use subcontractors
3 until our 1986 contract, although we may have used them after
4 this contract.

5 Q After that date?

6 A Well, after December, there may have been some
7 subcontractor use.

8 Q Was there another report submitted to the State
9 Department on your activities, other than this piece of paper?

10 A Oh, sure. There were several reports. In fact--

11 Q I am talking about for this period of time, from
12 September of 1984 until January of 1985.

13 A I will say that there were many reports submitted.
14 Off the top of my head I can't tell you whether any fell in
15 that three-month period or not. And I believe the staff has
16 been provided with an entire notebook full of those reports.

17 Q When did you begin work on your fiscal year 1986
18 contract that was designated as secret?

19 A The first day of fiscal year 1986.

20 Q How could you perform the secret contract, if you
21 didn't have a security clearance?

22 A I don't think it had been stamped secret at that
23 point in time.

24 Q Well, how did you know what you were supposed to be
25 doing, if you didn't have the contract?

UNCLASSIFIED

hws589

589

UNCLASSIFIED

1 A We were doing exactly what we had done the year
2 before, with the addition of the distribution activities.

3 Q But what you had done the year before did not
4 require a secret clearance?

5 A No.

6 Q So was it the distribution system that required a
7 secret clearance?

8 A No.

9 Q Why did you need a facility clearance for your
10 offices?

11 A We didn't, and I don't think we ultimately got one.
12 We ultimately got a clearance for the two principal members
13 of the firm, I think that is the way they finally did it.

14 Q Let's look at the contract.

15 MR. OLIVER: If you would look at, about half-way
16 through this packet, at a letter from the Defense Investiga-
17 tive Service. The bottom of it has a designation, J-2.

18 MR. PRECUP: We have it.

19 BY MR. OLIVER:

20 Q That is a letter to the Chief of the Procedures
21 Security Division, Department of State, from the Defense
22 Investigative Service, indicating that the facility was
23 granting^{ed} an interim "secret" security clearance on July 30th,
24 1986. It doesn't have the capability to safeguard classified
25 material.

UNCLASSIFIED

UNCLASSIFIED

1 Prior to July 30th of 1986 when you received this
2 interim "secret" for the facility, but without storage
3 capacity for classified material, had you ever been given any
4 notification that you/ or Mr. Gomez had received individual
5 security clearances?

6 A No. I don't think so.

7 Q Were you ever notified that you/ or Mr. Gomez,
8 during the period of this contract, had received security
9 clearances?

10 A No.

11 Q When you signed this contract on September the 2nd,
12 1986, did you have a "secret" security clearance?

13 A No.

14 Q How could you read the contract if you didn't have
15 a clearance?

16 MR. PRECUP: I think that's a rhetorical question.

17 THE WITNESS: I'm not sure I read the contract--

18 MR. OLIVER: Well, I mean, it's a serious question,
19 and it's one that's been raised by a number of people, is how
20 could somebody without a "secret" clearance read a "secret"
21 document.

22 BY MR. OLIVER:

23 Q Was there any discussion of that when you signed
24 this contract?

25 A Yes. I was given it by the contracts officer to

UNCLASSIFIED

art591

UNCLASSIFIED

1 sign and then she took back the contract.

2 Q But you did not have a copy of it?

3 A I did not have a copy of it.

4 Q Was it stamped "secret" at the time you signed it?

5 A I think so, but I'm not sure.

6 Q So you did not have a copy of the contract at any
7 time during the period of your performance of the contract?

8 A That's correct. I believe that's correct.

9 Q How did you know what the contract contained? How
10 did you know what you were supposed to be doing?

11 A Well, we had been doing it for some time, and we
12 had also made the original proposals that were the basis of
13 the contract. We met with the DCAA auditors. We'd in-
14 stituted their accounting procedures. We had instituted
15 their time and billing records requirements, and we were
16 reporting, regularly, to the Program Office.

17 Q If you will look at a document in this stack dated
18 February 7th, 1986, which is a letter from you to Lana
19 Berryhill, a contracts specialist, dated February 7, 1986, on
20 International Business Communications' stationery.

21 If you will examine that document and the attached
22 pages, and tell me whether or not you've seen it before.

23 First, is that your signature?

24 A Yes.

25 Q Did you draft that letter?

UNCLASSIFIED

art592

592

UNCLASSIFIED

1 A I don't--I'm sure I didn't draft this letter.

2 Q Who would have drafted this letter?

3 A It was probably a collegial effort between my
4 attorneys, my accountants, and our office manager.

5 Q Well, if you will look at page two, it is headed
6 "International Business Communications/State Department
7 Contract Proposal."

8 Is it your understanding that you were proposing,
9 at that time, a contract, proposing that the State Department
10 accept a contract for you to do this work?

11 A No. This proposal had been standing since 1985,
12 and was, as I described to you in earlier testimony, a
13 ridiculous and deliberative process that took a long time,
14 and this is one stage in it. I can't put it for you in time,
15 but because of the way the figures are indicated, it would
16 seem to be after it was decided that it had to be rewritten
17 as a cost-plus, fixed-fee contract, and the subsequent pages
18 also bear that out.

19 Q If you will look at Enclosure "C" there, several
20 pages back, it has a IBC-proposed overhead budget, January
21 1st through December 31st, 1986, and the amount proposed
22 there is \$278,000, and something, on the bottom line.

23 Was it your proposal that this contract run for the
24 calendar year January 1st through December 31st, 1986?

25 A This is a reflection of the process you go through

UNCLASSIFIED

art593

UNCLASSIFIED

593

1 to establish a overhead budget--or an overhead rate, and this
 2 is the budget that you prepare in order to establish the
 3 overhead rate. It is only a different time line because
 4 that's what IBC's accounting is on, was on a calendar year,
 5 and that's why it's written January 1st through December
 6 31st.

7 Do you understand the distinction between the
 8 budgets needed to establish an overhead rate and the actual
 9 budget for the contract? They are not one and the same.
 10 thing. This is an accountant's procedure to establish an
 11 overhead rate.

12 Q On the first page of these documents, it indicates
 13 overhead costs for the period of January 1st through December
 14 31st, 1986, and on page two, it has a State Department
 15 contract proposal.

16 Are you indicating to me that this is not a
 17 proposal? That this is a contract that you were already
 18 working on?

19 A I'm indicating to you that we continued the work we
 20 had undertaken in fiscal year 1985, and continued it into 1986
 21 with the addition of the contract for the distribution, and
 22 we were assured by the contracts office that they would give
 23 a ratification letter when the contract negotiation was
 24 finally resolved.

25

And what you're holding in your hands, in toto, is

UNCLASSIFIED

art594

594

UNCLASSIFIED

1 the correspondence that's a reflection of that "back and
2 forth" with the contracts office.

3 Q Did you receive that assurance in writing?

4 A No.

5 Q Your 1985 contract ended on September the 30th,
6 1985, is that correct?

7 A Correct.

8 Q So you had no contract from that point forward?

9 A Well, according to the Legal Office over at State
10 Department, and according to our attorneys, we did have a
11 contract because we proposed a formal contract that was
12 identical to the other, plus an additional contract amount for
13 what was requested of us, and that was accepted by the Program
14 Office and by the Management Office, and it wasn't until it
15 got to the Contracts Office that they decided not the
16 substance but the form of the contract had to be different.

17 And it was the Contracts Office that assured us
18 that they would give us a ratification letter.

19 Q Who assured you they would give you a ratification
20 letter?

21 A Lana Berryhill, and another gentleman that was in
22 the meeting, and I can't remember his name, but he's--no, no,
23 this was somebody--I can't remember the gentleman's name, but
24 I'm sure Ms. Berryhill will remember the meeting. Both Frank

25 Gomez and myself were present. And it was stated to us on

UNCLASSIFIED

art595

UNCLASSIFIED

595

1 two occasions that there was no problem, we would have a
2 ratification letter, but this contract had to be done as a
3 cost-plus, fixed-fee contract.

4 Q So they told you to go ahead and start work without
5 a contract?

6 A No. They told us when the contract negotiations
7 were finished, they would do a ratification letter, and they
8 felt that we had a contract.

9 Q When were the contract negotiations finished?

10 A September of 1986.

11 Q Were you ever told during that period of time that
12 you shouldn't be performing any work without a contract?

13 A No.

14 Q Did anyone from the State Department ever tell you
15 that they had been told that you should not be performing
16 this work without a contract?

17 A I don't recall anybody telling us that.

18 Q How many different proposals did you make for this
19 fiscal 1986 contract?

20 A As I recall it, there were about three of them.

21 Q Did they differ in amounts?

22 A Yes. They kept getting bigger, with the final
23 contract being considerably larger than what we had originally
24 proposed. That amount being dictated by the Inspector

25 General's Office, and their reading of the costs associated

UNCLASSIFIED

art596

UNCLASSIFIED

596

1 with the contract.

2 Q Well, how did you know how many people to assign to
3 this contract if you didn't know how much you were going to
4 be paid for the work?

5 A Well, we had proposed an amount that was sufficient
6 to meet the personal needs that we had working on the
7 contract. It's my business to know that.

8 Q If you will look at the September 11th, 1985
9 memorandum for Frank Gardner from IBC.

10 A September 11th, 1985. Okay.

11 Q This is a memorandum for Frank Gardner from you
12 dated September the 11th, 1985, subject, "Revised Draft
13 Contract," and the first sentence says, "Attached is a
14 revised copy of our proposed contract for FY 1986."

15 Do you recognize that document?

16 A Yes.

17 Q Is that your signature?

18 A Yes.

19 Q Enclosure 1 says, "Renewal of existing SLPD
20 contract, FY 1986." Do you remember that provision?

21 A Yes.

22 Q Why was the existing SLPD contract with IBC not
23 renewed?

24 A It was renewed. I don't understand your question.

25 MR. PRECUP: I'm not sure I understand, either, Mr.

UNCLASSIFIED

1 Oliver.

2 MR. OLIVER: Your October--

3 THE WITNESS: May I point your attention--

4 MR. OLIVER: It says, "Based on similar services
5 provided FY 1984 and FY 1985."

6 This was a different contract in FY '86.

7 MR. PRECUP: Different from?

8 MR. OLIVER: Different from the contracts that they
9 had in FY 1984 and FY 1985.

10 THE WITNESS: Well, I'm willing to answer your
11 question, if you read the next sentence which says: "Also
12 included is a description of the services to be provided
13 under the renewal of the current contract, and cost and
14 services to be included in the management of SLPD's distribu-
15 tion system."

16 BY MR. OLIVER:

17 Q Was your contract ever renewed?

18 A Of course. We considered this contract to be
19 renewed when we have to perform the same services we're
20 providing in the former two fiscal years.

21 Q Were you ever told that it was not possible, under
22 the regulations, to renew this contract without putting it
23 out for public bid?

24 A I don't recall being told that, no.

25 Q Have you read the Inspector General's report of the

UNCLASSIFIED

art598

598

UNCLASSIFIED

1 State Department IBC contract?

2 A Yes.

3 Q Do you recall that report indicating that they felt
4 there was no justification for the classification of the
5 contract being "secret" and that the reason for doing so was
6 to avoid putting out the contract with IBC for public bid?

7 A I read that and I also read Otto Reich's rebuttal
8 to that, which stated that that was not the case, and I would
9 concur with Ambassador Reich, and that's a matter still in
10 dispute with the Inspector General.

t15

11 Q So it's your testimony that you performed this work
12 beginning on October 1st, 1985, even though you did not have
13 a written contract?

14 A We felt that we had a written contract. We had a
15 written contract. We didn't have a signed contract.
16 Actually, for some portions of that period, we did have a
17 signed contract because it was signed by the administrative
18 officer of the Program Office, and also by the person in the
19 Management Office, and it was not until it got to the
20 Contracts Office, after those two signatures, that it was
21 decided that it had to be a cost-plus, fixed-fee contract.

22 Q But you did not have a copy of a contract?

23 A Of course I did.

24 Q Signed by who?

25 A Signed by the administrative officers of SLPD, and

UNCLASSIFIED

art599

UNCLASSIFIED

599

1 signed by the Management Office of the Secretary's Office.

2 Q When did you obtain that signed contract?

3 A Those were the documents that were transmitted to
4 the Contracts Office, and made the Contracts Office decide
5 that it had to be a cost-plus, fixed-fee contract.

6 Q Do those contracts that you refer to exist?

7 A I would assume there are copies of them at the State
8 Department.

9 Q Well, the document that we were just discussing,
10 dated September the 11th, 1985, your revised draft contract,
11 has attached to it, as one of the attachments, expenses for
12 the above services in the amount of \$126,500.

13 A Yes.

14 Q Is that the basis upon which you began to perform
15 your work on October the 1st, 1985?

16 A Yes.

17 Q That was the rate at which you paid your IBC staff
18 members and yourselves for that period of time?

19 A No.

20 Q Why not?

21 A Because IBC's senior partners made--as you can see
22 from our records provided to the Committee--considerably more
23 than what was the ^ESKS rate, but under a federal contract,
24 that's all the government will allow, so the time associated
25 with our service under this contract, as senior partners, was

UNCLASSIFIED

art600

600

UNCLASSIFIED

1 billed at the ~~S&S~~^E rate.

2 Q So this proposal doesn't mean anything?

3 MR. PRECUP: Well, wait a minute, Mr. Oliver.

4 MR. OLIVER: Well, I'm trying to determine. I
5 asked him whether or not this was the basis for the work that
6 was being done.

7 THE WITNESS: And I said yes.

8 MR. OLIVER: And except for it doesn't apply to--
9 the salaries part is incorrect?

10 THE WITNESS: Well, you then subsequently asked me
11 whether the salaries reflected here were accurate, what we
12 paid ourselves, and I told you that they were not, and
13 neither are they in the subsequent cost-plus, fixed-fee
14 contract. IBC partners Frank Gomez and Rich Miller made
15 considerably more money than that, but that is the only
16 allowable rate under the federal contracts system, and that's
17 what the rate billed to the State Department was.

18 BY MR. OLIVER:

19 Q What I'm trying to determine, Mr. Miller, is
20 without a contract, and without an accepted proposal, how did
21 you know how much money to expend on these services during
22 this period of time?

23 MR. PRECUP: I'm going to object to that question
24 because it is inconsistent with the witness' testimony. His
25 testimony was that he did have a contract and did have an

UNCLASSIFIED

UNCLASSIFIED

art601

1 accepted proposal.

2 THE WITNESS: I might also point out, that I
3 believe that there is a subsequent document to this, issued by
4 Mr. Gardner to the Administrative Office, and I would
5 encourage that you try and secure a copy of it. I think
6 there is a signed contract.

7 MR. OLIVER: I will indicate that we have received
8 all of the signed contracts from the Department of State.
9 They've indicated to us that we have received all of the
10 contracts, and that this contract that was declassified is
11 the only contract that existed, according to the State
12 Department, between October 1st, 1985 and September 30th,
13 1986.

14 If you have another contract that we don't know
15 about, we'd be very happy to receive a copy of it.

16 [Witness and counsel confer.]

17 THE WITNESS: I don't have it in my possession, and
18 if I did you'd be welcome to it. But I don't have it, and if
19 they don't, I guess they didn't retain a copy of it.

20 MR. OLIVER: Well, they've indicated to us that, to
21 their knowledge, no contracts other than these in our
22 possession exist.

23 ~~[Pause]~~

24 BY MR. OLIVER:

25 Q Do you have a document dated October 3rd, 1986, a

UNCLASSIFIED

1 memorandum to Edwina Brown from Robert ~~Kagen~~^a?

2 A Yes.

3 Q Would you examine that document. On the second
4 page, there is a letter from you to Robert ~~Kagen~~^a dated
5 September 16th, 1986.

6 A That is not a letter. That is an invoice, as
7 dictated by the contract.

8 Q An invoice. Is that your signature on the invoice?

9 A Yes.

10 Q Are these attachments to that invoice--did you
11 submit those along with the invoice? Is that a part of the
12 invoice?

13 A Yes.

14 Q Are those figures that you've compiled?

15 A Yes.

16 Q Are they accurate figures?

17 MR. PRECUP: I'm going to object to the form of
18 that question. I think you know, Mr. Oliver, the Inspector
19 General of the Department of State has, for many months, been
20 examining the books and records of IBC in connection with the
21 fiscal 1986 contract, and in ^{reviewing this} ~~some~~ cases has pointed out
22 discrepancies, what I would consider, and I think even the
23 Inspector General considered fairly minor amounts, but it is
24 a large contract and it covers many, many different things.

art603

1 General and IBC have very strong differences of opinion about
2 the accuracy or propriety of certain of the charges here. I
3 think if you rephrase your question in terms of what you
4 believed at the time--

5 MR. OLIVER: I'll rephrase, counsel.

6 MR. PRECUP: Thank you.

7 BY MR. OLIVER:

8 Q Did you believe, at the time, that these were
9 accurate figures reflecting the expenditures made by IBC in
10 pursuit of performance of the State Department contract
11 during fiscal year 1986?

12 A Yes.

13 Q How much of the costs associated with that invoice
14 were for services provided by you and/or Mr. Gomez?

15 A I can't answer your question, looking at this
16 document. I would have to go back into very extensive files
17 to give you a percentage. It's not possible for me to answer
18 it from this, or off the top of my head. It's an extremely
19 complicated--

20 Q Is it fair to say that you and Mr. Gomez did not
21 provide 50 percent of your time to the State Department
22 during the 12 months that that contract was being performed?

23 A Again, I'd have to go back to my records and look
24 at the time and billing records for that period, to give you
25 a percentage.

1 Q Did you have access to classified documents of any
2 kind during the period of this contract, from September of
3 1985 to October of 1986?

4 A Not that I'm aware of.

5 Q Do any of the figures in the overhead costs in the
6 invoice that you submitted on September 6th, 1986 reflect
7 expenditures that dealt, in any way, with classified materi-
8 als?

9 A I don't believe so, but you're asking an awful
10 finite question, and I will give you a tentative answer, and
11 that is, I don't believe so. But I would have to go back and
12 sit down with lawyers and accountants to answer it, specifi-
13 cally.

14 Q Did anybody at IBC, during that period of time,
15 have a government security clearance?

16 A We had a clearance in July of 1986.

17 Q Did any of the individual employees have a security
18 clearance?

19 A No. Well, other than Francis Gomez and Richard
20 Miller.

21 Q What kind of clearance did you have?

22 A As I understand, it was a "secret" clearance.

23 Q Given to you by?

24 A The letter that was indicated in your files earlier.

25 Q That talked about a "facility clearance." Did you

UNCLASSIFIED

1 ever receive a letter that indicated that you or Mr. Gomez
2 had a security clearance?

3 A I don't wish to debate semantics with you about it.
4 The Defense Investigative Agency told us that they were going
5 to clear Mr. Gomez and myself. When we got that letter,
6 that's what we assumed it ^{was} I don't know what they mean by
7 "facilities clearance," specifically.

8 Q Did you, or Mr. Gomez, to your knowledge, ever fill
9 out any forms associated with an application for a security
10 clearance after you left the Government?

11 A Yes, and we were fingerprinted, and interviewed by
12 Defense Investigative Service investigators, and we got
13 reports from associates that they had also been similarly
14 interviewed by either DIS or FBI field investigators.

15 Q Other than this letter that talks about a "facility
16 clearance," neither you nor Mr. Gomez ever received notifica-
17 tion that you had a "secret" clearance?

18 A Again, we were told only that they were undertaking
19 a clearance for the two of us, and when we got that letter,
20 we assumed that meant our clearance had gone through.

21 Q But nobody else at IBC, to your knowledge, has a
22 security clearance?

23 A That's correct.

24 Q During the first seven months of your consultancy
25 arrangement with David Fischer and Marty Artiano, which I

UNCLASSIFIED

art606

UNCLASSIFIED

606

1 believe you said earlier was the period during which they
2 performed services for which you paid them \$480,000, was Mr.
3 Artiano a full-time practicing attorney at the same time?

4 A He was a practicing attorney at the same time.

5 Q Was he a partner in a law firm, to your knowledge?

6 A I believe his corporation was a partner in a law
7 firm, yes.

8 Q Did Mr. Fischer reside in Utah during that period
9 of time?

10 A Yes, during that period of time he resided in Utah
11 and in Washington.

12 Q Was he employed by another entity in Utah during
13 that period of time?

14 A No. I don't believe so.

15 Q Was he employed by anyone else, to your knowledge,
16 during that period of time?

17 A He is the commissioner for the boundaries of Canada
18 and the United States, but that's a commission post and not
19 an employee position.

20 Q So it was your testimony that the \$480,000 that you
21 paid to Mr. Artiano and Mr. Fischer were for the services
22 which they performed during the first seven months of this
23 relationship, which I believe, according to your testimony,
24 would have been December of 1985 to June of 1986, is that
25 correct?

UNCLASSIFIED

art607

UNCLASSIFIED

607

1 A Correct.

2 Q Did they submit invoices, or vouchers, or any bills

3 of any kind to you for their services during that period of

4 time?

5 A No.

6 Q Was there any written record of their performance

7 on your behalf during that period of time?

8 A Well, as reflected in strategy documents for client

9 letters, meetings, briefing memoranda, documents, that type

10 of thing. There would be a record.

11 Q Have you produced those documents?

12 A Oh, sure. All of them.

13 Q Did you pay any other consultants, in 1985 and

14 1986, more than \$25,000? Other than you and Mr. Gomez?

15 A In 1984 and 19--

16 Q 1985 and 1986.

17 MR. PRECUP: Excuse me. Annual figures or combined

18 for the period, Mr. Oliver? What are you asking the witness?

19 MR. OLIVER: I'm asking for annual figures.

20 Let me rephrase the question.

21 THE WITNESS: Please.

22 BY MR. OLIVER:

23 Q Other than you and Mr. Gomez, did any employee at

24 IBC make a salary more than \$25,000 per year?

25 A In '85 and '86? Yes.

UNCLASSIFIED

art608

UNCLASSIFIED

608

1 Q Who?

2 A Steve Schwarz, Fran Jacobawitz. Again, you've got
3 me embarrassing my employees.

4 Q What was Fran Jacobawitz's job at IBC?

5 A Her title was director of marketing, and her
6 specialty is writing research, distribution and mailing
7 techniques.

8 Q Does she also go by the name of Fran Jacobs?

9 A Yes. She does.

10 Q Is she in any way related to the expenditure on
11 your bank records to an entity known as Weir, Jacobs, in the
12 amount of \$5,000?

13 A Yes.

14 Q What was her relationship to that expenditure?

15 A She's a partner in Weir, Jacobs, and it was a New
16 York firm which she and her partner have now relocated to
17 Washington. She left it while she worked for us, and has now
18 since gone back to work for it.

19 Q What was the \$5,000 payment to Weir, Jacobs in
20 October of 1985?

21 A In October of 1985, it was for an examination
22 undertaken by Weir, Jacobs of the SLPD distribution system,
23 and recommended improvements in the system.

24 Q When did she begin to work for you?

25 A September of 1985, I think. I'd have to look at

UNCLASSIFIED

art609

UNCLASSIFIED

609

1 the records, more specifically, but I think it's September.

2 Q She was also still a partner in Weir, Jacobs at that
3 time?

4 A No, no. When she came to Washington, she was no
5 longer a partner in Weir, Jacobs. I should clarify that.
6 Let me rephrase that. I don't feel comfortable characteriz-
7 ing her business relationship. She may have considered
8 herself to still be a partner in Weir, Jacobs.

9 Q But she was an employee of IBC from September of
10 1985 until when?

11 A Recently. She left in May or June of this past
12 year.

13 Q Did she work on the State Department contract?

14 A Yes. She did.

15 Q What did she do in the performance of that contract?

16 A She handled general assignments. She was also
17 responsible for the distribution section of the contract.

18 Q Does she have a brother named Jake Jacobawitz?

19 A She does.

20 Q At the time when your contract began with the
21 Department of State, was he an official of SLPD?

22 A He was an employee of SLPD. I don't know, at that
23 point, whether he was an official.

24 Q Do you know whether or not he was involved in any
25 way in the evaluation of the proposal that was made to the

UNCLASSIFIED

art610

610

1 State Department by IBC?

2 A I don't believe so.

3 Q Was Fran Jacobs involved, in any way, in the
4 presentation of the IBC proposal to SLPD?

5 A I don't believe so.

6 Q How did she happen to come to work for you? I guess
7 the question should be, how did you happen to hire a New York
8 firm--Weir, Jacobs--to do this work evaluating the State
9 Department distribution system?

10 A Well, I have to correct you. We didn't hire Weir,
11 Jacobs. We hired Fran Jacobawitz, and she chose to take
12 payment to Weir, Jacobs. That's her own matter. That's a
13 business decision on her part. I didn't make that.

14 Q Was she living in New York at the time?

15 A No. If she was domiciled in New York, she was
16 certainly present in IBC most of the time. So I don't recall
17 her being--

18 Q I think you indicated--maybe I'm a little confused.
19 I thought you indicated, a few moments ago, that the \$5,000
20 payment to Weir, Jacobs had been for services that they had
21 performed for IBC related to evaluation of the State Depart-
22 ment distribution system. Is that correct?

23 A No. What I indicated to you a moment ago was that
24 the \$5,000 was paid to Fran Jacobawitz to complete an
25 evaluation of SLPD's distribution and recommendations, and

UNCLASSIFIED

art611

UNCLASSIFIED

611

1 she chose to have the payment made to Weir, Jacobs, and she
2 could have chose it to be made to cash. That's her choice.
3 It wasn't my choice.

4 Q So Weir, Jacobs performed no services for you. The
5 services that were performed were performed by Fran Jacobs, or
6 Jacobawitz, in a personal capacity?

7 A In a professional capacity, and, as I understand
8 it, that was the business of her firm, yes. But yes, in a
9 professional capacity.

10 Q How did you meet Fran Jacobawitz?

11 A I think Frank introduced me to her.

12 Q When?

13 A I can't remember precisely when, but we were looking
14 for someone to handle the contract.

15 Q Had you known Jake Jacobawitz before you met Fran
16 Jacobs?

17 A No, and I don't think I met Jake for some time after
18 Fran came to work with us.

19 Q Do you know whether Mr. Gomez knew Jake Jacobawitz
20 before?

21 A I'm not sure.

22 Q I'm going to try to run through, Mr. Miller, some
23 notes that I made on some follow-up to Mr. Fryman's questions,
24 and I'll try to be as quick as I can.

2 Mr. Miller is very, very tired. So we can proceed.

3 MR. OLIVER: You indicate you wish to recess the--

4 MR. PRECUP: No. I don't want to recess. I want to
5 conclude.

6 MR. OLIVER: Well, if we can do it by 6:30, that
7 will be fine, but if we don't conclude, we'll either stay or
8 we'll recess to another time.

9 BY MR. OLIVER:

10 Q You indicated in response to one of Mr. Fryman's
11 questions, that you thought Spitz Channell wanted to have
12 ~~Dante~~ ^{Sy} ~~Denise~~ ^{Sy} Facell on his board. Did Spitz Channell have a board?

13 A No, he never formed a board, but he discussed it
14 with me, and several candidates were discussed to form a
15 board of directors for his organization.

16 Q For which organization?

17 A For the National Endowment for the Preservation of
18 Liberty.

19 Q But it had--

20 A Has a board of directors as a corporation. But he
21 was talking about a board in the sense of those types of
22 organizations.

23 Q You indicated earlier in this deposition, that some
24 of the figures that you discussed with Mr. Fryman might have
25 been loan payments.

UNCLASSIFIED

art613

613

1 Did you have any loans from the National Bank of
2 Washington?

3 A I had, I believe, two loans from the National Bank
4 of Washington.

5 Q What was the purpose of those loans?

6 A They were business loans.

7 Q To IBC?

8 A Yes.

9 Q Was there collateral for those loans?

10 A No. They were demand notes.

11 Q Was there a co-signer or a guarantor on either one
12 of those notes?

13 A I don't recall there being a co-signer or a
14 guarantor.

15 Q Do you remember the amounts of those notes?

16 A I believe the first one was for ~~10~~⁴10,000, and I think
17 the second one was for ~~7~~^d7500, but don't hold me to that.

18 Q Did you also have a loan from Palmer National Bank?

19 A No.

20 Q You indicated earlier, that you had paid Bruce
21 Cameron \$10,000 in late January of 1986 in order to perform
22 lobbying and consulting services for IBC, is that correct?

23 A No. What I said was we paid Bruce to do a legisla-
24 tive analysis of the prospects for aid to the freedom
25 fighters on Capitol Hill, and to provide advice and counsel

1 to Mr. Channell and us. And to all the people involved in
2 the Central American Freedom Program.

3 Q Thereafter, you've indicated he was paid directly
4 by Mr. Channell after that?

5 A Yes.

6 Q I think you said because that was the way that
7 Spitz wanted it?

8 A That's correct.

9 MR. OLIVER: I'd like to ask the reporter to mark
10 this as Miller Exhibit 32.

11 [The document referred to was
12 marked as Miller Deposition
13 Exhibit No. 32 for identifica-
14 tion.]

15 MR. OLIVER: I'd like the record to indicate that
16 this is a memorandum dated January 9, 1986 from Rich Miller
17 and Frank Gomez to Spitz Channell, subject, "Freedom Program,"
18 bearing the identification number 2139, which I believe was
19 produced by Mr. Miller's counsel.

20 BY MR. OLIVER:

21 Q I'd like to ask you to examine that document, Mr.
22 Miller, and ask you if you recall seeing it before?

23 A I do.

24 Q Did you draft this document?

25 A I did. Well, one of us, Frank or I drafted it.

UNCLASSIFIED

art615

UNCLASSIFIED

615

1 I've forgotten which.

2 Q Does this document refresh your recollection as to
3 how Mr. Cameron came to be an employee of Mr. Channell's?

4 A It doesn't need to. It's consistent with what I
5 told you a moment ago, and from previous testimony. I
6 believe the confidential source we're talking about is
7 probably Penⁿ/Kemble, and the general description is what I had
8 indicated in previous testimony about his having been
9 ostracized by his colleagues on the left. Ten thousand
10 dollars. Although I think in that paragraph, we did not
11 handle it exactly in that manner. I think he formed his own
12 organization.

13 Q Why did Penⁿ/Kemble need to be referred to as a
14 "confidential source" in this memorandum?

15 A I can't tell you why. I mean, it doesn't have any
16 particular significance.

17 Q Is it possible that the confidential source was
18 someone else?

19 A I don't think so.

20 Q You're sure that it was Penⁿ/Kemble?

21 A Because the subject matter is his dire need for a
22 job, and I only remember discussing that with Penⁿ/Kemble.

23 Q Subsequent to this memorandum, did Spitz Channell
24 give a grant to PRODEMCA for this purpose?

25 A No. I don't believe so. What Channell decided to

UNCLASSIFIED

art616

UNCLASSIFIED

616

1 do was to have Mr. Cameron first produce a legislative
2 analysis and he did, and then subsequently, Mr. Channell gave
3 money directly to an organization that Mr. Cameron headed up,
4 whose name escapes me right now.

5 Q Was that CDEA, the initials CDEA?

6 A I believe--at least CDA is part of the acronym, but
7 I don't remember an "E" in it. But something like that.

8 Q Did you know that that organization was previously
9 headed up by Rob Owen?

10 A I didn't know that until about three or four months
11 ago.

12 Q Do you know how Bruce Cameron came to know Rob Owen?

13 A I don't.

14 Q Did you have anything to do with Rob Owen turning
15 over his organization to Bruce Cameron?

16 A No.

17 Q Did Colonel North know that you were recommending
18 to Spitz Channell that Bruce Cameron be hired as a lobbyist?

19 A I don't believe I told Colonel North.

20 Q You indicated earlier in your testimony that you
21 remembered a \$60,000 check from a Mr. James MacAleer, is that
22 correct?

23 A I remember a \$60,000 check and the entry in my
24 checkbook is for MacAleer, in the check register is for
25 MacAleer, and that's all I recall. But it was facilitated by

UNCLASSIFIED

art617

UNCLASSIFIED

617

1 Colonel North. The money came in and went out immediately.
 2 But my recollection of MacAleer is only from my check
 3 register.

4 Q When you say it was facilitated by Colonel North,
 5 what do you mean?

6 A he told me that there was somebody who wanted to
 7 give \$60,000, asked me if we could put it into INSI. I
 8 agreed, told him that INSI would have no administrative
 9 overhead associated with it, and would pass it immediately
 10 back out, which we did.

11 Q Did you ever talk to Mr. MacAleer?

12 A Not that I recall.

13 Q How did you get the check?

14 A I don't remember how I got it.

15 Q Do you recall whether or not you endorsed the check?

16 A I would have had to have for it to be deposited
 17 into INSI's accounts.

18 MR. PRECUP: Excuse me. I don't believe we've
 19 established, for the record, whether it's a check or a wire
 20 transfer, or some other form of funds, so perhaps you--

21 BY MR. OLIVER:

22 Q Did you receive a check in the amount of \$60,000?

23 A We received \$60,000. I'm not clear, in memory,
 24 whether it was a check or a wire.

25 Q What did you do with the \$60,000?

UNCLASSIFIED

art618

618

UNCLASSIFIED

1 A We put it into the account for INSI, and as soon as
2 it was available we transferred it out, and I think it was
3 over the course of about three days. It stayed in the
4 account for about three days.

5 Q You earlier indicated that Colonel North had called
6 you and asked you to contact Roy Godson, or told you that Roy
7 Godson was going to contact you about a contribution in the
8 amount of \$100,000, is that correct?

9 A No. He told me that I should contact Roy Godson
10 about a contribution. I didn't learn the amount, I don't
11 think, until I actually saw the--at least the letter from
12 Heritage Foundation--and it may not even have been until I
13 actually saw the check.

14 Q You indicated that you were told by Mr. Godson that
15 he had a contributor who wanted to contribute to the support
16 of the democratic resistance in Nicaragua, is that correct?

17 A That's correct.

18 Q When he told you that, what did you suggest that he
19 do at that point?

20 A My initial suggestion was that he provide it to Mr.
21 Channell's organization.

22 Q Why?

23 A Because Mr. Channell was in the business of raising
24 money, and it was natural for me to do it.

25 Q I believe this took place some time in the fall of

UNCLASSIFIED

art619

UNCLASSIFIED

619

1 1985, at least in that general time period according to the
2 bank records, and the correspondence that we examined earlier.

3 This was some time after Colonel North had told
4 Spitz Channell and Dan Conrad that these contributions should
5 be handled by IBC. So why would you not just tell him to
6 give the contribution to IBC, and save the step, because I
7 believe Channell was taking 20 percent for overhead costs, or
8 something like that?

9 A First of all, I can't agree or disagree with your
10 20 percent assertion on Mr. Channell. At that time it seemed
11 like the appropriate thing to do.

12 Q Did he tell you he wanted to give him
13 money to Mr. Channell?

14 A I only remember him vaguely indicating that it was
15 a political matter. In other words, that Mr. Channell was
16 not politically acceptable to whomever his donor was.

17 Q Did you ever learn who his donor was?

18 A To this day, I don't know who the ultimate donor
19 was. I've always assumed it was the Heritage Foundation
20 itself.

21 Q Did you ever talk to Ed Feulner about this contribu-
22 tion, prior to receiving a letter from the Heritage Founda-
23 tion?

24 A I don't specifically remember a conversation with
25 Ed Feulner.

UNCLASSIFIED

1 Q Is it your recollection that the first contact that
2 you had relating to this contribution, after your meeting
3 with Mr. Godson, was a letter form the Heritage Foundation
4 requesting a proposal for a grant?

5 A That's my best recollection on it, yes.

6 Q ~~And~~ did you produce that letter for the Committee?

7 A The one written to Heritage Foundation?

8 Q The one that was written to you from the Heritage
9 Foundation.

10 A Yes. I believe so.

t17

11 Q Let the record show that we have not received any
12 such letter.

13 A Well, let me put it another way. I've given you
14 every record I have, so if you don't have it--

15 Q Well, your recollection is that there was a letter,
16 and after you received this letter from the Heritage Founda-
17 tion, or you were contacted by the Heritage Foundation--it's
18 possible it might have been a phone call--but you were
19 contacted. What did you do at that point to facilitate this
20 contribution, or this grant?

21 Did you contact Roy Godson?

22 A I'm sorry. You've lost me in the timeframe.

23 Q Well, Colonel North called you, you met with Roy
24 Godson. Colonel North called you, you met with Roy Godson,
25 he said he had someone who wanted to contribute to the

1 democratic resistance in Nicaragua. You suggested Spitz
 2 Channell. He said he didn't want to give the money to Spitz
 3 Channell, and the next thing you knew, you were contacted by
 4 the Heritage Foundation?

5 A No. I had a subsequent conversation with Colonel
 6 North and told him that we could accept it into INSI, but
 7 that that was a significant risk for the organization and we
 8 were going to take a 20 percent overhead charge from the
 9 grant. He agreed.

10 I then went back to Mr. Godson, either by phone or
 11 in meeting--i can't remember which--and gave him the Institute
 12 for North-South information, and he was contacted by the
 13 Heritage Foundation.

14 Q All right. Why was it a significant risk for INSI?

15 A Well, you only have to read recent news accounts of
 16 the demise of the Institute for North-South Issues to know why
 17 it was a significant risk. It was a fatal action by INSI, and
 18 we felt that there was considerable risk to the organization
 19 and it should be compensated for it, and I believe we were
 20 correct.

21 Q Why did you not take such compensation from the
 22 \$60,000 contribution from Mr. MacAleer?

23 A We did it solely as a favor to Colonel North, and
 24 we told him when we did it, that it was the last time that we
 25 would do it, and we didn't want to do any more such transfers

UNCLASSIFIED

art622

1 through INSI.

2 Q But you didn't take a cut out of that contribution?

3 A That's correct.

4 Q The \$20,000 that you took out of the contribution
5 that came through the Heritage Foundation, did that just go
6 to general overhead for INSI?

7 A Overhead and salaries, and some printing, and so
8 forth. It doesn't ~~take~~ long to eat up \$20,000 in a 501(c)(3).

9 Q So you received a check in the amount of \$100,000,
10 which I believe was reflected in an earlier document.

11 MR. PRECUP: It would be convenient to point out
12 now, Mr. Oliver, that what you've just examined was the copy
13 of the Heritage Foundation letter from Mr. Feulner bearing
14 our identification number 53036. It was, indeed, produced in
15 response to subpoenas, and there is the copy.

16 MR. OLIVER: We've discussed this letter earlier,
17 which is one that you had produced, and the letter says,
18 "Thank you for your letter of September the 12th, 1985."

19 It says, "My colleagues and I have discussed your
20 proposal in some detail and are pleased to respond in a
21 positive ~~response~~. Therefore, I am enclosing a check from
22 the Heritage Foundation in the amount of \$100,000 as you
23 requested in your letter. We would appreciate receiving
24 reports from you as to the uses to which these funds have
25 been put. I would also like to have a copy of your tax-

2 these funds will be used in accordance with the stated

4 Feulner."

5 The letter was addressed to you.

6 BY MR. OLIVER:

7 Q Had you discussed that letter before Mr. Feulner
8 sent it to you?

9 A Discussed it with who?

10 Q With Mr. Feulner.

11 A Discussed that letter before Mr. Feulner sent it to
12 me?

13 Q Yes.

14 A I don't recall discussing it.

15 Q But you had sent him a proposal on the 12th of
16 September, is that correct?

17 A That's consistent with what I remember, or we sent
18 him some form of proposal, a letter of proposal.

19 But the proposal was not for assistance to the
20 democratic resistance, was it?

21 A No. It was a more generic statement that had to do
22 with increasing information and news capacity of organizations
23 in Central and Latin America.

24 Q But you knew that wasn't what the money was really
25 for, didn't you?

13 Q Did Mr. Godson--

14 A I would also point out, in addition, that at that
15 point, Lake Resources, to my way of thinking, was an account
16 that Adolfo Calero was the beneficiary of, and his political
17 organization was the beneficiary of. So it was general
18 support for them, and one of the things we were trying to get
19 them do more efficiently was provide information, and provide
20 public-affairs education efforts here, in the United States,
21 and overseas.

22 Q So did the money from this grant go to Lake

24 A Some of the money from this grant went to Lake
25 Resources. That's correct.

2 A It's very difficult to give it a specific figure,

5 \$48,000--and I think there was \$60,000 that was transferred to

23 Q The proposal is two pages long, and there are other
24 attachments to it, some of which have already been entered as
25 exhibits. It appears to me, in examining this proposal, Mr.

1 Miller, that this doesn't indicate that any money is going to

2 [REDACTED]

3 Did you indicate to the Heritage Foundation, in
4 discussing this proposal, that behind this proposal was an
5 effort to help [REDACTED]

6 A Well, your second word up here is, the optimum word
7 in your question--you can read it in specific terms, if you
8 want. I read it in very general terms. "The dissemination
9 in Central America of materials designed to educate the
10 public on the political and economic realities of the United
11 States' policy objectives."

12 [REDACTED]
13 [REDACTED] the political entities associated with the
14 Nicaraguan resistance. "A program of public information on
15 the Central American view of the United States' foreign and
16 economic policy, and how it relates to the political and
17 economic future of Central American countries." That covers
18 a whole host of activities that were conducted over that two-
19 year period with the political entities associated, including
20 trips by them to Europe, to other Central American countries
21 to speak to press; a conference in Europe which was widely
22 covered in the press.

23 "Collection and analysis of data in the first two
24 phases will be completed prior to a conference." There never
25 was a conference.

1 Q Was there dissemination in Central America of
2 materials designed to educate the public on the political and
3 economic realities of United States' policy objectives that
4 was paid for by the grant from the Heritage Foundation?

5 A I am positive of that.

6 Q Did you do it?

7 A No. But I can assure you that Alfonso Robelo's
8 organization [REDACTED] Adolfo Calero's organization [REDACTED]
9 [REDACTED] have all widely disseminated U.S. foreign-policy
10 objectives to both the press, and to their fellow Central
11 Americans, and to people in the general world.

12 Q So why was it risky for you to take this grant?
13 Why did this lead to the demise of INSI?

14 A Because this area is Central America, and Latin
15 America is very sensitive to this issue, and organizations
16 that are directly associated with resistance, the democratic
17 resistance, don't fare well with other organizations.

18 Q This proposal doesn't indicate that there's
19 anything related to the democratic resistance in this program
20 any more than there is any indication that it relates to [REDACTED]

21 [REDACTED] So why would it be risky to accept and
22 perform this grant, for INSI?

23 A I think I've already answered your question.

24 Q Well, isn't it a fact, Mr. Miller, that you
25 actually didn't perform this activity on behalf of the

UNCLASSIFIED

art628

UNCLASSIFIED

628

1 Heritage Foundation grant?

2 A We provided grants to people who performed these
3 activities.

4 Q Isn't the case, Mr. Miller, that when you received
5 the \$100,000 check, that you kept \$20,000 for risk, or
6 overhead, and sent \$80,000 to the IC account in the Cayman
7 Islands?

8 A That is correct.

9 Q Did Mr. North direct the payments from the Cayman
10 Islands' account?

11 A Yes.

12 Q Did you know where all those payments were going?

13 A Yes, eventually, all of them, those associated with
14 this. Yes.

15 Q Where did the \$80,000 go?

16 A Well, as I pointed out to you a moment ago, I
17 believe \$48,000 went to Lake Resources. I know \$20,000 went
18 to [REDACTED] and \$40,000 went to
19 [REDACTED]

20 Q So you knew all of the entities into which the
21 money was being directed by Colonel North, and you knew the
22 purpose of those transfers?

23 MR. PRECUP: I don't think that was the witness's
24 testimony.

629

1 [REDACTED] accounts were [REDACTED] accounts when we transferred
 2 them. We knew that Lake Resources was an account to benefit
 3 the organizations of Adolfo Calero.

4 MR. PRECUP: Gentlemen, it is 6:30, and as you all
 5 know, Mr. Miller has been up since five this morning, and
 6 we've been at it here since nine. I would like very much to
 7 call it a day.

8 MR. OLIVER: If you would like to recess this, when
 9 would you like to --

10 MR. PRECUP: I'm not prepared to discuss that at
 11 this hour. I'm tired myself.

12 MR. OLIVER: Well, I am not prepared to adjourn the
 13 deposition until we determine whether or not we can continue
 14 with it at a later time, Mr. Precup.

15 MR. PRECUP: Well, I'm not --

16 MR. OLIVER: There are still a lot of questions
 17 that certainly need to be asked.

18 MR. PRECUP: I am certain there are. Please call
 19 me tomorrow, will you?

20 MR. OLIVER: Are you leaving?

21 MR. PRECUP: Yes, sir. As I said some hours ago,
 22 in fact we said this morning that we would go to 6:30.

23 MR. OLIVER: We indicated that we wanted to
 24 complete this deposition, and it's not complete, Mr. Precup.

Well, I still have a number of questions to be

UNCLASSIFIED

hws630

630

UNCLASSIFIED

1 asked.

2 MR. PRECUP: I'm certain that you do. How much
3 more time do you want, Mr. Oliver?

4 MR. OLIVER: Well, I don't know, Mr. Precup,
5 because some of the answers are a little bit confusing. And
6 in order to try to clarify the record, I'm trying, since we're
7 seeking to complete this deposition, to clarify them complete-
8 ly so that we won't have to have another session.

9 MR. PRECUP: Well, I think the process is inherently
10 interminable to treat it that way, Mr. Oliver.

11 But my only position now is that my client is so
12 tired that he is unable to respond directly to your questions
13 because he has been at it since 9 o'clock this morning. He
14 is in no condition to proceed.

15 MR. OLIVER: I am perfectly willing to recess this
16 deposition, and I would just like to ask you when you would
17 be prepared to resume this deposition?

18 MR. PRECUP: As I told you, I cannot give you an
19 answer to that at this late hour with my client in the tired
20 state he is in. I cannot even confer with him meaningfully
21 on that topic.

22 MR. OLIVER: But it is your understanding that this
23 deposition has not been completed and will have to be
24 completed at a subsequent time?

25 MR. PRECUP: I will not respond to that question.

UNCLASSIFIED

UNCLASSIFIED

hws631

631

1 Will you give me some indication of how much more
2 time you think you will need with this witness, and perhaps I
3 can respond to you rationally.

4 It is an open-ended invitation, where time after
5 time we have been -- I don't mean that this is directed at
6 you, it's not, but the time has taken much more than it was
7 ever anticipated with each question session.

8 If you will give us a commitment to a time, we can
9 talk. If you will not, then --

10 MR. OLIVER: Mr. Precup, I am not prepared, nor do
11 I have the authority to adjourn this deposition until it has
12 been completed.

13 I can assure you that I will attempt to ask
14 questions that I think we need to ask in an expeditious
15 a manner.

16 I indicated to you earlier today that if your
17 client was tired, I would be happy to recess this deposition
18 until tomorrow or until a later time. But it is our desire,
19 as it is yours I believe, to complete this process as soon as
20 possible.

21 What concerns me is that you seem to be indicating
22 that you are not willing to recess this deposition and set a
23 time for it to be continued.

24 MR. PRECUP: Well, you're free to draw conclusions,
25 you will draw --

632

1 MR. OLIVER: I am perfectly willing to adjourn this
2 deposition on the understanding that it has not been completed
3 and will need to be completed at a subsequent time.

4 MR. PRECUP: I understand what you have said, sir.
5 I think you've understood what I am saying.

6 I'm not sure who has the power to adjourn or to
7 terminate these depositions, and it's something I don't care
8 to look into.

9 MR. FRYMAN: Can we go off the record?

10 (Discussion off the record.)

11 MR. OLIVER: This deposition is adjourned until 1
12 o'clock tomorrow afternoon in Room SH-901 of the Hart
13 Building, in order to complete the deposition of Mr. Richard
14 Miller.

15 [Whereupon, at 6:40 p.m., the taking of the
16 deposition adjourned, to reconvene at 1:00 p.m., Wednesday,

MR. OLIVER: Good afternoon, Mr. Miller, I hope you have gotten a little rest.

This is a continuation of deposition that was recessed yesterday afternoon. When we recessed yesterday, we were talking about IBC contracts with the State Department.

Off the record.

(Discussion off the record.)

MR. OLIVER: When we recessed yesterday, we were talking about IBC contract with the Department of State, and there was some confusion over the nature of, or the status of those contracts, between the time of your initial proposal and the ultimate signing of the final contracts. And I just wanted to ask you to clarify what your understanding was of the status of that contract, between October the 1st, 1985 and September of 1986, when the contract, the one that we have as an exhibit here--

Off the record.

MR. OLIVER: All right, back on the record.

Whereupon,

RICHARD MILLER

having been previously duly sworn, was recalled as a witness and was examined, and testified further as follows:

THE WITNESS: We were told by the Administrative Officer and the Program Officers that the contracts had been

1 forwarded through the Executive Secretary structure and
 2 Management Offices, and approved, and had gone on to the
 3 Contracts Office. I can't tell you that I for sure had seen
 4 a contract for that date with a Contract Officer's signature,
 5 or with a signature from, what they call M, their Management
 6 Office, but we were told that they had proceeded through both
 7 of those stages, on two separate occasions.

XXX

8 CONTINUED EXAMINATION BY ASSOCIATE STAFF COUNSEL
 9 FOR THE HOUSE OF REPRESENTATIVES

10 BY MR. OLIVER:

11 Q Did you subsequently learn that there had been some
 12 problems with the Contracts Office?

13 A We were told that when it left M, the Management
 14 Office, and went to Contracts, Contracts determined that it
 15 was not in the proper form, and needed to be written as a
 16 cost-plus fixed fee, and that would entail a DCAA audit, we
 17 then undertook in conjunction with the DCAA auditors.

18 Q What are they?

19 A I think they were State Department auditors.

20 Q What is the DCAA?

21 A DCAA is the Defense Contracts Audit Agency.

22 MR. OLIVER: I would like to enter as Miller
 23 Exhibits 33--34, and ask the reporter to mark them, a set of
 24 documents which contain correspondence from the Defense

25 Investigative Service to the Department of State, and from

hws638

638

1 the Department of State to the Defense Investigative Service.
 XXXX 2 (The documents referred to were
 3 marked for identification as
 4 Miller Deposition Exhibit No.
 5 34.)

6 BY MR. OLIVER:

7 Q I would like to ask the witness to look at those
 8 documents. Have you ever seen those documents before, any of
 9 those documents?

10 A Not to my knowledge.

11 MR. OLIVER: Off the record.

12 (Discussion off the record.)

13 MR. OLIVER: Back on the record.

14 BY MR. OLIVER:

15 Q As I was saying, these documents seem to reflect
 16 difficulties which the Defense Investigative Service was
 17 having in 1986 in finalizing a facility security clearance
 18 for IBC. Some of the documents indicate copies to
 19 International Business Communications, Miller Communications
 20 and Gomez International. I would like to ask the witness to
 21 look at them once again, to see if he recalls whether or not
 22 he received copies of these documents, which were dated March
 23 18th, 1986.

24 A That's not the question you asked me earlier.

25 Q May 6, 1986; June 3rd, 1986; July 30th, 1986;

hws639

UNCLASSIFIED

639

1 November 17th, 1986. My question was whether you recall ever
2 having seen any of these documents.

3 A And my answer was that I don't recall having seen
4 them.

5 Q Do you recall difficulties with the Defense
6 Investigative Service during the spring and summer of 1986?

7 A Yes, I recall two, in particular.

8 Q What were those difficulties you recall?

9 A Well, they attempted to call Mr. Gomez, and he was
10 out of the country, and when he did not return their phone
11 call for about a week, they notified the offices that he was
12 not in compliance with their attempts to get in touch with
13 him, and they broke off the investigation.

14 In another instance they demanded of us a partner-
15 ship agreement, and any first year law school student in the
16 District of Columbia knows that you don't have to have a
17 partnership agreement to be a partnership in the District of
18 Columbia. And they insisted that we were not a formal
19 partnership under the District of Columbia laws, and therefore
20 couldn't be a partnership, and they refused the investigation
21 again. It was only after the direct intervention of our
22 attorneys with their legal counsel that we were able to make
23 them understand that that was the law, and they subsequently
24 went forward, after having broken off the investigation at
25 least twice. The first time I think because of the phone

UNCLASSIFIED

UNCLASSIFIED

hws640

640

1 contact, and the second time because the documents that we
2 couldn't provide were documents that didn't exist, and
3 weren't legally required to exist.

4 For something more technical than that, you will
5 have to talk to our CPA and attorney.

6 Q Do you remember being notified that you had been
7 granted an interim secret security clearance?

8 A I do.

9 Q Do you recall what date that was, approximately?

10 A I believe it was July.

11 Q Before we go on, I would like to indicate that we
12 would like to finish this deposition in as short a period of
13 time as possible, and it is my intention to limit my questions
14 to an hour, certainly no more two, and I hope that we can
15 finish this deposition by 4:30 at the latest, so we will try
16 to proceed as expeditiously as we can.

17 MR. PRECUP: Thank you. I appreciate that, Mr.
18 Oliver.

19 BY MR. OLIVER:

20 Q Mr. Miller, I have some follow up questions to some
21 of the questions that were asked by Mr. Fryman yesterday, so
22 if it seems like I am skipping around it is because I have
23 gone through the notes at various stages of yesterday's
24 deposition.

1 RAM, I believe, in 1980, is that correct?

2 A In 1980, that's correct, yes.

3 Q Did that company have any relationship with the
4 Robert Goodman Agency?

5 A No.

6 Q We were discussing the IC, or INTEL Corporation
7 account in Cayman Islands earlier, I believe you indicated
8 that the normal procedure for the disbursement of funds from
9 that account would be for Oliver North to direct you to
10 transfer money to a bank account, and/or an entity. Did he
11 tell you what the purpose of those disbursements were?

12 A In some instances.

13 Q In some instances he did not?

14 A That's correct.

15 Q But you transferred the money as he directed,
16 whether you knew what the entity was it was being transferred
17 to or not?

18 A That's correct.

19 - Q So he could have transferred that money for the
20 purpose of which you had no knowledge?

21 A That's correct.

22 Q I believe you also indicated earlier that you did a
23 study at the request of Mr. Channell of organizations in the
24 United States, organizations and individuals in the United
25 States, who were supporting the Sandinista regime, is that

UNCLASSIFIED

hws642

642

1 correct?

2 A I reported to you that I did a White Paper for Mr.
3 Channell, a draft of a White Paper for Mr. Channell, and it
4 was on organizations who were supporting left wing radical
5 governments or organizations, yes.

6 Q It was not related directly to the Sandinista
7 regime in Nicaragua?

8 A It's a general discussion of leftist groups and
9 their involvement with radical governments and organizations.
10 It involves the Nicaraguan Government, but it also involves
11 groups in El Salvador, and foreign Communist Party organiza-
12 tions.

13 Q When did you do that White Paper?

14 A It was transmitted to Mr. Channell on April 12th.

15 Q Of this year?

16 A That's correct.

17 Q Do you know for what purpose he wanted you to
18 produce that document?

19 A Yes.

20 Q What was that purpose?

21 A He had spoken to several of his contributors about
22 the need to continue and fortify his efforts at public
23 education of the Communist threat to the United States. He
24 relied in those appeals on a book called The Directory of
25 International--I have forgotten the exact title of it, but it

UNCLASSIFIED

UNCLASSIFIED

hws643

643

1 is a fairly lengthy document, about three inches thick,
 2 published by Common Cause, and he wanted something more in
 3 depth, and asked us to undertake it. His objective was to be
 4 able to show it to contributors, as evidence to them that
 5 they needed to redouble their efforts to educate the public.

6 Q Do you know whether he ever used the document for
 7 that purpose?

8 A I don't know, I turned over the three original
 9 copies to him, and I have not heard since, what he did with
 10 them.

11 Q You didn't maintain a copy at IBC?

12 A I maintained a copy of the principal body of the
 13 report, I did not maintain a copy of the appendices, which
 14 are about six inches worth of materials.

15 Q Was that, the document you maintained, produced for
 16 this Committee, in the documents that your counsel turned
 17 over to this Committee, in April or May?

18 A I don't believe so.

19 Q Why not?

20 A I am not sure it was called for under the subpoenas.

21 Q But the White Paper was paid for by Spitz Channell?

22 A That's correct.

23 Q Mr. Miller, who is Curt Windsor?

24 A He is a former Ambassador to Costa Rica, and that's
 25 about all I know about him, actually.

UNCLASSIFIED

UNCLASSIFIED

hws644

644

- 1 Q Did you ever meet Mr. Windsor?
- 2 A Yes, I met Mr. Windsor.
- 3 Q When did you first meet him?
- 4 A I met him once only, and that was at the offices of
- 5 former Congressman Kuykendall, and it was a meeting to
- 6 discuss the prospects for renewed assistance to the Nicaraguan
- 7 Freedom Fighters.
- 8 Q Did he ever make a contribution to INSI, or IC?
- 9 A I don't believe he made a contribution to IC, I
- 10 don't recall getting a contribution to INSI.
- 11 Q Do you ever recall receiving a check from Mr.
- 12 Windsor, for any purpose related to IC or IBC or INSI?
- 13 A We helped secure a grant for Woodie Jenkins'
- 14 organization through the Donor Foundation, which Mr. Windsor
- 15 is a member of the Board of Directors of, but I can't recall
- 16 anything beyond that.
- 17 Q You indicated earlier that there were two films
- 18 that you participated in the production of. I think you
- 19 referred to one as the Wesley Smith film, and then there was
- 20 another one that I believe was produced by Tony Zumbado, or
- 21 directed by Tony Zumbado. Were there in fact two films?
- 22 A There were actually three films, and you have got
- 23 the author and Production Directors transposed. There was a
- 24 film produced by Dr. Joachim Maitre, and directed by Larry
- 25 Young, which was subsequently redacted down to

UNCLASSIFIED

UNCLASSIFIED

hws645

645

1 a shorter version by Robert Goodman and his production staff.

2 And then there was a second film, which was titled
3 "Bitter Legacy," which was produced by Wesley Smith and Kemp
4 Enterprises. And the camera crew that shot it were employees
5 of Tony Zumbado.

6 Q And what was the third film?

7 A I just described all three of them.

8 Q The shortened version of the first?

9 A Oh, the shortened version of the first, we dis-
10 tributed all three of them, the long version, the short
11 version, and Wesley Smith's film.

12 Q What was the source of funds that was employed in
13 making these films, who paid for them?

14 A NEPL.

15 Q All three films?

16 A All three films.

17 Q Who is Joachim Maitre?

18 A Joachim Maitre is the, I think now, Dean of the
19 School of International Studies at Boston University, or
20 maybe International Relations.

21 Q When did you first meet him?

22 A I met him when he was one of the Gulf and Caribbean
23 scholars.

24 Q What was he doing as a Gulf and Caribbean scholar?

25 A He went to Central America, along with Elie Wiesel,

UNCLASSIFIED

hws646

UNCLASSIFIED

646

1 for an exploration the Mosquito Indian problem, which
2 produced Mr. Wiesel's well publicized article in the LA Times
3 News Syndicate and Le Matin, and subsequently with the French
4 Government. He also took a separate trip with Max Singer to
5 El Salvador and Honduras and Costa Rica. I believe they went
6 to Costa Rica, I am not sure of that.

7 Q Who is Christina Guillen?

8 A Christina Guillen? It doesn't strike a familiar
9 note, I am sorry.

10 Q Was there somebody named Christina who worked for
11 IBC?

12 A There was a--there may have been. The name, you
13 can show me the name, maybe I can remember it more fully.

14 Q You indicated yesterday that there was a need,
15 Colonel North thought that there was a need for insulation
16 between Spitz and the Resistance, and this was why IBC was
17 sort of brought in for the purpose of transferring the money
18 to the Resistance, is that correct?

19 A I don't think I said that yesterday, but I have
20 said that in the past.

21 Q Do you know why he wanted insulation between Spitz
22 and the Resistance?

23 A He did not want the Resistance bugging people who
24 were providing money, for new money. And that happened to be
25 a feeling shared by Mr. Channell. He also had been recently

UNCLASSIFIED

hws647

647

1 involved with the Nicaraguan community, and he understood the
2 needs were very great, and if they were used to him as a
3 donor, that they would come back to him repeatedly, and be
4 soliciting his people directly, and he didn't want that.

5 Q Well, weren't the Resistance leaders aware that
6 Spitz Channell was raising money on their behalf?

7 A Generally, but I can tell you for a fact that they
8 didn't know the proportion, until I informed them of it, very
9 late in 1986.

10 Q Did Colonel North ever indicate to you, after, or
11 approximately at the time of the Nicaraguan refugee fund
12 dinner, in 1985, that Eddie Frazer had indicated to him that
13 there were some big contributors who would be willing to give
14 large contributions to the Resistance, if they could meet
15 with the President of the United States?

16 A No, he never told me that.

17 Q Did he ever indicate to you that Spitz Channell,
18 that he knew of Spitz Channell, and Spitz Channell's desire
19 to raise money for the Resistance, prior to the phone call
20 that you received from John Roberts?

21 A No.

22 Q Did you discuss with him the phone call that you
23 had received from John Roberts about Spitz Channell, after
24 you had met with Mr. Channell and Mr. Connors?

25 A I may have, but it was a political matter, and I

UNCLASSIFIED

UNCLASSIFIED

hws648

648

1 didn't discuss it with him, I don't think.

2 Q Do you remember whether he indicated that he knew
3 of Spitz Channell or Dan Conrad, at that time?

4 A I don't recall.

5 Q Do you know Ken de Graffenreid?

6 A No, I don't think so. Is that his only name?

7 Q As far as I know.

9 BY MR. OLIVER:

10 Q You indicated, in response to a question earlier in
11 this deposition by Mr. Kaplan, that you did a variety of
12 services for NEPL and Spitz Channell's organization, and
13 among that list you indicated that you had been engaged in
14 lobbying on his behalf. What kind of lobbying did you engage
15 in on behalf of Mr. Channell?

16 A We hired, or attempted to hire, in some instances,
17 or sought the counsel of paid lobbyists, and I think, if I am
18 recalling the passage that you are referring to, it was a
19 general recitation of our responsibilities under the NEPL
20 Central American Freedom Program, and other programs, some of
21 them being far more prone to lobbying activities than the
22 Central American Freedom Program was.

23 Q But IBC itself did not directly engage in any
24 lobbying, is that correct?

25 A That's correct.

1 Q You indicated that Colonel North had told you to
2 get in touch with Robert Kagen at the State Department,
3 regarding arrangements for setting up the UNO Office in
4 Washington, is that correct?

5 A That's correct.

6 Q Do you remember when that was?

7 A Sometime in 1986, but it would have had to have
8 been slightly prior to the first rent payment to that
9 landlord, and I don't have the records in front of me, so I
10 can't give you the exact date.

11 Q Was that the first time you had met Mr. Kagen?

12 A No, I don't think so, I think I met him before
13 that.

14 Q Was he the Coordinator of LPD at that time?

15 A I don't know whether he actually had that formal
16 title at that time, but I think he was serving in that role.

17 Q So during that time he was also responsible for the
18 oversight of the contract with IBC?

19 A That's correct. Well, I should say again that I
20 don't know whether the time lines overlap, if he was, and I
21 guess he was.

22 Q Did he know what the source of the money for the
23 UNO Office was going to be?

24 A No.

25 Q But he knew that your role was to provide funds for

UNCLASSIFIED

1 that purpose?

2 A And direction to the UNO staff, in setting up the
3 office.

4 Q Did Mr. Kagen participate in the direction of the
5 UNO Office, through you?

6 A I think Mr. Kagen was an informal counselor to the
7 UNO Executive Director in the process.

8 Q Did he ever learn, to your knowledge, that the
9 money for the UNO Office came from funds that had been raised
10 by Spitz Channell?

11 A I can't answer your question, I have no idea.

12 Q But to your knowledge, he did not know where the
13 money came from?

14 A To my knowledge, no.

15 Q We discussed earlier the contributions that were
16 made by IBC and IC to the Latin American Strategic Studies
17 Institute, which was Father Dowling. Other than transferring
18 the money at Colonel North's direction to LASSI, did you have
19 any other dealings with Father Dowling?

20 A Yes.

21 Q What were they?

22 A We talked regularly on the telephone. We met on
23 occasion, we tried to keep each other informed of activities
24 within the Nicaraguan community, and we provided materials to
25 each other, and he provided a proposal for this resource book

1 which I produced to the Committee, a subsequent copy of it
2 when it was produced.

3 Q Were you aware that he was not a regular Catholic
4 Priest?

5 A I can't answer that question, because I am not
6 Catholic, and I am totally unschooled as to what a regular
7 Catholic is.

8 Q Did you think that he was a Catholic Priest?

9 A I still do.

10 Q Did you have any knowledge, or any participation in
11 the arrangements which were made for Father Dowling to appear
12 and testify before a Congressional hearing?

13 A I don't recall having any involvement in that, no.

14 Q Did you know about it?

15 A Only when I read about it in the paper. If I knew
16 about it before, I had forgotten about it.

17 Q You indicated that one of the reasons that World
18 Affairs Counsellors, Inc. was set up was to do more with
19 political movements in international foundations, is that
20 correct?

21 A I don't recall saying that exactly.

22 Q Was its purpose to do more with international
23 foundations in political movements?

24 A It was designed to do more business internationally
25 for IBC, but beyond that, I speak in generalities, but that

UNCLASSIFIED

1 about covers it.

2 Q Did Colonel North ever discuss with you the
3 establishment of an international foundation?

4 A No.

5 Q Did he ever discuss with you, or you with him,
6 asking Roy Godson to provide advice to Spitz Channell on how
7 to set up an international foundation?

8 A Not that I recall.

9 Q Did Spitz Channell ask you, or anyone else at IBC,
10 to obtain information about how to set up an international
11 foundation, or establishing an international foundation?

12 A Not that I recall.

13 Q What was your business relationship with Dan
14 Kuykendall, between December of 1986 and June of 1987?

15 MR. PRECUP: I am sorry, could I have the dates
16 again, I missed them?

17 MR. OLIVER: December of 1986 and June of 1987.

18 THE WITNESS: Aside from mutual, each of us owning
19 stock in the same corporation, we had no business dealings.
20 We had no business relationship, I don't understand your
21 question, I guess.

22 BY MR. OLIVER:

23 Q You did not receive funds from him, he did not
24 receive funds from you?

25 A In that period --

1 Q That were obtained by the Gulf and Caribbean
2 Foundation, or --

3 A Not in that period, no.

4 Q Were both of you retained by Spitz Channell in that
5 period?

6 A I know I was, I don't know whether Dan was.

7 Q So you didn't work with Dan Kuykendall on any
8 projects that related to Spitz Channell's activities?

9 A Yes, we did have meetings with Dan Kuykendall, but
10 whether he was paid for those meetings, I am not sure.

11 Q What was the purpose of those meetings?

12 A General strategy discussions.

13 Q Strategy for what?

14 A For Mr. Channell's organizations, political
15 strategies, political realities in Washington, Congress, the
16 Administration.

17 Q Did they relate to this investigation?

18 A No, I have never given him advice in regards to
19 this investigation.

20 Q Do you know whether Mr. Kuykendall gave him any
21 advice related to this investigation?

22 A I don't know.

23 Q Were you ever aware of a period of time in which
24 Oliver North, or someone on Oliver North's behalf, was

25 supposed to raise \$400,000 during a specific period of time.

1 for the resistance in Nicaragua?

2 A I guess I will say I don't know, I don't understand
3 the question.

4 Q You never hear Ollie, the term "Ollie's 400 K"
5 referred to, in any of your discussions with Spitz Channell?

6 A That doesn't strike a familiar note.

7 Q You indicated in your testimony earlier that there
8 was, and I am quoting from the transcript, "there was some
9 word in the diplomatic community there was going to be some
10 kind of a public relations effort for one of the other
11 resistance movements, and I think it was Afghanistan." Where
12 did you hear that?

13 A I don't remember, specifically where I heard it.

14 Q But you went and talked to Oliver North about it?

15 A Yes.

16 Q And what did he tell you?

17 A He said he didn't know anything about it. We
18 didn't have a very long conversation that day, any way.

19 Q That was the day that he indicated to you that he
20 was going to show you how a covert operation was set up, and
21 then he got a phone call?

22 A That is correct.

23 Q You indicated earlier in your deposition, at some
24 point, that you were in Oliver North's office when he was
25 discussing on the phone with someone, whose identity you did

1 not learn, that some money was needed for the two fliers that
2 had been killed in then Hausenfauss crash in Nicaragua. Do
3 you recall that conversation?

4 A Yes.

5 Q And you volunteered to Colonel North that you could
6 provide, that the funds were available, and that you could
7 provide them, is that correct?

8 A Yes.

9 Q Did you cause a phone call to be made to Mr.
10 William Walker at his home regarding the transfer of those
11 funds?

12 A I don't believe so. Colonel North may have made
13 such a phone call, but I don't recall my causing it to
14 happen.

15 Q How did you find out what State Department account
16 to send the money to

17 A Colonel North took it down, in my presence, and
18 gave me the information. It wasn't an account, either, it
19 was just a bank.

20 Q Do you know how Mr. Walker was notified that the
21 money was coming?

22 A No.

23 Q Do you know whether or not he was notified?

24 A No.

25 Q When you went to Europe with Al Masoudi in 1985,

1 did you have any involvement in the attempt to secure him a
2 passport, through the American Embassy in Bern?

3 A Not that I am aware of.

4 Q Did you know that he was attempting to secure a
5 passport through our Embassy in Bern?

6 A A U. S. passport?

7 Q Yes.

8 A No, I am not aware of him trying to secure a U. S.
9 passport.

10 Q Any passport?

11 A I don't recall him trying to secure a passport
12 through the Embassy in Bern.

13 Q Do you know whether or not Mr. Dwyer, whom I
14 believe you indicated was traveling with you, attempted to
15 secure a passport for him through the American Embassy in
16 Bern?

17 A Mr. Dwyer arrived in Geneva after I had left. And
18 I don't recall Mr. Dwyer telling me about an effort to secure
19 a passport at the Embassy in Bern.

20 Q I believe you indicate earlier that you were
21 working out of Oliver North's office, at the direction of
22 Jonathan Miller, is that correct?

23 A There was about two day's worth of activities, some
24 of which we carried out at Oliver North's office at Jonathan
25 Miller's direction.

UNCLASSIFIED

hws657

UNCLASSIFIED

657

1 Q What did that work involve?

2 A Securing media appearances for the three leaders of
3 the Nicaraguan opposition, on the occasion of their coming to
4 Washington to meet with the President.

5 Q This was part of your duties as a contractor with
6 the State Department?

7 A Well, I don't think we billed the State Department
8 for that time, nor did we report it as a State Department
9 activity. I don't think we considered it, even though I
10 guess we could have, but don't think we considered it
11 appropriate State Department activity.

12 Q Was Jonathan Miller an official of the State
13 Department at that time?

14 A Yes, I believe he still held the post, he was
15 Deputy Director of that office.

16 Q He was the technical representative responsible for
17 oversight of the IBC contract with the State Department?

18 A That is correct.

19 Q During that period of time?

20 A That is correct.

21 Q I would like the reporter to mark as Miller Exhibit
22 Number 35 a group of documents which a Department of State

9 THE WITNESS: I have seen both documents before.

10 BY MR. OLIVER:

11 Q Did IBC perform the services that were to be
12 provided in this contract

13 A It is our contention, and this is still under
14 dispute with the Inspector General, that we performed the
15 majority of these services, and we were only unable to
16 perform the final portion of this contract because of
17 circumstances in El Salvador.

18 Q Did you execute a series of mini seminars?

19 A Mr. Gomez is a better person to answer these
20 questions, since he had responsibility for it, but I do
21 recall him going to El Salvador with Ambassador Catto. And I
22 do recall him going on his own, and I do recall us securing a
23 large number of reference documents, and preparing Spanish
24 language recommendations for the Government spokesmen and
25 their personnel. And that's the basic recollection. And,

UNCLASSIFIED

1 of course, the Government spokesman was gunned down on the
2 tennis court, and this matter was held. The contract was
3 never finished because of that, the activities described were
4 never finished.

5 Q Were you aware that Ambassador Catto told the
6 Inspector General that he did not go to El Salvador during
7 that period of time?

8 A No, I am not aware of that.

9 Q Do you know whether or not Ambassador Catto did go
10 to El Salvador during that period of time, in performance of
11 this contract?

12 A I am not sure, to be honest with you. As I
13 indicated earlier, I remember those things, I remember Frank
14 going to El Salvador, and I remember the materials being
15 prepared. And I remember the spokesman being shot.

16 Q If you will look at page, it really is page 4 of
17 this compilation, although it is not numbered.

18 MR. PRECUP: One of the contract pages, Mr. Oliver?

19 MR. OLIVER: Yes.

20 MR. PRECUP: There is no number at the top. How do
21 we identify it?

22 THE WITNESS: It's different from yours.

23 MR. OLIVER: It is. It is the page which begins,
24 in the typewritten text, "Lectures will remain the full two
25 weeks."

2 BY MR. OLIVER:

3 Q It indicates in there that, in the last paragraph,
4 that it is understood that a seminar will be conducted in a
5 climate of potential guerrilla and terrorist attacks in urban
6 areas, and the nearby countryside.

7 Did anyone in the State Department raise a question
8 about whether or not it was they should be contracting for
9 seminars to be held in an area that had been identified as
10 dangerous?

11 A I don't know.

12 Q Who negotiated this contract with the State
13 Department?

14 A I believe Mr. Gomez did.

15 Q You did not participate in the negotiations of this
16 contract?

17 A I don't recall what my exact participation was, I
18 am sure I had some, but I don't--

19 Q Did you sign it?

20 A I think I have given you the substance of my
21 recollection.

22 Q Did you sign the contract? I must say that the
23 signatures apparently are missing, or have been cut off.

24 MR. PRECUP: I think that is a purchase order.

25 MR. OLIVER: Purchase order.

6 Mr. Richard Miller's name appears, and his phone number
7 appears there, as attention and phone related to this
8 purchase order. And I don't believe that Mr. Gomez's name
9 appears anywhere in this document.

10 But you don't remember negotiating the contract,
11 and your belief and recollection is that Mr. Gomez was
12 involved, is that correct?

13 A That's correct.

14 Q Has the Foreign Service Institute requested that
15 you repay the amount of funds that you received for this
16 purchase order, on the grounds that these services were not
17 performed?

18 A We have not received such a request.

19 Q Do you know whether or not such a request has been
20 made?

21 A I have no idea.

BY MR. OLIVER:

Q This is the text of a memorandum from Mary Norman--
from Frank Gardner to Mary, Mary Norman, an intern at the
State Department, a memorandum relating to the contract that
IBC had with the State Department in fiscal year 1985. And
it indicates the need for--or a request for an emergency
payment of \$12,858 to International Business Communications,
in response to its bill dated 4-11-85.

Do you remember requesting an emergency payment in
April of 1985 for IBC.

MR. PRECUP: Before the witness answers, Mr.
Oliver, I note the somewhat unusual formulation of this
document, it says "Text of Memorandum" and it appears from
that to me that may perhaps be a transcription, and not the
memorandum itself.

MR. OLIVER: That is correct. It is a transcrip-
tion, because we were unable to obtain clearance for the full
document at that time. But I aver that this is a correct and
accurate reconstruction of the text of the memorandum.

MR. PRECUP: Well, your question was not to the

MR. OLIVER: My question is not to the memorandum,

1 because I am sure that Mr. Miller has probably never seen
2 this memorandum before, but I wanted to show him the document
3 from which I was going to ask the question, so that he would
4 understand why I am asking this question.

5 BY MR. OLIVER:

6 Q And my question is, do you remember requesting an
7 emergency payment in April of 1985?

8 A I don't think I have ever requested an emergency
9 payment.

10 Q Do you remember asking Colonel North to intervene
11 with the State Department on your behalf in the spring of
12 1985?

13 A I remember complaining to Colonel North that we
14 were continually paid much past the completion of our
15 assignments, and never at the outset, as agreed in the
16 contracts, and he indicated that he would see what he could
17 do.

18 Q Did he ever report to you that he had done anything
19 on your behalf, in that regard?

20 A I don't remember him reporting that to me.

21 I would point out that the bill date is probably 11
22 days after the completion of a three month purchase order.

23 Actually, and that is a payment under the State
24 Department contract of 90 some thousand dollars. And I think
25 it was already late.

3 MR. OLIVER: I have one further--one or two further
4 questions relating to a question I asked you earlier, if I
5 can find the document that I had referred to, so I will
6 attempt to find that document, and turn the deposition over
7 to Mr. FLYNN and Mr. [REDACTED]

8 MR. FLYNN: I would like to call your attention,
9 please, Mr. Miller, to Exhibit 29, page 10 of that exhibit,
10 and the section that deals with the Calero progress text, and
11 also within that paragraph there is just a notation of
12 Calero, \$20,000.

13 Disregarding the \$20,000, is it fair to say that
14 you received approximately \$19,000 from Adolfo Calero?

15 THE WITNESS: I believe that is correct.

16 MR. FLYNN: And does that include the \$10,00 he
17 reimbursed you for the money you expended have the wounded
18 young girl transferred to the United States?

19 THE WITNESS: I believe that is correct, also.

20 MR. FLYNN: Did Oliver North give you any traveler's
21 checks, at all?

22 THE WITNESS: I don't recall receiving traveler's
23 checks from Colonel North, and as a I have testified earlier,
24 I was in a hotel room once when there was an exchange of a
25 large amount of traveler's checks, of which I was the

1 beneficiary of some of them, but I don't recall receiving
2 traveler's checks from Colonel North.

3 MR. FLYNN: Who else was there when the traveler's
4 checks were transferred?

5 THE WITNESS: Adolfo Calero, Oliver North and
6 myself.

7 MR. FLYNN: Was it at this time that Calero gave
8 any checks to North, do you recall?

9 THE WITNESS: Yes. Well, I am not sure who gave
10 whom to whom, but I know there was an exchange of a large
11 number of traveler's checks, and I remember I received some,
12 as well.

13 MR. FLYNN: From Calero?

14 THE WITNESS: From whomever was disbursing them,
15 but I think it was Calero giving Oliver North traveler's
16 checks, but I am not positive of that.

17 MR. FLYNN: And you said you don't recall whether
18 North had given you any checks at that time, or any other
19 times?

20 THE WITNESS: I don't recall getting traveler's
21 checks from Colonel North.

22 MR. FLYNN: Thank you. I have no further questions,
23 Mr. Miller.

24 MR. OLIVER: I would like to ask the reporter to

(The document referred to was

THE WITNESS: Yes, I have.

 people.

Q If you will look at the next to last page of that
 group of documents, or the third from the last page, sorry,
 there is a form from your company with an employee name
 there, could you tell me what that name is?

A This is Christina, I am really going to insult her,
 because I can't remember her last name. Its is G-U-L-L-E-I,
 or Y.

Q What did she do for IBC?

A She did primarily the data entry for the computer

 tions, and other duties as assigned.

Q Did she work in your offices?

4 A All the employees that worked on the distribution

6 Department.

7 Q Do you know whether or not she knew Colonel North?

8 A I don't believe so.

9 MR. OLIVER: Thank you, Mr. Miller, I have no
10 further questions.

11 THE WITNESS: Thank you.

12 MR. OLIVER: Mr. Buck?

13 MR. BUCK: Mr. Miller, I just have a few--

14 MR. PRECUP: I am sorry, Mr. Buck, please go ahead.

15 MR. BUCK: Mr. Miller, I just have a few questions.

16 Yesterday you mentioned a group in the military
17 from the Sandinista Government that dressed like the Freedom
18 Fighters were dressed, and then committed certain acts, and
19 had those acts publicized.

20 I was wondering whether you could expand a little
21 bit on your knowledge of those events?

22 THE WITNESS: There was a report by one of the
23 Central defectors, and I can't remember whether it was [REDACTED]

24 [REDACTED] or whether it was one of the others; but that the

25 State Security apparatus employed a group of individuals who

UNCLASSIFIED

hws668

668

1 would dress as Contras, and go out and commit atrocities.

2 Then State Security would seek to publicize them.

3 Also, Wesley Smith picked up in his investigations
4 similar allegations by refugees, and the much publicized
5 Newsweek series of photographs of an execution, where
6 pictures of men carrying M-16's, which the Freedom Fighters
7 don't carry, wearing clean blue workshirts, which are kind of
8 hard to have after you have been out in the jungle for six to
9 eight weeks, it is a little tough to have them cleaned and
10 pressed. And they were wearing the wrong kind of boots, and
11 from that the leaders of the Resistance had supposed that
12 that series was actually photographs of one of those units.

13 There have also been confirmed reports of people
14 entering the ranks of the Freedom Fighters, as a purposeful
15 infiltration by the State Security forces, and these in-
16 filtrators are sometimes guilty of these activities.

17 MR. BUCK: You mentioned that the State attempts to
18 publicize these activities. Where are these activities
19 publicized?

20 THE WITNESS: Well, primarily through the CP--or
21 the Sandinista Committee for the Protection of Human Rights,
22 and I am not sure I have the title exactly right, there was--
23 there is the CPDH. which is the Committee for the Protection
24 of Human Rights, which was the Committee that publicized the
25 SOMOSA atrocities, and the one that Senator Kennedy and

UNCLASSIFIED

UNCLASSIFIED

hws669

669

1 others here on the Hill used to help bring down Somosa. And
 2 when that Government began to publicize the atrocities by the
 3 Sandinista Government, they decided to open their own opera-
 4 tion, they did. Some of the principal leaders of that
 5 organization have since defected to the United States,

6 [REDACTED]
 7 And what the Sandinistas did was, through these
 8 trumped up instances, or through actual fabrication by the
 9 State Security forces, produced reports that were critical of
 10 the Contras, and accused them of atrocities. This was
 11 reported largely by America's Watch, and by the Washington
 12 Office on Latin America, who has issued two highly critical
 13 reports, the first of which was sponsored by the law firm
 14 that represents the Nicaraguan Government, Reichler and
 15 Applebaum, the two investigators who did the investigation of
 16 the atrocities, Reed Brody, and a journalist named Bolden, I
 17 believe his last name is, both were provided free transporta-
 18 tion, staff, offices, housing and cash by the Sandinista
 19 Government, the official human rights organization.

20 And one of the defectors has since testified in
 21 public that the individual responsible for setting up the
 22 interviews was a member of the State Security apparatus. And
 23 that is how they publicize them.

24 MR. BUCK: Do you have any knowledge, information,
 25 sensitive information, from this Committee, which has been

1 leaked from this Committee?

2 THE WITNESS: Leaks are kind of tough to have
3 direct knowledge of. I would say that aside from some
4 newspaper accounts of meetings that have not yet been
5 transcribed, I don't--I can't specifically point to any leaks.

6 MR. BUCK: But you have knowledge of some stories
7 that haven't been published yet, that have leaked from this
8 Committee?

9 MR. PRECUP: No, You misunderstood.

10 THE WITNESS: No, the testimony that was given in
11 private, that appeared in the newspapers before the tran-
12 scripts were shown to us, or released by the Committee, such
13 as The Washington Post article about the Worlds Affairs
14 Counsellor's account. But I can't attribute them to any
15 individual, or to the Committee directly. I don't--I am not
16 sure where the leak came from.

17 MR. BUCK: Okay.

18 Mr. Miller, I would like to mark the following two
19 documents as Miller Deposition Exhibit Number 38 and 38-A,
20 which I will supply copies to anybody that needs them, as
21 soon as this deposition is over.

(The documents referred to
were marked for identification
as Miller Deposition Exhibit
Nos. 38 and 39-A.)

1 MR. BUCK: Do you recognize these documents, Mr.
2 Miller?

3 THE WITNESS: Yes, this is the report that we had
4 discussed earlier, prepared for Mr. Channell, and it is a
5 number draft from my office.

6 MR. BUCK: Okay. For the record, Mr. Precup, I
7 would just like to state how I received those documents, and
8 if you would verify that, I would appreciate it.

9 After a deposition recently, in which these
10 documents were mentioned, I placed a telephone call to you, I
11 believe in the middle of last week, requested those documents
12 from you, and you agreed to produce those documents to avoid
13 a subpoena, and we certainly had the opportunity to subpoena
14 if we need to, and you produced those documents to me late
15 last week, with no stipulations or conditions, or anything
16 else attached to those documents, is that accurate?

17 MR. PRECUP: Well, the only correction, or addition
18 really to what you said, because what you said is generally
19 accurate, is that I did report to you that, when you asked me
20 about it, that I had not heard of the documents, and that I
21 would check with my client, and I subsequently did that.
22 That is correct.

23 MR. BUCK: All right.

24 Mr. Miller, could you explain a little bit about
25 the sources through which, which are in those documents,

UNCLASSIFIED

hwa672

UNCLASSIFIED

672

1 those materials--

2 THE WITNESS: Most of the materials are materials
3 we received by requesting them by mail, or they were given to
4 us by individuals who are members of policy organizations in
5 Washington, and some of them we got from data bases in the
6 available by computer linkup, and we requested on a couple of
7 occasions, Internal Revenue Service filings, which are public
8 documents.

9 There are about four more inches than what you have
10 got here of computer printouts from our data bases, of the
11 grant procedures, and the different organizational structures
12 that are discussed in the White Paper itself. And I did not
13 retain a copy of those, those were given to Mr. Channell, and
14 I am sure they are retained in his offices, or at least I
15 think they are, so.

16 MR. BUCK: Would you discuss, just briefly, some of
17 the accusations, some of the highlights, I guess, of the
18 document that is before you?

19 THE WITNESS: Well, I will do that, but only if I
20 am allowed to point out that this is a draft of a White Paper
21 I supplied to Mr. Channell, it also was accompanied by a
22 letter, which indicated to him that while we were confident
23 of our sources, we expected that he would supply this to
24 legal counsel, so that they could review it, and I don't know
25 whether he followed through on that or not, but we certainly

UNCLASSIFIED

673

hws673

1 have not provided it to anybody but Mr. Channell, for that
2 purpose.

3 The report is a general description of the organiza-
4 tions working through the Communist Party of the United
5 States, and foreign governments, including the State ap-
6 paratuses of the KGBB, and Cuban Intelligence, to develop a
7 network of supportive organizations in the United States, and
8 how those organizations have formed political affiliations
9 with elected officials and public policy groups, and finally,
10 how those public policy groups have been involved in lobbying
11 activities on behalf of the Nicaraguan Government, the
12 Sandinista Party, the El Salvador radical left, and El
13 Salvador guerrilla movements, as well as international
14 Socialism and Socialistic causes. Socialist causes, I should
15 say.

16 MR. BUCK: You mentioned lobbying, Mr. Miller, are
17 the lobbyists, to your knowledge, registered as lobbyists?

18 THE WITNESS: Actually, one of the things we did in
19 redoing this report was to the offices here on the Hill for
20 both the Senate and House of Representatives, and we found
21 none of the organizations which issued lobbying reports to
22 their members and planning committees, registered as lob-
23 byists, and in some cases they were tax exempt organizations.
24 Those issuing reports about lobbying were tax exempt organiza-
25 tions, and in some cases 501(c)(3) and 501(c)(6), and nines,

1990

1 and so forth. But none of them, I think, save one, was
2 registered as a lobbyist.

3 MR. BUCK: You mentioned active measures in the
4 report, Mr. Miller, could you explain that, just a little bit?

5 THE WITNESS: I haven't seen this in some time, so
6 I will try and do it as best from memory as possible. The
7 KGB has a Department of Active Measures, which is involved in
8 black propaganda misinformation efforts, and those are
9 efforts designed to influence and manipulate foreign media,
10 and political organizations, and they are generally carried
11 out using things like forgeries of documents, as we saw with
12 the AIDS scare, that was a document that was distributed by
13 the KGB in Africa, and has since been publicized by the U. S.
14 news media.

15 And false reports about activities in places like
16 Latin South America, which were then replayed in news
17 organizations controlled by Communist Party organizations,
18 and therefore then getting replayed in legitimate news
19 organizations.

20 MR. BUCK: I have no further questions.

21 MR. OLIVER: I wonder if we could take a five
22 minute recess, as others of us have not seen those documents,
23 and they have been discussed, and I did not know until they
24 were produced by Mr. Buck, that they were in the possession
25 of the Committee, and I regret that they were not shared with

hws675

675

UNCLASSIFIED

1 us at an earlier time, since they were a subject of this
 2 deposition, but I would like to take a recess in order to
 3 examine those documents, to determine whether I have any
 4 further questions relating to them.

5 So could we take a five minute break?

6 (Short recess.)

7 BY MR. OLIVER:

8 Q Mr. Miller, did you do the research on this
 9 document?

10 A I had two people in my office doing the research,
 11 and we also used computer data bases, to do the research. In
 12 fact, most of the research was done by the computer data
 13 bases.

14 Q There are contained in this document the Sylaws of
 15 the Christic Institute.

16 A Uh-huh.

17 Q And some documents relating to them. Are you the
 18 object of a lawsuit by the Christic Institute?

19 A No.

20 Q Have you been named in the lawsuit--

21 A Not to my knowledge.

22 Q --by the Christic Institute?

23 A Not to my knowledge.

24 Q There is also in here a letter from Senator John

25 Carey to Ambassador Bob White. Where did you obtain that

1 letter?

2 A I would like to look at it before I answer that
3 question.

4 MR. OLIVER: We will go off the record for just a
5 minute.

6 (Discussion off the record.)

7 MR. OLIVER: Back on the record.

8 Mr. Miller, I have asked you to examine a letter
9 that is contained in that document from Senator John Carey to
10 Ambassador Bob White, and my question was where did you
11 obtain that letter.

12 THE WITNESS: I am not exactly sure, but I believe
13 this is the portion of a fundraising document, which is
14 attached, which was sent to someone who provided a copy of it
15 to me, and I think there are several pages here, including a
16 fundraising letter from Robert White, referencing the letter
17 from Senator Carey, so someone who received this in the mail
18 gave us a copy of it.

19 BY MR. OLIVER:

20 Q Who was that person?

21 A I am not sure. One of people that was contacted by
22 my research people.

23 MR. OLIVER: I have no further questions, thank you.

24 MR. BUCK: That is all I have.

25 Mr. Fryman is the witness excused?

Re: Transcript

Dear Jaimie:

I return herewith the transcript of the tape recording which you loaned to us last week. Also enclosed is a list indicating to the best of the indicator's recollection who spoke what paragraphs. The indications are by initials, but since you know the attendees, you should have no trouble figuring them out. If you need help, give me a call.

Very truly yours,

Chapter 4, Test 1-c

It's the largest best organized and most effective and it's the one that has the U.S. support for the longest period of time.

036920

We're helping them now to coordinate their Washington activities.

We've established an office for them. We've found people to do their congressional affairs for them on a gratis basis.

We're doing the media coordination for them and also the coordination of meetings as the circle goes out beyond just media & Congressional relations. Now into fund raising & administrative & Logistical things.

Who pays?

They do. And it's precious money to them when they're late on expenses as difficult as it may be you have to remind yourself that somebody died down there today. You can't really get mad.

Once they've left the country like that aren't they totally dependent on donations of one kind or another?

No, they really haven't left the country. the in a power

Which is disputed territory

They go on missions that last 6 to 9 months.

Several of the fighters impressed upon me how much more comfortable they are in the field fighting. They said they eat better, they sleep better. Their with their people. They're being given food & intelligence and a place to sleep and so on. they actually prefer to be in the field to the camp.

Although they have to go back to the camp for orientation, for instruction for R & R.

Do these people all have radios, so they know what's going on.

There are [redacted] regional commands with from anywhere [redacted] [redacted] 036921
men. Each of those commands is in radio contact with headquarters.

Is that command moving too?

Yes. They're moving also.

We figure now as many as [redacted] young men, and in some cases, older men, across the border, inside Nicaragua, waiting to come over, but there aren't weapons and boots for them.

The main thing I wanted to find out is what his needs really are, how his weapons are.

The second point is that the people in the camps are primarily there for R & R and for re-supply. the war is not a sec-piece battle. It is an insurgency. And, in fact, they have about [redacted] insurgents whereas the Sandanistas, when they won, only had about 3,500.

So even though they're so out-gunned, in terms of technology and weapon [redacted] in a country of 2.5 million is a hell of a big insurgency.

The [redacted] can tie up a 100,000 man army.

The Nicaraguan army is 100,000. There are nearly as many Cubans in Nicaragua as there are freedom fighters.

They need the Cubans and their tanks to keep their own people around.

If freedom is alive and well in Nicaragua, they don't need 100,000 people to try to snuff out [redacted] guerillas. Originally, during the opposition to Somoya, the people did have shotguns and pistols. Because the struggle against Somoya had been going on for several years, as a matter of fact, at the time Costa Rica was a conduit for arms to the Sandanista forces and o provide the popular uprising and that is eventually what happened.

So the people are armed. In view of this, the Sandanistas have even cleared the militia, which is part of that 100,000 men under arms. And they're not fearful of providing arms to people, but they keep them under control through various surveillance techniques, such as what Cubans call Sandanista Defense Committee Block Committees.

Anybody who even begins to look like they're getting out of line is informed upon. 38922

And that's a tough apparatus to fight today in Nicaragua.

But, we have been in touch, because of our experience, with the entire range of the armed and the political opposition to the Contras and when Rich was talking about the [redacted] arms, he's not referring to the Mosquitas. There's 2 Mosquito groups. There's the Misura Brooklyn Rivera and Steadman Fagoth and Misurasaca and then there is Misurasaca, which is a combination of Sumu, Rama and [redacted] Indians which has about another [redacted] men under arms, plus the [redacted] under ARDE, the thing that grew out of it, which is the Democratic Revolutionary Alliance, which has many arms right now, about [redacted]. But I was in [redacted] in March, and there was one guerilla leader who told me they had [redacted] ready to fight, but they needed communications, books, weapons and leadership. They're ready to fight, but they needed communications. We sent down a military expert to judge the viability. So that when he came back, he could be part of the Congressional debate. Because one of the disinformation pieces they used against the freedom fighters is that they're not militarily viable.

So we sent him down to look at it. He's a former Colonel in the Canadian Air Force. And he's a professor of International Relations at Boston University. He flew in Vietnam. His name is Yorkhamstra. A real dynamic fellow.

But when he was down there, in fact NBC got it on film, they send an 800 man force against a 2,000 man contingent of artillery and infantry and routed them. They were getting ready to attack the camps. They took 13 casualties. 3 died. They killed 280. And routed the force entirely.

They took 180 AK47s. They took mortars, hand grenades.

See, what happens is, they get a lot of these weapons back. And they don't have ammunition for them. They get AK47s and they don't have the ammunition for them.

What they do with their young recruits is they give them an old Spanish ball rifle, the FAL, the (old) bolt action, roll o one rifle, and his job is to go out with his rifle, and after he's had his training - you know they do give them training.

They give them formation training and they give them live ammunition. It's very professionally done.

And his job is to come back with his FAL and an AK47.

And they all do it.

And then they turn their FALs back in. It goes to the next recruit.

It's like the gun we made in World War II for \$2.50. It would shoot just one time. You use that to get a real gun. We dropped them by air in France.

The best I can tell, a shotgun is the best thing to use in jungle warfare.

On a very rapid fire machine gun. That's why the AK47s and the M16s are the best weapons.

The M16 fires a 22.5 caliber bullet.

I bet I could get 10,000 people to give their old shotgun to this.

Only one problem. You can't export guns for military use from the U.S.

One reason Rich and I almost feel excited about this _____, is because, on March 1, for the first time, the various opposition forces got together. They signed a document.

They've come to the realization that the opposition to the Sandanistas now is as broad, if not broader, than that which was there for Somoya.

The Miami Herald has turned around. The Washington Post has turned around.

Frank and I set up the editorial board for Arturo Cruz and Alfonso Robello and we went over and it came out about the San Jose document in the headline of the lead editorial was "A Fair Offer to the Sandanistas."

\$28 million is totally inadequate. (Alfonso Robello says) \$14 million is doubly totally inadequate. A Hind helicopter costs well over \$23 million and there's 12 of them and they're coming.

Its a big lie.

They're playing a psychological war against the Sandanistas.

The more sophisticated of the shoulder-held missiles, the red-eyes.

There's 2 different kinds. One that's a little less expensive and there's one that's \$8,000. It can take it out.

And there was a scare about 3 1/2 weeks ago. They called in the crews.

Texans are the most patriotic.

There really hasn't been a vehicle, almost before tonight, for a direct mechanism to them. Because it's been such delicate territory that nobody's really worked out the details on it.

I don't think that anybody who's sat with somebody at a cable like this yet, it's going right there. It's buying these rounds. And its buying that missile. It's buying that boot.

Yes, this is the first.

They have lost a large portion, just because they've had to go through middle men.

There's nothing I hate worse than getting screwed. I'm scared to death any money I give to this thing is going to end up in somebodys pocket.

There isn't one dime that isn't going right into Adolfo Calero's hands. Not one dime.

I have known Adolfo Calero for roughly 2 years going on 3 years. He was jailed by the Sandnistas. He lead strikes against Somoya. He encouraged his own employees to go out on strike against Somoya.

Adolfo Calero was jailed by Somoya. But Adolfo Calero is a conservative.

Cruz is a social Democrat. He believes in a free economy but he believes in government support for a free economy which will never work. I used to work at AID and I've seen these kind.

But the point is that the entire spectrum now is in opposition to the Sandanistas. The entire spectrum.

They jailed 114 Social Christians a month ago. It caused them incredible harm here in Washington.

But Adolfo Calero is a conservative. He never gave in. He never gave in to the temptation of trying to negotiate with the Sandanistas.

After the elections, after the plans for the revolution, the state of Nicaragua, tell January, 1983, 2½ years after the time for revolution, he came to Washington to lobby for aid to the Sandanista government.

Since then I have seen him on countless occasions, he has been so tired from working on behalf of his men and this cause.

As long as we stay on top, as long as we stay in the offensive position, they will be on the way out.

those guys are down there. They've got 2,000 Soviets. They've got 6,000 Cubans. There's 2,000 _____.

It's not a set piece battle. The thing that has changed the equation are the Russian tanks, the Russian artillery and the Russian Hind helicopters.

How long do your boots last? Maximum 3 months. Why is that?

The humid. It's wet. And because they do a lot of walking. They're not riding in trucks. there are no trucks. They walk. And over pretty rough terrain.

They have done a pretty good job of getting their wounded cared for. Because, psychologically, you've got to have that.

These are Soviet-made land mines. They have been uncovered by the guerrillas, disarmed, and brought back to camp. And they're going to re-arm them and place them again against the Sandanistas.

They don't even have their own mines.

That's similar to a claymore.

When I was there, I asked why there were so many men in the camp.

I want to know how many men you have here.

He said, "5,000."

I said, "How many do you have in the field?"

"Some for medical care; some for R & R; some to be re-supplied, refitted

But most of them because we don't have even a pack for them to carry their ammunition

They don't have boots.

What's happened is, the Sandanistas started their drive for military conscription. And they thought they would get support.

Instead, they got insurrection. In several of the major cities. Major insurrections. Coordinated insurrections.

And these boys came across the border. And their mothers and fathers sent them. They said, "If you're going to fight, fight for the side that will give you a choice. And that's why they fight."

That boy could have gone to Costa Rica. But they sent him to Honduras to fight instead.

He could have gone to Costa Rica and just cooled out. They sent him to Honduras to fight.

the reality is we're on the side of the angels with all this.

The miracle that I know about is that these people that we were just talking about have the highest morale. It brings tears to your eyes to see these people.

Having survived and even grown since last May when the aid was cut off.

And they are having to tell people, "I'm sorry you cannot join us. you cannot fight, because we cannot give you a weapon to fight with. We cannot give you boots so that you can go fight."

I understand there are a bunch of Americans down there.

Yes, but they're volunteer trainers. They're just doing training. They're in and out.

There are no Americans.

But you don't need them.

A [redacted] man insurgency against 40,000 full time rank and file military. 60,000 are militia. So [redacted] It's the technology that's throwing the whole thing out of kilter.

It's technology of Hind helicopters, Soviet tanks and the Soviet rapid fire assault rifles that everybody on the other side has. That's what's throwing it out.

If they had enough ammunition for the AK47s and they had enough red eyes to strategically place themselves.

How can you get the red eyes? Are they readily available?

Yeah.

They're getting arms on the international market. From everybody.

[redacted]
But by the time you go through 2 or 3 wholesalers, aren't you paying 10 times the price?

They pay very carefully. They've got pretty good credit right now with the wholesalers. But it doesn't extend far enough to get the AK47 rounds they need on the red eye missiles.

I would think they would be the first ones to start manufacturing AK47s

No but they get them from [redacted] They can get the rifles, but they can't carry off the ammunition to supply the rifles.

I'm not sure people need automatic weapons.

The insurgency has to live off the commodities available through success.

We can get you a briefing on exactly what their military needs are.

Calero wants those red eye missiles. He wants boots. He wants back packs. He wants AK47 rounds which you can get on the international market. He wants communications equipment.

But \$14 million could be spent in 2 months without batting an eye.

Reagan ought to forget the \$14 million and start asking for a whole lot more.

The \$14 million has already been appropriated by Congress. And it can be released under certain conditions stipulated by the Congress. So that's what we're stuck with.

The only reason they've succeeded so far is because of people like yourself who have provided the material support for them to keep going. And it's not just Americans.

There are [REDACTED] There are Central Americans who are backing this effort.

The [REDACTED] have been backing this. Until it began to look like the United States might not really bother at the right time when they needed them.

Vice President Bush went to Honduras 2 weeks ago on his way back from Brazil where he attended the inauguration of the new president.

[REDACTED]

The [REDACTED] had the same kind of issues. They're going to go with the winner. And yet they're hearing multiple voices out of this country. Not this administration, but this country.

They're hearing the President saying that these are Freedom Fighters, that they're our brothers and so on.

UNCLASSIFIED

And they're hearing someone like Michael Barnes in the Congress saying,

now wait. We're not out to topple governments.

It boils down to that.

The military aid, its surprising, boils down to back packs and boots.

You'd think weapons would be the most important thing on the list.

If you were about to set out anywhere from 3 to 9 months walking deep into territory, jungle, roads, mountains, rain, and so on, and you knew that you were going to gone for a long time, you would want to have a good pair of shoes, wouldn't you?

Do they have much trouble with disease in that area?

They do all right.

We were going to rendezvous with some reporters who were coming to look at the bases and son.

I had to travel with Calero and a couple of the members of the directorate of the FDN plus a Mosquito fighter who had been in training there and a few others.

And we loaded up in the two vehicles.

Where were you? In Nicaragua.

Yes, in the disputed territory in Nicaragua.

And, by the way, they control an enormous amount of territory there.

They are supreme there. You drive down the road and you're out of the base camp and you've been going on the road for a half an hour and you see these guys walking along the road, and they're Contra. And you wave to them.

These guys look good.

In any case, we're going up these mountain roads and I am just about fit to be tied. Because, in a jeep, 4 wheel drive, with about 6 people, even though it's a mountain road, you feel that you ought to be able to at least go pretty well forward, right?

We were going like this.

Over the side, heavy of a load and I was on the side and I was looking

down there and it's about 800 feet straight down.

Jungle.

Temperature. It's warm maybe 75-80 degrees.

This is in good weather, this is dry season. But it rains a little bit and the roads are pretty bad.

In fact, some strategist think the best thing we could do for those people would be to get them a bulldozer so they could help maintain those roads.

In any case, we were going like this, and I literally six inches from going over. Six inches. Somebody was with us.

We stopped and I got out. And I looked at the tires on that jeep. It was a Toyota. And they were literally bald. Nothing there.

And that's what they're surviving with.

And I said, "why haven't you got tires?"

And they said, "Because back packs and boots are more important than tires."

We sent Nightline's crew there and they did a very positive story. We worked very hard with them to make sure we had journalists were sympathetic. And I got this call from this producer when she came back.

I said, "How was it?"

She said, "It was fine. Except the part where we were going down the hill sideways."

They were in the same jeep that he was in. They hadn't changed the tires yet because they didn't have money to change them.

There is an entire group right now of Nicaraguan exiles who've been involved in the fighting themselves. One guy who's involved is setting up the anti-Pope demonstrations where they spit on the Pope and all that stuff. And we have these guys, in Washington, and in other areas, right now, sitting on their hands.

Can you imagine what the reaction would be if the people in Jim Wright's district knew what they did to the Pope down there?

How about the Baptists they hand-grenaded? We have some of those.

We have some Evangelicals who were hand-grenaded.

Let's show those on the tape.

We have been waiting for literally months. We have these people sitting,

waiting, ready to go. And they could have been going earlier, but a couple people got cold feet about spending money for them to go out and do these things.

And it's a shame. Because they could have had major impact on the debate. Particularly back in the home districts of these Congressmen and Senators that we're voting for. C H J36931

The beauty this time is that we are on the side of the insurgency which is the first time, except Afghanistan, but we can't get close enough to see it.

But we are on the side of the insurgency.

And if we can continue, as we've been working so hard to do, to turn the media around, they will start to romanticise about these guys who are the Democratic guerillas.

We going to call it the Shotgun Drive. And we're going to get Remington to put up the ammo. Dupont owns Remington.

We're going to start on CBS. We're not even going to involve the electron media until we get support or we have about 3 semis going north on Tobacco Road out of North Carolina full.

And they keep calling on another semi.

"We got an empty semi out there? Somebody got an 18-wheeler empty can come on down and help liberate Central America?"

But the organization who was in charge of putting it together utilized a Sandanista office in Managua to put together the report.

And we brought up this guy for a news conference and we had it last week and Time and Newsweek and AP and everybody reported on it. You look at Time magazine. This week's Times you'll see a little thing about a PR firm. That's us.

The point here is this U.S. Congressman stood up with people. He couldn't

be that naive. He had to know who these people were.

He stood up with them. He had a news conference with them. And he sponsored their report. Which was clearly bought and paid for by a communist government in Managua.

Now that will scare the hell out of people.

The guy that did that Human Rights Study is a member of the National Lawyers Guild, which is a Communist front. C H J36932

It's paid for by the Soviet Union. Literally.

I don't see how anybody in this country could rationally be a Communist.

There are rational Communists.

The reality is that they profess views which are very left. Socialists. And yet they're very willing to accept a Communist government.

ron Dellums was a perfect example. He knew exactly what was going on in Grenada. It was fine with him.

The reality is you have the right to be concerned and you have the duty to be suspicious.

Because anybody you'd elect to that position and would even do it out of naivete, shouldn't be there.

They shouldn't be there.

Calero was so tired, he couldn't even keep his eyes open when we were speaking with him on some very important issues.

What I mean to imply by describing him in that way is that this man is committed. He does not have to undergo what he is undergoing now.

One, if he did not believe in it. Or two, if he were using what resources he is receiving for personal gain.

He would not suffer that much.

We're going to see to it that man doesn't have to come up here and beg anymore to be able to fight for freedom.

That's what we're going to do with you is

Where is his family? In Miami.

They're scared in Miami, frankly.

"Everytime we call there, we get a call from somebody else said "why did you call?"

It's a very difficulty mentality.

Well, Alfonse Robello, one of the 3 guys who met with Reagan, was hand grenaded in San Jose in November. He heard a crash. He was driving a little Renault. He was with his fiancé. He heard a crash. Renault. He was with his fiancé. He stopped the car. Put it in neutral. Opened the door and turned around like that and the grenade went off.

And it blew out both his eardrums and peppered him. Blew out his fiancé's back.

C H U36933

Talk about terrorism.

They have had two attempts on Alfonse Robello. Two attempts on Eden Pastore. Two attempts on Anturo Cruz. And nobody has every tried to kill Daniel Ortega.

Nobody has ever tried to kill Byardo Arsis.

If you really want to know who has a policy of systematic violence, look to the Sandanistas.

Starlite scope. You can see at nite. Good for hundreds of yards.

Made in Alabama.

This is Nicaraguans for Nicaragua. We have an indigenous, tiny force that grew up on its own accord, that matured of its own accord, and is only now.

The real reason we're here is a matter of personal conviction. There is nothing in it for us personally.

We are serving the larger and more mobile cause. That is the cause of freedom and democracy. Which we see threatened by the continuation of the Sandanist regime in Nicaragua.

It would be a shame if they won by default. If they won because they were willing to put in the money that gave them the technology to succend where

UNCLASSIFIED

where sheer numbers and sheer political force wouldn't. That's what's so disturbing to me about it.

What bothers me is what happens after they've won. Look at all these soldiers that have to go back to being peasant farmers.

Look at what's happened in Guatemala. Look at what happened in El Salvador.

The military held that news conference in El Salvador and they said, "We intend to back this government and the results from this election."

And that ended the argument.

C H 036934

Because heretofore they'd been the final arbitrator and here they were the preliminary arbitrator and they said, "This is fine," and that's the end of the argument.

And they put democracy on a sound footing in El Salvador.

And the same guys that are fighting now for the FDN, that's what they fought for, they're the same people who fought against Somoza! They were fighting for the same thing against Somoza that they're fighting for now. And it's democracy.

For me, the bottom line is, these are people who are willing to fight for their freedom and for democracy. So that we won't have to fight ourselves.

LULAC

People like Mario Obledo from the LULAC based in Texas, an Hispanic organization. Saw him on tv in Houston yesterday. He was going "Oh, no. we're heightening tensions and I'm afraid that our boys are going to have to go down there and fight."

Well, they damn well will fight unless we get behind the right side right now.

Between now and May 1, the red eye missiles could be the entire key.

Because if they succeed at this point in launching an offensive including tanks and the M124 helicopters into that region and go for the cans...

There's 2 different kinds of red eye missiles. There's one that's very unsophisticated which is just a direct shot missile. And then there's one that's able to take on the Hind because the Hind has major decoy devices, has heavy armament and it has these flus on the back of the exhausts from the jets - the expulsion from the engine - that mask the heat.

So you have to have the \$8,000 red eye to make it work.

They have flare system on the M124s and they drop the flares out.

For one thing, there's a trade off.

If you provide money for ammunition, the money they've set aside for ammunition can go to boots.

On the other hand, if you provide money for boots, what they've set aside for boots can go to ammunition.

Whatever you do in regard to that list (of Calero's needs), I think you can be proud of what service you provide for democracy. I think ultimately you can be proud to stand that day in Managua when there's a free country inaugurated down there.

I'd encourage you to participate now while you can still make a difference.

That'll make a lot of difference to a lot of huys down there. I'm serious about that.

UNCLASSIFIEDCONFIDENTIALCONGRESSIONAL/PUBLIC AFFAIRS/DIPLOMATIC ACTION PLAN● Goal:

- Congressional approval of aid to the Nicaraguan freedom fighters.

● Central Perceptions:

- Vote for U.S. aid to the freedom fighters is a vital national interest of the United States.
- U.S. history requires support to freedom fighters.
- U.S. troops will eventually be required if aid is not given now.
- Amount of aid is so miniscule that it hardly matters.
- FSLN are puppets of Soviets.
- Nicaragua will become a Soviet military base if not resisted.
- FSLN is racist and represses human rights.
- FSLN is involved in U.S. drug problem.
- FSLN linked to worldwide terrorism.
- FDN are freedom fighters.
- Failure to vote for U.S. aid to the freedom fighters must be seen as a political liability.

● Impediments:-- Situational:

- Deadline: Vote in mid-April 1985.
- Possible partisan response in House.
- Possible party-bolting in Senate.

- Lack of polling data regarding which themes will cause Americans to share the Administration's concerns regarding Central America (Soviet military build-up, Communist state on the continent, drugs?)
- Perceptual:
 - Speculation that U.S. actions violate international law.
 - Idea that U.S. actions preclude peaceful solutions in Central America.
 - Belief that aid to the freedom fighters hurts "the moderates in Nicaragua."
 - Idea that U.S. is "immoral" in supporting a covert action.
 - Idea that resistance cannot win.
- Assets:
 - The President and his electoral mandate.
 - Respected key Administration figures (Shultz, Weinberger, McFarlane, etc.)
 - Supportive private sector organizations.
 - Some supportive Congressmen.
 - Historical U.S. policies.
 - Afghan precedent.
 - Cuban/Soviet threat.

• Themes regarding Nicaraguan threat:

- Sandinista-led Nicaragua is becoming part of the Soviet empire.
 - Soviet military build-up/connection.
 - Unabated delivery of sophisticated offensive weapons.
 - Completion of Punta Prieta airbase allows surveillance of U.S. west coast naval bases. Base is large enough launch/recover all Soviet aircraft. Base threatens Panama Canal.
 - Soviets constructing a Cam Ranh Bay type facility at Bluefields on Atlantic coast (Congressional action resulted in loss of Cam Ranh Bay--same can happen with Bluefields).
- Nicaraguan drug connection--exporting to U.S.
- Sandinista human rights violations:
 - Press censorship
 - No right of assembly/freedom of speech
 - Forced military conscription
 - Persecution of religious groups
 - Facade of private sector economy
 - State-run unions
- Iranian/Libyan/PLO/Bulgarian/East German/North Korean connection with Sandinista government.
- Central American countries are fearful that U.S. will "back away" from supporting resistance and they will be consumed by their communist neighbor.

• Themes regarding freedom fighters:

- Nicaraguan resistance is fighting democracy's battle.
- FDN has offered to lay down arms if allowed to participate in a real democratic process.
- Central American democracies are supporting the resistance.

- ✓ -- Over 15,000 people from all walks of life have joined the Nicaraguan resistance forces. Includes all sectors of society: farmers, students, merchants, vendors, campesinos.
- ✓ -- FDN are the underdogs against over 120,000 Sandinistas supported by Soviets and Cubans. Leadership of FDN is not pro-Somoza. They call themselves "the Christian Guerrillas."
- Thousands are joining resistance despite lack of resources because it represents the ideals of the Nicaraguan people and the original goals of the revolution against Somoza.
- Insurgents can fight and win a "cheap" war, which is very expensive for Soviets to counter.
- ✓ -- Goal of U.S. support for the freedom fighters is to change Sandinista behavior. We have not advocated overthrowing the government.
- U.S. support for Contradora principals has not diminished--only way to achieve movement at negotiating table is through pressure. Without the resistance, there is no pressure on the Sandinistas.
- U.S. cannot afford to have the image of abandoning the cause of the freedom fighters. Same is true for Afghanistan, part of American tradition to support those struggling for freedom against tyranny.

Dear Ellen:

During 1985, the hope freedom and democracy in Nicaragua was kept alive with the help of the National Endowment for the Preservation of Liberty and fine Americans such as you. Because you cared, the spark of liberty still glows in the darkness of Nicaragua.

Without patriots like you, carrying out the President's policy of support for a democratic outcome in Nicaragua would have been even more difficult. Your efforts and those of the National Endowment for the Preservation of Liberty continue to play a crucial role in the democratic drama unfolding in Nicaragua. Your support has been essential to those who struggle against the tyranny and oppression of the totalitarian communist regime in Managua. You have given hope where there would otherwise be despair.

Last year was a challenging time for America and her President. But, we are headed in the right direction. Today, in all of Central America only Nicaragua is not a democracy. You can be proud that you have made a crucial contribution in helping our President in this vital endeavor. In the weeks ahead, we will commence a renewed effort to make our assistance to the Democratic Resistance Forces even more effective. Once again your support will be essential.

Dear Mrs. Lynch:

During 1985, the hope freedom and democracy in Nicaragua was kept alive with the help of the National Endowment for the Preservation of Liberty and fine Americans such as you. Because you cared, the spark of liberty still glows in the darkness of Nicaragua.

Without patriots like you, carrying out the President's policy of support for a democratic outcome in Nicaragua would have been even more difficult. Your efforts and those of the National Endowment for the Preservation of Liberty continue to play a crucial role in the democratic drama unfolding in Nicaragua. Your support has been essential to those who struggle against the tyranny and oppression of the totalitarian communist regime in Managua. You have given hope where there would otherwise be despair.

Last year was a challenging time for America and her President. But, we are headed in the right direction. Today, in all of Central America only Nicaragua is not a democracy. You can be proud that you have made a crucial contribution in helping our President in this vital endeavor. In the weeks ahead, we will commence a renewed effort to make our assistance to the Democratic Resistance Forces even more effective. Once again your support will be essential.

All my best for the New Year and God bless you.

Sincerely,

Oliver L. North

MEMORANDUM FOR MR. ROBERT C. MCFARLANE
THE WHITE HOUSE

SUBJECT: Request For Presidential Appointment For Barbara Newington

Mrs. Barbara Newington has given \$422,000 to programs designed to support the policies of Ronald Reagan. She has given contributions to the American Conservative Trust to buy air time for television ads supporting President Reagan's request for funds for the freedom fighters in Nicaragua, the Trust's get-out-the-vote ads in the 1984 election, pro-Reagan defense policy print ads and a special Presidential inaugural thank-you. She ~~also~~ provided the Nicaraguan Refugee Fund dinner with a sizable contribution. ~~She also provided the Nicaraguan Refugee Fund dinner with a sizable contribution.~~

Attached is a list of these contributions for your review.

The Department requests that Mrs. Newington have an opportunity to meet President Reagan. She is a very shy and retiring person who admires him very much. This lady is prepared to support the President at every turn and against all odds. The Department believes she has earned at least a five-minute photo opportunity.

She will be in the O/EOB on Tuesday, June 25, and the Department requests the time on the President's schedule then, or as a fallback, Thursday, June 27 (before 5:00 PM, if possible).

SELF-SOURCE JUSTIFICATION

S/LPD is tasked with the coordination of Latin American public diplomacy efforts. Some of the major components of this effort are as follows:

- An ability to respond to major media outlets and to inform the American public regarding current Administration policies and programs.
- A responsibility to present to American audiences, by way of public appearances, panel shows, and press conferences, those victims and eye witnesses from the region who can demonstrate the truth about communist-supported political and military oppression, human rights violations, and acts of terrorism.
- Formulation and maintenance of a basic kit for selected speakers to present declassified and unclassified material to a wide range of American audiences.
- The preparation and distribution of one-page briefs to address frequently stated criticism of U.S. policy in the region.
- Publication and distribution of documents involved with U.S. public diplomacy.

International Business Communications (IBC), with its staff of ten persons, is uniquely qualified to continue its work in this effort, such projects which are beyond the capabilities of the limited S/LPD staff to undertake. Some of the unique features of IBC are as follows:

- Full-staff language capacity in Spanish.
- In-depth files on Central American countries.
- Trust of Nicaraguan refugee groups.
- Expertise in direct mail and distribution of documents.

The senior partners of IBC are:

- Knowledge of how the American news media works.
- Insight into the design of public information strategies.

DEPARTMENT OF STATE

86 FEB 11 P3:10

Dear Ms. Berryhill:

Pursuant to International Business Communications' State Department contract, we have compiled the below listed information for your review.

Enclosure A lists calendar year annual salaries of principals, employees, and subcontractors. Enclosures B and C represent employee benefit expenses and indirect overhead costs for the period January 1 through December 31, 1986.

We have no audited fringe benefits or overhead rates and therefore are requesting your concurrence for a provisional billing rate of 7 percent for fringe benefit expenses and 73 percent for overhead costs for the coming year.

International Business Communications is using a \$.21 mileage reimbursement rate, \$25.00 per hour for computer time, \$.10 a copy cost rate and actual other travel costs.

Using a proposed annual salary, wage, leave and subcontract cost of \$147,428.00 (see contract proposal), we expect the contract to run approximately \$313,043.00, using a provisional billing rate of 7 percent for fringe benefit expenses and 73 percent for overhead costs for the coming year.

If you desire any further information, please let me know.

Very truly yours,

SUBJECT: Research Contract for Francis D. Gomez,
International Business Communications

Attached is a contract proposal submitted by Mr. Francis D. Gomez, Senior Associate, International Business Communications.

I would like to conclude a quick contract with Mr. Gomez to produce several articles for publications in major media outlets, a speaker's kit that will be used as the basis for all USG spokespersons, and a series of one-page briefs on a variety of topics. I would estimate a fair reimbursement for these services to be \$9,500.00. A sole source justification is attached.

Your usual prompt attention to this urgent matter will be most appreciated.

MEMORANDUM FOR: S/LPD - Matthew Freedman

FROM: Francis D. Gómez *fdg*

SUBJECT: Proposed Purchase Order for Personal Services

Per our discussion of today, there follows a draft understanding of the terms of a purchase order agreement:

It is hereby agreed that the Office of Latin American Public Diplomacy, Department of State, hereinafter to be known as S/LPD, will pay to Francis D. Gómez, hereinafter known as the Contractor, the sum of \$9,500 (nine thousand five hundred dollars) for personal services as specified below. The period for the provision of said services shall be February 14, 1984 to May 31, 1984.

DESCRIPTION OF SERVICES

The Contractor shall research, write and assemble information kits on U.S. policy in Central America for use by persons speaking on behalf of Administration policy in the region. The kits will be in the form of loose-leaf notebooks or binders with appropriate tabs designating the various topics presented. Included will be the following:

- 1) A brief overview statement of U.S. policy in the Central American region in general;
- 2) A series of one-page or two-page "talking points" summarizing U.S. policy and recent history in each of the five Central American nations (Guatemala, Honduras, El Salvador, Nicaragua, Costa Rica);
- 3) A compilation of the most frequent distorted or false allegations and criticisms of U.S. policy or events in the region, each of which is to be followed by a brief statement of facts or a statement of the Administration's position;
- 4) Additional supporting documentation such as chronologies, glossaries, sample speeches and other materials as may be deemed appropriate.

PREMISES OF PROJECT

The execution of this project is founded on the belief that the American public is ill-informed about the realities of Central America today. This lack of information extends to geographic proximity, recent political and economic developments, the policies of the Reagan Administration and the nature and level of U.S. assistance to the countries of the region. The erroneous public perceptions derive from 1) historic ignorance of the area; 2) inaccurate, distorted or insufficient media coverage; and 3) deliberate disinformation on the part of various entities with respect to U.S. interests and objectives.

The "talking points" and related materials in the information kits, therefore, must take into consideration the commonly held misperceptions about the region and American objectives therein. Preparation of the speaker kits will require analysis of media reporting, Op-Ed articles, letters to editors, letters to the White House and the Department of State and other sources of information about American public opinion. Responses to the most frequent criticisms will be gleaned from speeches, press conferences and Congressional testimony by Administration officials, as well as from consultation with appropriate individuals and other sources.

The project outlined herein requires expertise in Central American affairs, U.S. policy in Central America and the Caribbean Basin in general, American public opinion, the operations of American news media and the design of public information strategies. It also requires superior writing skills and the ability to interact with State Department and other officials at various levels. It requires care in the handling of sensitive documents and good judgment in compiling information for public consumption.

Information used in the notebooks will be organized and tabbed for ready reference and will be written in such a manner as to be useful to a broad range of official and unofficial speakers. Furthermore, it will be stored in easily retrievable and adaptable fashion in order that it can be updated and revised as needed.

CLEARANCES AND COORDINATION

The contractor shall work under the direction of S/LPD and shall obtain all necessary clearances from appropriate individuals and offices in the Department of State, among them, ARA/P, ARA/PPC, ARA/CEN and PA/OAP.

LOGISTICAL SUPPORT

S/LPD shall provide the contractor with a space in which to work and access to a word processor. S/LPD shall supply all materials and supplies necessary to the completion of the project.

UNCLASSIFIED

UNCLASSIFIEDSOLE SOURCE JUSTIFICATION

S/LPD has been tasked with the coordination of Latin American public diplomacy efforts for the US and foreign audiences. A key component of this effort is an ability to respond to major media outlets and inform the American public regarding current Administration policies and programs. Another important part of this effort is a basic speakers' kit, well researched with non-classified sources, that permits speakers on a variety of levels to speak before a wide range of audiences. A third element is drafting one page briefs that address frequently stated criticism of US policy in the region. These elements will provide the basis for a quick response capability.

Mr. Gomez has the exact qualifications to undertake these varied tasks. As a former deputy assistant secretary of state for public affairs and head of the Foreign Press Center, he has written about, traveled to, and has an intimate knowledge of the various audiences and leadership groups that S/LPD has targeted. Mr. Gomez has the ability to write "talking points", prepare the speaker kits, analyze media reporting and provide a product in a timely manner. The project requires expertise in Central American affairs, US policy in the region, American public opinion, the operations of American news media and the design of public information strategies. It also requires superior writing skills and the ability to interact with State Department and other officials at various senior levels. It requires care in the handling of sensitive documents and good judgment in compiling information for public consumption.

A firm deadline is May 31, 1984.

MEMORANDUM

TO: S/S-EX - Mr. Towhie

FROM: S/LPD - Johnathan S. Miller, Acting *JSM*

SUBJECT: Research Contract for Francis D. Gomez,
International Business Communications

Attached is a contract proposal submitted by Mr. Francis D. Gomez, Senior Associate, International Business Communications.

I would like to conclude a quick contract with Mr. Gomez to produce several articles for publications in major media outlets, a speaker's kit that will be used as the basis for all USG spokespersons, and a series of one-page briefs on a variety of topics. I would estimate a fair reimbursement for these services to be \$9,500.00. A sole source justification is attached.

Your usual prompt attention to this urgent matter will be most appreciated.

UNCLASSIFIEDSOLE SOURCE JUSTIFICATION

S/LPD has been tasked with the coordination of Latin American public diplomacy efforts for the US and foreign audiences. A key component of this effort is an ability to respond to major media outlets and inform the American public regarding current Administration policies and programs. Another important part of this effort is a basic speakers' kit, well researched with non-classified sources, that permits speakers on a variety of levels to speak before a wide range of audiences. A third element is drafting one page briefs that address frequently stated criticism of US policy in the region. These elements will provide the basis for a quick response capability.

Mr. Gomez has the exact qualifications to undertake these varied tasks. As a former deputy assistant secretary of state for public affairs and head of the Foreign Press Center, he has written about, traveled to, and has an intimate knowledge of the various audiences and leadership groups that S/LPD has targeted. Mr. Gomez has the ability to write "talking points", prepare the speaker kits, analyze media reporting and provide a product in a timely manner. The project requires expertise in Central American affairs, US policy in the region, American public opinion, the operations of American news media and the design of public information strategies. It also requires superior writing skills and the ability to interact with State Department and other officials at various senior levels. It requires care in the handling of sensitive documents and good judgment in compiling information for public consumption.

A firm deadline is May 31, 1984.

Mr. Gomez has provided unique services to this office. We believe that this third purchase order will continue to play a significant role in assisting our public diplomacy efforts in Central America. Under this amended purchase order contract, Mr. Gomez will develop a Nicaraguan election strategy taking into account the Secretary's recent trip to Managua. He will write op-ed pieces and he will prepare talking points and write speeches on Central American topics for use by USG officials as determined by the Coordinator, S/LPD. He will likely travel to Central America to follow-up on these projects.

Attached for your information is a sole source justification and statement of work. A copy of the amended purchase order should be sent to:

It is understood that said activities can be carried out in the most effective and credible manner when an outside, non-governmental organization is responsible for them. It is further understood that executing these programs requires not only substantive knowledge of the issues but also excellent relations with media experts primarily in Washington, DC but also in New York, Miami, Los Angeles, Chicago, San Francisco and other key cities of the United States. Furthermore, because many of the visitors do not speak English or do not speak it well, simultaneous interpretation skills are required. On the basis of recent experience and program plans for the fall, it is fully anticipated that Contractor will manage intensive programs averaging three to five days each for an estimated 10 to 12 visitors or residents. MEMORANDUM

 TO: S/S-EX - Mr. George Towhie
 FROM: S/LPD - Johnathan Miller *gm*
 SUBJECT: Purchase Order Contract for International Business Communications (I.B.C.)

This is to request that a purchase order in the amount of \$24,600.00 be prepared for International Business Communications. The contract period is Oct. 1 - Dec. 31, 1984, and is a continuation of services of contract #1001-402296-A, which expired Sept. 1 1984. The previous contract vendor, Mr. Francis Gomez, has recently formed a business under the name International Business Communications; hence the vendor name change.

Attached for your review are a project description, info copies of contract #1001-402296-A, and a sole source justification package for Mr. Gomez. The amount of the proposed contract is larger than previous contracts, but in this case I.B.C. will cover expenses normally covered by this office, such as travel. The contract should be covered by funds in our FY 85 budget.

Thank you for your prompt attention to this matter. This memorandum is in lieu of the attached, dated September 12, 1984.

UNCLASSIFIEDSOLE SOURCE JUSTIFICATION

S/LPD has been tasked with the coordination of Latin American public diplomacy efforts for the US and foreign audiences. A key component of this effort is an ability to respond to major media outlets and inform the American public regarding current Administration policies and programs. Another important part of this effort is a basic speakers' kit, well researched with non-classified sources, that permits speakers on a variety of levels to speak before a wide range of audiences. A third element is drafting one page briefs that address frequently stated criticism of US policy in the region. These elements will provide the basis for a quick response capability.

Mr. Gomez has the exact qualifications to undertake these varied tasks. As a former deputy assistant secretary of state for public affairs and head of the Foreign Press Center, he has written about, traveled to, and has an intimate knowledge of the various audiences and leadership groups that S/LPD has targeted. Mr. Gomez has the ability to write "talking points", prepare the speaker kits, analyze media reporting and provide a product in a timely manner. The project requires expertise in Central American affairs, US policy in the region, American public opinion, the operations of American news media and the design of public information strategies. It also requires superior writing skills and the ability to interact with State Department and other officials at various senior levels. It requires care in the handling of sensitive documents and good judgment in compiling information for public consumption.

A firm deadline is May 31, 1984.

MEMORANDUM FOR: S/LPD - Mr. Matthew Freedman

FROM: Francis D. Gómez
International Business Communications

SUBJECT: Payment for Services for the period
September 1 through December 31, 1984

In accordance with recent conversations with Ambassador Otto J. Reich and other officials in the Office of Public Diplomacy for Central America, International Business Communications hereby requests the issuance of an agreement between our firm and S/LPD for the provision of personal services for the period September 1 through December 31, 1984. The nature and scope of the services to be provided and the method and amount of payment are outlined below.

Services to be Provided

Declassified/Released on 10 FEB 88
under provisions of E.O. 12356
by K. Johnson, National Security Council

1) Press Conferences, Interviews

I.B.C. will plan, execute and follow up on press conferences and interviews for visitors from Central America to the United States as well as for Central Americans and other persons related to Central American issues who may reside in the United States. It is understood that said activities can be carried out in the most effective and credible manner when an outside, non-governmental organization such as I.B.C. is responsible for them. It is further understood that executing these programs requires not only substantive knowledge of the issues but also excellent relations with media experts primarily in Washington, D.C. but also in New York, Miami, Los Angeles, Chicago, San Francisco and other key cities of the United States. Furthermore, because many of the visitors do not speak English or do not speak it well, simultaneous interpretation skills are required.

On the basis of recent experience and program plans for the fall, it is fully anticipated that I.B.C. will manage intensive programs averaging three to five days each for an estimated 10 to 12 visitors or residents.

2) Northeast Outreach Program

I.B.C. will plan and execute three to four speaking tours to the northeast of the United States to include Boston, Hartford, Providence, New York and Philadelphia. The speakers to be programmed will be Central Americans either visiting or residing in the U.S. and their programs will include universities, editorial board meetings, civic groups and other organizations.

UNCLASSIFIED

UNCLASSIFIED

It is understood that I.B.C. will strive to obtain local sponsorship for the largest possible number of program events in order to project an image of grass roots support and involvement with respect to the message being transmitted.

It is further understood that I.B.C. will cover the costs of incidental travel, telephone calls, taxi fares, preparation of documents and miscellaneous expenses required for the conduct of these programs. I.B.C., furthermore, will provide simultaneous interpretation where and when needed.

3) Analysis of Salvador Papers

I.B.C. will carry out a thorough analysis of a collection of documents captured in the conflict of El Salvador. This analysis will include but not be limited to the identification of support groups in the United States, the provision of funds to guerrilla organizations by support groups abroad, the organization and strength of the guerrilla groups, guerrilla tactics, and related issues. Documents will be organized, identified, dated and translated to the degree necessary to make their contents understandable by the general public.

Memorandum For: Mr. Spitz Channell
 From: Rich Miller, Frank Gomez
 Subject: Freedom Program

As you know, Bruce Cameron, among others, has been chastised lately by the liberal lobby for objecting to the Reagan Administration on Central American matters. Cameron, until last summer, was the chief foreign policy lobbyist for Americans for Democratic Action, and one of the most effective critics of Administration policy. Like Bob Leites of the Carnegie Endowment, however, he saw the truth, spoke it, and lost his job.

We know Bruce personally. But through a confidential source, we have learned that he is in dire need of a job. It has occurred to us, therefore, (and with some extra thinking by our source) that he could be extremely helpful in the Central America Freedom Program.

What we suggest is that the Program provide a grant of about \$40,000 to PRODEMCA and that one condition for the grant be that they hire Cameron as their lobbyist. This amount would enable Cameron to work about six months at \$5,000 per month plus \$10,000 in expenses (phone, representation, taxi, etc.)

Cameron's background is in the Democratic party. Also, PRODEMCA was founded and is guided primarily by conservative Democrats. They played an important role in the victory last spring. Both PRODEMCA and Cameron would have easy entree into the opposition ranks on the hill and would be highly credible.

We urge you to consider this as a component of your program. We welcome the opportunity to discuss it further.

Dear Mr. Mariano:

Reference is made to your letter of February 5, 1986 which requested that we process International Business Communications, (IBC), 1912 Sunderland Place, NW, Washington, DC 20036, for a SECRET facility clearance.

By a copy of our letter of February 18, 1986, to the facility, you were advised that action was initiated in accordance with your request. During the initial telephone survey, we were advised that IBC was a sole proprietorship and that Mr. Richard R. Miller held all officer positions.

On the 20th of February we were advised telephonically that IBC was a partnership and that the partners were not individuals, but were facilities; namely, Miller Communications, Inc., and Gomez International, Inc., both at the same address as IBC. In an effort to comply with your request, surveys were conducted at the two partnership facilities. Both entities were advised of documentation that must be provided before the individual facility partnerships can be processed for a clearance, and each entity was given a deadline for submission of such documentation. Neither entity has responded.

Therefore, we have this date discontinued the processing of all concerned facilities. If you have any questions please contact Esther Bradsher at 202-325-9395.

Dear Mr. Lopes:

Reference is made to your letter of May 14, 1986, which is your third request that we process International Business Communications (IBC), 1912 Sunderland Place, N.W., Washington, D.C. 20036 for a SECRET facility clearance. International Business Communications has been identified to us as being a partnership composed of Miller Communications, Inc. and Gomez International, Inc. both collocated with IBC.

This office, as well as our Washington Field Office, has expended considerable time and effort to comply with your request. We have made repeated and explicit requests that the partnership furnish the information required to place IBC in process for a clearance. As of 9:00AM on June 2, 1986 we were advised that IBC is not an officially organized partnership; there is no partnership agreement in existence. We have therefore again discontinued processing IBC for a facility clearance.

Sincerely,

Leo J. Beardsont

This is to request the usual timing of 25 to 30 days be set aside to make an emergency payment of \$12,858 to IBC in response to its bill dated 4/11/85. This action is of utmost importance, not just to the Department, but to the White House, and the NSC so that IBC, which finds itself temporarily in dire financial straits may have the funds in days ahead to intensify its efforts in public diplomacy on behalf of the President's Easter Peace Proposal for Nicaragua.

MEDIA RELATIONS SEMINAR

International Business Communications agrees to plan and conduct a two-week long Media Relations Seminar for El Salvadoran Government Officials in late August and early September. The nature and scope of the Seminar and the method of payment for these services are outlined below:

The Seminar

Per instructions, I.B.C. is to plan and execute a series of mini seminars of two days each for about fifteen persons per session. During the two-week period, therefore, six separate groups will be trained. The subject matter to be imparted will include but will not be limited to the following:

- Theory of Communication
- Public Opinion and Public Policy Formulation
- The Nature and Operations of the International Press
- Basic Journalistic Techniques (Print, radio, TV, wires)
- The Government Information Official
- Press Ground Rules
- Management of News and Information by the Military

In addition to the formal class work, I.B.C. will arrange for Ambassador Catto to meet separately with senior government officials to impart insights, methods and recommendations on the proper conduct of public information activities. He will remain in the country for three days, while the other two lecturers will remain the full two weeks.

Services To Be Provided

I.B.C. will be responsible for all of the planning, administration, execution and follow-up for the entire Seminar Program. This will entail curriculum development, acquisition and showing of films and video tapes, acquisition of books, translation and reproduction of reading materials, conduct of simulated exercises to be videotaped, and other purely instructional aspects.

In addition, I.B.C. will arrange for first-class roundtrip travel for Ambassador Catto and for his hotel accommodations, as well as tourist class travel and hotel accommodations for the two consulting lecturers. It is understood that all expenses related to the Seminar, including payment of per diem and travel costs, will be borne by I.B.C.

Summary of Expenses and Fees

It is understood that the Seminar will be conducted in a climate of potential guerrilla or terrorist attacks in urban areas and the nearby countryside. I.B.C. and the lecturers are aware of this situation and the fact that American Government personnel receive a hardship differential of 15% and a danger pay bonus of 25% over and above their regular salaries. While we have not factored in comparable bonuses or differentials for the Seminar Directors, we have taken care of ensuring that all reasonable personal expenses and reasonable honoraria and fees will be provided them. These are as follows:

First-class air travel for Amb. Catto (Ret)	1,140
Tourist travel for two lecturer consultants	1,600
Honorarium for Ambassador Catto	1,000
Per Diem for Ambassador Catto (\$66 per day)	198
Consulting fees for two lecturers (\$250 per day) for 14 days for two people)	7,000
Per Diem for lecturer consultants	1,848
Purchase of texts, reading materials	350
Taxi fares while in El Salvador	150
Translations, duplication of materials	500
Miscellaneous expenses (telephone, copying, messenger, visas, etc.)	
TOTAL	14,086

I.B.C. fee for preparation and administration

GRAND TOTAL

Method of Payment

In view of the urgency of this program and the need to expend sizable sums of money in the immediate future, I.B.C. requests prompt payment of one-half of the total. A second transaction of 25% of the total is to be paid to I.B.C. upon commencement of the Seminar, and the balance, or 25% will be due upon completion of the workshop.

Contracting Officer is Johnathan S. Miller, S/LPD - Deputy Coordinator. His phone number is 632-3220.

included the recommendation that OPR/STP should not process requisitions which stipulate sole source procurement unless the criteria have been satisfied.

- "OPR/STP, in accordance with FPR 1-3.807-2, should establish controls and set forth procedures to assure that price or cost analysis is performed on each negotiated contract awarded and that such action is adequately documented in the contract files."
- "OPR/STP should emphasize to all Department organizations the importance of their early identification of planned acquisitions in the procurement process even though funding is not a certainty."

Apparently, the actions taken in response to the report were not adequate to resolve the problems.

In the course of our interviews with the cognizant contracting officials we were told that there was a great deal of pressure to place the S/LPD orders and that there were inadequate OPR/STP personnel resources at the time the acquisitions were processed to perform the functions related to the acquisition process. One official simply stated that the OPR/STP small purchasing staff failed to do their job.

Contracting officials told us they generally agreed that the sole source justifications were inadequate and they did not question S/LPD officials on their actions to split the purchase requirements. Moreover, we were told that the shortage of staff caused OPR/STP to act as a "rubber stamp" operation.

2. Training Order Placed by the Foreign Service Institute Registrar

The Foreign Service Institute (M/FSI) Registrar placed Training Order No. 1001-402486 for \$16,198 with IBC on September 10, 1984. The training order required IBC to conduct seminars in El Salvador on improving press relations for El Salvadoran military officials in late August and early September of 1984. The use of an M/FSI training order to obtain these IBC services appears to be inconsistent with the principles that generally apply to M/FSI training orders. Normally, M/FSI arranges for training for State Department employees that is job related. The training order with IBC was for media relations training for officials of a foreign government and was conducted by a private company in a foreign country.

According to the IBC proposal, it had been instructed to plan and execute a series of mini seminars of two days each for about fifteen persons per session. In addition to the formal class work, IBC planned to arrange meetings between a former Ambassador and senior government officials for him to impart insights.

UNCLASSIFIED

UNCLASSIFIED

- 18 -

The M/COMP Certifying Officer stated that the invoices submitted by companies which have performed services under a training order are "self-certifying." We were told that the training order form statement--"I certify that the above named student has been properly registered as stated" was used by M/COMP personnel as the basis for certifying an invoice for payment. Therefore, the documents needed for M/COMP to process a training order payment would be a copy of the training order and the company's invoice.

We believe the procedures for "self-certification" of contractor invoices may be an appropriate method for processing payments when M/FSI personnel use a training order to acquire training using M/FSI funds for job-related training for employees. However, we believe that the use of "self-certification" of contractor's invoices for the IBC training order was not an appropriate method to process payments since the services provided by IBC deviated from the normal M/FSI training procedures.

In discussions with an IBC official we were told that IBC was asked to improve Salvadoran public relations capabilities. We were told that IBC prepared materials for the program and went to El Salvador. While there, IBC met with various people and gave them advice and a plan; however, the "seminar" never took place as a formal seminar. Instead, individual counseling took place with 20 to 25 individuals. The former Ambassador informed us that he went to El Salvador in June 1984 but not during the period late August and early September 1984. Moreover, he said that except for his travel expenses he received no other payment for the work he performed in June 1984. The IBC proposal for the seminar in August/September 1984 included a \$1,000 honorarium for the services of the former Ambassador. During the same period IBC was providing services to S/LPD under purchase order 1001-402296. The order covered travel expenses to El Salvador for IBC personnel and the evaluation of the government's public information programs. S/LPD officials were unaware of the nature and extent of IBC performance under the training order.

While the IBC official told us that the work ordered by M/FSI's training order was not performed in accordance with the specific requirements of the order, the invoice submitted by IBC showed tuition for ten officials for a price of \$16,198 for a two-week seminar for El Salvadoran Government Officials in late August--early September 1984. This IBC invoice was paid based on the "self-certification" process.

On July 13, 1987, M/FSI informed us that its internal controls over pass-through contracts such as the one discussed above had been strengthened to prevent similar problems in the future. We believe the delegation of procurement authority to M/FSI should be reviewed to determine whether it is appropriate for the Registrar to continue to award these types of training orders in the future. (Recommendation 2)

UNCLASSIFIED

that action should be taken to recover funds from IBC since the services specified in the training order issued by M/FSI were not performed. (Recommendation 10).

Comments of Department Officials

In commenting on a draft of this report, the former head of S/LPD stated (1) he was not aware of the procurement policies and regulations, (2) he relied on his staff and procurement office staff to insure that appropriate rules were complied with, (3) he was never informed about any irregularities in S/LPD's procurement practices, rather, he was informed that such practices were followed all the time, (4) he was not adequately supported by the Department with administrative and other personnel familiar with Departmental procedures, and (5) the pricing of many of IBC's activities such as handling defectors and establishing credibility of U.S. government officials was difficult to establish.

Officials in A/OPR and A/OPE described the causes for the problems somewhat differently. Both stated that a lack of resources within the procurement function has been a historical problem in the Department and has hindered the carrying out of effective procurement operations. However, both also stated that the majority of the fault for the problems with the IBC contracts was with the programming office (in this case S/LPD) rather than the procurement or contracting officials. A/OPR commented that S/LPD exploited the situation by entering into unauthorized commitments, selecting the source, deciding upon dollar amounts and relying on the contracting officer to correct the situation on an urgent and compelling basis to facilitate payment. Both A/OPR and A/OPE stated that S/LPD used extreme duress and "steamrolled" procurement officials to process acquisitions which did not comply with appropriate regulations. A/OPR also commented that the report did not recognize the considerable progress which has been made in the procurement operations in the Department since the subject contracts with IBC and its principals were processed. Along these lines, he stated that most of the recommendations concerning procurement operations have already been implemented.

We acknowledge that a lack of personnel resources could have been a contributing factor in the operations of both S/LPD and procurement. We found that the former head of S/LPD made many requests for staffing and other support for his office. We also verified that administrative positions in S/LPD turned over frequently and were vacant during some periods. In summary, we agree that S/LPD probably was not adequately supported by the Department. We also acknowledge that the lack of adequate personnel resources in the procurement function has been a problem reported previously by the Inspector General. Concerning progress made in procurement activities we believe that significant improvements may have been made; however, the scope of this inquiry was limited to specific procurement actions, some of which were several years old. We did not

TO:

CONGRESSMAN JOHN CONYERS, JR.

HOUSE OF REPRESENTATIVES

WASHINGTON, DC, 20515

DEAR CONGRESSMAN CONYERS:

A NUMBER OF AMERICANS HAVE WRITTEN TO THIS EMBASSY
ENCLOSING A NEWSLETTER WHICH APPEARED SEVERAL MONTHS AGO
(IT IS DATED) OVER YOUR SIGNATURE, DISCUSSING THE
SITUATION IN CENTRAL AMERICA AND SOLICITING FUNDS ON
BEHALF OF AN ORGANIZATION CALLED "N.E.S.T.". THE
NEWSLETTER CONTAINS SO MANY SERIOUS DISTORTIONS AND
INACCURACIES THAT IT WOULD BE DIFFICULT TO LIST THEM
ALL. I AM, HOWEVER, DISMAYED TO SEE SUCH A
DISTINGUISHED CONGRESSMAN AS YOURSELF LEND HIS NAME AND
REPUTATION TO SUCH BLATANT FALSEHOODS.
TO GIVE JUST A FEW EXAMPLES:

- THE NEWSLETTER ASSERTS THAT SC-CCC PEOPLE HAVE BEEN
KILLED LARGELY BY MILITARY AND RIGHT WING DEATH SQUADS
"OVER THE PAST FIVE YEARS". IN FACT, THE OVERWHELMING
MAJORITY OF PEOPLE KILLED IN EL SALVADOR DURING THIS
COUNTRY'S INTERNAL CONFLICT WERE SLAIN FROM 1979-82.
SINCE THE U.S. BECAME ACTIVELY INVOLVED IN PRESSURING
FOR REFORM, THE NUMBER OF PEOPLE KILLED HAS FALLEN SO
SHARPLY THAT DURING EACH OF THE PAST TWO YEARS, DEATHS
RESULTING FROM POLITICALLY-MOTIVATED VIOLENCE NUMBERED

ONLY SEVERAL HUNDRED -- CONTRASTED WITH FIGURES OF OVER
1,000 DEATHS PER MONTH DURING THE EARLIER PERIOD. I
REALIZE THAT ANY NUMBER OF POLITICALLY-MOTIVATED
KILLINGS IS TOO LARGE, BUT IT IS BADLY MISLEADING TO
SUGGEST THAT WHAT OCCURRED DURING THE 1979-82 PERIOD IS
STILL GOING ON TODAY; IT OBVIOUSLY IS NOT.
- THE NEWSLETTER ASSERTS THAT "HUMAN SUFFERING" IN EL
SALVADOR "HAS BEEN HOLDEN IN LARGE PART BY THE "ORE THAN
1.7 BILLION DOLLARS IN U.S. AID" TO THIS COUNTRY. IN

FACT, AS I KNOW YOU MUST BE AWARE, BY FAR THE
 OVERWHELMING MAJORITY OF U.S. AID HAS BEEN ECONOMIC
 ASSISTANCE DIRECTED TOWARD HEALTH CARE, EDUCATION, THE
 RECONSTRUCTION OF ROADS AND BRIDGES DESTROYED BY THE
 GUERRILLAS, MATERNAL CARE, REBUILDING SCHOOL ROOMS
 DAMAGED OR DESTROYED BY THE GUERRILLAS, AGRICULTURE
 ASSISTANCE, HOUSING PROGRAMS, LAND REFORM, TRAINING
 COURSES FOR PUBLIC SERVANTS, AND THE PROVISION OF FOOD
 AND COMMODITIES SUCH AS MILK, COOKING OIL, CORN, TALLOW,

 THE "HUMAN SUFFERING" HAS NOT BEEN MOVED BY U.S. AID TO
 EL SALVADOR, BUT RATHER BEEN ALLEVIATED BY IT.

- THE NEWSLETTER SAYS THAT "THE CHIEF VICTIMS ARE EL
 SALVADOR'S CIVILIANS"; THAT IS TRUE, BUT WHEREAS IN THE
 EARLY YEARS OF THE FIGHTING, THEY MAY HAVE BEEN
 VICTIMIZED BY SALVADORAN MILITARY AND SECURITY FORCES,
 NOW THEY ARE CLEARLY AND DEMONSTRABLY THE VICTIMS OF
 GUERRILLA FORCES WHO HAVE MADE NO SECRET OF THEIR
 INTENTION TO DESTROY AS MUCH OF THE CIVILIAN ECONOMY AS

POSSIBLE IN ORDER TO IMPRESS UPON THE PEOPLE THAT THEY
 -- THE GUERRILLAS -- WILL NOT GIVE UP THEIR ATTEMPT TO
 TAKE OVER THIS COUNTRY. THERE IS A VERY GOOD, VERY
 QUICK, AND VERY EFFECTIVE WAY FOR THE KILLING OF
 CIVILIANS AND DESTRUCTION OF THE CIVILIAN ECONOMY TO
 STOP -- AND THAT IS FOR THE GUERRILLAS TO STOP TRYING TO
 TAKE THIS COUNTRY OVER BY FORCE OF ARMS AND FOR
 INFLUENTIAL OUTSIDERS, SUCH AS YOURSELF, TO LEND THEIR
 SUPPORT TO SUCH A CALL. THE ALTERNATIVE IS TO ASK AND
 EXPECT A DEMOCRATICALLY-ELECTED GOVERNMENT, CHOSEN BY
 1.5 MILLION VOTERS (OUT OF A POPULATION OF AROUND 5
 MILLION SALVADORANS) TO SURRENDER TO APPROXIMATELY 5,000
 ARMED GUERRILLAS. I ASSUME NEITHER YOU NOR ANY OTHER
 RESPONSIBLE PUBLIC OFFICIAL WOULD SO ADVOCATE.

CERTAINLY WE DID NOT DO SO TO THE "WEATHERMEN
 INTERNATIONAL" IN THE 1960'S AND 1970'S IN THE U.S.

- YOUR NEWSLETTER ALLEGES THE USE OF "ANTI-PERSONNEL
 BOMBS, WHITE PHOSPHORUS, OR EVEN NAPALM ON WHATEVER
 LIES BELOW"; AS YOU MAY NOT BE AWARE, THE SALVADORAN
 ARMED FORCES DO NOT USE FLECHETTE OR CEU ANTI-PERSONNEL
 BOMBS; THE ONLY WHITE PHOSPHORUS IN THEIR INVENTORY IS
 CONTAINED IN FLARES AND "MARKING" ROUNDS, BOTH OF WHICH

ARE UNSUITED FOR ANTI-PERSONNEL USE; AND THERE HAS NEVER BEEN ANY CREDIBLE EVIDENCE TO SUGGEST THAT NAPALM HAS EVER BEEN USED IN EL SALVADOR. A HARVARD UNIVERSITY MEDICAL SCHOOL TEAM SPENT SEVERAL MONTHS IN EL SALVADOR SPECIFICALLY TRYING TO PROVE THE OPPOSITE AND WAS UNABLE TO DO SO DESPITE EXTENSIVE INTERVIEWS AND EXHAUSTIVE INVESTIGATION. ALLEGATIONS ABOUT THE USE OF NAPALM HAVE BEEN IN THE REPERTORY OF GROUPS OPPOSED TO U.S. POLICY IN EL SALVADOR ALL ALONG; THEY HAVE NEVER BEEN SHOWN TO BE TRUE, AND I AM DISMAYED TO SEE THAT SO RESPECTED A CONGRESSMAN AS YOURSELF WOULD LEND HIS NAME TO THE REPETITION OF SUCH BLATANT FALSEHOODS.

- THE NEWSLETTER GOES ON TO SPEAK OF "SEARCH AND DESTROY MISSIONS...ORDERED BY U.S. ADVISORS"; THIS IS ARRANT NONSENSE. NEVER IN THE SIX-YEAR HISTORY OF THE U.S. MILITARY PROGRAM TO EL SALVADOR, DURING WHICH OUR ROLE HAS BEEN CONFINED EXCLUSIVELY TO THAT OF "TRAINING", HAVE U.S. TRAINERS (NOT "ADVISORS", AS YOUR NEWSLETTER ASSERTS) GIVEN ANY ORDERS TO SALVADORAN FORCES TO DO ANYTHING. OUR ROLE IN THIS COUNTRY IS NOT ONE OF "ORDERING" SALVADORAN MILITARY ACTION.

- YOUR NEWSLETTER ASSERTS THAT "PEOPLE FLEE TO AVOID THE WRATH OF THE MILITARY"; PERHAPS SEVERAL YEARS AGO PEOPLE FLED FROM A DIFFERENT SALVADORAN MILITARY. THAT IT IS DEMONSTRABLY NOT THE CASE AT THIS TIME; SALVADORANS FLEEING MILITARY ACTIVITY TODAY ALMOST INVARIABLY MOVE DELIBERATELY TOWARD AREAS WHERE THERE IS A STRONG ENOUGH SALVADORAN ARMED FORCES PRESENCE TO BE ABLE TO GUARANTEE THEIR SAFETY AND SECURITY. EVEN THE MOST CASUAL OBSERVER OF THE SITUATION IN EL SALVADOR CANNOT FAIL TO NOTE THAT THE DISPLACED POPULATION OF THIS COUNTRY HAS ALMOST EXCLUSIVELY MOVED TO AREAS CLOSE TO SALVADORAN MILITARY CONCENTRATIONS. THE RECENT MILITARY OPERATION (OPERATION PHOENIX) ON MOUNT GUAZAPA, 20 MILES NORTHEAST OF SAN SALVADOR, IS AS GOOD AN EXAMPLE AS ANY; WHEN THE

GUERRILLAS AND THEIR CIVILIAN CADRES WERE REMOVED FROM THE MOUNTAIN AND SECURITY RE-ESTABLISHED. MORE THAN A THOUSAND FORMER RESIDENTS OF THE AREA HURRIED TO MOVE BACK IN AND ARE NOW RESUMING THE FARMING WHICH THEY ABANDONED SIX YEARS AGO WHEN THE FMLN GUERRILLAS TOOK CONTROL OF THE AREA.

SEVERAL WEEKS AGO, THIS EMBASSY WAS PRIVILEGED TO BE ABLE TO MEET WITH MS. CARLOTTIA SCOTT, ADMINISTRATIVE ASSISTANT TO CONGRESSMAN DELLORS, WHO ALSO CARRIED A LETTER OF INTRODUCTION FROM YOU. WE BELIEVE SHE LEFT SAN SALVADOR WITH AN UNDERSTANDING AND APPRECIATION OF THE COMPLEXITY OF THE SITUATION HERE AND THE FACT THAT TODAY'S EL SALVADOR IS NOT THE SAME AS IT USED TO BE. NOR IS IT WHAT IS FREQUENTLY PORTRAYED BY PEOPLE AND ORGANIZATIONS IN THE U.S. WITH A POLITICAL -- NOT A HUMAN RIGHTS -- AGENDA. THE SITUATION IN THIS COUNTRY IS COMPLEX, BUT IT IS NOT INCOMPREHENSIBLE, AND IT IS UNCLASSIFIED

ALSO NOT ONE THAT THE U.S. CANNOT AND SHOULD NOT BE PROUD TO HAVE HELPED WORK TO RESHAPE. NO COUNTRY OR GOVERNMENT OR PEOPLE HAVE WORKED HARDER THAN OUR OWN TO HELP FORCE THE ADOPTION OF VITALLY-NEEDED HUMANITARIAN, ECONOMIC, POLITICAL, AND SOCIAL REFORMS IN EL SALVADOR. WE SHOULD BE PLEASED WITH THE CHANGES THAT HAVE TAKEN PLACE IN THIS COUNTRY AS A RESULT, EVEN WHILE WE CONTINUE TO PRESS FOR MORE PROGRESS. EL SALVADOR TODAY, LARGELY AS A RESULT OF U.S. AND OTHER PRESSURES FOR REFORM, IS NOW LIVING UNDER CONSTITUTIONAL RULE (1983). THE FIRST DEMOCRATICALLY-ELECTED CIVILIAN PRESIDENT IN OVER 50 YEARS (1984), WITH A FULLY-FLEDGED MULTI-PARTY NATIONAL ASSEMBLY (1985). THIS IS MANIFESTLY THE MOST DEMOCRATIC, REPRESENTATIVE, AND LEGITIMATE GOVERNMENT EL SALVADOR HAS PROBABLY EVER HAD. FIVE THOUSAND ARMED GUERRILLAS IN THE HILLS AND A HANDFUL OF POLITICAL FIGURES LIVING IN GOLDEN EXILE OUTSIDE EL SALVADOR ARE HARDLY AN ATTRACTIVE ALTERNATIVE.

IN CLOSING, LET ME SAY THAT I WOULD BE DELIGHTED TO HAVE YOU COME FOR A VISIT TO THIS COUNTRY SO THAT YOU CAN SEE FOR YOURSELF THE REALITY OF WHAT IS GOING ON HERE. I WOULD BE GLAD TO HAVE YOU AS A GUEST IN MY RESIDENCE. I CAN ASSURE YOU THAT I WILL PUT THE ENTIRE FACILITIES OF THIS EMBASSY AT YOUR DISPOSAL. I BELIEVE YOU WILL SEE THAT WHAT IS ACTUALLY TAKING PLACE IN THIS COUNTRY IS NOT WHAT WAS PORTRAYED BY THOSE WHO WROTE THE NEWSLETTER WHICH APPEARED OVER YOUR SIGNATURE. ANY TIME I PERSONALLY OR WE IN THIS EMBASSY CAN BE OF ASSISTANCE TO YOU, PLEASE DO NOT HESITATE TO LET ME KNOW.

Dear Richard,

Re: Intel Co-operation Inc.

I refer to the verbal instructions that you gave me during your trip here earlier in the month. For some reason it was over looked but we shall need written instructions from you to automatically deduct 10% from any grants received by this company and to pay the 10% deduction over to World Affairs Counselors Inc. as a commission.

I look forward to receiving this as soon as possible.

Kind regards.

SUBJECT: 1985/86 summary of NEPL program expenditures

This memorandum and the materials attached to it constitute the report you requested on the application of the funds provided to IBC by NEPL in 1985 and 1986 in connection with the Central American Freedom Plan (CAFP), other NEPL programs and for the purpose of providing humanitarian aid in Central America. We have prepared or collected the following materials based on a thorough review of our records:

1. An executive summary of 1985 and 1986 expenditures which includes both the program costs of CAFPP, other NEPL programs and the amount of humanitarian aid given by NEPL through IBC.
2. A comprehensive, chronological list of all NEPL deposits to our accounts and IBC expenditures in the execution of your programs for each year.
3. Documentation provided by the managing directors of Intel-Cooperation Inc. (originally I.C. Inc.), including a copy of the Memorandum of Association (corporate charter) filed with the government of the Cayman Islands and a schedule of the receipts and disbursements of that company for 1985 and 1986.
4. Copies of the retainer letter between NEPL and IBC and our program spending document that includes planning for the January 1986 Winter Meeting.
5. Copies of the wire transfers and bank orders used by IBC to distribute the humanitarian aid funds listed in section 2 and summarized in section 1.

A M 000003

You are familiar with our efforts in connection with the CAPP. In addition, the funds NEPL provided for humanitarian assistance have been applied to particularly worthy purposes. For example, your generosity has saved the arm of a little girl who was shot by the Sandinistas and paid for the reconstructive surgery in the United States that repaired the faces and limbs of young freedom fighters. You have also supported some of the best scholarly work by Nicaraguans and helped to support education efforts by exiles who wanted to bring their story to America.

Adolfo Calero has personally thanked you and me and has written to you thanking you for the help we provided to the Nicaraguan Development Council. Another major recipient is the Unified Nicaraguan Opposition (UNO), the political umbrella organization of the Nicaraguan Democratic Resistance. As your representative we have heard from other officials of the movement, and they have gratefully acknowledged the direct assistance we sent on to them.

IBC also distributed funds through Intel Co-operation Inc. to several organizations exempt from American taxation under section 501(c)(3) of the Internal Revenue Code. They are:

Gulf and Caribbean Foundation

Friends for the Americas

Nicaraguan Development Council

Latin American Strategic Studies Institute

Institute on Terrorism and Subnational Conflict

All of these recipients have pledged that their donations were used solely for humanitarian purposes and, given the nature of their organizations, we are confident that such is the case, since it is consistent with their programs in the region.

Some of the funds, as shown in the attached materials, were deposited to the account of Lake Resources, Inc., at Credit Swiss Bank in Geneva at the request of Lt. Col. Oliver L. North. At the present time we are unable to obtain from him any information concerning the application of those funds after deposit to the Lake Resources account. However, we were assured by him at the time that the funds were to be applied solely for humanitarian assistance.

If you have any questions about this report, we would be happy to discuss them with you.

Dear Mr. Miller:

Thank you for your letter of September 12, 1985.

My colleagues and I have discussed your proposal in some detail, and are pleased to respond in a positive way to it. Therefore, I am enclosing a check from The Heritage Foundation in the amount of \$100,000 as you requested in your letter.

We would appreciate receiving reports from you as to the uses to which these funds have been put, and would also like to have a copy of your tax-exempt letter for our files.

It is our assumption, of course, that all of these funds will be used in accordance with the stated purposes of your 501(c)(3) organization.

Best wishes to you in your endeavors.

SUBJECT: 1985/86 summary of NEPL program expenditures

This memorandum and the materials attached to it constitute the report you requested on the application of the funds provided to IBC by NEPL in 1985 and 1986 in connection with the Central American Freedom Plan (CAFP), other NEPL programs and for the purpose of providing humanitarian aid in Central America. We have prepared or collected the following materials based on a thorough review of our records:

1. An executive summary of 1985 and 1986 expenditures which includes both the program costs of CAFP, other NEPL programs and the amount of humanitarian aid given by NEPL through IBC.
2. A comprehensive, chronological list of all NEPL deposits to our accounts and IBC expenditures in the execution of your programs for each year.
3. Documentation provided by the managing directors of Intel-Cooperation Inc. (originally I.C. Inc.), including a copy of the Memorandum of Association (corporate charter) filed with the government of the Cayman Islands and a schedule of the receipts and disbursements of that company for 1985 and 1986.
4. Copies of the retainer letter between NEPL and IBC and our program spending document that includes planning for the January 1986 Winter Meeting.
5. Copies of the wire transfers and bank orders used by IBC to distribute the humanitarian aid funds listed in section 2 and summarized in section 1.

H 000003

You are familiar with our efforts in connection with the CAPP. In addition, the funds NEPL provided for humanitarian assistance have been applied to particularly worthy purposes. For example, your generosity has saved the arm of a little girl who was shot by the Sandinistas and paid for the reconstructive surgery in the United States that repaired the faces and limbs of young freedom fighters. You have also supported some of the best scholarly work by Nicaraguans and helped to support education efforts by exiles who wanted to bring their story to America.

Adolfo Calero has personally thanked you and me and has written to you thanking you for the help we provided to the Nicaraguan Development Council. Another major recipient is the Unified Nicaraguan Opposition (UNO), the political umbrella organization of the Nicaraguan Democratic Resistance. As your representative we have heard from other officials of the movement, and they have gratefully acknowledged the direct assistance we sent on to them.

IBC also distributed funds through Intel Co-operation Inc. to several organizations exempt from American taxation under section 501(c)(3) of the Internal Revenue Code. They are:

- Gulf and Caribbean Foundation
- Friends for the Americas
- Nicaraguan Development Council
- Latin American Strategic Studies Institute
- Institute on Terrorism and Subnational Conflict

All of these recipients have pledged that their donations were used solely for humanitarian purposes and, given the nature of their organizations, we are confident that such is the case, since it is consistent with their programs in the region.

Some of the funds, as shown in the attached materials, were deposited to the account of Lake Resources, Inc., at Credit Swiss Bank in Geneva at the request of Lt. Col. Oliver L. North. At the present time we are unable to obtain from him any information concerning the application of those funds after deposit to the Lake Resources account. However, we were assured by him at the time that the funds were to be applied solely for humanitarian assistance.

If you have any questions about this report, we would be happy to discuss them with you.

FOR THE DISTRICT OF COLUMBIA

UNITED STATES OF AMERICA :

v. :

RICHARD R. MILLER, :

Defendant. :

Criminal No.:

87-6190

Violation: 18 U.S.C.

Section 371 (Conspiracy)

MARRIS, J.**I N F O R M A T I O N****MAY 06 1987**

The Independent Counsel informs the Court that:

INTRODUCTION

1. At all times relevant to this Information, the National Endowment for the Preservation of Liberty ("NEPL") was a non-profit corporation. From NEPL's inception in or about May 1984 to in or about August 1986, NEPL had offices located at 305 4th Street, N.E., Suite 210, Washington, D.C. From in or about August 1986 to the filing of this Information, NEPL had offices located at 1331 Pennsylvania Avenue, N.W., Suite 350 South, Washington, D.C.

2. At all times relevant to this Information, in its promotional literature and in filings with the United States Internal Revenue Service ("IRS"), NEPL purported to be an educational and charitable organization devoted to the study, analysis, and evaluation of the American socio-economic and political systems.

3. At all times relevant to this Information, NEPL made representations to the IRS as to the organization's purposes and activities and, on the basis of those representations, NEPL was duly qualified by the IRS as an organization exempt from

unlawfully, wilfully and knowingly did combine, conspire, confederate and agree together and with each other to defraud the United States of America and the IRS by impeding, impairing, defeating and obstructing the lawful governmental functions of the IRS in the ascertainment, evaluation, assessment and collection of income taxes.

OBJECTS OF THE CONSPIRACY

8. It was an object of the conspiracy to defraud the IRS and deprive the Treasury of the United States of revenue to which it was entitled by subverting and corrupting the lawful purposes and operations of NEPL by using NEPL for an improper purpose, namely, to solicit contributions to purchase military and other types of non-humanitarian aid for the Contras.

9. It was an object of the conspiracy to defraud the IRS and deprive the Treasury of the United States of revenue to which it was entitled by falsely representing that contributions made to NEPL were tax-deductible when, in truth and in fact, certain of such contributions were not deductible since they were made for a non-deductible purpose, namely, to purchase military and other types of non-humanitarian aid for the Contras.

OVERT ACTS

10. The following overt acts, among others, were committed and caused to be committed, in the District of Columbia and elsewhere, by the defendant RICHARD R. MILLER and

his co-conspirators in furtherance of the conspiracy and to effect the objects thereof: "

(a) In or about April 1985, in Washington, D.C., the defendant RICHARD R. MILLER met with Carl R. Channell, and with a consultant to NEPL, another principal of IBC, and "Contributor A," a potential contributor to NEPL.

(b) On or about July 9, 1985, in a dining room of the Hay-Adams Hotel, Washington, D.C., the defendant RICHARD R. MILLER met with Carl R. Channell, and with a consultant to NEPL, and a United States government official ("the Official").

(c) On or about September 11, 1985, in Dallas, Texas, Carl R. Channell and the Official met with at least three potential contributors to NEPL.

(d) On or about November 7, 1985, at the Hay-Adams Hotel, Washington, D.C., the defendant RICHARD R. MILLER met with Carl R. Channell, the Official, and "Contributor B," a potential contributor to NEPL.
